Wanted for 2016

**Breed Features**

NZ Dog World would love to run more breed features in the magazine.

Over the years the amount of members and clubs with the time required to help co-ordinate breed features has declined. Busier lifestyles etc. We understand that.

With some of the smaller breeds it has been too hard for them to secure the advertising required to allow a feature to proceed.

However, if you or your club can submit...

- 3 – 5 articles of interest on your breed (with permission for us to reprint if required)
- and up to 10 high quality photos

That’s it, we will do the rest... If you can secure any advertising to go with this then great but this is now not a requirement for publication.

We have gaps in the calendar where your breed could shine – May, June, July and August...

So come on all you breed fanciers, if your breed has never had its moment in the sun – this is the time...

Please contact Sue Conner on 04-910 1529 or email suec@nzkc.org.nz if you are interested...
