TRUE, SUPER LIGHTWEIGHT TRAVEL TRAILERS AND FIFTH WHEELS

STRONG, DURABLE LAMINATED FIBERGLASS WITH ALL ALUMINUM CAGE CONSTRUCTION
**THE SURVEYOR DIFFERENCE**

**SURVEYOR.**
2" WALL WITH (R-9) BLOCK FOAM INSULATION

**COMPETITION.**
1.5" WALL WITH (R-5) BLOCK FOAM INSULATION

Structural integrity is not compromised at Surveyor! Surveyor’s fully laminated walls are visibly stronger and more durable.

**SURVEYOR.**
HEATED AND ENCLOSED UNDERBELLY.
Surveyor’s aerodynamic underbelly is heated and enclosed. The entire underbelly is warmed by radiant heat from the heat duct allowing you to use the coach in colder weather environments. This unique construction method opens up storage space above the floor, while lowering the units’ center of gravity for towing ease and stability.

**SURVEYOR.**
STORAGE
Under every Surveyor queen bed you will find plenty of storage space for all your camping needs, and with 80# gas struts, access has never been easier.

**SURVEYOR.**
SURVEYOR-INDEPENDENT TORSION SUSPENSION SYSTEM WITH SUPERLUBE HUBS AND GOODYEAR™ RADIAL TIRES.
- Fully Independent Wheel Suspension
- No Metal to Metal Contact and no Springs, Shackles, Hangers or U-Bolts to break or wear out
- Lower Trailer Center of Gravity for Improved Stability
- Superlube Hubs allow you to repack Bearings quickly and easily without disassembly.
Forest River, Inc., in affiliation with Coach-Net®, is providing one (1) year of free Roadside Assistance to all retail purchasers of new Surveyor Travel Trailers and Fifth Wheels. This is just one more way to say “Thank You” and to ensure you have an enjoyable camping experience.

- Emergency Roadside Assistance
- Nationwide Service Appointment Assistance
- Dispatch of On-site Mechanical Service
- $2000 Trip Interruption Reimbursement
- 24-Hour Toll-Free Emergency Message Service
- Custom Trip Routing and Full Color Maps

Every Surveyor is pressurized and soap tested at every seam and opening to ensure a watertight seal. Surveyor prevents water leaks!

You’ll appreciate the water filtration system that is standard with each Surveyor. This compact unit filters water for the entire coach, eliminating those unwanted contaminants and odors. Insuring safe drinking water for you and your family.

Fantastic Fans are standard in all baths. This 12” 10-blade bath fan significantly increases air circulation and the removal of condensation as compared to the industry’s standard smaller power bath vent.

What’s in your sidewall? Your Surveyor is constructed with 1.5” tubular aluminum framing in “all” openings. Is this necessary - we think so! Aluminum framed openings add strength and integrity to every Surveyor sidewall. No other lightweight trailer compares.

Surveyor’s Aerodynamic exterior design, streamlined front end, lower center of gravity, independent torsion axles and enclosed underbelly, substantially reduces air turbulence and increases stability during travel.

The optional white sand interior wood package (shown left) with it’s thermofoil cabinetry is specially suited to the RV environment. It’s light, remarkably durable and easy to maintain. (Shown-New King Bed Rear slide in the SV 235 RKS)

Surveyor’s Self-Supporting 12V Power Rear Slide system opens, closes and locks with the single push of a button. No bulky support bars or locks to manually install.

General Warranty Information
Warranty - Among the best in the industry. See your local Surveyor dealer for details

Forest River Encourages You to Buy Locally
Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:
• Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
• Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.
• Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a “home town” professional.
• The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
• For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

Forest River’s goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
