Welcome to the Waterford area!

Southeastern Wisconsin in general is a great place to live, work and play for so many reasons. Each of the towns and villages in this special area of the map have something great to offer their residents, visitors, and businesses that not just anywhere on the map can boast about.

Although we might be biased, we feel, here in the Waterford area, we are among the best around! For those of us that live here we have so many things right at our fingertips — we know it and love it!

On behalf of the Waterford Area Chamber of Commerce Board and members, we would like to welcome you to our special part of the state and give you a small glimpse of why we love it here. Want to catch a Brewers game? Downtown Milwaukee is only 35 minutes away! Maybe you want to enjoy our state’s beautiful natural resources — we have the Fox River flowing through the center of Waterford. Also, a couple of lakes that are within minutes of each other are Tichigan and Wind Lake. You can even hop on The Seven Waters Bike Trail that runs centrally through our communities. The trail is 17 miles long, from Muskego Lake south to Burlington. Residents utilize and enjoy this scenic trail on a daily basis to take a refreshing walk with a friend or an invigorating bike ride. It is a great way for visitors to experience our community from a different perspective.

Waterford has a great highway system. Highway 20/83 and Highway 36 are the two main travel corridors that run directly through the area making it easy for visitors to find us, for businesses to grow and residents to get where they need to go. These main highway systems are important to commerce in our community. They allow for both the large businesses in the industrial park and the downtown businesses to ship and receive product or services efficiently and timely. They also allow visitors to see what the Waterford area has to offer while they are driving through to get to their destination. Visitors can take a quick break from travel to pick up a last minute gift, add ice to their coolers, grab a bite to eat or get a cup of coffee without having to veer from their route. Visitors passing through are able to support and patronize our local businesses.

The Waterford area is an excellent place to raise your family. We have a school district that is rated as one of the top in the nation and have a variety of businesses around town to help with daily living. I would also like to point out our superior library and recreation departments that offer great programs for children, adults and senior citizens in our community.

Through my many years of being a part of the Waterford Area Chamber of Commerce, I am proud of the strong relationships that have been built and continued with the many different organizations, member businesses, business owners, and volunteers. We come together to put on some really awesome events. If we didn’t have such great people that are part of this community these events would not be nearly so successful. A few of the organizations we work closely with are the Village of Waterford, Town of Waterford, Waterford School District, Lions Club of Waterford, and Absolutely Waterford all with the common goal of making our community a great place to be.

I could keep talking about our special community but you should see it for yourself. Be sure to stop at the Chamber office where you will be welcomed with open arms and someone willing to direct you wherever you would like to go. Once again I would like to welcome you to our great community.

Enjoy!

Tina Multhauf,
President of the Board Waterford Area Chamber of Commerce

“My husband and I moved to Waterford 24 years ago. What attracted us to the area was that it had a small town feel, but had everything that the big city could offer. We have always supported the local community businesses; it gives us a sense of community. I have been an RN for over 35 years. I also have a Bachelor’s degree in business and a Masters in management. I enjoy volunteering for the Chamber because I love working with and meeting new people. I enjoy taking on new challenges and I am not afraid to step out of my comfort zone. Volunteering my time, gives me a sense of accomplishment and pride in helping out our community. I also am a member of the Tichigan Lake Fireworks Committee.”

-Lynn Bauman, Tichigan Lake Fireworks Committee Member
Welcome to the Waterford area “where business and community connect”. The Waterford Area Chamber of Commerce proudly presents our 2016 Chamber Directory, a great resource to find local member businesses, important government information or things to do around the area.

The chamber hosts a number of community events during the year including the annual Waterford Area Spring Expo on Saturday, March 6th, the Hot Air Balloonfest July 15-17th, the Full Moon Four Miler race on August 6th and the FUNd-a-Palooza chamber fundraiser on Nov. 6th. Please review the details of each event in the following pages of this guide.

It is an exciting time to be a part of the chamber. We work together with businesses and organizations to achieve economic success and build better communities. Contact the chamber office about membership for your business or organization. The chamber office is located in the heart of downtown Waterford at 102 E. Main Street, next to the beautiful Fox River. Office hours are Monday through Friday, 9 a.m. to 4 p.m. Stop by or call 262-534-5911 if you have questions about the chamber, local businesses or the community in general.

We hope this guide provides you with the information about our members and their services. Visit our website at www.waterford-wi.org or follow us on Facebook, Twitter, Instagram and Pinterest to see the latest our member businesses and communities have to offer.

Katy Engels,
Executive Director Waterford Area Chamber of Commerce
Promote. Educate. Network

The Waterford Area Chamber of Commerce is proud to promote our chamber members and continues to offer valuable educational and networking opportunities for business members.

In addition to the monthly chamber networking breakfasts/lunches, the chamber has partnered with other local chambers to host networking events that continue to add value for our members. The Waterford Area Chamber of Commerce co-hosts these events in order to help build and grow business within the area.

**Multi-Chamber Speed Networking**

Join us for the Multi-Chamber Speed Networking opportunity twice a year in the spring and fall. The networking luncheon includes seven to ten area chambers and boasts opportunities to expand your client base and bottom line.

One of the best ways to get ahead locally is to network – make new connections and meet new people. The more people you meet, the more referrals you are likely to receive. It is proven that most successful businesses are built on referrals. Discover how people in other businesses are growing business and adapt it into your business plan. Great ideas for changes, growth, and new directions for your business can be found by listening to how other businesses operate.

They don’t have to be competitors to be a source of inspiration and motivation—often they can be in completely different businesses. More information for this event can be found on [www.waterford-wi.org](http://www.waterford-wi.org).

**Build your business**

Waterford and the surrounding area offer prime locations for commerce. From the coffee shops and cafes, to the professional services, to the boutiques, there is great economic opportunity within your reach. The Waterford Area Chamber of Commerce is ready to assist you in finding the perfect location for your business in the Waterford area. With many resources and tools available, the chamber can answer all your questions, help you create a business plan, steer you to workshops available to learn particular areas of business, and help you obtain low-interest loans to start up your business, your dream!

Call the Chamber of Commerce office at (262) 534-5911 to start building your business today.

**Become a Volunteer**

The Waterford Area Chamber of Commerce relies on volunteers of all kinds to make things run smoothly. The chamber staff is small and welcomes any help its members, employees, families or the community are willing or able to provide! Contact the chamber office for more information.

**Mission statement**

The mission of the Waterford Area Chamber of Commerce is to promote responsible business development, tourism and growth in the overall best interest of the Waterford area through services and representation of the business community.

“I am franchise owner of DHM Great Clips that owns and operates eight Great Clips salons in Waterford, Elkhorn, Milwaukee, Brookfield and Menomonee Falls. Great Clips is a hair cutting specialized salon, focusing on providing customers with comfort, freedom and connection. No appointment is needed.

As a local small business we focus on helping the local community. Being a Chamber Board Officer gives me the opportunity to give back to Waterford community. DHM Great Clips also supports numerous charities including Ronald McDonald House, Children’s Miracle Network, Agape House which is local charity focusing on foster teen girls.”

-Shirley Bornstein, Owner, DHM Great Clips

“I am a commercial lender for Community State Bank (CSB) in Waterford, Wisconsin. I grew up in Waterford, attending both Waterford Grade Schools and Waterford Union High School. My passion has always been helping people, and serving my community which is why I enjoy working at Community State Bank. In 2015, CSB donated over 1,000 volunteer hours to the communities we serve. Over 500 of those hours were dedicated towards teaching high school students about financial literacy.

Since becoming a Commercial Lender and joining the board of directors for the Waterford Area Chamber of Commerce, I have had the privilege of working closely with local businesses and giving back to my community.”

-Nick Borth, Commercial Banker, Community State Bank
For the past seventeen years I have been the Superintendent of Waterford Union High School and also a Waterford Chamber member. In addition, I have lived in the Waterford community for the past 38 years. One of the factors of a successful school is community support and involvement. It is evident that the Waterford Chamber and Waterford community are very supportive of their schools and I feel it is important for the schools to also support the community. Being a Waterford Chamber member allows me to do this.”

-Keith Brandstetter, Waterford Union High School District Superintendent

“Being a part of Waterford community has been extremely rewarding. I have been able to meet so many wonderful people and build long lasting relationships, as well as make strong business connections and contacts. The Chamber and the Ambassador Committee have been great ways to get involved with the community, business owners and people who care about Waterford and making it the best place to work, live and play.”

-Michael Clementi, Sales Executive, David Insurance

Photo by Dave Gilo Photography
In May of 1992 I opened my doors as the State Farm Agent for the greater Waterford community. I joined the WACC in hopes of joining fellow business owners and community members in helping to continually improve the community and my business. Being of service was a priority over what I would gain by joining. Over the years and to this day, my involvement in volunteering in a wide variety of ways has been rewarding—directly and indirectly helped me to continually grow my business and the number of people we help recover from the unexpected and realize their dreams.

-Bill Czaja, State Farm Insurance Agent, Bill Czaja Insurance Agency Inc.
Waterford’s 6th Annual Balloonfest, July 15-17, 2016
National appeal, hometown feel

This year marks the sixth annual celebration of lighter-than-air flight in Southeast Wisconsin. More than a dozen balloonists from around the nation gather for this genuinely unique event which is growing in stature.

The Waterford Balloonfest is one of about 100 festivals that balloon enthusiasts from coast-to-coast know about, talk about, and vow to revisit each year. Held on the spacious Evergreen Elementary School Grounds, 817 W Main St, Waterford – with ample parking – the highlights of the fest include nightly “gloWS” Friday and Saturday evenings around dusk, and an early morning launch on Saturday with a farewell launch Sunday.

Once you’ve witnessed a glow with your own senses, you’re sure to make this an annual outing. The balloons’ nylon envelopes are slowly filled with bursts of hot air... the flames not only make the dazzling colors of the fabric glow against the sky, but the gas-fired burners produce a roar that defies description. An announcer cues the pilots with a countdown periodically throughout the evening so you know exactly when to snap that once-in-a-summer photo.

Local establishments will offer delicious summer fare and non-alcoholic beverage. Hosted by the Waterford Area Chamber of Commerce, this event is run by many dedicated volunteers. All events are weather dependent so follow us on Facebook and Twitter for up to date event information.

You can’t miss this family-friendly weekend of color in the skies with activities for kids, inflatable amusements, delicious food, craft/vendor fair, helicopter rides, amateur photo contest and more! Come see balloon ascensions and majestic gloWS illuminating the night! Right here. In Waterford.

To learn more about hot air ballooning, the festival, schedule of activities, lodging, and vendor space availability visit the chamber website www.waterford-wi.org.

“I am a veterinary technician and the hospital administrator for Fox Valley Veterinary Service. We provide veterinary healthcare for pet companion, farm, and exotic animals. We have been in this community for over 50 years! I enjoy being a part of this community because everyone is so welcoming and friendly. I love the small town atmosphere, it feels like home.”

-Tina Euteneier, Veterinary Technician and Hospital Administrator, Fox Valley Veterinary Service

Photo by C. Mae Design
The Full Moon Four Miler Race takes place Saturday, August 6, 2016. Check-in begins at 6:30 p.m. and the race begins at 8:30 p.m. at the Evergreen Elementary School Grounds (Pavilion), 817 West Main St., Waterford. Join us for a unique run under the evening stars and by the light of a full moon the first Saturday in August as we celebrate the best evening run around at the Full Moon Four Miler.

The 13th annual timed run/walk draws over 400 participants, who are ready to sprint through the streets and make their way to the finish line on a certified course. The race is one of the few starting after the sun sets and the moon comes out to illuminate the way as runners strive to accomplish their goals.

Spectators cheer on the runners along the route that starts at the pavilion on the school grounds. Runners and walkers alike return year after year to take part in this race that provides all pre-registered participants with one of the best commemorative runner shirts given out for a run/walk.

In addition to receiving a highly demanded shirt, runners also receive a beverage ticket, goodie bag, glow bracelets, and fruit and snacks to replenish them after their exhausting run. An awards ceremony finishes off the night that includes 13 categories, including overall male and female receiving a special one of a kind award crafted by a local artist just for this event.

Walkers also enjoy the evening. It’s a great way to bring a group of friends or family members together to get some exercise and continue on a path of wellness. It makes for a fun night for a reasonable cost. Registrations are taken online at Active.com as well as at the Chamber office, 102 East Main St., Waterford. Forms are on the Chamber website www.waterford-wi.org.

The 22nd Annual Waterford Area Spring Expo (previously known as the Home & Commerce Show) featuring Home – Bridal – Health & Wellness vendors takes place from 9 a.m. to 3:30 p.m. Saturday, March 5, 2016 at Waterford Union High School, 100 Field Drive.

NEW this year will be a room dedicated to bridal and wedding vendors plus a Bridal Fashion Show at 11 a.m. and a Prom Fashion Show at 2 p.m. by Main Street Boutique. This room will also feature various health and wellness vendors.

Not only does our show offer the traditional home improvement and remodeling contractors, landscapers, arborists, roofers and window companies — we also have finance/banking, travel/leisure, photographers, bakers, and much more! With close to 200 exhibitors at this one-day show, the Waterford Area Spring Expo can provide any area of service and information you are searching for.

The Kids Zone is full of activities, including balloon twisting, face painting, crafts and more for your little ones.

There will be a food donation drop off for a local charity. Spotlight Presenters will give presentations during the day. Each will have a giveaway valued at $1,000 to be raffled off to one registered attendee who is present at the presentation. Schedules can be found at www.waterford-wi.org.

“I have been a Waterford/Rochester resident for many years and enjoy living in a vibrant community with small town friendliness. By being involved with the Chamber, I get to interact with residents, business owners, and visitors. I enjoy meeting new people and this is why I am a Chamber Board Director and also why I choose to work for Water Street Advisors (WSA). With over 25 years of Mergers & Acquisition experience, our expertise lies in selling privately held businesses, divesting divisions or product lines, and conducting strategic acquisition searches. WSA offers customized buy-side & sell-side services and consulting for companies with $1-30 million in revenue.”

-LeAnne Foster, Consultant, Water Street Advisors
The Waterford Public Library is at 101 N. River Street in downtown Waterford. Library cards are available free of charge to any area resident with current identification and proof of address. Parents must be present to register their children under 18 years of age. Hours: Monday-Wednesday 9 a.m. to 8 p.m.; Thursday and Friday 9 a.m. to 6 p.m.; Saturday 9 a.m. to 1 p.m.

The Waterford Library is a member of the SHARE consortium, which means a Waterford library card will work at all 15 public libraries in Racine and Walworth counties. The Waterford Library offers a wide variety of materials in many formats. Patrons can also request equipment that is available for loan on a scheduled basis. A large meeting room, conference room and two study rooms are available for groups to use during the libraries open hours. Reservations are required for use of private rooms.

Services and Programs

Homebound delivery is available to any Village of Waterford resident who is unable to visit the library because of a temporary or permanent physical disability; Adult Book Club meets the last Wednesday of each month in the Waterford Community Room at 5:30 p.m.; Adult Programs and Family Movies are offered periodically. Lap-Sit Story Times for children ages 3 and under with caregiver present are scheduled regularly each month; Preschool Story Times for 3-, 4-, and 5-year-olds are scheduled regularly each month; Summer Reading Program is designed to encourage enthusiasm for books and development of children’s reading skills. The program is for children of all ages; The Teen Advisory Board meets monthly and offers volunteer teens a chance to suggest programs and materials for the library; The Friends of the Waterford Public Library are a group of volunteers who support the development of library services in our community through various projects, activities and with the proceeds from the sale of items in their gift shop.

Please visit our website at www.waterford.lib.wi.us to view all of our online resources and like us on Facebook to keep up-to-date with our daily activities and programs.

“I have been an insurance agent since 2012, helping people find the coverage they need for their personal and commercial lines of business. Prior to getting into the insurance industry I was a cabinetmaker for ten years. It was a big jump going from a cabinetmaker to an insurance agent but I enjoy helping people and I am happy I made the decision to change careers. I am a member of the Rotary Club, Browns Lake Aquaducks, Waterford Area Chamber of Commerce and Waterford Graded School Board.”

-Jordan Karweik, Owner and Insurance Advisor, Karweik Countryside Insurance

Absolutely Waterford

Absolutely Waterford is a designated Wisconsin Main Street Program, a subsidiary of the National Trust for Historic Preservation. The organization was established to be a catalyst for economic development and historic preservation in the Village of Waterford’s unique downtown Heritage District.

Volunteer Driven

Absolutely Waterford is a nonprofit community organization. Volunteers focus their efforts on business, cultural, and social development in the Village. We believe in developing strong partnerships with all local organizations to leverage revitalization efforts. Volunteer membership has grown to over 60 individuals, with broad representation from Waterford area businesses, residents, civic groups and local government. There are over 100 businesses, civic groups, and individuals who have committed to help with revitalization efforts through in-kind gifts and financial support of Absolutely Waterford.

Four-Point Approach

Absolutely Waterford is organized around the National Main Street Four-Point Approach model. Under the direction of a volunteer Board of Directors, four committees develop and implement the organization’s activities including: Economic Development to enhance and strengthen downtown businesses; Promotions to increase market image and develop events to draw people downtown; Design to develop appreciation for the Heritage District’s unique cultural and physical assets and implement beautification projects; and Organization which handles fundraising and volunteer development.

Village as Social Center

Although a relatively new organization, Absolutely Waterford has already established several annual community events, including a juried, fine arts River’s Edge Art Walk every October, the wildly popular Waterford Winter Wonderland Parade held at the beginning of December, and Absolut-Teas which take place whenever a supporter of Absolutely Waterford holds a tea to benefit our organization. In 2015, the Absolut-Teas garnered a “Best Volunteer Engagement” award from the Wisconsin Economic Development Corporation.

The Antique Appraisal Fair is the organization’s major fundraiser each year. Professional appraisers are on hand to value precious objects and family heirlooms, while a variety of classes on repurposing and collecting antiques are offered with antiques vendors on site with “pop-up” shops to sell their items. The 2016 Appraisal Fair is scheduled for April 2nd at the Waterford Union High School.

A new event for 2016 will be Absolutely Waterford’s Pooch Parade to be held on Aug. 20th. All dog lovers are invited to “strut their mutt” for prizes and bragging rights, shop Village businesses for fun, pooch-related items, get a dog-wash, visit with rescue dogs who will be looking for new families, and much more.

Become a Volunteer

Absolutely Waterford is always looking for new volunteers. For more information, visit www.absolutelywaterford.org, or call (262) 534-9000. The AW office is 206 West Main St. at the heart of the Heritage District.

While bridges have made transportation across rivers more efficient, we’re still largely defined by our name and the beautiful Fox River that runs through our quaint village. Many communities envy the natural resource right outside our door that we are proud to claim.

The river travels from Waukesha County, swells into the large water area of Tichigan Lake, and continues through the village on to Illinois. Waterford is known for the great water recreation of Tichigan Lake that grew through the creation of the Waterford Impoundment when the first dam was built in 1837.

Now, hundreds of people, residents and visitors, enjoy fishing, boating, waterskiing and relaxing on the waters north of the Waterford Dam. Quiet water sports –canoe and kayak – have exploded in popularity in recent years and the Fox River is the perfect trip for paddlers. Recognizing the interest and the need to ensure that paddlers have safe passage, the Village of Waterford and Racine County, with grant funding through a Wisconsin Department of Natural Resources Stewardship Grant and the Racine Community Foundation, installed canoe/kayak launches around the Waterford and Rochester dams. Creating this easy portage opened up the river for paddlers of all skill levels to potentially travel from Waukesha to Illinois. The launches are free and open to the public.

With two major obstacles addressed, the Village began to work with others in Wisconsin and Illinois to develop the Wisconsin-Illinois Fox River Water Trail. The trail will run through three Wisconsin counties and five Illinois counties, from the headwaters to the confluence with the Illinois River in Ottawa, Illinois. With the award of a technical assistance grant from the National Park Service, the core development team has the assistance of staff from the agency’s Rivers, Trails, and Conservation Assistance Program. The team includes people from communities in Wisconsin and Illinois, planning agencies, and other organizations to develop a trail, signage, trip information including points of interest, facilities, cultural and historical features, water hazards, and mapping, following the guidelines of other water trail initiatives.

Developing the water trail provides another recreational opportunity for people to enjoy the natural resources of the river – its beauty, wildlife and serenity. It also encourages physical activity and the commitment to care for our environment.

Economic development is also a key component to creation of the water trail – tourism; new businesses to supply gear, transport, and supplies; and restaurants, retail, lodging, fuel, and groceries to welcome the visitors who travel through the village. The water trail development is in the earliest stages, but great resources are in place to see it to fruition and the team is already discussing the steps after development – application to the National Park Service for the Fox River Water Trail to be designated a national water trail. If successful, it would join 18 others, and be only the third to encompass two states.

“My family and I moved to Waterford in 1996. I was a Mortgage Loan Originator then as well, working in downtown Milwaukee. I transferred to Waterford in July 1997 and only knew a few “baseball moms” after living here for a year. A few months later I was invited to an open house where two Chamber members invited me to serve on the Chamber Board. I reluctantly agreed and it was the one of the best decisions I ever made! Nearly 19 years later I still enjoy being involved for several reasons; continue to meet great friends through the Chamber, the sense of belonging and a connection to those within my community is still very strong, and I love meeting new people and learning about what they do.”

-Pam Lanting, Mortgage Loan Originator, North Shore Bank
LOCAL SCHOOLS

Waterford Union High School
www.waterforduhs.k12.wi.us
100 Field Dr., Waterford
262-534-3189

Waterford Union High School has been educating students since 1905. Today, the school has an enrollment of more than 1,100 students who enjoy learning in a state-of-the-art facility.

A broad-based curriculum with more than 150 courses is in place to provide all types of educational opportunities for every student, from advance placement courses to vocational education.

Recent 10th-grade standard test and ACT test scores place Waterford students above the state and national average. The graduation rate is 97 percent, with about 82 percent of graduates pursuing some type of education after high school.

Waterford Graded School District
www.waterford.k12.wi.us
819 W. Main Street, Waterford
262-514-8250

The Waterford Graded School District offers a comprehensive K-8 curriculum that is aligned with the Wisconsin Model Academic Standards and adheres to a student-first philosophy. Waterford is recognized statewide for its outstanding public education system. The district is characterized by above average student performance, teachers equipped with a variety of instructional strategies and excellent facilities.

Students also benefit from a low student-to-teacher ratio and a district philosophy that is committed to meeting the needs of all students. These districts are separate from the Waterford Graded School District and governed by their own school boards. All three have K-8 programs that feed into the Waterford Union High School District.

North Cape School District
www.northcape.k12.wi.us
11926 W. Highway K, Franksville
262-835-4069

North Cape School District is a K-8 elementary school located west of I-94 on Highway K and is a feeder school to Waterford Union High School. North Cape School has outstanding teachers, support staff, parents and community members who care deeply about our students. North Cape School focuses on a rich curriculum experience that challenges our students to think critically and problem solve in preparation for our global economy. Recently, the North Cape school implemented 150 iPads in a 1:1 technology environment. Every 4th-8th grade student has an iPad to use throughout all teaching and learning activities and 4K, 5K-3rd grade have several shared iPad devices. Most importantly, we pride ourselves on creating a safe, nurturing school environment for all students. Failure is not an option as we strive every day to be the “Best School on the Planet.”

Drought School District
www.droughtschool.net
21016 W. Seven Mile Road,
Franksville, 414-425-6020

Drought is a small public school with a private school atmosphere. Here you can find small class sizes with highly qualified teachers providing individualized instruction for all students. Students at Drought are high performers with the majority scoring at or above state proficiency in all core subjects. The unique combination of old-school charm along with the rigor of modern day standards make Drought an ideal school for children to learn and prosper.

Washington-Caldwell School District
www.washcald.com
8937 Big Bend Road, Waterford
262-662-3466

Washington-Caldwell is a K-8 school district located in the Town of Waterford, serving nearly 200 students. Graduates attend Waterford Union High School. Washington-Caldwell is very child centered and has a proud history of educational achievement. We have the recipe for success: outstanding students, involved parents, caring and competent staff and a very supportive community.

St. Thomas Aquinas School
www.stthomas.pvt.k12.wi.us
302 S. 2nd Street, Waterford
262-534-2265

St. Thomas Aquinas has an outstanding coeducational K-8 grade school that welcomes all children of the Waterford area. Accredited by the Archdiocese of Milwaukee and the Wisconsin Religious and Independent School Association, students consistently score above grade level on standardized tests. An educational philosophy that focuses on education for the mind, body, spirit and heart is advocated by a qualified and caring staff. St. Thomas Aquinas students are encouraged to develop skills in decision making and lifelong learning through values-based education in Catholic/Christian traditions.

Central High School
www.cchsnet.org
148 McHenry Street, Burlington
262-763-1510

Catholic Central High School, a four-year parochial high school, is an alternative choice to public schools for the Waterford and Burlington area. Accredited by the North Central Association of Colleges and Schools, Catholic Central serves the 17 area parishes and is committed to providing a Catholic-based education.

‘The heart of a volunteer is not measured in size, but by the depth of the commitment to make a difference in the lives of others.’ - DeAnn Hollis

“...My clients and I have been volunteering for the Waterford Area Chamber of Commerce for the past eight years in many capacities. The Chamber members and Board members are a wonderful group to work with; they strive to make a difference in Waterford. I am a life coach for people who are differently-abled. Waterford has opened their doors to my clients and the community treats and respects them as their peers working with them side by side, giving them volunteer opportunities and paying jobs! I’m proud to be affiliated with the Waterford Area Chamber!”

-Carrie Lelivelt, Owner, Next Step Life Coach

“As member of the Waterford Area Chamber for the past 11 years, I feel the community has welcomed me personally and my business, Minuteman Press. Being an active member in the Chamber has allowed me to take my relationships within the community to the next level. I have formed relationships with other business owners and community members in a way that knocking on doors wouldn’t have done. Giving back to the community as a volunteer gives me a sense of achievement which is personally satisfying; and a feeling of belonging, which adds a sense of balance and purpose to my otherwise crazy, busy life.”

-Jim Little, Owner, Minuteman Press of Burlington

24 Waterford Area Chamber Directory 2016
“Waterford is what I consider my hometown, even though I grew up a few miles west of Rochester. To me, it was a great place growing up and I just knew that it was where I wanted to settle my life and start a family. I have an awesome husband, Jaime, a vibrant 2-year-old son, Noah, and newborn son, Joseph.

Fresh out of college, in 2009, a friend and I started Skyline Landscape Design and as of March 2015 I became sole owner. We immediately became a Waterford Area Chamber business member and have been ever since. Doing so was such a great way for us to meet other business owners, learn more about ‘business’ and let as many people as we could know about our business.

Being a part of the Chamber has given me the opportunity to volunteer in the community in many different ways. I feel blessed to have had the ability to help and be a part of it all.”

-Tina Multhauf, Owner and Horticulturist, Skyline Landscape Design

Photo by Captured Moments Photography
"I have lived in this community for most of my life. I started a business as co-owner of Shear Image Hair Salon in 2005. Recently in 2014, I decided to branch off and start an independent business, Studio KR, located at Shear Image Hair Salon. Being a Chamber member for 10 years and getting involved with events and activities has been very fulfilling. The number of wonderful people I have met and volunteered with is countless. My passion lies with being active with the Balloonfest and all the fun we have planning and sharing ideas. I have always loved being part of the Chamber and this community, because I work in this community and service many local clients. There are many opportunities out there in our community to volunteer and to show your strengths and desires."

-Kathy Robers, Owner, Studio KR
“As the past president of the Waterford Area Chamber of Commerce I have enjoyed helping nurture our community. It’s been my pleasure to work with so many talented board members for the past five years. The chamber board has been extremely passionate about continuing to collaborate with local business and organizations within Waterford to help promote, educate and build a solid foundation in our community.

As Recreation Director for one of the top school districts in the area, we are proud to offer recreation programs and classes to our community members. We are proud of the programs and classes we offer and are always looking for ways to challenge others to reach their potential.

Part of our mission statement at the Graded School is to empower with the attitude, knowledge and skills to become productive members of society by setting clear standards for high achievement. I personally challenge each of you to branch out this year and try something new.”

-Susie Schuyler, Recreation Director, Waterford Graded School District Recreation Department
"I am married with an 11 year old son and a 28-year-old step-son. I have lived in the Waterford community since 2000. I was originally drawn to Waterford because of the reputation of the school districts. Over the last 16 years I have been very happy with my choice. I have had the pleasure of working at Riverside Chiropractic for the last nine-plus years. The dedication and knowledge that I witness everyday by Dr. Jenny as she faithfully administers her skill to each individual so they may go out and make our community as healthy as it can be is a very humbling experience. We are very committed to the Waterford community and love being part of the Waterford Area Chamber and all it has to offer. If you are looking for a place to start your health journey, stop on in, you won’t be disappointed!"

We chose to build our business in Waterford in 2006 to fill the need for a family friendly entertainment venue. Being an active Chamber member has given us the opportunity to grow and work alongside the diverse people that call Waterford home. Giving back to the community has been extremely satisfying and has allowed us to create personal relationships that will last a lifetime. We look forward to participating in the community’s growth in the coming years.

-Chuck Torosian, Co-owner, River City Lanes and Bruno’s Restaurant
