REGULATIONS CONTINUED:

Notes:
(i) Recipients will be provided with academic mentoring during their first year at the University of Auckland. A condition of the scholarship is that students agree to a minimum of three mentoring interviews in their first year of study.
(ii) The Auckland region is defined as being between Warkworth to the North and the Bombay Hills to the South.
(iii) The University of Auckland Scholarships must be applied for in the final secondary school year. Students who do not intend to enrol at University directly after completing their final year are also required to apply for this Scholarship while they are in their final year of secondary study.
(iv) To take up their offer of the Scholarship (i.e., to go into payment), applicants must achieve admission to The University of Auckland with a NCEA ranked score of at least 270, a CIE ranked score of at least 330 or an IB score of at least 35, which are all equivalent to a University of Auckland entry GPE of 6.00.
(v) For the purposes of this scholarship the recipients’ grade point average (GPA) is based on all the courses they undertake in each semester of study. A GPA of 6.000 is equivalent to a B+ average.
(vi) For the purposes of the administration of this Scholarship, compulsory fees are those related to the relevant programme of study, Student Services Fee and Building Levy.
(vii) Fee payments will not usually be made for the re-sitting of courses that a Scholar has failed or did not complete.
(viii) The Scholarship does not cover Summer School courses undertaken prior to enrolment in the first semester of study.
(ix) Students intending to commence study in Semester 2 are advised to seek academic advice from their faculty and to enrol in their proposed courses well before Semester 1 commences.
(x) Except in cases where there are compelling medical reasons or adverse personal circumstances beyond a student's control, the uptake of scholarships cannot be deferred. Students who are offered a University of Auckland Scholarship but who do not take it up in the year of offer may request that their application be reconsidered in the intake of applications for the year immediately following.
(xi) Recipients must be enrolled continuously in their programme of study. Deferrals for students who have already commenced their degree will not usually be approved unless there are compelling medical or adverse personal circumstances beyond the student's control.
(xii) Deferral requests must be made in writing to the Scholarships Office.
(xiii) If a student enrols at another tertiary institution in New Zealand, the Scholarship will lapse.
(xiv) Recipients who take up this Scholarship but do not complete at least two semesters of study at the University of Auckland or who withdraw their enrolment in any semester after payment has been made, may be required to pay back the full sum of monies received.
