 Founded in 1911, Appleby College’s mission is to educate and enable young men and women to become leaders of character, major contributors to, and valued representatives of their local, national, and international communities.

Appleby inspires its 750 students from grades 7 to 12 to pursue their individual passions through an internationally recognized and innovative academic, athletic, and co-curricular programme that has been founded on the school’s six Pillars of Strength: Academically Vital, Technologically Empowered, Universally Diverse, Community Spirited, Actively Engaged and Globally Responsible.

Appleby’s model of educational excellence enables and encourages its students to learn and discover independently and collaboratively, both inside and outside of the classroom.

APPLEBY ACADEMICS

Academics at Appleby are based on a rigorous university preparatory curriculum. Students graduating from the school earn the Ontario Secondary School Diploma (OSSD) and the Appleby College Diploma. The OSSD is granted upon completion of 30 appropriate credits. Appleby is also the first boarding school in North America to offer an integrated global education program which culminates in the achievement of the Appleby College Diploma with Distinction in Global Leadership. In addition to the OSSD requirements, the Appleby College Diploma has even more rigorous academic requirements combined with significant co-curricular requirements.

English: Honours English is a required subject at all grade levels.

Language and Culture: French is a required subject for students through to the end of Grade 10. One additional World Language (Arabic, Spanish, Mandarin, or German) is required in Grade 9.

Mathematics: Math is required for all students through to the end of Grade 11. Students may carry more than one Math course in their junior or senior years. Students completing Calculus in their junior year can take an AP Calculus course or complete the AP Calculus AB through the Mathematical Modeling course.

Physical and Health Education: All Physical Education courses have physical activity and in-class components. The Grade 12 Exercise Science and Outdoor Exercise Science courses are classroom and academic based university preparatory courses focusing on kinesiology, sports injury management, and leadership skills. The Northward Bound program is a series of leadership courses offered from Grade 9 to 12 and required at the Grade 9 and 10 level.

Science and Technology: Science is required for all students from Grade 9 through Grade 11. All core science courses are laboratory-based courses with AP options.

Social Sciences: Students carry at least one Social Science course from Grade 9 through Grade 11. The Grade 11 Social Science serves as the pre-requisite to most Grade 12 Social Science courses.

Visual & Performing Arts: Students are required to take at least one Visual or Performing Arts course in Grade 9. AP Art History is available for students in their senior year.

APPLEBY STUDENTS

Our graduating class challenges themselves with demanding courses and participate in a wide variety of co-curricular programmes during all three school terms. They were admitted to many of the finest universities including highly selective programmes.

Our Grade 12 students traditionally earn 6 to 7 credits in their final year. Grades 9-11 students complete 8 credits, respectively.

THE APPLEBY COLLEGE DIPLOMA

✔ A minimum of 25 hours of service per year for a total of at least 100 hours over four years.

✔ Two French credits and one additional credit in a third language (German, Spanish, Arabic or Mandarin).

✔ Science, math and social sciences until the end of Grade 11.

✔ Students are required to complete the Bronze award of the Duke of Edinburgh programme. They are strongly encouraged to complete the Silver and Gold requirements as well.

✔ All senior students are required to live in boarding during their senior year.

✔ Participation in Arts, Athletics and Service activities every term.

RANKING POLICY

Appleby does not include a class rank on a transcript. Ranking differentials are so fine that it unfairly classifies a number of students of very similar calibre.

APPLEBY COLLEGE DIPLOMA WITH DISTINCTION IN GLOBAL LEADERSHIP

The Appleby College Diploma with Distinction in Global Leadership recognizes the efforts and achievements of students who are committed to global citizenship and education. Successful students complete the following in addition to the Appleby College Diploma requirements:

- An International Service Project
- Duke of Edinburgh Gold Award
- Outdoor education component
- Co-op credit associated with their Senior Social Science
- At least 2 French credits, a second language credit and any second language to the Senior level
- Intercultural residential component
- Non-credit interdisciplinary course (GLD4X) designed for the development and presentation of a 5-year Global Action Plan
- Series of Global Scholars assignments which connect global issues to their course material
- Intercultural focus in a co-curricular activity

ADVANCED PLACEMENT

Appleby College offers 20 AP courses and is the largest Advanced Placement (AP) school in Ontario, boasting 177 students writing a total of 374 exams with scores of 3 or higher on 81% of exams taken in May 2015. In recognition of exceptional performance on multiple exams, The College Board grants students AP Scholar status. Appleby has produced 168 AP Scholars in the past 5 years with 62 students having achieved the entry level recognition (a minimum of 3 AP exams with an average score of 3) and 28 having achieved the ultimate recognition of National AP Scholar (a minimum of 5 AP exams with an average score of 4).

Given our great attention to AP and our performance on exams, The College Board has recognized and accepted Appleby College as one of a select group of schools in Canada to deliver the AP Capstone Diploma. Students engaged in this 2-year program will complete a minimum of 4 AP exams along with a Seminar course and a Research component, the latter two elements modeling the critical thinking skills necessary and the scholarly research-based investigations conducted in university.

In an effort to continually improve the academic strength of our school and prepare students for post-secondary education, we look to innovative approaches in our delivery of AP courses. The program is strengthened with the Pre-AP course work completed in the Junior years in which students are introduced to the skills, concepts, language, and activities necessary for Senior course work, AP classes and exams, and university performance. All students enrolled in AP classes attain the Ontario Secondary School credit associated with that particular course but, over and above that, receive significant enrichment in order to prepare for AP success. Students demonstrating knowledge and skill in AP subjects where no equivalent Appleby class is offered, receive additional support from faculty in order to supplement learning and prepare for the AP exams. As the College Board continues to expand its programme, Appleby continues to embrace its philosophy and innovate its offerings.
