3. To children resident within the parish of Sapcote for all or part of the week.

4. To siblings of children in the school; this includes brothers and sisters, half-brothers and sisters, legally adopted children regarded as brothers and sisters and fostered siblings.

5. To Children of parents who are regular worshippers of a Christian Church as defined by the membership of Churches together in Leicestershire. Applications under this criterion will require a supporting letter from the local minister.

6. Children residing closest to school. Measurement of distance is in a straight line from the point that the home property’s front entrance meets a public highway to the schools main designated front gate, using a computerised mapping system. In the event of a dispute over distance that results in an appeal the Diocesan Board of Education will have the distances measured professionally.

Late Applications: Any application received after the closing date will be treated as a mid-term admission.

Over Subscription: In a very few cases it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place e.g. children who live at the same address (flats) or have the same distance measurement. If there is no other way of separating the applications and if to admit both or all of the children would cause the legal limit to be exceeded, then the child (or children) who will be offered the place(s) will be randomly selected by drawing lots'.

Saint Peter’s Catholic Primary School, Earl Shilton
Saint Peter’s Catholic Primary School, Hinckley

Children who have a Statement of Special Educational Needs which names the school will be admitted. This will reduce the number of places available. See “Your Guide to Primary Education in Leicestershire” for further details about special needs provision.

First priority in all categories will be given to siblings (see note 4) that is, children who will have brothers or sisters attending the school at the proposed time of admission.

In Categories 1 – 3, priority (after sibling priority) will be given to children whose parents / carers have completed and returned a Mass Verification Form if this has been issued.

1. Catholic looked after or previously looked after children. (See notes 1 and 2).
2. Catholic (see note 2) children living in the parish(es) served by the school.

4. Other children who are classed as looked after or previously looked after children. (See note 1).
5. Children who are baptised or dedicated members of other churches which belong to 'Churches Together in England'. (See note 3).
6. Other children and those for whom no Supplementary Form has been received.

Tie Breaker: If any of the categories remains oversubscribed, preference will be given to children living nearest the school (measurement of distance is in a straight line from the point that the home property's front entrance (including flats) meets a public highway to the school’s main designated front gate, using a computerised mapping system).

In a very few cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place (eg children who live at the same address or have the same distance measurement). In this exceptional situation, if there is no other way of separating the applications then the governors will admit the additional child above the planned admissions number. If however, admission would result in the legal limit of 30 children being exceeded, then the place will be allocated by drawing lots.
