The Jetta
Meet the Jetta, now more sleek and stylish than ever before. With its revised front and rear design, enhanced features, stylish interior and wealth of standard equipment, it’s refined, comfortable and spacious. Not to mention practical, elegant, dynamic and dependable, the Jetta delivers all-round, offering real value for money and allowing you to think with your head as well as your heart. Family car or business vehicle, nothing makes more sense.
The timeless appeal of classic design.

Classic design is timeless, with form and function working harmoniously together, as the Jetta demonstrates. The black radiator grille with chrome trimmed louvres and body-coloured bumper creates an elegant front design. This is enhanced by the front air intake grille and integrated front fog lights with static cornering function, which add character. Range-adjustable halogen headlights with daytime running lights provide clear illumination, adding to the stylish front design. Model shown features optional metallic paint.

Front fog lights are standard on GT and optional on S and SE models.

The story continues to the rear, where the boot lid incorporates an aerodynamic lip which sits above the rear light clusters and the bumper with diffuser and reflectors. The profile is sleek and streamlined, creating a distinctive look. Model shown features optional metallic paint.

Models shown are Jetta GT with optional 18” ‘Charleston’ alloy wheels and metallic paint.
No question about it, the world is moving faster, life is more pressured and it’s hard to stay in control. Unless you’re sitting in the Jetta. Here, everything is exactly where you would expect it to be, ergonomically arranged and intuitively to hand, providing a haven of tranquillity and order. The large high definition screen of the multifunction computer displays important driving information, such as current or average fuel consumption and the status of your connected mobile phone.

An inner world of peace and order.

The large 3.5” TFT colour screen of the multifunction computer displays important driving information such as journey time, outside temperature, range left in the fuel tank, total driving time and the status of your connected mobile phone. Standard on GTI and optional on SE models.
Sit back, relax and enjoy the drive.

Who doesn't occasionally long to sit back, relax and catch breath? Thanks to the Jetta's comfortable interior and exciting trim levels, you can do this while on the road. Take for example the SE model, everything has been designed for your comfort and relaxation, from the 'Sienna' cloth upholstery in Titanium Black, Ceramique/Titanium Black or Corn Silk Beige and 'Zebrano' decorative inserts in the dash and door panels to the revised dashboard instrumentation and redesigned steering wheel. Stylish, refined and practical, it all makes for a pleasant journey, ensuring you arrive at your destination refreshed and relaxed.
Busy day?
No problem.

01 The Jetta’s not only spacious, it’s also well organised. High quality integrated bag hooks help keep everything conveniently to hand, ensuring you can find exactly what you’re looking for.

02 Standard on all models.

03 The innovative leather trimmed three-spoke multifunction steering wheel enables you to control a whole range of functions, including the radio or optional navigation system, telephone and in-car entertainment, without taking your hands off the wheel, allowing you to focus on the road ahead and adding to a more comfortable driving experience. Standard on SE and GT and optional on S models.

03 Front comfort seats in stylish ‘Sienna’ cloth upholstery feature height and lumbar adjustment to ensure optimum comfort whether you beak. Standard on SE models, optional on all others. Images shown feature ceramic/Titanium Black upholstery.
Discover Navigation touch-screen navigation/radio system with Car-Net ‘Guide and Inform’ 2

- 5 inch colour touch-screen
- SD card reader
- AUX-in socket for connection to an external multimedia source, such as an iPod or MP3 player
-branded 2D/3D map view
- three calculated routes (Fast, Short, Eco)
- dynamic navigation based on TMC+
- includes online navigation software updates, enabling you to download the latest navigation map data, 2D/3D map view, three calculated routes (Fast, Short, Eco), dynamic navigation based on TMC+
- data, 2D/3D map view, three calculated routes (Fast, Short, Eco), dynamic navigation based on TMC+
- Dynamic Navigation touch-screen navigation/radio system 2

- 6.5 inch colour touch-screen
- features title and cover art display
- functionality which allows you to read, compose and send SMS messages using the touch-screen display
- rear-view camera
- features optional metallic paint. Optional on SE and GT models. Image shown features metallic paint.
- The park assist displays the distance between your vehicle and any obstacles detected by the sensors. The system warns you by means of flashing warning lights in the door mirror, while the sensors beep to indicate the distance to the obstacle.
- The system monitors your blind spot and should it detect an object in your blind spot, it will warn you with a visual and acoustic signal. It also senses vehicles you are overtaking or in your blind spot and alerts you if you are about to change lanes.
- Automatic Post-Collision Braking System

- automatically initiates braking after the vehicle suffers a collision. The system brakes for as long as necessary to reduce the speed of the vehicle to a safe level before it comes to a complete stop. This helps to reduce the likelihood of subsequent collisions. Standard on all models.

The Jetta – Combinations

Model shown is Jetta GT with optional 18" 'Charleston' alloy wheels and metallic paint.
There’s a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you’re looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there’s a Volkswagen for everyone.

If you’re thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there’s bound to be at least one that catches your eye.

**Sports**

**Golf:** As exciting to drive as it is to look at. Style, performance and power. You will also find our sporty gene in the iconic Golf GTI and Golf R.

**Style**

**Beetle:** The original icon. And still the most unique way to make a fashion statement. For more fun with the top down, why not consider Beetle Cabriolet or the Golf Cabriolet.

**Spacious family cars**

**New Sharan:** The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

**City run around**

**up!** The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.

**Executive**

**Volkswagen CC:** Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé. All the luxury you need can also be found in the cc, and executive comfort in the Passat and Passat Estate – winner of ‘European Car of the Year 2015’.

To see these models and configure your ideal Volkswagen, visit: [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

† Seven speed automatic gearbox only available on SE models.
The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel must be deducted.

With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.

The incorporation of the engine performance deterioration figures, from Luftbilder above sea level and for every 100m thereafter 1% of the vehicle weight must be deducted as a result of the increased amount of air available for combustion.

For every 100m above sea level and for every 100m thereafter 1% of the vehicle weight must be deducted as a result of the increased amount of air available for combustion.

Increasing altitude can influence the level of CO2 emissions it produces; as a result, vehicles with higher levels of specification may result in increased fuel consumption as well as higher CO2 emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase.

The performance of the engine is influenced by the specification of the vehicle, this then reduces the possible payload accordingly.

Performance Figures

The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent to kilowatts). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

Transmission

– Four-speed manual
– Six-speed manual: 1.4 litre TSI 125 PS, 1.4 litre TSI 150 PS, 2.0 litre TDI 150 PS
– Six-speed automatic DSG: 1.4 litre TSI 150 PS, 2.0 litre TDI 150 PS

Bicycles

– Electronically controlled Anti-lock Braking System (ABS) – includes HBA (Hydraulic Brake Assist) and Electronic Brake-pressure Distribution (EBD)
– Front transverse-installed engine
– 1.4 litre/125 PS (01) (92 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder.

Engine

– Front transverse-installed engine
– 1.6 litre/95 PS (01) (68 kW) petrol engine: Side-suction standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual transmission.
– 1.6 litre/105 PS (01) (77 kW) petrol engine: Side-suction standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual transmission.

Exterior dimensions

– Rear transverse-installed engine
– 2.0 litre/110 PS (01) (81 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (Diesel Particulate Filter). Available with a six speed manual or a seven speed automatic DSG transmission.

Dimensions

– 2.0 litre/150 PS (01) (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (Diesel Particulate Filter). Available with a six speed manual or a seven speed automatic DSG transmission.

In some instances, the recommended ‘On the road’ retail price paid for a vehicle may increase as a result of the increased Vehicle Excise Duty (VED) rate, if the engine power greater than 104 PS (76 kW) or the maximum gross vehicle weight exceeds 3500 kg (7716 lb).

The weights and dimensions shown are for exterior dimensions. On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions.
Volkswagen service.

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Maintenance and Service Plans, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk.

Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects.

Exclusions and terms and conditions apply. For further details, please contact your authorised Volkswagen retailer or visit www.volkswagen.co.uk.

Service Intervals

Volkswagen is keen to offer you a choice of how your Volkswagen is serviced. The appropriate selection is a wiring dependency on how the car is likely to be used and generalised to help you identify which type of service is suitable for you.

The Fixed Service is recommended for vehicles that will cover less than 18,000 miles in 12 months and if the vehicle is likely to be used in the following way:

-  The vehicle is driven mainly at a constant speed with fixed loadings and towing.
-  The vehicle is driven regularly on longer distance journeys. The vehicle is driven regularly at a constant speed with loaded and towing.

-  Oil change service – According to flexible service interval display (after 2 years at the latest).

-  Service Intervals

The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher fuel consumption will also increase. In some instances, the recommended ‘On the road’ retail price paid for a vehicle may increase and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended ‘On the road’ retail price paid for a vehicle may increase as a result of the increased VED rate. This may increase your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen dealer will be able to provide you with a personalised quote that could show you how much a warranty can save you.

Volkswagen service.

Volkswagen Finance

Volkswagen’s exclusive free Roadside Assistance cover for one year except the Touareg which is registered for three years. This provides vehicle collection and return to the nearest Volkswagen dealer. Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.

Our free three-year/60,000 miles warranty is included. For further details, please contact your authorised Volkswagen retailer, or visit www.volkswagen.co.uk.
