DEAR MEMBERS & READERS OF OUR ARKANSAS FAMILY HISTORIAN:

Time once again to finish out this very good year of our ARKANSAS FAMILY HISTORIAN. Already twenty pages of Queries have been prepared for our March 1978 issue. Two hundred pages were promised (if the material became available). The material was available, even tho much of it needed to be prepared, by typing, checking, etc. If you will check the last page for this year, you will notice we are well over our 200 pages, and the material has been typed on 14 inch paper and then reduced to fit onto our 8 1/2 by 11 size. Much more material has been processed than in past years also four additional Ancestor Chart Volumes have been published, and one Volume of Marriage Records for Union County. Our budget has really been stretched, as well as the number of volunteer workers has increased, seems everyone is so eager to help each other. A BIG BIG THANKS TO EVERYONE.

By reducing our prepared material (on our 805 Multilith machine) to fit our Quarterly size of 8 1/2 by 11, we have been able to send more in the mail, and still trying to keep our postage fee as low as possible. By notifying our office, either to hold your Quarterly (when you have to move) or sending a change of address well ahead of the mailing date, that too has helped keep our postal fee as low as possible. We just have a Great group of ARKANSAS FAMILY HISTORIAN MEMBERS.

Volume IX ANCESTER CHARTS are being printed just as soon as this Quarterly is released. But then the Index and Compiler's list still needs to be made. Soon after January 1, 1978 that issue will be released, so if you want to include your $3. for that issue when you renew your membership for 1978, that will save 13 cents postage, for you. Remember to send your membership before 31 January 1978, as the fee will be increased to $7. at that time.

Volume X ANCESTER CHARTS have been gathered ready for printing, and will be typed soon, so that Volume will follow Volume IX very soon. This Volume was gathered as a result of a six weeks class, at the Laman Library in North Little Rock, Ark., last June and July. This class was held each Thursday evening from 7 to 9 PM and many who were not already members of our Arkansas Genealogical Society, Inc., became members.

Volume XI ANCESTER CHARTS are now being gathered (about half are already in that group) we have tried to keep the number to about 65 or so, this keeps the $3. price range and within our budget.

Our new project of FAMILY GROUP SHEETS (see the last page of this issue), is becoming very popular. Some time in 1978 we hope to print the first of this Group. See the March issue of our Arkansas Family Historian for further information on when this will be released. If you have not already sent your FAMILY GROUP SHEET, better get started. Start with your grandparents (either side) list grandfather, grandmother, and then start with the eldest child, and so on down the list, including all the known information, dates of birth, death, and marriages, etc. These will also become very valuable as the Volumes become available.

Our ANCESTER CHART VOLUMES I and IV have recently (just finished yesterday) been reprinted. Some of our new members did not know about them until they were all gone. If you have a complete set of these, you would like to sell to someone else, let us know and we in turn will pass word along. So far we have had many requests for them, but no one seems to want to give their issues up. We are not going to reprint these, again as we need to get the new ones into print (our budget!).

We have just received a Certificate from the GENEALOGICAL LIBRARY FOR THE BLIND AND PHYSICALLY HANDICAPPED, INC., for our latest contribution to this worthy cause. Our Volumes V, VI, VII, & VIII Ancestor Charts have been placed with them for instructional materials to be produced in Braille large print, and on cassette tape for the blind. Classes in genealogy are taught in sign language, and/or teletype so they can communicate over the telephone with the deaf. Their address is: 4176 English Oak Drive, Doraville, Georgia 30340. Telephone 404-449-1523, Mrs. Diane Dieterle, Director.
Many of our members have expressed thanks for the listing of new books of Genealogical interest, especially for Arkansas. Some few are listed here, and if you know of others please let us know. Some families have already printed much valuable information about their families and allied families, if others knew about these books and where they might be gotten, some duplicate work might be avoided. These books might be out of print, but if we could find a Library or some person who has a copy, maybe a page might either be copied or at least read, sometimes just a tiny clue is all that is needed. Those who have really come to a dead end, really know how this will help. The same applies to the Query Section, you may not know about a certain family yourself, but you might know some one who is working or has worked for years on the family, try passing the word along. That help is sometimes more valuable than a long letter of explanation. Just drop a note, and say regarding your Query, of such a date, write (give the name and good address of the person you know who has been working on the family.) Many good good contacts are made thru the Arkansas Family Historian.

BOOK REVIEWS - GIFTS TO ARKANSAS GENEALOGICAL LIBRARY

Reviews by R. W. Dhonau, Director

The Arkansas Genealogical Society Library has received as a gift, "MY BYERS - BONAR - SHANNON and Allied Families, 1695 - 1976", a volume by Marion Stark Craig, M. D. The gift is from the author and 1977 State President of our Society. It is his second family history publication, the first having been "Colonel Joseph Hardin of Davidsonville, 1784-1826".

This discourse of Dr. Craig's ancestor families begins with a BYERS-BONAR marriage in Washington County, Pennsylvania. The children of this couple came through Ohio and to Arkansas, the youngest of which was John Hancock BYERS, the great grandfather of Dr. Craig. The sources of material used are many and extremely varied. The most interesting to the reviewer is family group sheets made from information by reliable sources. Other types of documentation are equally authoritative. It includes a great deal of history as it was being made, especially the Civil War. Book published 1976, hardcover, 8½ x 11 inches, 120 pages, full name index, $10.00 Marion Stark Craig, 300 Beckwood, Little Rock, AR 72205

"JOHN CRAIG AND SOME DESCENDANTS: 1773-1976" - Two Centuries of a Southern Family, by Marion Stark Craig, M. D., is the third publication of our President. It was released in June 1977 and is a recent gift to the Library of our ARKANSAS GENEALOGICAL SOCIETY, in the Genealogy Room, second floor, Little Rock Public Library.

Every possible record is documented to show identity of each known member of the family of John CRAIG, the great great grandfather of the author. These records are from North Carolina, Alabama, Missouri, Tennessee, Mississippi, Kentucky and Arkansas. From this the migration pattern is established for the various family members. The Civil War is a prominent feature in the action of the wide reaching family.

The characters are vividly brought to focus in numerous photographs and "folksy" stories of events in their lives. Best of all is a loving description of all are drawn by a family feeling of closeness and understanding. I recommend this record to all family history researchers.

"THE PATRICKS and SPADRA CREEK - The CENSUS & Statehood" by Heartsill Patrick King, is also a recent gift by the author to the Library of the ARKANSAS GENEALOGICAL SOCIETY.

This book opens with a history of Old Spadra in Johnson County, Arkansas. It is highlighted by a legend of an old Spanish Sword told in verse by John W. Woodward. The main section of this 75 page, 3 5/8 x 8½ inch book with attractive, sturdy paper cover is a biographical sketch of the life and times of five generations of the PATRICKS, KINGS & LEE - ancestors of the author. This lively story is illustrated with pictures and documented with many newspaper accounts of actual history.

EDITOR'S NOTE: Our special thanks to these people for these valuable books. They will be great examples for the rest of us to follow. All for this year.

Sincerely

Elaine Weir Cis
HINTON, as a surname, is derived from the local usage "of Hinton" there are Parishes of the name in the Dioceses of Salisbury, Winchester, Oxford, Peterborough, Bath and Wells. John Hinton appears on the hundred Rolls of the County Cambridge in 1273, and Robert De Hinton on those of County Dorset (C. W. Bardsley: "Dictionary of English and Welsh Surnames"
The word Hinton in Anglo-Saxon, means "Old Town" and is given to at least a dozen different parishes in England. The family of Hinton, however, took its name originally from Hynton-Sutton or Hinton-Brackley, as it is variously called in the Northeastern part of Northamptonshire and Hinton-Woodford in the Northwestern part.

The name of Hinton in England, stands as high for bravery in Battle, Fidelity to Trusts, and later eminence in Literature as any family of Commoners England has produced and in this country steadily maintained their respectability and have proved themselves, in all their branches, male and female, useful and honorable citizens.

ULBERT DE HYNTON at Domesday Survey, held two hides of land, (240 acres) at HYNTON-WOODFORD; five caracutes (75 acres) were arable, two of which (30 acres) were in demesne with two house servants and ten villeins, and three cottagers had the remaining three (45 acres). a mill yielding 25 shillings, three acres of meadows; the whole had been rated at 40 shillings but now (1070) raised to sixty shillings.

(Bridges' Northamptonshire, Vol. 1, page 132.)

ERUALD DE HYNTON at Domesday Survey (1070), held two hides of land (240 acres) at HINTON and a half a hide (60 acres) at Silverston. The arable land was five caracutes (75 acres) of which two (30 acres) were in demesne with two house servants and eleven villeins and five tenants held the remaining three (45 acres). There was a mill worth two shillings yearly (rent; sixteen acres of meadow, a wood two furlongs (1220 ft.) long: and half a furlong (330 ft.) wide; the whole had been rated at thirty shillings yearly, but was then (1070) raised to seventy shillings.

(Bridges' Northamptonshire, Vol. 1, page 175.)

(Note: the Hintons first entered England under the banner of the Conquerer. Two brothers, Ulbert and Eruald De Hynton were in the company of Geoffrey De Magnevil of Normandy, fought at Hastings and received lands in Northamptonshire at the Domesday Survey, 1070.
The Line of Ulbert De Hynton seems to have become extinct before 1189, as Henry II granted it to Robert De Hynton, younger son of Elias in that year. The two generations between Eruald De Hynton and his great grandson Elias De Hynton are nowhere given. There are no records in existence between Domesday Survey and the Pipe Rolls of Henry II. Richard I and John's reign.

ELIAS DE HYNTON in 1147 held four knights fees (a portion of land yield­in an annual rent of £ 40; two hides at Hynto; he had two sons, one of whom, the younger,

ROBERT DE HYNTON, of HYNTON-BRACKLEY, received from Henry II in 1167 a grant of the Manor of Hynton-Woodford in Northampton, which had lapsed to the Crown by extinction of the Ulbert De Hynton line. His son and heir,

HUGH DE HYNTON, of Hynton-Woodford, M. MAUDE or MATILDE FOLIOT. His son & heir

SIR RICHARD DE HYNTON of Hynton-Woodford, was Knighted by Henry III, prior to 1250, and was the first of the family to receive that honor. He gave to God, the blessed Virgin and St Nicholas of Salisbury the Broad-Hynton Church near Swindon, together with six acres of land, August 19th 1253. Sir Richard took part in the Welsh Wars. He is styled "King's Yeoman" (Calendar Patent Rolls 1307-13, page 206.) He was granted for life Forestership of Huntingdon. In 1316, he was appointed assessor and collector of taxes for Counties of Huntingdon and Cambridge. That same summer he was appointed "Conservator" (now called Justice) of the Peace for County of Huntingdon (Calendar Patent Rolls 1313-17, page 483). He held many county offices, one of which was Captain for Huntingdonshire. Records show that he was Knighted by Edward II as early as 1320. (Calendar close Rolls, 1318-23, page 481.) SIR JOHN married PETRONILLA, daughter of LAURENCE DE MASSTINGHAM, High Sheriff of Huntingdon, and dying in 1332, left a son and Heir,

SIR JOHN DE HYNTON 3rd of Huntingdon, of whom very little is known. He succeeded his father "For Life of the Bailwick of the Forestry of Huntingdonshire." His name is on the list of Knights who were with Edward III at Antwerp in 1340, and served at Crecy 1346; he was in the Retinue of Richard Lord Talbot at Calais 12 July, 1347. (William Salt Publication Vol. VIII, page 132.) He married Margaret, daughter of HENRY DE COTEFORE and in 1350 died leaving a son,

He had sons, James, John and William, all of whom immigrated to North Carolina. The eldest was evidently James Hinton. The second son,

JOHN HINTON, settled in "Chowan Precinct", North Carolina. He came into the Colony with his brother William Hinton and his wife, Elizabeth. "Before 1710". He purchased 126 acres from Nicholas Stallings on "South side of Bennett's Creek, April 17, 1716." Again a Patent of 500 acres to John Hinton is recorded. He was overseer of Highways in 1725. In 1722 he petitioned for 350 acres on Bennett's Creek, in 1722, for Patent for same. Of him Dr. Groves, wrote in his "Allstons and Allstons of North and South Carolina: "Col. John Hinton, a Man of Prominence, Wealth, and Widely spread connection with many of the most influential families in the Colony" He married Mary HARDY (of Royal and Magna Charta Surety Descent), who survived him and married 2nd Thomas Holliday, 1742. Col. John Hinton died in North Carolina in 1732, in his WILL, dated 1730 he mentioned his "Well beloved wife, Mary". They had four sons, Hardy, John, William and Malachi and seven daughters: Ann, who married Solomon: Rachel; Mary married Wilej Jones; Sarah married Benjamin Blanchard; Charity; Rose; and Judith. John & William were not yet 18 years of age. Hardy, his wife Mary and brother, William Hinton, were Executors of this Last Will & Testament, and the Witnesses were: James Hinton, his brother and Joseph Ashley and Thomas Rountree. His youngest son MALACHI HINTON, went to the Wilderness of Central North Carolina, so did his brother, Afterwards Colonel John Hinton of the Revolution.

MALACHI HINTON, left Chowan County immediately after the marriage of his mother to Thomas Holliday. He settled in Johnston County, North Carolina, where he was granted large tracts of land on the north side of Neuse River about four miles from the present town of Clayton, Johnston County. His First Land Grant was dated July 22, 1761. He then went back to Chowan Precinct and brought back his negro slaves and other property. He married June 6, 1764, Sarah Wimberley, daughter of George Wimberley, of Edgecombe County. He was a Lieutenant in North Carolina Militia in 1754, and again in October, 1774, in Captain Jesse Wooten's Company, Colonel Needham Bryant Regiment of Johnson County Troops. He died in Johnson County, in 1807 and his children are mentioned in his WILL, as follows: George Hinton, who married Zilphia Stallings, Dec. 9, 1793; Pherebee Hinton, who married George Wimberley, Feb. 11, 1790; Jacob Hinton of whom later; Elizabeth Hinton, married John Vinson; Sarah Hinton married Laury Bryan, Dec. 7, 1801; Polly Hinton married Clara Alford, April 27, 1798; Malachi Hinton married Sally Ellinton (Ellington), May 30, 1810; William Hinton, married Lydia Hinton, daughter of Issac Hinton, Dec. 28, 1801. The second son,

JACOB HINTON, married 2nd Polly Bradford (mentioned in his WILL as "Mary")
daughter of Jack Bradford, "Captain in the Revolution", as resident of Halifax County, North Carolina and Wilkes County, Georgia and his wife, Martha Ricks. Jacob Hinton moved from Johnston County, N. C. to Georgia, first settling in Clarke Co., then in Henry Co. and Campbell Co., Georgia in the latter County he died, and his WILL, dated 22 September, 1835, witnessed by John McCoy, Wiley Bradford and Joseph S. Camp, is found in Campbell Co., Georgia WILL Book "A" page 10. In it he mentions his nine children by name and his son-in-law, Henry N. Pope, which shows that his eldest daughter who married Henry N. Pope, was not living when her father made his WILL. In addition to this daughter, he had: 1. Sarah, born 14 Dec. 1803, died 23 Dec. 1870, married Middleton Hill; 2. Harriet married McCree; 3. Orrie Cox married William Tuggle; 4. Bradford married Patience Lucre, 16 Nov. 1822; 5. Lovet; 6. Martha married John B. Lovejoy; 7. Henrietta married Heard; 8. Penina married Elijah Moseley; 9. William; 10. Wiley. Jacob Hinton, b. 1770 died 1835 married 2nd Mary Polly Bradford 179 she was born 1770 in Georgia, died after 1850 in Chattooga, County, GA.

BRADFORD HINTON, born 1798 died before 1865 (Census), married 16 Nov. 1822 to Patience Lucre, b. 1804, Henry Co., GA., died before 1858, Campbell Co. buried in New Hope Cemetery, Atlanta, GA., "Bradford Hinton, Moore's Dist. Clark Co. "Bradford Hinton is listed in the Georgia Lottery of 1820, named in Campbell Co. Census as Head of Family in 1830 (age 30 years or under). As Executor of his Father's WILL, sold land on Chattahoochie River to Thomas Camp, 10 Dec. 1838, bought 202 1/2 acres in Campbell Co. in 1831, made Deed to Deacons of New Hope Church of 2 1/2 acres for "Love and Affection" 22 July 1848. Sold to Joseph and James R. Crombie, 400 acres in Campbell Co. for $914.50 - 1844. The Census Record #659 in the year of 1850 for Campbell Co., Georgia shows the following:

GEORGE WASHINGTON BARNARD - 1818-1900
By Clyde O. Barnard

My great grandfather, George Washington Barnard, was born 5 Sept 1818 as his family 'moved west' from east Tennessee to the Western District of Tennessee, probably along the Tennessee River where it drops down into Alabama Territory, as he always listed Alabama as his birth-place, and Tennessee of his parents, on all later Census Records.

By 1830, the family was located in the Henry and Weakley County area of Western District of Tennessee. Evidently, it was in this area where George W.'s father died, shortly after his youngest brother, William, was born in 1827. The Family folklore is: "George's father died, either from lung disease or was killed by Indians, leaving George, the oldest son, to help look out for his mother, older sisters and younger brothers, while still a young boy".

George Washington Barnard married at age 16, to Elizabeth (?), age 19, of Tennessee, in 1834, in this area, as his older sons, listed Henry Co., as birthplace on later records.

In 1840, George W. Barnard and family were located in Carroll Co., Tenn., evidently, on the move west, again, with a listing of his first four children.

By 1847, George W. and family had arrived in Scott Co., Arkansas,
settling at Chismville, an area where other BARNARD relatives had settled ca. 1827.

In 1850 U. S. Census of Scott Co., Ark., Town of Chismville, Washburn Township, Dwelling 398, dated Nov. 19, 1850, the following family is listed. I have added the known names of spouses, of children listed, plus year of birth in parentheses.

George Washington Barnard, died 11 Sept. 1900, age 82 years and 6 days buried in Springhill Cemetery, Chismville, Logan Co., Ark. A grand old pioneer that believed that a man's word was his bond, honest, hard working, very religious and loved by all that knew him.

The father, George W. Barnard, was promoted to rank of Sargent, was wounded in battle at Mark's Mill, Arkansas, 15 April 1864. His son: Benjamin Franklin Barnard, was present when he was wounded and helped him from the battle field. His son: Zedie Barnard, was never heard from and was presumed killed in battle or died after being captured by enemy. Son: Marcus M. Barnard, survived the War, returned to his home and raised a rather large family. Son: Isaac Barnard, enlisted June 25, 1862, at Charleston, Franklin Co., Ark., by Capt. Parker, Co. E. 35th, Arkansas Infantry, was discharged, July 24, 1862 because of illness, returned to his home at Chismville, Logan Co., Ark.

My grandfather was Isaac Barnard, the sixth child of George Washington Barnard and his first wife, Elizabeth, of Tennessee. Isaac Barnard's full name was James Isaac Barnard, and was nicknamed "Dike" by his brothers and relatives. He was born, 8 March 1843 in Carroll Co., Tennessee, emigrated to Arkansas with the family in 1847, helped his father on the farm until his first marriage to a widow, named "Tidwell", who had two sons named, Will and John Tidwell. No other information concerning this marriage.

Isaac Barnard, married second, his stepsister, Louella M. Smith, b.
29 April 1861, a daughter of his father's third wife, Calfurnia Haynes Lee (Smith), in 1878. Isaac was 35 and Louella was 17 years old. Their issue as follows:

Jennie Barnard, a daughter, b. 1879 and died in infancy.
George Everett Barnard, b. 1880, died 1955.
Josephine Barnard, a daughter, born 1881 and died in infancy.
James Elmer Barnard, b. 1886, died 1950.
William Jackson Barnard, b. 1889, died 1972.
Arthur Alexander Barnard, b. 1891, died 1940.
Sallie Barnard, b. 1892, died 1896.

All the above children that lived to adulthood, were born at Chismville, Logan Co., Ark., married and raised large families and all died in Arkansas.

His widow, Louella Barnard remarried, 18 July 1900 to J. R. Owens, at Chismville, Ark. She died Jan. 1902.

James Elmer Barnard, the fifth child of Isaac and Louella Barnard, was born on his mother's birthday in 1886. His father died when he was 7 years old and he lived with his grandfather until his mother remarried in 1900. At this time, at the age of 14, he left home, went to Indian Territory to be near his older brother, George Everett Barnard, at Cowlington, went to work on a farm to support himself. He married first, Rosalittlejohn, 25 Oct. 1905 at Cowlington, Indian Territory. This marriage ended in divorce 29 Dec. 1911, with no issue.

James Elmer Barnard, married 2nd, Fannie Isabel Moseby, 16 Sept 1912 at Ft. Smith, Sebastian Co., Ark. Fannie was born 9 June 1893 at Cowlington, Indian Territory. Their issue:

Charles Luther Barnard, b. 11 Nov. 1919, North Little Rock, Pulaski Co., Ark.
Clyde Oran Barnard, b. 25 Jan 1921, North Little Rock, Ark.
James Lloyd Barnard, born and died March 1923, North Little Rock, Ark.
James Elmer Barnard, died 5 Sept. 1950, Jacksonville, Pulaski Co., Ark and is also buried in Hielman's Family Cemetery, Old Conway Pike, North Little Rock, Pulaski Co., Arkansas.

EDITOR'S NOTE: If you can help with additional information on any of these people, please contact: Clyde O. Barnard, 2129 Sharon Dr., Garland, TX 75041. This is a very good genealogical record, as the Barnard Family has lived in many Arkansas Counties and has many allied lines. Our many thanks to Mr. Barnard for sharing his records with the readers of Arkansas Family Historian.

In the first federal census (1790) a James Carder1 residing in 96th District, Abbeyville Co., South Carolina is recorded as head of household with wife and male child (0-16). He is the only head of household with the Carder surname recorded in the first federal census of South Carolina. Although this James Carder is not recorded in subsequent South Carolina federal census records, a John Carder2 (26-45) and a William Carder2 (16-18) are recorded as heads of household in Abbeyville Co., in 1820. Both names are listed on the same census page indicating they are likely closely related and probably brothers. John Carder is possibly the male child (0-16) of James Carder counted in the first federal census in 1790. Neither this John Carder nor this William Carder appear in the 1830 or 1850 South Carolina census records. This would indicate they may have left the state leaving few if any descendants of the James Carder counted in the 1790 census as residents of South Carolina.

In 1798 a Thomas Carder3 is granted an original South Carolina Land Grant in Washington District (later Pendleton District and later Anderson County), South Carolina. In the 1800 federal census a George Carder4 (over 45) and a Nimrod Carder5 both residing in Pendleton District are recorded as heads of household on succeeding pages indicating they are probably closely related. In 1810 Nimrod Carder dies and leaves an estate in which the Estate Papers provide clues to the kinship of the Pendleton District (Anderson County) Carders.

Although it isn't recorded in Nimrod Carder's Estate Papers, one could conclude that the two administrators of the estate, George Carder4 and Sarah Carder6, were respectively Nimrod Carder's father and wife. Subsequent census records7 of Anderson County indicate Sarah would have been about 38 years old at Nimrod's death in 1810. George Carder is recorded in the 1800 Census of Pendleton District as being over 45 years of age making him likely to be Nimrod's father assuming Nimrod was about the age of Sarah. Nimrod is recorded in this same census as 26-45 years of age with only one child (0-10) indicating that he and Sarah were probably under or near 30 years of age and just starting their family in 1800.

In the Estate Papers Sarah's name appears most frequently as a buyer at the sale of the estate particularly with regard to the household goods and furnishings which is usually the wife's prime interest. George Carder's name appears next most frequently which might be expected of a father of a rather young (about 38 years of age) deceased son. In later years according to the Estate Papers Sarah deeded a part of her portion of the estate to a William Carder9 (in 1823) and a part to a John Carder10 (in 1830). This William Carder and John Carder are likely two sons of Nimrod and Sarah Carder who appear as her two male children (0-10) in the 1810 Pendleton District census7.

Two other Carders whose names appear more than once as buyers in the Estate Papers, are Thomas Carder, Sr., and Thomas Carder, Jr. It is the younger Thomas Carder11, born in Tennessee ca. 1784 according to the 1850 federal census of Anderson County, South Carolina, whom I believe to be the father of my great grandfather, George Washington Carder, born in South Carolina in 1824 and deceased in Grant Co., (Belfast), Arkansas in 1885. Thomas Carder, Sr., would likely be the father of Thomas Carder, Jr., and probably a brother of George Carder, one of the administrators of Nimrod Carder's estate. Thomas Carder, Sr. would probably be the Thomas Carder who received an original South Carolina Land Grant in 1798 in what later became Pendleton District as Thomas Carder, Jr., would only be 14 years old at that time. A Thomas Carder12 is recorded in the 1810 Pendleton District federal census as over 45 years of age, with two male children (16-26) one of which is probably Thomas Carder, Jr. The census records do not indicate whether Thomas Sr., or Jr., is the head of household. Also the census records (1810-1850) list only one Thomas Carder as head of household indicating possibly that Thomas Sr., and Jr., lived together from at least 1810 until Thomas Sr. died. Although it is conjecture, it is possible that the elderly male (90-100) that is recorded in the household of Thomas Carder in the 1830 Anderson Co., S.C., federal census is Thomas Carder, Sr., and that Thomas Jr., replaced Thomas Sr., as head of household as early as 1810.

The only other Carder whose name appears in Nimrod Carder's Estate Papers as a buyer, is Iverson Carder. Iverson (Everson) Carder13 is recorded in the 1810 Pendleton District federal census (26-45). He was
possibly a younger brother of Nimrod, as Nimrod's possible father George, an estate administrator, is recorded in the 1800 census as having a male child (10-16) who could be Iverson. However, Iverson apparently had a close relationship with Thomas Carder Sr., or Jr. as he is listed directly under Thomas Carder in the 1810 census. Iverson may have been a son of Thomas Carder, Sr., and a brother of Thomas Carder, Jr. Iverson does not appear in the 1820 or later, South Carolina federal census records, indicating he may have died or left South Carolina before 1820.

Other Carders not listed in Nimrod Carder's Estate Papers but living in Pendleton District in the very early 1800s were Armistead Carder and Hinson Carder. Armistead Carder (26-45) is recorded in the 1810 federal census as head of household and residing in Pendleton District. In this census Armistead's name is listed on the next page after that of Sarah Carder, wife of Nimrod Carder, indicating a probable close relationship possibly brother-in-law or cousin-in-law). Armistead would have been at about the age to have been an older son of either George Carder or Thomas Carder, Sr. The fact that Armistead Carder was born in Culpepper Co., Virginia between 1770 and 1775 gives a clue as to where the Pendleton District (Anderson Co., S.C.) Carders may have lived sometime prior to settling in South Carolina. This is further substantiated by Sarah Carder having listed her birthplace as Virginia in the 1850 census records.

Armistead Carder left South Carolina in 1816 and moved his family to Indiana and later to Iowa.

Hinson Carder was born about 1804 in Pendleton District, South Carolina, and could possibly have been a son of either Thomas Carder, Jr. or Iverson Carder as both had male children (1810 census records) born at about this time. The closeness of Hinson's association with the other Pendleton District Carders, is not indicated by the census records, since he does not appear by name until 1830 at which time he has already removed to York County, South Carolina.

By 1850 the only Carders in South Carolina listed as heads of household are Thomas Carder (66 years old) of Anderson County, shown with his wife and seven children and Hinson Carder (46 years old) of York County shown with his wife and seven children. Sarah Carder (78 years old) of Anderson County is shown as living in the household, of an Isa Cox (Asa Cox) whose name also appears on some receipts in Nimrod Carder's Estate Papers.

Some main points that can be drawn from this study are:
1. Carders settled in South Carolina as early as 1790 with some of them being James Carder settling in 96th District (Abbeyville County) and Thomas Carder, Sr. (66 years old) of Anderson County, shown with his wife and seven children. Thomas Carder, Sr. had male children (1810 census records) born at about this time. The closeness of Hinson's association with the other Pendleton District Carders, is not indicated by the census records, since he does not appear by name until 1830 at which time he has already removed to York County, South Carolina.
2. The Pendleton District (Anderson County) Carders were a closely related people who probably migrated to South Carolina from Virginia (possibly Culpepper County).
3. Thomas Carder, Sr. probably left Virginia sometime prior to 1784 as his son Thomas, Jr., was born in Tennessee ca 1784 and they may be closely related to a Godfrey Carder who received a North Carolina Land Grant in Washington County, Tennessee in 1782.

EDITOR'S NOTE: This very good information was contributed by, James L. Carder, 3411 Chancellor, Memphis, Tenn 38118. Mr. Carder's Query was printed in the June issue 1977 (page 109). Since then he made this study of the South Carolina Carders (1790-1850). If you have additional information on any of these people, either ancestors or descendants drop Mr. Carder a note.

HOW TO PREPARE FOR PUBLICATION

To: Editors of local history publications, genealogical magazines, and family newsletters.

The Genealogy Committee of the American Library Association offers the following recommendations to editors of local history publications, genealogical magazines, and family newsletters. These suggestions are made to assist libraries which collect genealogical material and which are responsible for its public use and preservation. Many periodical and family newsletters are prepared by editors who are seemingly unaware of the importance of their publications to the wide readership consulting genealogical resources in our major libraries. The Committee submits the following thoughts for your consideration:

1. Title - Should be descriptive of the contents. Title change, if it must be, should be made with the first issue of a new volume. Editors should be aware that a title change will result in splitting a run if the receiving library arranges such holdings alphabetically by title, not to mention the cataloguing changes and the problems readers will have in locating their title. Therefore, title changes should be avoided.

2. Numbering system - It is preferable that the volume, issue number and date be used concurrently for each calendar year, and given on the cover and/or first page depending on the format.

3. Editor - Name, address and Zip Code on the title page or cover of each issue.

4. Format - A minimum binding edge (margin) on the inner side of page of 1" to 1 1/4". Format size should not be changed in the middle of a volume.

5. Paper quality - Seek out an acid-free paper. The S. D. Warren Co. and the Standard Paper Manufacturing Co. produce acid-free paper which assures the editor that what he has labored to produce will be library catalogued, preserved, and available to future researchers. A paper with high acid content will quickly deteriorate. Your local paper distributor will be able to supply your needs, or contact these corporations:

  - P. O. Box 1554
  - Richmond, Virginia 23212

- S. D. Warren Co.
  - 225 Franklin Street
  - Boston, Massachusetts 02101

6. Staples - Should be used only on the binding edge, never through the text. Heavy duty staples should not be used to seal the contents for mailing purposes.

7. When reviewing or citing a new book for sale, give author's full name, full and correct title from the title page, place of publication, publisher, year of publication, number of pages, and price. Also, the name and address of source for purchase.

8. Printing method - Whichever printing method is used, legibility and appearance should be prime considerations.

9. Subject and name index - By year and/or five year cumulation. Index to be placed at the end of the last volume included in the index.

10. Inquire at local post office for lowest possible postal rate. Many editors use excessively costly postage.

WRIGHT  Robert L. Chadwick, 5909 S. 152 St., Omaha, Nebraska 68137-BROWN Telephone 402-895-1370 - I would like help in tracing my family on my father's side. I am a new AGS member and hope the information I can give, will help someone and it will open new avenues of search for me. I just began tracing my family recently. My father was Robert Newton CHADWICK, b. Ardmore, OK 31 January 1877, d. Bridgeport, Neb., 8 Oct. 1959. The Rev. Joseph Wright and his wife Hannah (or Linna) lived in Overton Co., TN in 1846.

To this union was born triplets, 1 boy and 2 girls. The boy died at birth and the girls were named Hannah and Linna. They were born, January 1846 or 1848. The family moved to Carroll Co., Ark. in 1851. Hannah, my grandmother, grew to womanhood in the vicinity and joined the Methodist Episcopal Church and was baptized by immersion at the age of 20. Her mother's maiden name was Hannah or Linna BROWN. She was married to R. T. Chadwick on 18 April 1873, but I do not know where the marriage was performed. The Rev. Isaac Whiteley (Whiteley ?) performed the ceremony. To this union was born 3 sons and 2 daughters. One daughter died at birth and the others were named Robert, Jack, Burr, and Rosie. Burr died later in either TX or Oklahoma in a railroad accident. The family moved to the Indian Territory (?) and later to Texas. When (?) I think my grandfather, R. T. CHADWICK deserted his family in TX, although, we have no proof. My Grandmother raised the family on her own and moved to near Hale, Kansas at the age of 40 to live near her sister, Mrs. Linna Wright OAKLEY. On 14 June 1906 she married Wm. H. H. GILSTRAP, and lived on a farm near Hale, Kansas until her death on 4 August 1917. My Aunt Rosie, married Lincoln FULTZ and they lived in Oklahoma. I believe they were married in Arkansas, however. My father and uncle Jack went to Denver, CO in the early 1900s. Uncle Jack was married in Denver about 1916. He was killed in an auto accident in Big Thomsen Canyon (scene of the terrible flood of 1976) on 11 Aug. 1920. My father Robert N. CHADWICK, married my mother, Helen REANO, 23 December 1918. They moved to western Nebraska in 1925 and lived in Bridgeport until he died in 1959. My mother still lives in Bridgeport. If anyone can give me help in filling in the gaps or just any other information, no matter how trivial, I will appreciate it. The above information was all taken from newspaper clippings and statements given by my mother.

JAMESON  John Jameson, 2226 - 105 Pl.S.E., Everett, WA 08204  - I am very interested in tracing my family name JAMESON. My Grandfather and his parents did live in Arkansas. My father, Charles V. JAMESON, b. 18 April 1901, Berryville, Carroll Co., AR. My Grandfather, b. Deb. 1873, Northwestern Ark. (?) was James Andrew JAMESON, died March 1951, Meadow, TX. He was son of: William A. JAMESON & Jane A. WEBBER. Place of birth & death unknown. His first wife was Monerva JOHNSON CLARK, b. 1836, d. 1886. They were married 8 April 1855, in Independence Co., AR. His second wife was Lucinda (?). All I can find on Jonathan's service record is a confederate pension, paid to his second wife Lucinda, for his service in the Confederate Army. Confederate pension # 13664. I have been told by his grandson, that Jonathan CLARK served with Gen. Morgan in Morgan's Raiders and that is the reason, we can find no proof of his Unit or time of service. Any help will be appreciated.

ADDITIONAL INFORMATION

BUSSELL  Mary B. Maupin, 854 East Windsor, Phoenix, AZ 85006 - I am interested in the whereabouts of my father, Charles C. BUSSELL (BURSELL) in the 1880s. I have been unable to locate his whereabouts from the time he graduated from Pleasant Hill Academy in 1895 to 1907 when he married my half brother's mother in Tennessee. I know he taught school and may have practiced law in some Arkansas County. He was also married there and had a child whose name was Artie Mae. It is said he kidnapped the child when she was a small baby, and took her to his family in Tennessee, where she later died at the age of about four. I have borrowed some pictures of them when I was visiting my cousins in Tenn., and they tell me his wife may have been Millie CLARK. I have expounded all resources that I know about to trace this family. I would appreciate any suggestion or clue, can anyone help me? My father, Charles C. BUSSELL (he later changed the spelling to BUSSELL) was born 12 January 1887, White Co., TN, son of M. D. and Nancy C. BUSSELL, also of TN. Married my mother 13 Mar. 1913, in Fullerton, Nebraska. Lived in Texas Co., Okla., for many years, died 24 January 1961, Custer Co., OK.

Pension Application in Childress Co., TX says he enlisted in Columbia Co.,
AR. Need parents of Aaron D. CARDWELL, b. 1844, where? Whose application
says he served 1862-65 in Col. Pleasant's Ark. Infantry. Want to exchange
with descendants of any Arkansas CARDWELL Family.

I wish to thank AGS members for helping me trace my stepfather's
FERGUSON line. As a result of this and other help we have been able to
trace his line back two more generations. It is very unusual to meet some­
one who doesn't recall his grandparents' name and if someone asks for help
that line in the future, it might be suggested it is easy and cheap
(only $5.) to locate them in the 1900 census now, as it is indexed. Usually
the 1880 census will state where they lived in 1880 from birthplace of the
children. Then you can find them on that state, assuming they have children
under 10, which is usually the case for people who have descendants born in
the 1880s. Then you have them in the 1880 census, where they were born,
where some or most of their children were born, where their parents were
born, and you are in business.

SPILLER  Larry Spiller, Route 2, Ripley, TN 38063 - I am seeking informa­
tion on a relative, Rev. Alfred A. SPILLER (Baptist) who migrated
to western Arkansas about 1875 from Woodville, TN., formerly from Pickens
His wife was Bettie, and he had one son by her, G. S. SPILLER, b. 1879. By
his first wife he had two boys, John & Madison, not with him on the 1880
census. His last letter is from Witcherville in 1890, in Sebastian Co., AR.
He lived once at Salem City in that area, also Dayton. Possibly a check of
Cemetery indexes of Sebastian, Scott & neighboring areas for A. A. & G. S.
SPILLERS would reveal valuable information. I would like to know his place
of burial. Any information will be appreciated and I will be happy to ex­
change.

BAKER  Mrs. Annie Thurman, Box 3151, Longstreet, TN 71050 - Need address
of Mrs. Mary J. Baker, (?) San Diego, CA. She is trying to
find where some of her people are buried, and I have the name of the care­
taker of the cemetery, and she failed to send me her street address and Zip.
Please help if possible.

HORNE  Margaret E. Horne, 335 Ray Linn Lane, Paradise, CA 95969

BETTIS  Simeon HORNE, b. 8 Aug 1818 and wife Sarah (Sally) Carr BETTIS b. 19 June 1826, possibly both born in North Carolina. They were married in Memphis, TN 10 Oct. 1848, then settled in Des Arc, Prairie Co., AR in 1856. His wife Sarah was formerly married to a Q. J. HORNE. We do not know who he was or have any information on him. Simeon HORNE'S parents were Simeon HORNE & Elizabeth BLOODWORTH HORNE. No dates known on them. We know of only one child of Simeon & Sarah's - his name was William Anderson HORNE, b. in Dec. of 1851 in TN apparently raised in Des Arc, but not sure. He married a Sarah Letitia FLINN in Dec. of 1874 in Des Arc, Prairie Co., AR. Any help would be appreciated, and I will be happy to exchange.

ANDERSON  Mary J. West, 428 Alicia Drive, El Paso, TX 79905 - I am doing research on an uncle who died in Jerusalem, Conway Co., AR 11 Jan 1899. His name was Calvin ANDERSON, wife Eliza J. DUVALL ANDERSON. At time of his death, this couple had six young children, all under 13. Children: Arthur J., b. 20 Jan. 1887; Ida Ethel, b. 13 Mar 1889; Robert G., b. 22 Mar 1891; William Edward, b. 8 Feb 1893; Pearley (male) b. 21 July 1896; Ira Walter, b. 26 June, 1898. I would like to find out, if possible - if any of the above listed children are still living? It is possible the two younger ones may be. Would like to know who Ida Ethel married - as I need her married name for searching purposes. Until very recently, I did not know of this family's existence. I have group pictures of them, taken long before the turn of the century, and am most anxious to get in touch with one of them, or their descendants. After my uncle's death in 1899, his widow married D. A. Shoptaw of Latham, Van Buren Co., AR on 3 Dec. 1905. Her Post office address at that time was given as Gridley, AR, of Van Buren County. Records show that again on 9 Apr. 1910, this widow married a James Philpot, both addresses were given as Gridley. So I am assuming, her six children were living near Gridley as late as 1910. No information is known after that date. Would appreciate any help and will be happy to exchange data.

LEWIS  Mrs. Louise C. Ryan, 125 Cambon Drive, San Francisco, CA 94132

My great grandfather, Christopher C. PERRY moved to Clark Co., AR before 1860, wife Emoline. Maiden name unknown to me. She was his second wife. 1st marriage was to her sister. She died in Clark Co., about 1882. Christopher C. PERRY was first in the Conf. Army. He was released March 1863, came home to enlist in the Federal Army. He died in Bismarck, Hot Spring Co., AR about 1904. W. M. LEWIS, b. 1822, TN, later lived in Gainesville, Ala., married Sarah HAM in Hernando, Miss., in Sept. 1846., she was born in Ala., Jan 1828. SELF  Nancy Kirk, 309 Ben Hogan Drive, Missoula, Montana 59801 - My ancestors Gilbert SELF & Louise Brison (BRYSON) lived in Newton Co., AR in 1866. POORE  John Poore, Jr. 1040 E. Lilac, Tempe, Arizona 85281 - I would appreciate any information, parents, and their dates of birth, and death & places of both, etc., on John William POORE. According to the death certificate, which is filed in Riverside Co., CA., he was born in Kentucky, 11 March 1862 and died 12 Nov. 1932 in Riverside, CA. I have reason to believe that he was not born in Kentucky, but in Arkansas. I have narrowed it down to two counties, Greene and Pulaski. Any information will be appreciated and I will exchange.

WHITNEY  Mrs. Charles C. Alexander, 903 Myers Ave., Columbia, TN
KENNEDY  38401 - Lindsey WHITNEY, b. ca 1775, in South Carolina,
ABRAMS  married Margaret (?), was living in Newberry District, S.C.
JACKS  when 1800 Census was taken. Later lived in Laurens Co., S.C.
JACQUES  where he died in 1844. He had a son named John, who first
married Sarah, thought to have been a KENNEDY, and second to
Nancy Narcissus ABRAMS. John and family are thought to have moved to Ark-
asas. Sons were: Levi, Elbert, Moses, Linsey F., Bazal, Thomas N., Elisha
With Margaret, wife of Lindsey WHITNEY? Does anyone know who has the
WHITNEY Family Bible? I will be happy to exchange data.

HICKS  Marie Kramer, 368 E. 2nd St., Pon du Lac, Wis. 54935 - I am
JOHNSTON  searching for more information, about Judge HICKS and Sarah
(called Sally) JOHNSTON or JOHNSTON HICKS, who lived near
Wilton Little River Co., Arkansas, who lived on a farm there.

Judge donated land called HICKS CEMETARY and land for HICK'S SCHOOL, a new
school being built in the 1930s. Had Judge & Sarah been born near Wilton-
Sarah's folks had a farm near there and it seems Judge & Sarah migrated to
Oklahoma--land rush, but came back to Arkansas. Judge a nickname or his
real name? They were related to the Hill & Cooper families by marriage.
Judge & Sarah had two girls, Martha (called Mattie, my great Aunt) who
married Claude SPRIGS or SPRIGGS, a criminal lawyer from Idabel, Okla.,
yet later moved to Oklahoma City, OK, had a little girl named Glee, who
died young. Auntie then raised my mother Lola HILL. The other daughter-
Lillian HICKS (my grandmother) married a Jessie HILL, who got into some
type of trouble & left Arkansas for Lake Charles, LA, but Lillian & mom
did not go with him, she left my mother with Sarah JOHNSTON and went to
St. Louis, MO, where she is buried and my mother next to her. Judge died
suddenly. Sarah sold the farm, but a house in Wilton was sold after she died. My sister and I are the only children of Lola HILL and we wonder
about so many things. Where Judge was born? Was he a Veteran of a War?
Who sold the Cemetery land? Schoolhouse land, etc., when it had originally
been donated? Perhaps his people and Sarah's people are buried there?
Lillian HICKS HILL had 3 other children, who died as infants, except Eugene
who must have been about 2/3. Elizabeth and the other we do not know, we
assume are buried at Mena, Polk Co., AR. There are so many other questions
we would like to have answered, for my own children. We know Judge hated
farming. Can anyone help with any information about these people. (Phone

RICHARDS  Mona G. Barrett, 8018 South 13th Place, Phoenix, Arizona
CAMPELL  85040-1870 Scott Co., Arkansas Census records lists Charles
RICHARDS, age 35, fmr b. in Ark. & his wife Mary Ann, 34,
b. Tenn. Their oldest child, age 10, so their marriage probably took place
ca 1850/60. Is there a compiled history of Scott County, Ark.? I would
appreciate any information on this family's ancestors or descendants, and
will be happy to exchange data.

ROSS  Thelma Sargent, 518 North Olive, Mesa, AZ 85203 - I am search-
ing for information on Theroy Corps, and wife Mary
YANCEY  Louisa YANCEY. This family was in Pope Co., Arkansas on 1850
Census. Went to Texas about 1851. They were not in the 1860 census of
Navarro Co., TX but the wife and four children were in the 1870 census of
that county. Harvey was born ca 1807, KY., she was b. ca 1817, Tenn. The
youngest child Mary Elizabeth married John Anderson PRITCHARD. Mary Louisa
ROSS died ca 1914, and is buried at Old Pursley Cemetery, Pursley, Navarro
Texas. I would appreciate any help on this family, and will be happy to exchange.

PATY  Thomas C. Paty, Sr., 4209 No. 2nd Drive, Phoenix, AZ 85013
PARROTT  The story of ONE WILSON FAMILY (June issue 1977, Ark. Family
Historian) intrigues me very much, as I note the marriage
into the PARROTT family, for the reason my great great grandfather Elijah
PATY married Eve (AVERY) PARROTT, August 23, 1794, Campbell Co., VA. I
have not been able to get much genealogy on their family, but their son
William PATY, my great grandfather left a WILL, from that point I have
been very successful. Would like additional information on these families.
EDITOR'S NOTE: Mrs. Gary L. Cone (Cynthia) Box 1997, Hereford, TX 79045

article in the Ark. Family Historian, and glad others can enjoy our

GENNINGS
Robert A. Gennings, 330 N. E. Scenic Dr., Grants Pass, OR 97526

JENNINGS
I started tracing our family two years ago, and am making good progress. Our family name was spelled JENNINGS until the 1880 Arkansas Independence County Census. In that census it was changed to GENNINGS. There were 10 children in this family (my great-grandparents), Elijah & Mary JENNINGS. When they moved from Union & Spartanburg Counties, South Carolina, between 1850 & 60. I'm sure some of them have some valuable information. They lived in the Sulphur Rock, Independence Co., AR area until after 1900. My grandfather, Robert C. GENNINGS and his family moved to Oklahoma. Date unknown. My great great great grandfather was one of the 900 Patriotic Americans who won the Battle of Cowpens in South Carolina, 17 Jan. 1781. So both my families came to this country, and were living in the same counties in South Carolina in the 1830s, 1840s, & 1850s. WHY WAS MY NAME SPELLED WITH A "W" Instead of a "J"? The farther I search, the more interesting it becomes. I will appreciate any information and will be happy to exchange data.

FOSTER
Charlene Fowler, P. O. Box 1262, Bellflower, CA 90706 - I am searching for any information regarding, D. W. FOWLER (believe the "W" stands for WILL) b. about 1848. Need his parent's names. He married Minerva Jane Casandra Enterprise GOODMAN, 1 Sept. 1878. They were the parents of: John Henry FOWLER, b. 6 Jan. 1880. D. W. FOWLER either died or disappeared that same year. The only person I ever heard of being related to D. W. was a lady named Tempe Eller STEPHENSEN, who married a man named MEESK & later Bob GEORGE in Dardenelle, Yell Co., Ark. She was born about 1879. D. W. & Cas FOWLER were married in Van Buren Co., AR, she was from Quitman. We believe John was born in Searcy Co., near Marshall (not sure). No one in Tempe Eller's family ever heard of being related to A. FOWLER. I will appreciate any information.

TERRELL
Mrs. Francis Rinaudo, Jr., Box 306, St. Francisville, LA 70775
RATCLIFF
I need proof that: Philamon TERRELL & Margaret RATCLIFF TERRELL HUMPHREYS were married before 1811. We think they married in 1809 or 1810 in Wilkinson Co. (?) Philamon TERRELL & Margaret RATCLIFF TERRELL had a child named: Mary Ann TERRELL, 8 Feb. 1827 in Wilkinson Co. They owned land in Mississippi. We think, Wilkinson Co., Miss. Any record of the Mother of Nathaniel HUMPHREYS, b. 22 Feb. 1826. The Father's name was John P. HUMPHREYS who lived in Wilkinson Co., Miss. Birth of Margaret Ratcliff Terrell, daughter of John Ratcliff was before 1811. Any information will be of great help.

GLISPEY
Mrs. Gregory L. Simmons (Doris) 326 N. Van Brunt, Kansas City, MO 64123 - I am researching my family history and I am hoping that someone in the Arkansas Genealogical Society can help me. My great great grandfather was Francis GLISPEY. He is buried in Arkansas for awhile. He was murdered in Delaney, Madison Co., AR., 19 Apr. 1893. A man named Finley HAMMONDS was tried several times for the murder, then acquitted in Huntsville, AR. GLISPEY was buried in Powell, Madison Co., AR. I am hoping a newspaper article on this will give some details. I will gladly pay for copies. I am interested in anything which might mention GLISPEY. Perhaps the Fayetteville, or Eureka Springs papers wrote about it. Any help will be appreciated.

HAVE YOU WRITTEN A THANK YOU NOTE - TO SOMEONE WHO HAS HELPED YOU?
JOHNSON  Mrs. Joyce LeRoux, Rt. 1 Argyle, TX 76226 - My problem is complicated because of the name: JOHNSON, William H. (probably Henry) b. ca 1813 to 1818 in North Carolina, 2nd wife Margaret, b. Ala. ca 1836. Seven men by this name (my grandfather's) have been located in the Confederate Army and eight with the same initials, W. H. And too, I am not certain that my ancestor served during the War but have merely assumed that he did. After much effort, this family was located in the 1870 and 1880 census, but I have not been able to search for the many unusual given names of their younger offsprings: Rufus Orvil; Buster Lala; Hattie; and Omega. The only way we found that information was by searching the 1900 census for the Buster Lala JOHNSON family and learning that he was, surprisingly, b. in TX; everyone had been under the impression that he was born in Ala. Since Margaret was b. in Ala., according to the 1880 census, we feel that William H. must have lived in that state for awhile and married her there; then possibly shortly after their marriage (she would have been very young) they immigrated to Arkansas, where a son Curtis, was born ca. 1854: Repsey F., ca 1856; Mary ca. 1858; Joseph ca. 1860; and Margaret ca. 1862. The next child was born in Texas in 1865, or 1866. Thus, so far, we assume that this family was in Arkansas at least by 1854 and left for Texas by 1866. Unfortunately, so far we cannot find any method for locating them in a specific county in Arkansas so that we can find them in the 1860 census microfilm, that is short of searching every county in Arkansas.

A member of another branch of this family has written that there was a daughter named Fanny (or Fannie) just older than Curtis. This is possible since she could have been married by the 1870 census. Also, this same relative believes that at one time he was a school teacher (later turned farmer) and also a 320 Mason. Also, they are believed to have left the county of Marshal, Ala., before moving to Arkansas. Please know that I will appreciate any help and will be happy to exchange data.

GOLDEN  Mrs. Clearcie E. E. Yary, 13026 E. Hart Pl., Cerritas, CA 90701
BURROUGHS I need help! Trying to research father's lineage. John Davis BURROUGHS (J.D.) GOLDEN, b. 13 Jan. 1892, Mulberry, Crawford Co., AR, d. 14 March 1926, El Reno, OK. Grandfather: Crawford Lon (C.E.)

Of this marriage, five children: John Davis Golden, b. 1892; Guy P.; Edith: Fairy. My grandmother had to known sisters: Sula (BURROUGHS or BURROUGH) Meredith, b. 21 March 1889, where? in Ark., died 23 Nov. 1926, Chicago, Ill. FELKER  Miss Mildred J. Felker, 607 E. Pitkin, Pueblo, Colo. 81004 - Did Nancy FELKER live in northern Arkansas, between 1838 & 1850? Husband's name unknown, but possibly ANDREW. Her mother appears to have been Rebecca BAILEY, married John D. JUSTICE in Arkansas in 1840s. In my search in Rutherford Co., TN, I've been fortunate to find a JOHNSON descendant who has given me much information on the BAILEY family, and now I'm searching marriage & will records in TN. Archives which may be most helpful, but if someone in Arkansas is doing research it may clear up some mysteries about my great grand mother's widowhood by the 1850 census in Oregon Co., MO and perhaps disclose her husband's name. There is a narrow margin between the birth of her first child ca. 1838 in Tenn., and her third in 1842 in MO (or maybe 1839). We have only vague knowledge of our FELKERS in Arkansas, but it is just across the state line from Oregon Co., MO so it just can't seem to run down the information. The microfilm which I endeavored to read were illegible. One of my grand uncle's children was born in Ark. (the 1850 census of Oregon Co., MO shows this) and his second wife was from an Arkansas family, so there is a connection some way. Just a small clue will be greatly appreciated.

JEFFEREY

1910 in Conway, Faulkner Co., AR. He was with the C.C. Camps.

His parents were Robert Andrew ROBERTSON and Nora JEFFEREY. Their death
& birth dates are unknown. Robert Andrew ROBERTSON was a Methodist minister
during 1900-1930 in Conway and Faulkner County. My mother's name is Lyndall
Lee Steen, b. 12 Sept. 1912, Murfreesboro, Poke Co., AR. Her parents were
James CAMPBELL STEEN, b. 17 April 1881, probably in Pike Co. He died 3
Sept. 1944 in Murfreesboro. His wife was Lena Daulton KENNEDY, b 30 April
1884, and died 25 March 1969, in Murfreesboro. They were married 13 Sept.
1903. James Campbell STEEN's parents were William Worlie STEEN and Fanny
BELCHER, both from Horse Cave, Kentucky, (Hart Co.) Any information or
birth or death dates, etc on any of these people would be so greatly appreci­
ciated.

FORD
FOARD, b May 1866, MO., mother b. MO & Father b. TN. He owned
GARRETT
own property and was a Miller in Brightwater, Benton, Co., AR
GRAHAM
His wife was named MOTHER, b. Sept. 1868, MO. Both parents
KEITH
b. in Tenn. Had been married 13 years and had 7 children: Ida
b. 7-1888, MO.; Emma, b. 2-1889, MO.; Alice, b. 2-1891, MO.;
Florence, b. 4-1893, MO.; Oscar, b. 6-1895, MO.; Flora, b. 2-1897, Ark. and
Menora, b. 12-1899, MO. This information was taken from the 1900 Census.
The following information is from different sources: Martha died sometime
before 1905. Oscar, (my grandfather) supposedly left home at that time,
when William remarried. Emma married (?) Keith and supposedly lived and
died in Rogers, Ark. Alice married and had several children (names not
known). Florence married (?) GRAHAM, had two children, that we know about,
Walter and Boyd. Flora married (?) GARRETT and lived for sometime in
Stanford, TX. Florence lived awhile there also.

Oscar (my grandfather) married Ruby BARKER, 13 August 1916 in McQueen,
OK. They had one child, Walter R. FORD. They were divorced. Probably in
1926/27 Oscar married Edna CARTER. They had two children, one died young,
the other Frank Wesley FORD, died April 1932. In 1905 Oscar was
killed in a gunfight in Chillicothe, TX. The 1900 Census shows the surname
as FOARD, but since Oscar's first marriage, it has always appeared as FORD.
I am very interested in hearing from anyone who might know anything about any
of these people - where in Missouri did William and Martha come from? Who
did William marry after Martha died and did they have any children? Are
any of their children still living? or where are Walter and Boyd GRAHAM?
I would like very much to contact anyone who can help with any information
at all about any of these people and will be glad to exchange information.
Postage will be refunded.

THANK YOU LETTER!

This a very belated thank you for printing my Query earlier this
year. As I have moved, you may understand part of the reason for my slow­
ness, etc. Now that I am back on the track, let me express my gratitude
for my Query. Although I have received only two replies, it is just
miraculous that someone noticed and cared enough to write. One lady gave
me sources with two of my needed names and although I haven't had a con­
firmation on any of my queries, I'm still very happy. Also I shall get in
touch with one of the suggested researchers. My Ancestor Chart is enclosed
Again thank you for your help and let me know if I can do any researching
for any of you in our good genealogical library. From: Charlotte Stupek,
457-A Manzanita Ave., Santa Cruz, CA 95062.

My great grandfather Henry Mitchell MARSHALL, b. 3 June 1870, Marshall, Searcy Co., AR, was a Federal Marshall in the Indian Territory, took his prisoners to Ft. Smith, AR. Can anyone tell me how I can find a record of him becoming a Marshall? I will be happy to pay for copies of anything pertaining to these people. HICKS

George E. Hicks, 1124 E. Red Bridge Road, Kansas City, MO 64131

Because my Ancestors were Cherokees, I am hoping some of the
Arkansas Family Historians might be able to help me. My concern is
Nathan, William and James HICKS. I would be happy to share my information
on my MISSOURI HICKS family with anyone interested. I also have information
on the MORGAN family. My uncle, Dr. Allen Keith HICKS, was from
Little Rock and Lonoke.

PARKS

Eugene B. Stephens, 701 E. Lassen, # 130, Chico, CA 95926 -
DODD
I am seeking information on the PARKS and DODD families of
Montgomery Co., AR. I have the names of all the children of
Jackson and Jane DODD PARKS (they are dead now) but a number of their
descendants still live in Montgomery Co., AR. Unfortunately none of the
one I am acquainted with are interested in genealogy and the information
they have been able to give me is very scanty. I have fairly complete
records on the STEPHENS line back through nine generations to the immigrant
ancestor, Peter STEPHENS, who settled in the Shenandoah Valley of Virginia
in 1732. I have a copy of a very good STEPHENS Family Genealogy, compiled
and published back in the 1930's by Dan. V. Stephens, which contains a
great deal of information on thousands of descendants of Peter STEPHENS.
I would be happy to share this information with anyone interested.

Also I have quite a lot of information on the descendants of Robert
Montgomery ROSS, who immigrated to this country from Northern Ireland
shortly after the Revolution, and also quite a file of records on my branch
of the HICKMAN family. My Great-grandfather, Samuel Brooken STEPHENS, was elected as first
sheriff of Sebastian County, AR when it was formed in 1851. My Great-grandmother, Jane Dodd
POWERS, was a cousin of the Arkansas hero, David Owen
DODD. Will gladly share information, please send S.A.S.E.

ALEXANDER

Helen Nelson Ohl, 700 Darlington Circle N E, Atlanta, GA 30305
William M. ALEXANDER (my great grandfather) died in Dermott,
Chicot Co., AR sometime after 1886. I do not know whether he was visiting
there or whether he had moved there. We would like to know where he is
buried, and the date of his death. Dermott was not officially founded
until 1880 and there were only 200 people there in 1884. Can anyone tell
me if he was a tax payer or give me any other information about him? Who
were his parents, & brothers and sisters? as well as when he moved from
North Carolina, where he was born to Fayette Co., TN.? If William M.
ALEXANDER was living in the Dermott area in 1870, under what community
would he have been listed? Would there be any possibility that an obituary
might have been listed in a county newspaper? If so what would be the
name of the newspaper and how could I get a copy of the obituary? I have
been working on WILLIAM M. ALEXANDER for more than a year (off and on) and
would greatly appreciate any help. William married Isabella M. Hart
(Belle), the daughter of Mary (Armour) Hart and John M. HART, of Sumerville
TN (County seat of Fayette Co) on 28 March 1854. Belle was then 18 and
William was 28. By April 1856 the ALEXANDERS had moved to Corinth, Miss.
& their first child, John M. ALEXANDER was born in Corinth sometime after
April. John T. ARMOU was Belle's uncle. (This was dated 3 Nov. 1857).
On 12 March 1858, Margaret Nixon ALEXANDER (Maggie), the first daughter
of Belle Hart and William M. ALEXANDER was born in Corinth, MS. In 1860
in Corinth, MS a second daughter, Elizabeth ALEXANDER was born. After
William M. ALEXANDER's death, Belle Hart ALEXANDER married William Alexander
STEWART, known as E. A. (Doc) Stewart. Belle died 6 Oct. 1899 in Wilmar,
AR when 61 years of age and is buried in Green Hill Cemetery. E. A.
STEWART died 5 Sept 1912.
