ADULT DAY CARE SERVICES
Adult Day Care Services provide family members and caregivers with time off to take part in other activities with the security of knowing that their loved one is receiving care from trained personnel. Adult day services provide programs ranging from socialization to active rehabilitation and health-related care. The structure of programs may vary and some centers have specialized programs for persons with Alzheimer’s disease.

Most Adult Day Centers offer flexible scheduling. Participants can attend from one to five days a week and receive service for a half or full day.

The State of Illinois pays for adult day services for eligible persons through the Community Care Program (See Community Care Program, p. 3)

ADULT PROTECTIVE SERVICES

Seniors and disabled adults 18 years and older may be at risk of abuse at the hands of family members or others close to them. Abuse may be physical (rough handling, slapping, hitting), emotional (insults, threats, calling names), financial (forced signing over of property or money), neglect (withholding food, medical care, basic necessities of life, social contact), forceful confinement or restraint, or sexual (forced sexual intimacy).

Many older adults who have been taken advantage of are afraid to make a report for fear of reprisal. They need someone to call for help on their behalf.

Anyone can call to make a report, and the caller can remain anonymous. Calls should be made to the Illinois Department on Aging at 1-866-800-1409 (in- and out-of-state) or to one of the following local agencies. The new TTY number is 1-800-544-5304.

COMMUNITY CARE
To be eligible for Community Care Program service, a person must be 60 years of age or older and unable to continue some or all activities of daily living (meal preparation, laundry, personal care, house cleaning). A physician’s statement confirming the senior’s need for services is required. An individual needing care may have no more than $17,500 in assets (not including homestead property, auto and personal furnishings). A couple with both needing service may not have more than $35,000 in assets. Married couples, with only one spouse needing care, may qualify under Medicaid’s Spousal Impoverishment standard. The spouse needing care is allowed to have $2,000 in assets, while up to $109,560 may be transferred to the spouse not needing care.

The full cost of homemaker or adult day service is paid for if an individual or a married couple’s income is below the federal poverty level. Those with income above these amounts must render a co-payment based on the amount of care received and income.

For more information or to apply for CCP services, contact the agency listed under Case Management.

BENEFITS ACCESS
The Benefits Access Application or BAA, (formerly known as Circuit Breaker) provides a vehicle license plate discount. Individuals must be 65 or older (or disabled), an Illinois resident, and meet annual income criteria.

Apply on-line at www.cbrx.il.gov, or contact your county I&A sites or the Illinois Department on Aging for assistance.

DRUG DISCOUNTS
The Illinois Rx Buying Club was established to help lower the cost of medicines for Illinois seniors age 65 or older and persons with disabilities. This program provides discounts on all prescription drugs approved by the FDA. To join, you must fill out the Illinois Rx Buying Club application and pay a $10 non-refundable annual fee, which entitles you to receive the discount card. The discount card is effective for 12 months from the date of issue.
EMPLOYMENT
The Senior Community Service Employment Program is a federal program helping older workers (age 55 and older) return to the workforce. Staff place eligible individuals in training programs where they can update skills or develop new abilities. To qualify, individuals must have income below 125% of the federal poverty level. For more information, or to apply, call the Northwestern Illinois Area Agency on Aging at 815-226-4901 or 1-800-542-8402.

POWER OF ATTORNEY FOR PROPERTY

These forms require signature before a notary public. Power of attorney forms may be obtained from NIAAA.

LIHEAP
The Low Income Home Energy Assistance Program (LIHEAP) helps low income households pay their heating bills. Eligibility for the program is based upon income. LONG-TERM CARE OMBUDSMAN PROGRAM
The Long Term Care Ombudsman program protects and improves the quality of care and quality of life for residents of long term care facilities (including licensed assisted living facilities and supportive housing). Ombudsmen investigate concerns, mediate disputes, advocate for the rights of residents of long-term care facilities, and provide information on how to choose a nursing home. Ombudsmen provide a voice to vulnerable residents who otherwise may have no one to speak for them.

Concerns and problems are not limited to care at long term facilities, but also include Medicaid, Medicare, family problems, guardianship issues and many other issues that confront long term care facility residents. The ombudsman visits long term care facility residents on a regular basis so residents and families can get to know the ombudsman.

The ombudsman is an advocate for the resident. Problems that can be referred to the Ombudsman Program include counseling about food, personal care, privacy,
medication, use of restraints, accidents—such as falls—and other issues. Ombudsmen help resolve problems or concerns in a confidential manner.

Anyone can use the ombudsman service including long term care facility residents, friends, relatives, administrators, employees or other concerned citizens.

MEDICARE
This medical program is available to adults 65 and older and certain other qualified persons. Medicare benefits consist of Parts A, and B. Part A covers hospitalization, stays in skilled nursing facilities, some home health services and hospice care. Part A is free to individuals covered by Social Security. Part B covers doctors’ services, home health care and various medical services and supplies not covered by the hospital insurance part of Medicare. Part B also covers many annual screenings. The
Part B premium increases as income increases and Part B annual deductible may change annually.

**Medicare Part D**
Medicare prescription drug plans are available for anyone with Medicare, regardless of income or age. There are many different drug plans available in Illinois. These drug plans are approved by Medicare, but administered by private companies.

For more information about Medicare Part D, and to enroll, please see medicare.gov

**“Extra Help” for Out-of-Pocket Costs**
Social Security will assist lower income individuals with some of their Part D plan out-of-pocket costs (premiers, deductibles, co-pays, etc.). This benefit is called “Extra Help.” To see if you qualify, see socialsecurity.gov

Individuals who receive Medicaid, SSI, QMB or SLIB will automatically receive the “Extra Help” benefit without having to apply. “Extra Help” applications are available at NIAAA, the Social Security Office, and other agencies serving seniors. It is also available online at socialsecurity.gov

**DEPARTMENT OF HUMAN SERVICES**

**AID TO THE AGED, BLIND AND DISABLED (AABD)**
AABD is a State program which provides cash assistance to low income individuals. AABD complements the Supplemental Security Income (SSI) program (see SSI program information). AABD recipients are also eligible for medical assistance under the Medicaid and Food Stamp programs (see Medicaid and Food Stamp Program information).

An individual must be at least age 65 or blind or disabled to be eligible for AABD. Income and asset guidelines must also be met. Eligibility and the amount of monthly checks are determined on a case-by-case basis.

**MEDICAID**
Medicaid is a medical program administered by the Department of Human Services. The program covers some medical charges not covered by Medicare. Covered charges include basic inpatient and outpatient medical services and various additional services. Apply at your local Department of Human Services.
QUALIFIED MEDICARE BENEFICIARY (QMB)
QMB pays Medicare premiums, deductibles, and co-insurances. Apply at your local Department of Human Services office or I&A site. Call for eligibility requirements.

SPECIFIED LOW-INCOME MEDICARE BENEFICIARY (SLMB)
SLMB pays for the Medicare Part B premium. Apply at your local Department of Human Services office or I&A site. Call for eligibility requirements.

QUALIFIED INDIVIDUAL (QI)
QI pays for the monthly Medicare Part B premium (similar to SLMB). While SLMB recipients receive Medicaid, QI participants have a “spend-down.” Persons enrolled in spend-down are not considered eligible for Medicaid. Contact your local Department of Human Services or I&A site.

SNAP/ FOOD STAMP PROGRAM
The Food Stamp program helps people with low income increase their food purchasing dollars. To qualify you must meet the eligibility requirements. Apply at your local Department of Human Services.

- Assets of less than $2,000 per household with one person over 60.
- Monthly income limits are 200% of the poverty level. Household income may be higher for certain elderly and people with disabilities.

ESTATE RECOVERY
The Illinois Department of Human Services may place a lien against any real estate owned by someone receiving Medicaid benefits. The claim will only be enforced after the death of the recipient or a surviving spouse and only when there is no surviving child under age 21, blind or permanently and totally disabled living in the home. Under certain circumstances, familial caregivers who lived with and provided care to a Medicaid recipient may be able to keep the home.

For more information, contact your local Department of Human Services or local Prairie State Legal Services office.

NOTE: The state will not put a lien on the estate of someone who only receives QMB, SLIB or QI-1 Benefits.
Open door policy allows you to go to any DHS office, in your state, to apply for benefits.

SENIOR DINING
Congregate meals are provided as part of a nutrition program administered by the Illinois Department on Aging under authority and funding of the Older Americans Act. Full cost of meal is made known as a suggested donation amount. Meals are served to eligible persons regardless of their willingness or ability to make a donation. Meals at dining sites are available to anyone age 60 or older and to their spouses regardless of age if the eligible spouse participates in the program. Meals may also be made available to a disabled person at a dining site located in a senior housing facility in which the disabled person resides. Also eligible are individuals with disabilities, regardless of age, who reside at home with a person over age 60 and accompany the older person to the meal site. Reservations are recommended at senior dining sites.

SOCIAL SECURITY ADMINISTRATION

SOCIAL SECURITY
Social Security provides monthly payments to retired or disabled workers, their spouses, dependent children, widows, widowers and divorced spouses. Eligibility and the amount of monthly payment are dependent on a worker’s record of earnings. Application for Social Security should be made 3 month before the date when benefits are expected to begin. Apply at the nearest Social Security office.

SUPPLEMENTAL SECURITY INCOME
Supplemental Security Income (SSI) provides a minimum income for people who are 65 or older, blind or disabled and may not qualify for regular Social Security payments, or whose Social Security payments are low. You may apply at your local Social Security Office or call 1-800-772-1213. To qualify, you must meet eligibility requirements.
TRANSPORTATION
Some transportation services are funded through the federal Older Americans Act; seniors are not required to pay for rides funded through this Act.
Most other services have established fees (fees are not listed). The Medicaid program and Veterans’ Affairs offices may reimburse clients for transportation used for medical purposes. Apply at the nearest Social Security office.

BOARD AND CARE HOMES
Illinois Board and Care rules require all board and care homes in Illinois register with the Illinois Department on Aging. Board and Care homes are defined as publicly or privately operated residences providing room, housekeeping and meals to fewer than 12 persons who are unrelated to the owners and the managers of the residences. Each resident of the home must be capable of independent self-care.

There are no registered board and care homes in northwestern Illinois; however, one home in Rockford is currently under development. Contact the NIAAA office for more information.
