25 Registration and General Information
Preschoolers Prepare to Read! — Part I
Ages 3-4
Y1210-51
10 sessions: $285 • 9:30-10:55 a.m.
Y1210-52
10 sessions: $285 • 11:05 a.m.-12:30 p.m.
As early as age 3, children are eager to read. This course is designed to develop and expand children’s early literacy skills by using oral language to develop reading and writing fluency. Each session is divided into several activities that reinforce skills that are important to reading. This is done through the use of games, songs, crafts and storytelling. Limited enrollment; register early!

Preschoolers Prepare to Read! — Part II
Ages 4-5
Y1211-51
10 sessions: $285 • 9:30-10:55 a.m.
Y1211-52
10 sessions: $285 • 11:05 a.m.-12:30 p.m.
This course is a continuation of our wonderful Preschoolers Prepare to Read! — Part I and provides a developmental opportunity for children to be introduced to more advanced levels of reading. Through this classroom adventure, your child will be better prepared for kindergarten. As we continue to expand your child’s reading and writing skills through linguistic and phonetic instruction, our instructor works with each child at his or her own pace. Limited enrollment; register early!

Kindergarteners Prepare to Read
Ages 5-6
Y1212-51
10 sessions: $285 • 9:30-10:55 a.m.
Y1212-52
10 sessions: $285 • 11:05 a.m.-12:30 p.m.
This course is the sequel to Preschoolers Prepare to Read! — Part II and focuses on the needs of students who are in kindergarten and want to continue to develop their skills. Additional emphasis is placed on the phonetic instruction of the pre-reader, while sight vocabulary is further enhanced.

Reading Is Fun
Grades 1-2
Y1300-51
10 sessions: $285 • 9:30-10:55 a.m.
Y1300-52
10 sessions: $285 • 11:05 a.m.-12:30 p.m.
Using a thematic approach to reading enrichment for the beginning reader, this program is designed for those who enjoy reading as well as those who need extra help. In-class instruction incorporates the use of vocabulary words, reading passages and language arts skills to enhance the progress of the new reader. Themes include a variety of stimulating experiences that make reading fun and meaningful. Through the use of manipulatives, stories, and auditory and visual experiences, ideas come alive and excite children about reading.
Literature Circles  
Grades 5-6  
Y1480-51  
10 sessions: $285  
9:30-10:55 a.m.  
Love to read? This is the place for you! Come join our Literature Circles of fun where we explore books that you’ve always wanted to read. Since all reading is done during class, peer discussion is a focal point of this course. Students receive their own copies of books as well as highlighters and sticky notes to track critical thinking while reading. The techniques learned strengthen students’ decoding, comprehension, and conversation skills. This literacy-based class is both engaging and advantageous!

Successful Readers  
Grades 7-8  
Y1485-51  
10 sessions: $285  
9:30-10:55 a.m.  
The foundations of reading need to be developed and reinforced in order to achieve and maintain a successful school career. In this class students continue to strengthen their reading comprehension, fluency and decoding skills. These essential skills can be transferred to all subject areas and used in various aspects of learning. Students will be able to apply these reading fundamentals to school work as well as everyday reading.
Beginning to Write
Grades 1-2
Y1410-51
10 sessions: $285
9:30-10:55 a.m.
This course is designed to meet the needs of emergent learners who require extra emphasis on writing skills. Students are motivated to write in a relaxed and supportive environment, using their everyday language and experiences. Imagination and creativity guide young writers to use developmentally appropriate spelling, organize their ideas and increase their awareness of punctuation. Students use the different phases of the writing process – pre-writing, revision and editing – and learn to see themselves as authors and their work as literature.

Grammar 101
Grades 3-4
Y1460-51
10 sessions: $285
9:30-10:55 a.m.
This course is designed to give students a better understanding of grammar. Our goal is for students to work on a variety of skills and concepts, including the importance of capitalization and punctuation, sentence structure, all parts of speech, and the introduction of more challenging vocabulary. Students are assessed through weekly spelling and vocabulary tests. This class enables your child to become a better writer and build a stronger vocabulary base.

Calling All Writers!
Grades 3-4
Y1420-51
10 sessions: $285
11:05 a.m.-12:30 p.m.
Students in this course learn amazing writing tips while they explore the power behind the writing process. This class is challenging while at the same time exciting and engaging for each student. The main focus is aligned with the Common Core. Students write opinion pieces on topics or texts, supporting a point of view with reasons and informative/explanatory texts to examine a topic and convey ideas and information clearly. Students write narratives to develop real or imagined experiences or events using effective technique, descriptive details and clear event sequences. For the concluding project, each student becomes the author of his or her own book.

Aspiring Authors Club
Grades 4-5
Y1422-51
10 sessions: $285
9:30-10:55 a.m.
This class inspires students with a passion for writing to follow their dreams and show their creativity on paper. With the use of literature from all genres, students create writing pieces that have descriptive details, organization and sentence fluency and express their individual voice. Works such as original short stories, poems, narrative essays and skits are created in order to build students’ writing portfolios. A basic review of spelling, grammar and punctuation is incorporated into the class to ensure steady progress for your young author.

Ready, Set ... Write!
Grades 4-5
Y1423-51
10 sessions: $285
11:05 a.m.-12:30 p.m.
Send your child on an exciting journey toward becoming a more descriptive and creative writer. This class focuses on assisting and motivating young authors to add details to their works and make them come alive on paper. The incorporation of voice and word choice is a high priority. Students create original writing pieces to add to their portfolio.
How to Write Better
Grades 5-6
Y1413-51
10 sessions: $285
11:05 a.m.-12:30 p.m.
The best way to become a better writer is to practice, practice, practice. Students complete weekly writing assignments while learning how to convey ideas quickly, clearly, and persuasively. Good writing reflects clear thinking – a process that serves the student throughout his/her lifetime. Activities include practical suggestions on writing style, organization and content of letters and essays, and how to write creatively.

English Grammar and Composition
Grades 6-8
Y1412-51
10 sessions: $285
9:30-10:55 a.m.
Concentrating on grammar, punctuation, paragraphs, development of ideas and sentence structure, students use templates and visual aids to improve their writing skills. This process enables writers to successfully complete paragraphs and essays. Moreover, students can then transfer the knowledge gained from this course to their individual school settings.

Pen to Paper in All Genres
Grades 7-12
Y1475-51
10 sessions: $285
11:05 a.m.-12:30 p.m.
This course invites young authors to challenge themselves as they enter the exciting world of literature. Students learn the basic fundamentals of literacy genres across the board, such as fiction, poetry, science fiction, nonfiction, historical fiction, memoirs, short stories, fairy tales, fantasy, and drama. With the infusion of NYS Regents-based literacy elements and language skills, students celebrate creativity and individuality. Much of what is taught in this course helps students with their English school curricula by further enhancing their writing abilities in a well-rounded fashion. The instructor encourages students to take both risks and pride in their work while having fun!

Assessment Writing
Grades 9-12
Y1416-51
10 sessions: $285
9:30-10:55 a.m.
This course prepares students for assessment (Regents/AP/SAT) essays: thematic essays, document-based questions (DBQs), and critical lenses. We examine the best ways to organize, interpret and analyze both the information given and the student’s content knowledge to assist the student in creating a cohesive final essay. We work on structure and layout by outlining and drafting before the final essay is written. This is a great course for any student preparing to take or retake any writing examination.

Preparing to take NYS Regents exams?

SATURDAY CLASSES FOR YOUNG PEOPLE

ACADEMICS
enrichment

Road to Success
Grades 6-8
Y8210-51
10 sessions: $285
11:05 a.m.-12:30 p.m.

Every successful student starts with a solid foundation in studying. As students progress in their academic careers, study skills, time management, note-taking, organizational skills and test-taking techniques play an integral part in their achievements. This class focuses on these fundamental components to improve a child’s way of studying and learning.

Public Speaking/Debate
Grades 7-12
Y8230-51
10 sessions: $285
11:05 a.m.-12:30 p.m.

In this course, students learn and develop the skills necessary for public speaking as well as strong debate tactics. Students are given the opportunity to develop their speeches through writing, and practice the delivery of their messages through oral presentations in class. Students customize their speeches to different audiences to enhance proper delivery styles, and work individually and in teams to practice group debating skills. Students develop the self-confidence needed to fluently deliver and argue their ideas and effectively counter-argue their debate opponents in the future. This course allows students to set and reach personal goals to confidently express themselves verbally and dynamically.

Kindergarten Math
Ages 5-6
Y2105-51
10 sessions: $285
9:30-10:55 a.m.

Numbers and patterns and shapes, OH MY! This course focuses on the building blocks that all kindergarteners need to be successful in math. Using hands-on, interactive activities, students learn to form and identify numbers, recognize patterns, distinguish shapes, and much more.

Big Ideas for Young Mathematicians
Grades 1-2
Y2110-51
10 sessions: $285
9:30-10:55 a.m.
Y2110-52
10 sessions: $285
11:05 a.m.-12:30 p.m.

While learning topics such as time, money, patterns, logic and more in this interactive course, students discover mathematical concepts and learn to apply them in their everyday worlds. Since research suggests that many adults have a fear of math, this course is designed to foster a love of math by engaging in hands-on activities that inspire students to love math!

More Math Please!
Grades 2-3
Y2485-51
10 sessions: $285
9:30-10:55 a.m.

This course is for both the hesitant mathematician and those who simply love math. All students participate in hands-on activities designed to help them utilize strategies for understanding and applying basic math concepts and skills. Each week a different math skill is reinforced through fun and creative approaches. In this class we practice working with numbers, operations, money, time, algebra, graphing, probability, measurement and word problems.

Math Mania
Grades 3-4
Y2480-51
10 sessions: $285
11:05 a.m.-12:30 p.m.

During this course, students engage in activities that help develop their mathematical abilities, and topics that are commonly taught in grades 3 and 4 are covered. Possible topics include: place value, estimation/rounding, logic, properties of addition and multiplication, algebra, fractions, decimals, problem solving, geometry, exponents, statistics/probability, factors/multiples and more. Students are encouraged to work cooperatively as a class as well as in small groups and pairs. This course is designed for both students who want to challenge themselves and those who wish to sharpen their skills. Any student who enjoys learning while having fun will enjoy this class!

Register online at ce.hofstra.edu/youth.
Making Sense of Math  
Grades 4-5  
Y2495-51  
10 sessions: $285  
11:05 a.m.-12:30 p.m.

This course consists of drills and practice in mathematic fundamentals: addition, subtraction, multiplication, and division. Using applications of math in everyday settings and a variety of activities to extend problem-solving abilities, students solve mathematical problems that further strengthen their math skills. Students focus on what numbers would make sense to get the correct answers, and learn to self-check by asking, “Does it make sense?”

Math Made Easy — Part I  
Grades 5-6  
Y2450-51  
10 sessions: $285  
9:30-10:55 a.m.

This course is designed to help students develop their math problem-solving abilities. In both small and large group settings, the most challenging topics of grades 5 and 6 are addressed: fractions, decimals, percents, mean, median, mode, probability, signed numbers and word problems, to name a few. Students are encouraged to ask questions and discover how math can be made easy once they acquire the skills taught in this course. The major goal of this class is to provide the correct strategies to help children discover that math is fun and easy.

Math Made Easy — Part II  
Grades 7-8  
Y2470-51  
10 sessions: $285  
11:05 a.m.-12:30 p.m.

This course is for students who need help in solving more difficult math problems involving decimals, fractions, percents, signed numbers, algebraic equations, and word problems. Time is spent reviewing basic concepts, and practice exercises within small group settings are used to reinforce concepts and their applications. Students are encouraged to bring work from their regular school math class to use as examples.
Stepping Stones in Science
Ages 4-5
Y3100-51
10 sessions: $285
9:30-10:55 a.m.
In this age-appropriate, introductory course, children explore a variety of science topics through literature, poems, arts and crafts, hands-on activities, outdoor nature exploration and educational games. Activities are conducted each week that not only introduce major science concepts, but also teach general thinking skills such as patterns, shapes, colors, sequencing, sorting, graphing, measuring, comparing and observing – just to name a few! Children eagerly get involved in hands-on activities organized around various themes. *Limited enrollment; register early!*

Young Science Investigators
Grades K-1
Y3110-51
10 sessions: $285
11:05 a.m.-12:30 p.m.
In this course, students learn to apply scientific concepts to hands-on experiments that venture beyond the typical classroom setting. The course of study varies each week, engaging students in a new experience each Saturday. It is an exciting, fun-filled course that encourages students to delve further into the world of science. Remember, it is better to have your child make a mess here in our classroom ... than all over your brand-new rug!

Science — The First Step
Grades 1-2
Y3111-51
10 sessions: $285
9:30-10:55 a.m.
Y3111-52
10 sessions: $285
11:05 a.m.-12:30 p.m.
The amazing life of the earthworm, the undersea life of the squid, intriguing rocks and minerals, the excitement of the dinosaur – these and many other wonders of science are presented to our young future scientists through hands-on experiences. Science concepts are explored in fun-filled ways, motivating young minds toward future learning. Different experiments are taught each season so that our students are able to continue their scientific experience throughout the year! *Limited enrollment; register early!*

Applied Science
Grades 2-4
Y3112-51
10 sessions: $285
11:05 a.m.-12:30 p.m.
Students are encouraged to investigate basic scientific concepts using hands-on activities. Possible course topics include DNA, temperature and currents, to name a few. Scientific method, dissection, effects of pollution, animal adaptation, crime scene investigation and engineering concepts may also be discussed.
Young Inventors at Work
Grades 3-4
Y3113-51
10 sessions: $285
9:30-10:55 a.m.
Have you ever thought of creating an invention? Something that could do your homework for you, or even help you find a new way of making something you own even better? Learn what it takes to solve a seemingly overwhelming problem using only your wits, creativity, and ability to put the pieces together. In this hands-on workshop, students combine observation with a newfound familiarity with the scientific method to discover the inventor within. Learn to create a flotation device that can save lives, devise a bridge that can withstand crushing under its own weight, learn about electricity, make a robot and maybe even build a plane that may travel the distance of a football field! There are no limits to what an inventive mind can conceive. Join us for this fun and innovative class and who knows … you may even be able to triumph in the famous “Egg-Drop” contest. Register early: this class fills up quickly!

Veterinary Science
Grades 6-8
Y3615-51
10 sessions: $285
9:30-10:55 a.m.
This course is designed to provide students with an inside look at the physiological makeup of living things within the animal kingdom. This class will foster the conscious awareness of evolutionary adaptations that develop in animals over time, how these adaptations formed, and why. We explore these amazing animals through a variety of medias to spark the inquisitive nature of every scholar that partakes.

Introduction to Basic Chemistry
Grades 6-8
Y3625-51
10 sessions: $285
11:05 a.m.-12:30 p.m.
This is an introduction class that covers topics such as the Periodic Table of Elements, atomic structure, molecules, compounds, mixtures, and solutions. The course will demonstrate how these interact with each other, the world around us, and the Universe. Students will experience hands-on games, activities, laboratory activities, and interactive/educational videos throughout the semester.
Creative Kids: Exploring Multi-Media
Grades K-2
Y5105-51
10 sessions: $300
9:30-10:55 a.m.
Young artists are encouraged to explore multi-media in an inquiry-based setting. Lessons will encompass age-appropriate stories related to famous artists, technique, hands-on learning, critical thinking skills, and exploration of art culture. One-on-one assistance will be provided to nurture ability and ideas.

Discovering the Artist Within
Grades 3-5
Y5110-51
10 sessions: $300
11:05 a.m.-12:30 p.m.
This class is open to beginner and intermediate artists. Exciting lessons are aligned with NYS and Common Core Visual Art Standards to enhance the depth of personal growth within your child. An inquiry-based and holistic approach to art will guide the young artist in their journey to find self-identity and balance in nature. Children will be introduced to art critique and gallery discussions.

Discovering the Elements of Art
Grades 6-8
Y5350-51
10 sessions: $300
9:30-10:55 a.m.
Line, shape, form, color, texture, value, and space … these are all the defining elements of any artwork. Students explore different artists and mediums and find their own personal style. Projects include working in acrylic and watercolor as well as clay and printmaking. Students experiment with charcoal, pastels, structure and work on the very important concept of composition.

Building a Portfolio
Grades 9-12
Y5355-51
10 sessions: $300
11:05 a.m.-12:30 p.m.
Need help creating a portfolio for college interviews? Then this is the class for you! Students work on challenging projects that enhance their skills in charcoal, pastel, painting, printmaking and clay, and complete various finished works that are excellent additions to any portfolio.
Creations in Clay  
Grade 3-Adult  
*Parents can register too!*
Y5600-51  
10 sessions: $330  
9-10:55 a.m.

Join in the fun of creating art with clay. Beginner students create ceramic art through both hand-building and the potter’s wheel. We explore techniques such as pinch pots, coils, slab work and the potter’s wheel. Attention is given to achieving and developing individual goals and skills in a relaxed and friendly atmosphere. Classes also touch upon some history and science involved in the process of creating a finished glazed pottery piece. Projects may include textured tiles, stamps, frames, cups, vases and small sculptures. All students complete several usable glazed projects to take home. Course fee includes clay, glazes and firing. The course culminates in an exciting art critique/exhibit and celebration.

Advanced Creations in Clay  
Grade 4-Adult  
*Parents can register too!*
Y5605-51  
10 sessions: $330  
11:05 a.m.-1 p.m.

This class is for students with previous experience working with clay. Students may choose to focus on a particular area of interest, including sculptures, cylinders, bowls, cups, jewelry, tiles, plates and throwing on the wheel. Some discussions on ceramic history, artists and techniques foster a greater appreciation of ceramics and help students approach their art with more focus and creativity. Emphasis is still on having fun, making friendships and having some relaxed time to make art. All students take home several finished glazed pieces. Course fee includes clay, glazes and firing. The course culminates in an exciting art critique/exhibit and celebration.

Beginning Piano • Grades 3-7  
Y7110-51 • 10 sessions: $285 • 9:30-10:55 a.m.

This course is for both beginners and those who have given up on conventional lessons. Students are introduced to music fundamentals and piano study, so previous training is not necessary. Instruction is provided by an experienced piano teacher, with an emphasis on becoming comfortable with the electronic keyboard. Therefore, students must have the use of a piano or electronic keyboard at home.

Guitar for Beginners • Grades 3 and up  
Y7130-51 • 10 sessions: $285 • 11:05 a.m.-12:30 p.m.

This course introduces students to the fundamentals of guitar playing. Musical principles such as melody (single notes), harmony (chords) and rhythm (timing) are covered. The instructor, an experienced teacher and performer, presents the guitar in a variety of “stylistic settings” (i.e., rock, jazz, blues, classical). No previous experience needed! Whether you are seeking to acquire an initial ability or further existing ones, come join us for an enjoyable musical experience. *Students must provide their own guitar.*
Voice Training: Show Stoppers
Act 1
Grades 2-5
Y7310-51
10 sessions: $285
9:30-10:55 a.m.
Do you have dreams of performing on Broadway? Students get a taste of musical theater through individual and ensemble preparations. Audition preparation, musical staging, voice training and movement are discussed, but the emphasis is on teaching the novice as well as the more inherently gifted student the process of creating a musical number for the stage and presenting it to an audience. Vocal warm-ups and exercises help to strengthen the voice and prepare students for singing and projecting onstage. The experience of working with others, acting as a team, and striving for a common goal is displayed as all participants have the opportunity to perform a solo song as well as a group number in the final production, which is open to family, friends and guests.

Voice Training: Show Stoppers
Act 2
Grades 2-5
Y7315-51
10 sessions: $285
11:05 a.m.-12:30 p.m.
This class is the second class in the Show Stoppers series. The emphasis continues to be presenting musical performances to an audience, but this class is more focused on specific one-on-one training and interaction with musical director Bruce Katz. We’re taking it to another level, and if your child has higher aspirations as a performer, then this is the class for them. As with Show Stoppers Act I, there is a musical revue as a finale to the class, which is open to family, friends and guests.

A Star Is Born
Grades 2-5
Y7360-51
10 sessions: $285
9:30-10:55 a.m.
“All the world’s a stage,” and magic happens on ours, as students explore the excitement of performance. Students’ imaginations will soar as they cast off inhibitions while progressing from simple theater games and improvisations to a polished presentation on an intimate campus stage. Set free your inner star and shine for all to see. (No prior acting experience is necessary.)

Live On Stage
Grades 6-12
Y7450-51
10 sessions: $300
11:05 a.m.-1 p.m.
“What dreams may come!” Feel what it’s like to be part of an acting ensemble. Learn what is involved in putting on a theatrical performance, both in front of an audience and behind the scenes. Experience the actor’s craft through acting exercises, monologues, and short scenes. Coached by professional performers, students are encouraged to enjoy the teamwork of bringing together acting, simple sets, props, lighting, and sound effects to produce a show to remember!
**Introduction to Cartooning:**
Grades 2-5
Y6100-51
10 sessions: $300
9:30-10:55 a.m.

Y6100-52
10 sessions: $300
11:05 a.m.-12:30 p.m.

Students learn the basics of cartooning, including character structure, penciling, inking, coloring and storytelling, through a series of fun and creative projects such as creating their own character key chains, cards and buttons, and making their own comic strips.

**Advanced Cartooning:**
Grades 7-12
Y6300-51
10 sessions: $300
9:30-10:55 a.m.

The cartooning program culminates with this course. Here, serious cartooning students learn what it takes to become professional cartoonists. Students learn penciling, inking and coloring to create comic strips, comic books, animation cells and giant cartoon posters.

**Cartooning: Intermediate:**
Grades 5-12
Y6200-51
10 sessions: $300
9:30-10:55 a.m.

Y6200-52
10 sessions: $300
11:05 a.m.-12:30 p.m.

If you have a passion for cartooning, this class is for you! With step-by-step instructions, participants learn to draw some of today’s most popular characters while they are introduced to perspective and the proper way to ink and color their work. Students create their own original comic strips, comic books, storyboards and more with the support and guidance of the instructor. Limited enrollment; register early!

**Cartoon Sculpture:**
Grades 6-12
Y6500-51
10 sessions: $300
11:05 a.m.-12:30 p.m.

Students expand their artistic skills by modeling characters from polymer clay on a wire armature. Students also have the opportunity to create action figures, which is quite the rage in the toy industry. Emphasis is on originality and creativity, resulting in finished 3-D sculptures. These cartoon sculptures are excellent additions to the professional portfolio of a cartoonist, animator or fine artist.
Starburst Video Game Development — Level 1
Grades K-4
Y4040-51
10 sessions: $380
9:30-10:55 a.m.
Prerequisite: None
In this specially designed course, young students will learn how to create their own video games, all in a fun and encouraging atmosphere! Each day, students will be introduced to a brand-new feature that they will learn to add to their games, and will apply basic math and science concepts to bring their games to life! Students will also have tons of fun designing their own characters, levels, sounds and backgrounds, using their own unique artwork and creativity. By the end of the course, each student will have created a fully working game, and will receive their game to take home for friends and family to play!

Introduction to Video Game Development
Grades 5-7
Y4010-51
10 sessions: $380
9:30-10:55 a.m.
Grades 8-12
Y4015-51
10 sessions: $380
11:05 a.m.-12:30 p.m.
Prerequisite: None
Design your very own video games! In this introductory level course, students will learn the fundamentals of video game development as they design and program a fully functional action/adventure game from beginning to end, complete with custom characters, levels, backgrounds, and much more! While developing their games, students also use and strengthen their math, logic, communication, concentration and critical thinking skills, as well as gain a great deal of self-confidence. By the end of the course, each student will gain a working knowledge of the technical and artistic concepts necessary in designing video games, and will receive their own finished game to bring home for friends and family to play!

Video Game Programming
Grades 5-12
Y4020-51
10 sessions: $380
9:30-10:55 a.m.
Prerequisite: Introduction to Video Game Development
Learn to code your games like the pros! In this advanced course, students will see their game programming skills skyrocket as they learn to program their games using code. Students will learn the same concepts and techniques that professional game programmers in the industry use every day. The type of game students will be making is an advanced arcade puzzle game, which will contain many of the same features found in professional games. Students also learn how to improve the graphics of their games with enhanced animation control and special effects. This specialty course is a great introduction to the world of computer science and professional game development!

WHAT’S NEXT? Students who have taken this introductory course have the ability to move on to the Video Game Design Studio or Video Game Programming!
**Robotics Level 1**  
**Grades 2-5**  
Y4049-51  
10 sessions: $380  
11:05 a.m.-12:30 p.m.

**Grades 6-12**  
Y4050-51  
10 sessions: $380  
9:30-10:55 a.m.

Build and program working robots! In this introductory course, our student engineers learn the fundamentals of robot engineering as they program their robots to move, spin, throw, think, and compete. Students work together in small teams of two to four, which requires and strengthens sharing and cooperation among teammates. Through the use of the sound, light, touch, and ultrasonic sensors, students program their robots to see, hear, and perceive their surroundings like humans. Then, students put their newly acquired skills to work in exciting class challenges, including obstacle courses, races, and much more. Along the way, students learn to use the actions and reactions of the robots to strategically solve various puzzles, and most important, have tons of fun doing it!

**Art and Sound for Video Games**  
**Grades 5-12**  
Y4090-51  
10 sessions: $380  
11:05 a.m.-12:30 p.m.

Ever find yourself doodling your favorite video game characters like Mario, Pikachu, and Kirby? Ever wonder how your favorite video game music and sound effects are created? If you’re interested in learning more about how the art and sound from your favorite games are made, or about drawing and music in general, this is the place for you! This exciting new course teaches students the skills and techniques to create all forms of art and sound designed for video games, from minimalistic pixel art with
8-bit sounds, all the way to modern high definition graphics and soundtracks. Working with high-tech drawing tablets and software, each student will create a multitude of animated characters, worlds, and special effects. Then, students will create their own sound effects and original soundtracks with professional music creation software. Finally, each student will see their work come to life when implemented into multiple finished video game projects. Students of all experience levels are encouraged to learn and have fun together in this exciting course!

Minecraft Builders Club
Grades 2-5
Y4070-51
10 sessions: $380
11:05 a.m.-12:30 p.m.

Grades 6-12
Y4075-51
10 sessions: $380
9:30-10:55 a.m.

It’s Minecraft Mania at Hofstra University! In this fun, creative course, students use the ever popular Minecraft video game to build their own worlds, solve puzzles, and create together. Students work both individually and together in large teams to take on each day’s exciting new challenges and events, such as various building and crafting challenges, team games and competitions, and much more! Students will also start to see great connections between their Minecraft worlds and the real world around them as they take part and collaborate in fun class projects and discussions. While building and playing, students will gain a great appreciation for math and science, and will see their creativity and social skills soar! Both newcomers and experienced Minecraft players are invited to have fun and learn together.

3D Computer Modeling and Animation
Grades 5-12
Y4030-51
10 sessions: $380
9:30-10:55 a.m.

Prerequisite: None
This specialty course will have students diving head first into the exciting world of 3D modeling and animation! Students will have an incredibly fun time creating their own 3D art, including 3D characters, environments, and animations, with no prior drawing or art experience required. Whether you’ve seen it in video games, at the movies, or on TV, 3D animation is everywhere, and students will be breaking into the industry using state-of-the-art software, MAXON’s Cinema 4D – the same software used by professionals to create many of the animated films you see in the movies! By the end of the course, each student will have created multiple 3D models and animations, complete with textures, lighting, and other effects, and will receive all of their work to bring home for friends and family to see. Also, on completion of the course, each student gets the opportunity to take home an exclusive student copy of the powerful Cinema 4D software for free!

Limited enrollment per session.
**Y4011-51**  
**GBA: Introduction to Video Game Design and Development**  
Grades 5-12  
Time: 4:15-5:45 p.m. 10 sessions: $380  
Tuesday March 1-May 10 (No class April 26)  
Students use and strengthen math, logic, communication, concentration, critical thinking, problem solving and creative thinking skills, all in the context of learning how to design and program video games! This course offers students an exciting introduction to the technical and artistic concepts and techniques of designing and programming video games. Students gain a working knowledge of the skills and tools necessary to design and develop video games using Game Maker software and graphics programs. They are also introduced to the fundamentals of animation for use in their games. By the end of the session, each student creates a fully working video game to take home for friends and family to play!

**Y4041-51**  
**GBA: Starburst Video Game Development – Level 1**  
Grades K-4  
Time: 4:15-5:45 p.m. 10 sessions: $380  
Tuesday March 1-May 10 (No class April 26)  
In this specially designed course, young students learn how to create their own video games in a fun and encouraging atmosphere! Each class introduces students to a brand-new feature that they learn to add to their games, while applying basic math and science concepts to bring their games to life. Students also have fun designing characters, levels, sounds and backgrounds, and using their own artwork and creativity. By the end of the session, each student creates a fully working game to take home for friends and family to play!

To register or for more information, please call 516-463-7400.
STEM: Mobile App Development

Grades 6-8
Y0119-51
10 sessions: $450
9-10:55 a.m.

Grades 9-12
Y0120-51
10 sessions: $450
11:05 a.m.-1 p.m.

This course will immerse students into the world of mobile application development. Android usage continues to grow by leaps and bounds, both across smartphones and other devices. By the end of this course, students will understand the tools, philosophies, and configurations that are at the base of all Android development. They’ll understand the challenges that accompany software development for the mobile environment. By applying practical solutions and programming logic your student will build a terrific mobile application experience for their Android users.

The skills students will learn in this course will help them build amazing apps for smartphones and tablets and boost them toward exhilarating new opportunities in the future!

Prerequisites Required:
Object Oriented Programming course

Suggested:
Raspberry Pi DIY Projects course

Students are encouraged to bring a pen/pencil as well as notebook to class.

STEM: Database — Exploring a Data-Filled World

Grades 6-8
Y0130-51
10 sessions: $475
11:05 a.m.-1 p.m.

Grades 9-12
Y0131-51
10 sessions: $475
9-10:55 a.m.

This course is designed for students to learn how to work with data and introduces databases at a beginner level. Databases are a core piece of technology that are used in nearly every form of technology we use today. Students will learn how to manipulate data, gain a great understanding of the basics, and learn how this technology can be used hand-in-hand with websites and mobile applications.

Prerequisites Required: Computer programming experience in Python, Java or Linux.

Students are encouraged to bring a pen/pencil as well as notebook to class.

The Raspberry Pi is provided and students are responsible for bringing it to class each week. Please refer to our website for information regarding replacement fees and additional policies.
Algebra 1
Y2551-51
10 sessions: $350 • 9:30-10:55 a.m.
Y2551-52
10 sessions: $350 • 11:05 a.m.-12:30 p.m.
Students focus on all topics covered on the Integrated Algebra Regents examination.

Geometry
Y2560-51
10 sessions: $350 • 9:30-10:55 a.m.
Y2560-52
10 sessions: $350 • 11:05 a.m.-12:30 p.m.
Students focus on all topics covered on the Geometry Regents examination.

Algebra 2/Trigonometry
Y2570-51
10 sessions: $350 • 11:05 a.m.-12:30 p.m.
Students focus on all topics covered on the Algebra 2/Trigonometry Regents examination.

Earth Science
(The Physical Setting)
Y3410-51
10 sessions: $350 • 9:30-10:55 a.m.
Y3410-52
10 sessions: $350 • 11:05 a.m.-12:30 p.m.
In this course, students review major topics of the study of earth processes as they relate to astronomy, oceanography, meteorology and geology. Preparation includes reviewing actual questions from past exams. Students who have taken this course show better than average results on this exam. Recommended for students who are taking the upcoming Earth Science Regents examination.

Living Environment: Biology
Y3411-51
10 sessions: $350 • 9:30-10:55 a.m.
Y3411-52
10 sessions: $350 • 11:05 a.m.-12:30 p.m.
This course focuses on the study of the life sciences as they relate to zoology, botany, cell physiology and biochemistry. Time is given to analyze each student’s related strengths and weaknesses. The instructor also advises students on test-taking strategies. Recommended for all students taking the upcoming Biology Regents examination.

Chemistry
Y3412-51
10 sessions: $350 • 9:30-10:55 a.m.
This course focuses on the study of matter and energy as they relate to atomic structure, bonding, electrochemistry and nuclear processes. In a small-group setting, students gain a stronger grasp of the key topics in the curriculum and are better prepared to take the upcoming Chemistry Regents examination.

Global History
Y1700-51
10 sessions: $350 • 9:30-10:55 a.m.
This intensive course focuses on reviewing past Regents exams and practicing questions from all sections. Designed for students taking the upcoming Global History Regents exam.

U.S. History
Y1701-51
10 sessions: $350 • 11:05 a.m.-12:30 p.m.
This intensive course focuses on reviewing past Regents exams and practicing questions from all sections. Designed for students taking the upcoming U.S. History Regents exam.

SAT Prep at Hofstra
The course is a basic skills review of math, reading, writing, grammar, and problem-solving concepts and strategies, and includes the use of practice SAT exams.
For more information, call 516-463-7400.
**Tennis**  
Grades 2-12  
Y8500-51  
6 sessions: $230 • 9-10:55 a.m.  
Y8500-52  
6 sessions: $230 • 11:05 a.m.-1 p.m.  
May 7-June 18  
(No class May 28.)  
Rain date: June 25, if necessary  
Small group and individual instruction on our outside courts for beginner to intermediate students. Students must provide their own racquets.  
*Limited enrollment; register early!*

**Hofstra Tennis Club**  
Grades 6-12  
Y8510-51  
6 sessions: $380  
9 a.m.-1 p.m.  
May 7-June 18  
(No class May 28.)  
Rain date: June 25, if necessary  
Small group and individual instruction on our outside courts for intermediate to advanced students. The final 90 minutes of each week is devoted to match play. Students must provide their own racquets.  
*Limited enrollment; register early!*

**En Garde! Beginner**  
Grades 6-12  
Y8110-51  
10 sessions: $290 • 4:15-5:05 p.m.  
Day: Tuesday  
March 1-May 10  
(No class April 26.)  
Have you always wanted to try your skill at dueling, but didn’t know where to begin? Well, en garde! This course introduces you to the art of swordplay in a safe, progressive manner. Taught by a University fencing instructor and coach, students learn how to advance, retreat and lunge, along with various attacks and parries. Develop stamina, quick reactions, speed, accuracy and excellent coordination through participation in the sport. Protective clothing and safe, blunted weapons are provided. Bring only your courage to class!

**En Garde! Advanced**  
Grades 6-12  
Y8120-51  
10 sessions: $290 • 5:15-6:05 p.m.  
Day: Tuesday  
March 1-May 10  
(No class April 26.)  
En garde! Beginner or equivalent experience is the prerequisite for this class. Students continue to develop stamina and hone their skills in parries, attacks, lunges and advances. Opportunities for competitions among students are provided throughout the semester. The instructor helps to develop the individual skills of each student.
**BEGINNER SWIM**

Y8410-51  
10 sessions: $300  
8:25-9:15 a.m.

Y8410-52  
10 sessions: $300  
9:25-10:15 a.m.

Y8410-53  
10 sessions: $300  
10:25-11:15 a.m.

This class is for children who are new to swimming. In groups of 2 or 3, swimmers learn water initiation as well as how to feel comfortable in the water. They are introduced to elementary aquatic skills, including floating and locomotion. As students progress, they are taught the fundamentals of the beginner stroke. Minimum 4 years of age; birth certificate required.

**INTERMEDIATE SWIM**

Y8430-51  
10 sessions: $300  
8:25-9:15 a.m.

Y8430-52  
10 sessions: $300  
9:25-10:15 a.m.

Y8430-53  
10 sessions: $300  
10:25-11:15 a.m.

This class is for children who can swim 25 yards/meters (one lap) of each of the following: crawl, back crawl and elementary backstroke. In groups of 7 to 12, swimmers are taught the breaststroke, the racing dive and competitive turns for each stroke and how to refine their other strokes. Swimmers work on their endurance and build on the skills they were taught in "Advanced Beginner Swim."

**ADVANCED BEGINNER SWIM**

Y8420-51  
10 sessions: $300  
8:25-9:15 a.m.

Y8420-52  
10 sessions: $300  
9:25-10:15 a.m.

Y8420-53  
10 sessions: $300  
10:25-11:15 a.m.

This class is for children who can swim 5 yards on their stomach and 5 yards on their back without assistance. In groups of 4 to 7, swimmers are taught correct breathing as well as proper stroke and kick techniques. Swimmers are taught the front crawl, back crawl and the elementary backstroke. They begin to work on their endurance and build on the skills that were taught in "Beginner Swim."

**HOFSTRA JUNIOR SWIM CLUB**

Y8440-51  
10 sessions: $375  
9:25-11:15 a.m.

This course provides swim practice and instruction for all young swimmers who aspire to be competitive swimmers. An experienced swim coach paces the youngsters as though they are on a swim team. Each session includes practice and instruction in all strokes coupled with lap swimming. **Prerequisite:** Students should be able to maintain basic strokes for at least two laps or 50 yards. Limited enrollment; register early!

**PRE-LIFEGUARD TRAINING SKILLS PROGRAM • AGES 13+**

Y8450-51  
10 sessions: $300  
8:25-9:15 a.m.

Learn what it takes to become a lifeguard on Long Island – a great summer job for qualified teens! This course is for those students interested in eventually becoming lifeguards or who just want to train without competing. Strengthen your endurance through lap swimming and interval training while you learn necessary lifeguarding skills.
Hofstra Gifted Academy (HGA)

Grades K-8

Hofstra Gifted Academy (HGA) is designed to enrich the lives of advanced students by expanding the scope of experiences provided by their school, as well as to stimulate new creative interests. Students take part in three courses every Saturday morning in their choice of mathematics, science, humanities and language arts while being educationally challenged by their instructors in this 10-week program. Each semester brings new courses to the Gifted Academy, so register now and be prepared for years of intellectual stimulation.

Students who wish to participate in the Hofstra Gifted Academy must submit an application and $50 nonrefundable application fee. The application can be found online at ce.hofstra.edu/forms. Once accepted to the Hofstra Gifted Academy, students can register for HGA courses in the current semester or any future semester.

Hofstra REACH Program

Ages 13-18

The Hofstra Reach Program is an exciting opportunity for students with autism spectrum disorder. Students are encouraged to reach five predetermined goals throughout the semester while working on social and communicative skills. Students take part in an interactive workshop and an inclusion course all while working with a personal instructor on social skill development. Students should bring snacks for break times throughout the day. To register or for more information, please call 516-463-7400.

REACH your goals! REACH beyond your limits! REACH out!
Spend Your Summer Wisely

Register for our exciting precollegiate courses!

Hofstra Continuing Education and Hofstra Summer Camps offer an impressive selection of one- and two-week courses for students entering grades 7-12. Held on the beautiful Hofstra campus or at Nassau BOCES’ state-of-the-art Barry Tech facility, our courses will intrigue, inform, enrich and challenge you.

We offer dozens of courses in these areas:
• Aviation Academy
• Business and Law
• Culinary Arts
• Health Professions
• Photography, Graphic Design and Video Production
• Sports Journalism
• STEM/STEAM
• Test Prep
• Veterinary Skills
• Writing

To register and for a full list of courses, visit ce.hofstra.edu/precollege, call 516-463-7676 or email ce-precollegiate@hofstra.edu.
Make the most of your Spring Break with Hofstra University Continuing Education!

Two one-week* sessions offered:

- Monday-Friday, March 28-April 1, 2016
- Monday-Friday, April 25-29, 2016

Gain knowledge and skills, make new friends from throughout Long Island, and get a taste of college life!

*Writing Enrichment and American Sign Language courses run Tuesday-Thursday.

COURSE OFFERINGS FOR MARCH SESSION:

Monday-Friday, March 28-April 1, 9 a.m.-4 p.m.
- Sportscasting 101 for Teens (Grades 6-12)
- STEM: Raspberry Pi DIY (Grades 6-10)
- Remotely Operated Vehicles (ROV)/Underwater Archaeology Program (Grades 5-10)

Tuesday-Thursday, March 29-31, 9 a.m.-4 p.m.
- Writing Enrichment Workshop (Grades 9-12)

COURSE OFFERINGS FOR APRIL SESSION:

Monday-Friday, April 25-29, 9 a.m.-4 p.m.
- Sportscasting 101 for Teens (Grades 6-12)
- Commercial Voice Acting Workshop for Teens (Grades 7-12)
- STEM: Raspberry Pi DIY (Grades 6-10)
- Video Game Design Fusion Studio (Grades 4-12)
- Minecraft Adventure Week (Grades 4-12)
- STEAM Outdoors! (Grades 6-11)

Tuesday-Thursday, April 26-28, 9 a.m.-noon
- Introduction to American Sign Language for Teens (Grades 8-12)

To register or for more information, visit ce.hofstra.edu/springbreak or call 516-463-7676.
SATURDAY CLASSES FOR YOUNG PEOPLE  (10-week program)

- Saturday, February 27: Classes begin
- Saturday, March 26: No classes for any students
- Saturday, April 9: ONLY SWIM CLASSES – No other classes will take place
- Saturday, April 30: No classes for any students
- Saturday, May 14: Swim classes end
- Saturday, May 21: General classes end

Registration Options

You may register online, via telephone, fax or mail, or in person. To register by fax or mail, you may use the registration form included in this publication or download the registration form from our website at ce.hofstra.edu/forms.

Online: New and returning Continuing Education students may register online at ce.hofstra.edu for any course, except those that are part of the Paralegal Studies Certificate Program. In order to register online, you must have a student account ID and password. If you are a returning student, you should already have this information. If not, please call our office at 516-463-7200 or send an email to ce@hofstra.edu and we will be happy to send it to you. Payment must be made by major credit card (MasterCard, Visa or American Express) or electronic check. If you have any problems registering online or creating a student account, please call our office at 516-463-7200 or send an email to ce@hofstra.edu.

By Fax: The registration form can be faxed to 516-463-4836 anytime. Payment must be made by major credit card (MasterCard, Visa or American Express).

By Phone: Telephone registrations are accepted at 516-463-7200, Monday-Friday, 8 a.m. to 8 p.m., and Saturday, 8 a.m. to 2 p.m. Payment must be made by major credit card (MasterCard, Visa or American Express).

By Mail: Mail a completed registration form at least one week before the first day of classes to:
Hofstra University Continuing Education
Registration Office
250 Hofstra University
Hempstead, NY 11549-2500

Payment must accompany registration form and can be made by personal check or major credit card (MasterCard, Visa or American Express).

In Person: Visit our office, located in University College Hall on the North Campus of Hofstra University. Offices are open Monday-Friday, 8 a.m. to 8 p.m., and Saturday, 8 a.m. to 2 p.m. Payment may be made by personal check or major credit card (MasterCard, Visa or American Express).

Tuition and Fees

- Tuition, as listed with each course description.
- Application fee (Hofstra Gifted Academy): $50

Other Fees and Charges, Returned Check: $35

Payment Methods. Tuition and fees are to be paid in full at the time of registration. Acceptable forms of payment are personal check and major credit card (MasterCard, Visa or American Express). Cash, second- or third-party checks, money orders, bank checks and credit card checks are not accepted. Checks must be made payable to Hofstra University, in U.S. dollars and drawn on a U.S. bank. When paying by check, you authorize check payments to be processed as Automated Clearing House (“ACH”) transactions, which immediately debit the account. The process will read the information from a paper check and convert it to an electronic payment or debit transaction. The result is that funds may be withdrawn from your account as soon as we receive your payment, and you will not receive your check back from your financial institution. For online registration, credit card payments or electronic checks are accepted.

*Note: Money orders and bank-certified check payments cannot be used for online registration.

Discounts

Early Registration Discount
$25 early registration discount available per course if you register at least one week prior to the start of the class. Discount will be received at checkout. For further information, please call Jessica Dease, associate director of youth programs, at 516-463-7400.
Registration Procedures
You may register online; via telephone, fax at 516-463-4836 or mail; or in person. Tuition and fees are to be paid in full at the time of registration.

Add/Drop. Students registered for Continuing Education courses may request to add one course and drop another, by sending an Add/Drop/Withdrawal request in writing to the Continuing Education Registrar’s Office via fax at 516-463-4836, postal mail or in person. Certificate students must obtain their advisor’s approval prior to making schedule changes.

Withdrawing From a Saturday Classes Course for a Refund. You may drop a Saturday Classes course by completing and sending the Add/Drop/Withdrawal form to the Continuing Education Registrar’s Office via fax at 516-463-4836, postal mail or in person.
- A $50 nonrefundable withdrawal fee is applicable per class.
- No refunds will be issued after a program begins.
- Add/Drop/Withdrawal requests must be made in writing.
- Tuition is refunded in the form in which it was paid.
- Fees are nonrefundable. The materials fees are refundable only if the student drops the class prior to the first class and has not received the materials.
- Refund processing takes approximately four (4) weeks.
- Failure to attend class or notification to the instructor does not constitute official withdrawal.

Refunds for Canceled Courses. Hofstra University Continuing Education reserves the right to cancel courses or adjust curriculum. Typical reasons for course cancellation include insufficient enrollment, withdrawal of the instructor, or inability to schedule appropriate instructional space. If you are registered for a course that is canceled, Continuing Education will notify you by telephone or mail. Refunds will be issued only to the original form of payment; you will be asked if you wish to register for a different course or if you wish a full refund of tuition and fees.

Administrative Policies
Changing Your Name or Contact Information. If your name, address, phone number, or email address changes at any time, please contact the Continuing Education Registrar’s Office as soon as possible to request a CE Student Profile Change form, or download the form at ce.hofstra.edu/forms. Some change of information requests require verification. Please be prepared to provide a valid government-issued photo identification card or legal documentation. Please note that it is important for us to have your current contact information so that you will receive all important letters and notices from Hofstra University Continuing Education.

Admission to Class. All persons wishing to attend any course or event offered by Hofstra University Continuing Education must be properly registered. Be prepared to show a current-term Schedule Confirmation to the instructor for admission to any class. If you have not received your Schedule Confirmation or have forgotten or lost it, you may be admitted to class if your name appears on the course roster.

Schedule Confirmation. A Schedule Confirmation will be sent to the email address and mailing address on record. Please retain the Schedule Confirmation for your records.

General Information
Hofstra University Bookstore. Located in the Mack Student Center, North Campus, the Bookstore stocks all required course materials as well as Hofstra apparel, gifts, sundries, office supplies, magazines, candy/snacks and greeting cards. Textbooks can be ordered online at hofstra.bncollege.com. The Post Office, located outside the Bookstore on the lower level, sells stamps, issues money orders and offers typical mail-related services. Hours for the Bookstore and Post Office vary. Please visit hofstra.bncollege.com or call 516-463-6654 for more information.

Classroom Locations. The location of your classroom will be listed on the schedule and email confirmations sent prior to the start of classes. Classroom locations for Continuing Education classes can also be viewed at ce.hofstra.edu/classrooms. Classroom locations are subject to change; please refer to this website for the most up-to-date classroom assignments.

Discipline. Hofstra University reserves the right to refuse enrollment in or admittance to any Continuing Education course to any student who engages in conduct deemed by Hofstra, in its sole discretion, as interfering with the learning experience or safety of any person in the Hofstra community. Laws prohibiting harassment on the basis of race, gender, color, religion, age, national origin, ethnicity, disability, veteran or military status, sexual orientation, gender identity or expression, marital status, citizenship status, or any other legally protected status are observed and enforced. Students are expected to familiarize themselves and comply with academic regulations and established practices of the University and Continuing Education. If, pursuant to such regulations or practices, the withdrawal of a student is required before the end of the term for which tuition has been paid, a refund will be made according to the standard schedule for refunds.

Policy on Student Conduct

Introduction. Students enrolled in noncredit courses at Hofstra University Continuing Education can take advantage of the privileges afforded to all members of the Hofstra academic community for the duration of their enrollment. This relationship gives rise to certain privileges, such as access to facilities and assistance from faculty members and staff, and imposes certain responsibilities, including complying with all applicable Hofstra rules and policies governing student conduct.

Policy Statement. Students enrolled in noncredit courses are expected to demonstrate appropriate professional and personal behavior in the classroom, on campus, at on-site visits, at internships, and in other situations applicable to their role as Hofstra students. They are expected to practice civility and respect in their interactions with others in the University community; to abide by the principles of academic integrity; to represent honestly their noncredit status at the University; and to refrain from conducting themselves in ways that compromise the reputation, academic processes, or regular operations of the University.

Behavior subject to disciplinary action includes: behavior that violates University rules of conduct; the policies of Hofstra University; any local, state, or federal laws; and conduct deemed by Hofstra to not comply with the expectations described in this policy or to interfere with the learning experience, safety, or well-being of any person in the Hofstra community, wherever any such behavior occurs. Examples of conduct that are subject to review include, but are not limited to, harassing students, faculty, and staff members; contributing to an unsafe environment; interfering with academic classes or events; disrupting University functions, programs, and activities; compromising the academic or administrative process by making excessive and unreasonable demands on faculty members or administrative staff; accessing or using Hofstra facilities or files (including electronic files) without authorization; jeopardizing the health, well-being, or safety of any member of the Hofstra community; causing damage to School or University facilities, property, or equipment; and the inappropriate use of University electronic services (e.g., running a business, spamming, and any other form of electronic/email harassment).

Disciplinary Sanctions. Students engaging in violations of this policy may be directed by Hofstra faculty or staff members to leave the classroom or other educational setting immediately. Any student determined by the head of the department to have engaged in violations of this policy shall be subject to the imposition of further sanctions, such as, but not limited to, suspension from the course for a stated period, dismissal from the course or program, prohibition from future enrollment, and notation on the student’s record. Hofstra shall have sole discretion in determining whether a violation of this policy has occurred. The student may request an appeal of the sanction, in writing, within seven (7) days of notice of the sanction. The divisional dean will review the appeal and render a decision, which shall be final and binding.

Cell Phone Usage — Youth Programs. Students are NOT permitted to utilize their cell phone during program activities. Instructors and/or counselors will request child/camper to be removed from the program and their parent/legal guardian will be notified if this policy is not adhered to. No refunds and/or credits will be issued if a student is removed from any program due to a violation of this policy.

Forms. Forms mentioned in this publication are available on the Continuing Education website at ce.hofstra.edu/forms.

Library Privileges. As a Continuing Education student, you’ll enjoy special semester-long privileges at Hofstra’s Axinn Library. You can use library materials in the library (without taking them out) for free. You can also borrow books for a $25/semester fee, which entitles you to many of the same library privileges as Hofstra’s credit students, except inter-library loan and CD-ROM usage. (Of course, if you have overdue books, library privileges are revoked until the books are returned and the fines are paid.) Call 516-463-5952 for more information.

Parking. There are no parking restrictions on campus after 5 p.m. However, before 5 p.m., Continuing Education students must observe the University’s parking lot restrictions. Parking restrictions can be found on the Hofstra University Public Safety website at hofstra.edu/StudentAffairs/PublicSafety/pubsaf_parking.html.

Student Advising. Continuing Education program directors and Student Services staff are available to assist you in deciding which program(s) or course(s) will best meet your educational, personal and professional goals. For advisement, please call 516-463-7200.

Weather Emergency. Continuing Education may cancel courses due to a weather emergency, even when Hofstra University remains open. Call the Continuing Education offices at 516-463-7200, Public Safety at 516-463-600, or Hofstra’s Weather Hotline at 516-463-SNOW for accurate information.

Questions? If you have any questions or concerns please e-mail us at ce@hofstra.edu or call us at 516-463-7200.

Disclaimer. The information contained within this publication, including schedules, faculty assignments, tuition and fees, is subject to change without notice at the sole discretion of Continuing Education. Nondiscrimination Policy: Hofstra University is committed to extending equal opportunity to all qualified individuals without regard to race, color, religion, sex, sexual orientation, gender identity or expression, age, national or ethnic origin, physical or mental disability, marital or veteran status in employment and in the conduct and operation of Hofstra University’s educational programs and activities, including admissions, scholarship and loan programs, and athletic and other school-administered programs. This statement of nondiscrimination is in compliance with Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act Amendments Act, the Age Discrimination Act and other applicable federal, state and local laws and regulations relating to nondiscrimination (“Equal Opportunity Laws”). The Equal Rights and Opportunity Officer is the University’s official responsible for coordinating its overall adherence to Equal Opportunity Laws. Questions or concerns regarding any of these laws or other aspects of Hofstra’s Equal Opportunity Statement should be directed to the Equal Rights and Opportunity Officer at EROO@hofstra.edu, 516-463-7310, C/O Office of Legal Affairs and General Counsel, 101 Hofstra University, Hempstead, NY 11549. For additional contacts and related resources, see hofstra.edu/EOE.

Campus Crime Reporting and Fire Safety Statistics: In compliance with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and other federal law, an annual campus safety report which contains detailed information on campus security and fire safety, including statistics, is available by accessing the Hofstra website at hofstra.edu/campussafetyreport or by contacting the Advisory Committee on Campus Safety. Crime statistics are also available at the U.S. Department of Education website at ope.ed.gov/security. The Advisory Committee on Campus Safety will provide upon request all campus crime and fire safety statistics as reported to the United States Department of Education. For additional information or a paper copy of the report, please call the Department of Public Safety at 516-463-6606.

Hofstra University Harassment Policy: Hofstra University’s prohibition against discrimination includes sexual harassment and sexual violence—based on race, color, religion, sex, sexual orientation, gender identity or expression, age, national or ethnic origin, physical or mental disability, marital or veteran status. Hofstra University is committed to professional and interpersonal respect ensuring that no individuals are subjected to harassment or discriminated against in any way on the basis of any of these protected characteristics. Harassment based on any of these protected characteristics is a form of discrimination prohibited by law and by Hofstra University’s Harassment Policy. The Harassment Policy, which is available online at the link referenced below, contains complaint procedures for resolving complaints of harassment in violation of Hofstra’s Harassment Policy. Harassment policy link: hofstra.edu/harassment
