**Bulletin Announcements for July 10th must be in by Monday, June 27th at 9:00 a.m.**
Dear Parish Family,

To all the fathers of our parish, I would like to wish each and every one of you a very Happy Father’s Day. Your vocation is essential to the life of the Church and the well-being of society.

A paradox can be understood as a statement, proposition, or situation that seems to be absurd or contradictory, but in fact is or may be true. In today’s Gospel (Luke 9:18-24), Jesus tells us that it is when we deny ourselves and follow Him we will, in fact, find our true self. Jesus said,

“If anyone wishes to come after me, he must deny himself and take up his cross daily and follow me. For whoever wishes to save his life will lose it, but whoever loses his life for my sake will save it.”

You and I are called to be disciples of Jesus Christ by the very fact that we are called to holiness through Baptism. We each do this in different ways. For some it is through the single life and for many it is through the Sacrament of Holy Matrimony. For others, it finds its expression in the Priesthood or Religious Life (i.e. priests, sisters, brothers in the religious communities).

On this Father’s Day, I would like to express my deep admiration for the service rendered to families, the Church and society by fathers. Let us pray for all of our dads who are living and those who are deceased. I would also ask that you pray for all spiritual fathers. In this regard, I ask you to include me and other priests.

Brothers, we have the example of St. Joseph protecting and caring for the Holy Family. Both the Church and our world in general need each one of you. We need your faithful witness as you assume the duties of marriage and family life each and every day. You are essential to the well-being of your family and of society.

I say this because, sadly, all too often fathers are portrayed in a very negative way in the entertainment and advertising industries. There is, of course, an agenda behind this. The agenda is bent on re-defining marriage and family life coupled with a radical desire to strip fathers of their proper role in the family.

On this Father’s Day, let us pray for the vocation of fatherhood and let us give thanks to God the Father through the Son in the Holy Spirit for the gift of faith and the gift of family.

God bless you.

Fr. Dan Redmond

**JUBILEE YEAR OF MERCY**

In the Old Testament, time and time again, “when God finds repentance and true conversion, He brings His people back to grace. In the preaching of the prophets, mercy signifies a special power of love, which prevails over the sin and infidelity of the chosen people.” St. John Paul II, Dives in Misericordia, 1980.
