Type 1 – Is for a cosmetology full service salon, which offers hair, skin and nail services. This type of salon must employ a type 1 cosmetologist as a manager.

Type 2 – (Renter) is a single person who rents space in a type 4 salon. To be eligible for this type of license, you must have a manager level license (type 1, type 3 or type 6). The owner of the entire salon can only rent to one person per space (chair, table, room).

Type 3 – Is for a manicuring shop only (must be type 1 or type 3)

Type 4 – (Owner of entire space) is for a person who owns a salon and rents space/chair to other licensees who are independent contractors. All Booth Rental Salons (type 4) must have a single manager level licensee; no other employees of the shop owner may practice at this type of salon. See below notes for more information.

Type 5 – Is for an aesthetic salon which can offer services such as facials and waxing. This type of salon must employ a type 6 or type 1 manager.

Booth Rental Notes:

*If you want to rent space in a salon you must have at least a Type 1 (cosmetologist), Type 6 (aesthetician), or Type 3 (manicuring) personal license. Type 2 (operator) and Type 7 (aesthetician) licensees may not rent space in a salon.

*If the Booth Renter’s (Type 4) License is not current, then an application for a Booth Shop (Type 2) license will be denied.

*Booth Shop licenses – once you have received your booth shop license, it should be posted at the space you rented at all times.
IMPORTANT INFORMATION FOR ALL SALON APPLICANTS

- The shop must be completely setup with signage and ready for business in order to pass final inspection for licensing.
- The shop license is NOT Transferable. The shop license only covers the shop at the location/space it was issued to. If you change location (even at the same address), you must submit a new application.
- Some locations may be required to obtain more than one shop license based on services or staffing.
  If so, you must submit one application and fee per license required.
  
  Examples: (1) If you are renting out some of your booth space to others (Type 4) and you have employees in other booths (Type 1), you submit one application for a type 4 and one application for a type 1.
  
  (2) If doing manicuring and aesthetics, submit one application for a type 3 and one for a type 5.

- Bathrooms must be within the confines of the salon on the same floor the salon is located. However, if core facilities are on the same floor as the salon and are within 300 feet of the salon, those facilities can be identified on the floor plan and used for purposes of 240 CMR. The salon owner/manager will remain responsible for ensuring those facilities remain safe and sanitary.
- If you alter the floor plan submitted at any time you must submit an expansion/renovation application with the board which can be found on the board’s website.
- If you are not choosing to provide all services allowed by your license type you are still required to have all required equipment stated in the rules and regulations section 3:00.
- If you are changing ownership, you can remain open for 30 days while obtaining a new license.
- If you are a new business or changing location, you must remain closed until you are approved for licensure at the final inspection.
