We are all working hard this summer to help prepare for what we hope will be an exciting and successful 2016-17 school year. I am very proud of all the amazing academic, artistic, athletic, leadership, and musical accomplishments of Findlay High School students. I understand that in order to perform at these levels on a consistent basis, Students must have a tremendous amount of support from parents, staff, and community. The Findlay community has always provided the support students need to not only achieve, but consistently perform at the highest possible levels. That is why I am excited about the coming school year and being a part of one of Ohio’s premier high schools. Last school year, the high school provided weekly highlight videos of all the amazing things our students were accomplishing throughout that particular week. You may review last year’s and view the upcoming year’s highlight videos at http://fhs.findlaycityschools.org/celebrations/index.html.

I am reaching out to parents, staff, and community members to continue the Findlay High School tradition of excellence by supporting our students. Please, if you have not already, get involved in one of the many high school groups which support our students. If you are not sure how or which group, email me at ckuperberg@fcs.org with a contact phone number and I will call you so that we can discuss the many opportunities and which fits your talents and interests best.

Also, if you do not already subscribe to the Findlay High School Parent Email List, please do so, even if you are not a parent, by going to the high school webpage at http://fhs.findlaycityschools.org/ and clicking on the link where it says, “Click Here to Subscribe to the Findlay High School Parent Email List!”

My goal for the coming year is to continue and improve on Findlay High school’s tradition of excellence! I also want to make sure our community members hear about the wonderful opportunities and accomplishments of our students. I invite you to be a part of the exciting high school years and to be a part of spreading the great news about Findlay High school students!

GO TROJANS!

NEW TO 2016-2017 SCHOOL YEAR- FINAL FORMS-

Attention All FHS Students and Athletes: We are excited to offer all athletic and most high school forms online for the 2016-17 school year. The instructions for Final Forms went home with your student’s grade cards. ALL PARENTS AND STUDENTS WILL BE REQUIRED TO COMPLETE THE ONLINE INFORMATION REGARDLESS IF THEY ARE AN ATHLETE! Forms such as the parking permit, emergency medical authorization, open lunch contract and student handbook will be available for use between the offices so every year the information will just get updated not redone. This is very exciting for us to minimize paperwork for parents and students. Please log on to findlay-oh.finalforms.com before August 1 to ensure your child’s paperwork is up to date before the start of the new school year. You can also change/update phone and addresses this way! Any questions, please free to use the online help or by calling the main office at 419-425-8289.

2016-2017 INFORMATION

Parking Permits Available Beginning August 4th

Parking Permits for the 2016-2017 school year are available to sophomore, junior and senior students when they pick up their schedules, starting August 4th. The cost of the permit is $35. Students must have their current completed Emergency Medical Form and a current Informed Consent Agreement on file. Please submit vehicle registration and proof of insurance for each vehicle being registered, along with your driver’s license and a completed Parking Contract. Contracts, which parents and students must read are available on Final Forms. (Click Parent tab and Transportation link.) Permits will be sold daily between the hours of 7:00 - 11:00 AM and then from 12:00 PM- 3:30 PM. Parking Permits must be paid for in the exact amount by either cash or check. No credit/debit cards can be accepted for payment.

Please be reminded that all past due fees must be paid in full before a student will be able to purchase a parking permit for the current year. Students unable to pay all past due fees because of financial difficulties must meet with the Assistant Principal in charge of parking to discuss a payment plan. All parking questions should be directed to Mr. Kevin Shoup at kshoup@findlaycityschools.org.

Class of 2017 Students and Parents/Guardians

Your senior year is quickly approaching, and that means you will be getting your senior photo taken. We encourage you to have your senior photo taken this summer so you will not have any problems meeting the October 30, 2015, yearbook deadline. If you are not able to have your photo taken during the summer, at least make the appointment during the summer so that your photo can be taken in plenty of time to meet the deadline. All images must be 2 1/2" wide by 3 1/2" high and a 300 dpi color digital file in the sRGB color space. Submit your photo to www.hjeshare.com and enter the school code: 3061398. If you have any questions, please contact Mrs. Ruth Rinker, yearbook advisor, at rrinker@findlaycityschools.org.

Bus Schedule Information

2016-2017 INFORMATION

Testing Information

SUMMER 2016 OCBA Re-Takes
Students are encouraged to re-test if they received a score of 1 (Limited) or 2 (Basic) on any test. Re-takes will be given from July 25th – 29th. Students may sign up for re-takes at http://J.MP/FHStesting. They must sign up by July 21st to re-test. Students may also wait until the fall or next spring to re-test.

Moving forward, parents/guardians are encouraged to review requirements for graduation with their student. The Ohio Department of Education (ODE) has provided the following link to help explain the new requirements http://education.ohio.gov/Topics/Ohio-Graduation-Requirements. It may also help if parents and students review the resources available to prepare for the state tests found at http://oh.portal.airast.org/ocba/students-and-families/.

Findlay High School will continue to help educate our students and their families as best as possible about new ODE mandates. The FHS testing calendar for the 2016-2017 school year will be available in early September. If at any time you have questions, please contact us and we will be happy to assist you. Thank you.

Junior Parent Letter Regarding Government

Dear Parent of a 2016-17 Junior Student:

Due to the changes that the Ohio State Legislatures and the Ohio Department of Education have made in graduation requirements, we find it necessary to move the semester of American Political Systems (Government) from the traditional senior year to the junior year. The reason is due to the testing requirements for end-of-course state tests.

Students who graduate in the spring of 2018 and beyond have three paths to graduation. One option is to score at least 18 points on seven end-of-course state tests. The end-of-course state tests are for Algebra I and Geometry (must earn at least four points in math), English I and English II (must earn at least four point in English), Biology, American History, and American Government (must earn at least six points across science and social studies). Since the government class is now part of state testing requirements, students need to take the course prior to their senior year so that scores are received in a timely manner for graduation, and students who need to retake the test in order to graduate have the opportunity. If we were to keep government in the senior year, students would not have the opportunity to retest, if necessary. Also, those students who would end up taking the course second semester would not receive their test scores until after graduation.

Therefore, in order to meet these new state mandated graduation requirements, the semester government course your student needs to take, and is required to take a state test over in order to graduate, has been added to their course request for their junior year of high school. However, since American History is still required, your student will also have American History on their course request for their junior year. Having both American History and Government the same year is just for this transitional year and will not be the case in future years.

I am sorry for any confusion or inconvenience in your student's plan of study, but the state mandates make this change necessary in order to give our students the best chance possible to graduate high school in four years.

If you have any questions regarding this change, or any other matter regarding your student’s course requests for the 2016-17 school year, I encourage you to contact their counselor. Students with last names beginning with A-G have Ray Elbin and Mary Burget as their counselor and they may be reached at 419-427-5414 and 419-425-8313 respectively; students with the last names beginning with H-Q have Maria Little as their counselor and he may be reached at 419-429-8927; and students with the last names beginning with R-Z have Jenny Coulter as their counselor and she may be reached at 419-425-8356.

Craig Kupferberg
Dear Class of 2020,

We would like to welcome you to Findlay High School for the 2016-2017 school year. You are about to embark on a fulfilling and exciting time of your life. During the next four years, you will increase knowledge, have new experiences and build memories that will last a lifetime. Your high school years give you the opportunity to be involved in a wide variety of curricular, co-curricular and extra-curricular activities. We hope you will choose to become involved in school-sponsored activities, as they will expand your opportunities to have fun, make new friends and learn new skills.

Orientation camp is for freshmen only. Parents do not attend the orientation camp. We will have a parent meeting September 1, 2016 from 6:00 - 7:00 PM in Findlay High School Cafeteria to talk about the 9th grade transition and other questions you may have. We have put a lot of time and effort into developing an exciting freshman orientation camp that will help you have a smooth and enjoyable beginning to your Findlay High School career. Freshmen Orientation camp will be held on August 3, 2016. Students are expected to stay for the entire orientation camp and will not receive their schedule if they do not complete the entire orientation camp.

During orientation camp you will meet some of your teachers and freshmen mentors, tour FHS, participate in other activities that will help you begin to feel comfortable and connect to Findlay High School. You will also receive your schedule, locker assignment, student handbook and other vital information. You must attend your entire session in order to receive your schedule. You will be able to order FHS Class of 2020 t-shirts at the freshman orientation. The price is $13.50 and must be paid when you place your order.

Orientation camp will be held in the Findlay High School main gym on August 3rd from 12:00 until 3:30 PM. Parents may pick up their students at 3:30 at the freshman entrance. (Just a reminder, this day is for freshmen only)

Please note that freshmen pictures will not be taken during orientation camp. All freshmen will get their pictures taken on the first day of school. Freshmen will receive a picture packet on orientation day to bring with them if they would like to buy pictures on the first day of school.

Emergency Medical Forms are required to be on file. Please be sure to register for Final Forms and complete the Emergency Medical Form by August 1, 2016. The instructions were mailed with your student’s grade card. It is very imperative that we have this form on file in Final Forms. Please contact the freshman office at 419 420-7059 if you have any questions.

We are looking forward to seeing you at orientation camp and hope you had an enjoyable summer vacation. Freshman Team: Mrs. Davis – Assistant Principal, Mrs. Gerdeman - School Counselor, Mrs. Holdman - Secretary, and Mrs. Parsell - Attendance Aide.

Sincerely,

Mr. Craig Kupferberg
Principal

Sincerely,

Mrs. Lynsey Davis
Associate Principal

Order Your Class of 2020 T-Shirt

Name: ____________________________

Size: S  M  L  XL (XXL and above sizes add $2) (Please circle)

Phone #: ____________________________

Shirts are $13.50 and must be paid when ordering. Orders can be dropped off to Mrs. Holdman in the Freshman Office or mailed to her attention. Please enclose check or money order made out to Findlay High School.
Lifetouch will be here to take school photos for grades 10-12 on August 4 and 5 (see schedule on page 3). ALL students are required to get a picture. However, you are not required to purchase photos. This photo will be utilized for the creation of your student ID, which you will receive on the day your picture is taken. Student ID’s are required for all students to have in their possession on a daily basis, as well as for textbook checkout, school dances, attendance purposes, and for verification of student identity. If you are purchasing pictures, the packets must be paid for at the time photos are taken. Order forms are available in this packet or online.

Pictures and orientation will take place in the auxiliary gym. Students will receive their schedule and handbook at orientation after they have had their picture taken and received their ID card. If any student is not able to attend the orientation dates they will need to get their picture taken on the first day of school. All freshman students will have their photos taken on the first day of school. Grades 10-12 can still be picked up in the main office August 8-12 between 7:00-4:00. However, students will not receive their student handbooks until they have their ID photo created.
SCHOOL MEALS

A reminder to all students who have qualified in the past or may qualify for the free/reduced lunch-school fees program – a new application must be completed and on file in the Food Service Office each school year. Blank forms can be picked up in the FHS Main Office beginning August 4 and can be returned to the FHS Main Office at any time or to the Food Service Office once school is back in session.

Following are the prices for meals purchased in the school cafeteria for the 2016-2017 school year.

### FHS Lunch Policy

FHS currently has an open lunch policy for students in grades 10 thru 12. The behavior of our students during lunch hours can have an impact on the reputation of our students and school. Open lunch is a privilege that must be earned and certain standards must be followed. Students whose behavior during the school day becomes disruptive risk losing this privilege. Infractions of the open lunch policy may result in a Closed Lunch assignment. Students will be given an Open Lunch Contract stating the standards that are expected. They will review and sign the contract when picking up their schedules. Please take time to discuss appropriate behavior with your student and make sure he/she understands Findlay High School's open lunch expectations.

For the 2016-2017 school year all freshmen will have a closed campus lunch, which means they will not be allowed to leave the Findlay High School campus for lunch. More details will be given at the Freshmen Orientation Camp sessions.

LUNCH PAYMENTS

All student accounts can be viewed by parents by setting up a free account using your students’ ID number. This will allow you to monitor what is purchased as well as the current balance. You also have the option to set up a reminder for your balance by text or email. If you choose this it will also allow an online payment (includes a transaction fee such as an ATM would) directly to your students’ account. Any questions call the Food Service office @ 419-420-7014.

Getting a healthy diet can be easy. How? Think about food choices based on how much room they take up on your plate. Here are the new guidelines from the USDA:

- Half of the plate should be vegetables and fruits.
- Grains should account for a little more than one fourth of the plate. And whole-grain options, like brown rice and whole-wheat pasta, are recommended.
- Proteins such as chicken and beef are kept to a little less than one-fourth of the plate.
  - Add fat-free or low-fat milk, cheese, yogurt, or other dairy product.

Juniors - Class of 2017 PSAT Test  
October 15, 2016  7:25 a.m.  
College-bound juniors (Class of 2018) should consider taking the PSAT test this fall. The test will measure the verbal and math reasoning of juniors and compare the results to competing juniors across the country. Writing ability will also be tested as you must produce an essay after being given a prompt from which to work.

The PSAT is a college entrance test, but will also serve as the qualifying test for the National Merit Scholarship Competition. Registration forms for the PSAT will be in the SAC office, with a deadline of October 7, 2016. The test will be administered on October 15. An alternate date of October 19 is available if necessary. Special arrangements need to be made with your guidance counselor if you need to take the test on the alternate date, once a valid school-related reason is established.

College Fair

The annual fall College Fair will be held on Tuesday, September 27, 2016, in the FHS gymnasium. Juniors and Seniors in Findlay High School and Hancock County will be provided an opportunity during the school day to visit with college, military, and career recruiters. The College Fair is a good time to get questions answered and access college applications/information.

The All New Pre-ACT

On November 5, 2016, the Pre-ACT will be offered to any sophomore who is interested in taking this new test offered by ACT. As a Pre-ACT this assessment will be a predictor of future performance on the actual ACT test used in college admissions. At the same time, it will focus attention on both career preparation and improving academic achievement. The Pre-ACT test will be a useful tool for our 10th graders to build a solid foundation for future academic and career success. It will serve as a comprehensive guidance resource that helps students measure their current academic development, explore career/training options, and make plans for the remaining years of high school and post-graduation years. College-bound sophomores should consider taking advantage of this testing opportunity. More information about ACT's new Pre-ACT can be found by visiting the following website: [http://www.act.org/content/act/en/products-and-services/preact.html](http://www.act.org/content/act/en/products-and-services/preact.html)
Findlay High School will again be utilizing School Connects and Safe Arrival for attendance reporting. We were very pleased with its ability to aid in attendance reporting and communication with parents. We appreciate everyone’s patience through the spring while we worked to learn this new system. The system has had some major updates through the summer and those that have already signed up and those who have not will be receiving an invite to validate your account and use the online tools. We are also excited because an App is now available to Apple and Android phones. To download the App just go to your App store and download the free App entitled Safe Arrival from Synrevoice Technologies. For those of you who are new to this attendance reporting system more information is below.

This new absence reporting system is called Safe Arrival and will be utilized for parents to report all day absences and late arrivals. It will allow parents to report their child’s absence quickly and conveniently in one of two ways:

1. Parents can log into a website, fcs.schoolconnects.com to access a Safe Arrival Parent Portal where an account can be set up to report absences.

2. Parents can call into an automated interactive telephone system via a toll free number (844-305-3755) through which absences can be reported.

Both methods will be available 24 hours a day, 7 days a week.

In addition, we will also be utilizing an automated notification system to contact parents who have not reported their child absent. The automated notification system will contact parents at multiple contact numbers until one of the designated contacts is reached. By reporting your child absent in advance using the Safe Arrival toll free number or Safe Arrival Parent Portal website, you will not receive a call. Calls will initially be placed if students are absent in the morning but will also place calls at the end of school day if the student was marked absent during any of the periods throughout the school day. Helpful information is available on the FHS website.

We will start using our new absence reporting system on the first day of school. Starting August 17 all absence reporting for all day absences and late arrivals should go through the Parent Portal website or toll free number. Please do not contact the school directly to report an absence or late arrival after the above date. If a student needs to leave early from school the parent should provide written documentation of this to the attendance aide as this cannot be reported through the system. Our policy still also requires a written note be sent for all absences upon the students return to school.

If your e-mail is on file you will receive an invite to access the Parent Portal in early August. If not, you can go to fcs.schoolconnects.com to sign-up by clicking on "Don't have log in?". Once logged in you also have the option to receive communication via text message.

We are very excited about this new program and how it can help in ensuring positive communication with our FHS parents! If you have any questions please call Findlay High School at 419-425-8289.
Dear Parent:

As per Ohio Revised Code 3313.67, 3313.671, and 3313.671(B), the Findlay City School district and the Ohio Department of Health (ODH), your child is required to receive a current dose of Tdap vaccine, and a meningitis vaccine before a student enters seventh grade. Therefore, your current seventh grader will need to show proof of having received this vaccine before he/she can return to school in August. If your child is entering the 12th grade this year in August of 2016, he/she also is required by ODH to have a meningitis vaccine prior to entry into the 12th grade, and also we will have to have proof sent to the school. It is possible that some of your children may have already been immunized with these vaccines recently so please check your records carefully. A second dose of meningococcal is required prior to entry into the 12th grade. The 2nd dose must be administered on or after the 16th birthday. If the first does of meningococcal vaccine was administered after the 16th birthday, a second (2nd) dose is not required. If a student is 15 yrs of age or younger, only one (1) dose is required.

Please be aware that there are additional vaccines recommended at this age that are not required by ODH. These vaccines are HPV and the chickenpox vaccine. If you are interested in your child receiving these vaccines you will need to call the health department or your family physician for an appointment.

After the vaccine is administered, Findlay City Schools will need a copy for your child’s permanent file. If you do not wish your child to receive this vaccine, please contact your child’s school office to obtain a Shot Waiver Form which needs to be signed and returned as soon as possible. Your child may be required to have the vaccines prior to a certain date or cannot return to school until the vaccine has been administered, the Shot Waiver Form is on file in the office, or the school office has proof that your child has a scheduled appointment with either a health department or doctor’s office.

Thank you for your time in reading this letter, and following thru.

Sincerely,

Sara Heinze, RN

Trojan Times on the Web!

We will not be running “The Trojan Times” every month, as we have in the past. “The Trojan Times” will run every 9 weeks, or as needed. We will continue celebrating students weekly with the celebration videos. (Reminder, if you would like to submit pictures for possible display in a highlight video, please send them to findlayhightrojans@gmail.com) The summer “The Trojan Times” will continue, as this issue has important information regarding the next school year. An electronic edition of the Trojan Times can always be found on the FHS website. http://fhs.findlaycityschools.org. If you prefer a paper copy sent to your home, please call the main office at 419-425-8289 and provide your name, your student’s name, grade, and address and we will mail a copy to you.
