“Thou shall not steal.” - Exodus 20:15

_Q: What does this mean?_

_A: The Seventh Commandment of God means “that we are to fear and love God so that we do not take our neighbor’s property, or get them in any dishonest way, but help to improve and protect his property and making a living.” -Luther’s Small Catechism._

Brothers and sisters in Christ,

There is a saying that reads; “A little leaven leavens the whole lump.” (Galatians 5:9) What this saying means is sometimes the actions of an individual or group of individuals have far reaching implications that affect more than just themselves. With the recent rash of petty thefts from the church, this is now the case for us at St. John’s as well. Over the past couple of months, many small items have been stolen from the church including, 16-20 large towels and soap from the LWR collection area, 3-4 large containers of fellowship treats, as well as many other items such as tea bags, sugar packets, and 2 frozen cheesecakes from the freezer in the kitchen.

While these may simply be “petty” thefts, it is still disconcerting and frustrating in that they are now effecting members and the ministries of our congregation. As a pastor, I am deeply troubled that we would ever have the need of a police officer in our church because a member is fearful for their safety. I am deeply troubled and upset for the need to now lock the doors of our church, which is in every definition a true “sanctuary” for members and visitors alike. However, until further notice, the East door by the office will remain open during office hours, otherwise all the doors of the church will remain locked except on Sunday mornings for Sunday school and worship. Church staff will unlock the doors for groups to still use the church for meetings, etc.

While the church will continue to help individuals in need in anyway that we can, we do not condone theft nor will we enable unlawful and un-Christian behavior from the individual or group of individuals who have been stealing from the church. We will follow 2 Thes. 3:6-13 and admonish them in love. I pray that the individual or group of individuals may come to repentance and thus find forgiveness and fellowship with us here at St. John’s.

Yours in Christ,

Pastor Shane

COUNCIL NEWS
FROM MUSIC & WORSHIP
The Worship and Music Committee extends a heartfelt thank you to:
• Kay Bahlmann and the choir for leading the Holden Evening Service during the Lenten Season and for the beautiful Easter music,
• The Brass Quartet for their participation in the Easter Service. The instruments, along with the organ, made for a festive service,
• The Lenten Service Readers, The Passion Reading Participants,
• The hosts who provided housing and those who provided food for the Grandview University Choir,
• All who attended the Grandview University Choir concert, and Everyone who helped behind the scenes to make all of these events flow smoothly.

The Grandview Choir performed a wonderful concert at St. John's on March 19th. We were honored to have them here. The Grand View Choir members contribute a vibrant energy to the campus community by sharing their musical gifts at celebrations, worship services, and campus gatherings throughout the academic year. Students of all majors are encouraged to audition for the Grand View Choir. In addition to enhancing many campus and community events with their music and ministry, choir members annually travel during a spring concert tour. In past years, the choir has been honored to sing in Carnegie Hall and also for the presentation of the World Food Prize. Recent tours have taken them to Texas, Louisiana, Michigan, Tennessee, North Carolina, New Mexico, South Carolina and Georgia, in addition to states closer to home. In 2005, the choir made its first international trip with a tour to Denmark and Germany, and returned for additional international tours in 2009 and 2013. In addition to participating in choir, Grand View students may major in Church Music, Music, and Music Education. All students, regardless of major, may further their musical understanding through academic coursework, study in applied music, or participation in music ensembles.

FROM FELLOWSHIP
The Fellowship Committee hosted a dinner and provided a sack lunch for the Grandview Choir. Thank you to all that donated food and helped serve. The choir appreciated the meal and sang us a song thanking us.
We are in need of people to sign up to donate and serve a treat after the church services on Saturdays and Sundays. Please help us out by signing up in the narthex. You can sign up with another person.

FROM STEWARDSHIP:

Stop by the Scrip table in the Narthex and check out what’s available. We will order gift cards on April 4th, April 18 and May 2nd if you want to order in time for area graduations.

Hi, I’m Lynda Akers and I’ve always lived in Iowa and always been a Lutheran. I have 7 sisters who all live around here except one in Cedar Rapids and one in Clarksville, IA. After being confirmed at St. John’s I taught Sunday School until graduating in 1975. I moved to Iowa City and was a member of Christ The King Church from 1976-2002 during which time I taught Sunday School and was the Sunday School Superintendent. My son, Matthew, was born in 1982 and was confirmed at Christ The King. Matthew is in the Army and is now at Fort Riley, Kansas, with his wife Lauren, sons Isaiah and Chaynec and daughter Charley. I also have a grandson, Austin, in North Liberty, IA. I married Jim Akers in 2002. I moved back to the Guttenberg area in 2004 and became a member of St. John’s again the same year. Jim and I live in the country by Millville with our three dogs. I work at Hines and Associates in Dubuque as support staff for nurses who do Case Management for insurance health plans.

At St. John’s I teach Sunday School and help with Community Vacation Bible School. I’m involved with St. John’s Women of the ELCA and Sarah Circle. I have been on the Worship and Music Committee and am currently on the Children & Youth Committee. I help the camera operators tape the Sunday services. I’ve been on the Praise Team and helped with the Muppets.

I am so glad to be back home at St. John’s!

Thank you for all the prayers for Hadlee Gless, age 4. She had a cochlear implant on Feb. 15th to improve her hearing. It was activated on March 16th. She can now hear sounds she never heard clearly before. It is truly amazing.

Hadlee’s Greatgrandma
He is Risen indeed! Easter is here and we celebrate Christ’s victory over death through his resurrection! This is certainly a time to be joyous, knowing that we have been redeemed!

As we continue our journey together, there are several events and activities that are coming up as we start approaching the end of the school year:

- **Parents Night Out on Friday, April 8th from 5-8 PM**: This is an opportunity for parents to bring their children to the church so that they can have a night off! We will be playing games, doing crafts, watching a movie, and more! This is also an excellent chance for members of Luther League to earn service hours at school!

- **3-5th Grade Elementary Retreat April 16-17**: I am planning on taking 3-5th Grade students to Sugar Creek Bible Camp, there is still room to sign up! The registration forms are in the Sunday School rooms, or can be picked up from me! The cost of the retreat is $40, but St. John’s will cover half of that cost!

- **Luther League Highway Clean-up, Saturday April 23**: We will be doing our second Clean-up from 11 AM to about 1 PM. When we are finished we will head to Joe’s for a little bit of ice cream! I will also be signing service hour forms after participating in this event.

- **2016 Youth Servant Auction**: After worship on Sunday April, 24th we will be holding an auction to raise money for the 2016 mission trip to Kansas City, KS. So, this is your chance to “buy” one of the youth to do some odd jobs around while supporting them in going on the trip. Talk about a win-win!

- **Community VBS**: The theme for VBS this year is “Cave Quest: Following Jesus the light of the world”. We are busy getting everything ready so that we can have a great time! Registration forms are available in the Narthex! Sign up now because after May 1st the price goes up, so be sure to get those forms turned in! We are also starting to look for volunteers who would like to help out this year, if you are interested please contact the office!

- **2016 Luther League Mission Trip**: July 30-August 5th, we will be going down to Kansas City, KS for our mission trip this year! We are very much looking forward to the experience and are excited to help others! Stay tuned as we get closer for more details and to hear about what we did when we return!

Finally, please note that the final two W.A.T.CH afternoons for the 7th and 8th Grade will be on April 13th and 20th.

Thank you for your continued support of the Children, Youth, and Family ministry here at St. John’s!

EWALU ANNUAL MEETING REPORT

On March 19 we attended the 2016 Annual Meeting at Camp EWALU. The meeting was held in the new Creation Center Chapel/Conference Room. The addition is very attractive and is a very useful multi-purpose space. The annual report from 2015 is encouraging overall. The remodeling of the camp buildings and especially the repairs and modifications to the swimming pool and pool house are complete. The camp is currently working with the state Forestry offices to complete a logging survey of the woodlands of both the main camp and the Stone Center. Logging will help to maintain the health of the woodlands and provide a source of income for the camp. Attendance was down somewhat last year and the director said the best thing supporters can do for the camp is to encourage people of all ages to make use of the camp and the programs. He reminded everyone that expense should not keep children away from camp; there are many ways to make camp affordable. Here at St John’s too there is support for campers and we encourage everyone to make use of it to send our youth to camp. Groups looking for meeting spaces or planning retreats are also encouraged to think of EWALU as an available place.

Activities coming up this year include the 2nd year of REINS (Realizing, Experiencing & Inspiring New Strides) therapeutic horseback riding program for children with emotional and developmental disorders on April 16-17, May 14-15 and June 25-26; Hearts and Stars program for children who have experienced loss in August (date TBD); Family Camp Weekend July 1-3; Fall Festival and Quilt Auction Sept 17; and, for all the diy’ers out there, the all important Volunteer Work Weekend May 6-8 with FREE lodging, food and snacks (RSVP by April 29). April 15 is coming quickly and is the deadline for discounts on week long overnight programs.

More information always available at www.ewalu.org. See you at camp!

The 1st Thursday of the month there will be a feature by St. Jude’s hospice. These groups are open and anyone is welcome. For more information about the groups please call Kari at 252-3215.

**VOLUNTEERS NEEDED**

We need volunteers for the April 16th Mobile Food Pantry distribution day. Volunteers are needed beginning at 9:00 am to unload the truck and assemble the items for pick up. We could also use volunteers to arrive by 10:00 am to assist older clients in carrying food items to their vehicles. In March 81 households with 209 individuals were served. THANK YOU to the many volunteers from the community who make this service available!

**FROM THE PARISH NURSE**

April is Autism Awareness Month:

Autism is a disorder that is usually diagnosed in early childhood. The main signs and symptoms of autism involve communication, social interactions and repetitive behaviors.

Children with autism might have problems talking with you, or they might not look you in the eye when you talk to them. They may spend a lot of time putting things in order before they can pay attention, or they may say the same sentence again and again to calm themselves down. They often seem to be in their "own world."

Because people with autism can have very different features or symptoms, health care providers think of autism as a "spectrum" disorder. Asperger syndrome is a milder version of the disorder.

The cause of autism is not known. Autism lasts throughout a person's lifetime. There is no cure, but treatment can help. Treatments include behavior and communication therapies and medicines to control symptoms. Starting treatment as early as possible is important.

Contact your Parish Nurse through the church office or call her at 252-1575 to set up an appointment to meet with you at your home, hospital, care center, or the church. Blood pressure screenings will be offered after worship on April 3rd and 9th and between 9 and 10 at the mobile food pantry on the third Saturday morning of the month.
**Be Proactive to Prevent Falls**

Don't become a statistic! one in three adults 65 and older experience a fall each year, often with serious injury. It is also a fact that injuries from falls are largely preventable. Help yourself avoid falls by reserving a space in the next **Matter of Balance: Managing Concerns about Falls** class to be held at the Guttenberg municipal Hospital on the following dates:

- **2:00 pm - 4:00 pm**
  - Mondays and Fridays (May 2-May 27)

Class meets twice a week for four weeks.

To register call NEI3A (Northeast Iowa Area Agency on Aging) **before April 28** at 563-383-2941 or toll free 800-233-4603.

**LSI BULLETIN**

According to Prevent Child Abuse Iowa, more than 7,400 Iowa children were found to be abused in 2014. The most common forms of abuse included denial of critical care, physical injury, exposure to illegal drugs and sexual abuse.

Lutheran Services in Iowa (LSI) helps combat child abuse through prevention, safety and stability services and mental and behavioral health treatment.

LSI’s early childhood programs prevent child abuse by giving parents support and resources to build a healthy, stable home environment for their children. In 2015, LSI made more than 15,000 home visits to parents of infants, toddlers and preschoolers!

LSI’s Family, Safety, Risk and Permanency Services help children and families already involved in a crisis or abuse situation to become safer and more stable, and LSI’s residential programs at Beloit and Bremwood serve many children and youth who have experienced trauma from past abuse or neglect.

You make a direct impact on these children and families through your support of LSI. Thank you!

LSI is proud to be an affiliated social ministry organization of the Evangelical Lutheran Church in America (ELCA). Learn more at [www.LSiowa.org](http://www.LSiowa.org) and [www.facebook.com/LSI.iowa](http://www.facebook.com/LSI.iowa).

Are you in need...
of a caring Christian friend who will listen, empathize, encourage, pray, provide confidential care, and patiently support you as you work through a crisis or difficult time?

Do you know someone ....
Perhaps a friend, neighbor, co-worker, colleague, or relative, who could benefit from this type of care?

Then contact...
