Funding Opportunities for Registered Apprenticeship Programs

For both businesses and apprentices
The following website is the single access point for more than 1,000 grant programs offered by all Federal grant making agencies.

Career One Stop
Most workforce funding is provided on the state and local level and requires businesses visiting their Workforce Investment or Career One Stop Center. Students and job seekers can find jobs and businesses can post jobs at the centers. This website provides a wealth of information. It links to the service locator where you find your local and state One-Stops and public workforce services.

Montoya funds, or RSI funds, allow community colleges and program sponsors to enter into Excess Cost Agreements. Under these Excess Cost Agreements, program sponsors may receive funds in excess of costs to the community colleges for providing apprenticeship training. This is an attractive financial incentive for employers and joint apprenticeship training committees.

Connecticut
Tax credit
Apprentices that use the Connecticut Technical school system (Adult Division) for related instruction pay a maximum of $100.00 per course, 50% of which must be paid by the sponsor at the time of registration. This does not apply to apprentices that are attending community colleges.

Maine
Tuition benefit
The following is an excerpt from Maine Revised Statutes Title 26, §2006, 5-A, I (2):
“As funds permit, the Maine Department of Labor shall underwrite 50% of tuition costs for apprentices in good standing at public educational institutions and provide tuition assistance to sponsor groups in accordance with committee policies. To ensure that adequate funds are available for tuition, the committee shall provide the Commissioner of Labor with its biennial plan, including projected apprenticeship enrollments and a subsequent budget request.”
