YOUTH THANK YOU

Thank you all for your prayers and financial support over the past year and for making it possible for 30 youth and 8 adults to attend two wonderful conferences and a mission trip this summer. We all had a wonderful time and learned a lot about God, each other, the world, and ourselves. Please ask us about our experiences!

Join us for worship on August 18 for Youth Sunday to hear about what we learned this summer!

Leigh Burnette will lead us in worship on Sunday, August 25 as she shares about her life changing experience as an intern at Wings of Hope in Haiti this summer, as well as the importance of mission in all of our lives. We will collect a special offering on the 25th for Wings of Hope.

From Leigh Burnette: This offering will be donated to the Wings of Hope rebuilding project. Wings of Hope is the home where I have been spending my summer, and it is the place that has my heart. It is a home for people with disabilities in Haiti. As disabilities are believed to be the manifestation of evil spirits in Haiti, Wings of Hope is a saving grace for those who call it home.

The original building was destroyed in the earthquake, and we are still living in temporary rental facilities three years later. While it was a blessing that these temporary facilities were available, they are not ideal. There are fourteen people at Wings who use wheelchairs, and other people who do not use a wheelchair but who need assistance such as a walker. The house in which the residents live is not handicap accessible. It is a multilevel facility without built-in ramps. The faculty of Wings built ramps on top of the staircases but they are extremely steep and difficult to use. While some children think that this precarious ramp is a fun roller coaster, others cry and scream in fright while they are being moved. It is such a daunting and dangerous task to maneuver the residents that some of them miss out on activities that take place outside. We are grateful to have a roof over our heads, but truly our current housing is not best suited for our needs.

We are currently in the process of building a new facility in Jacmel, which is where Trinity House and Lekol Sen Trinite are located. The close proximity to two other St. Joseph’s Family facilities will open so many doors for each of the facilities.” Please give generously to this important mission at Wings of Hope so that the residents will have a safe place to live and be able to take full advantage of the opportunities available to them through the many volunteers, like Leigh, who visit throughout the year as well as the committed staff members.
TEACHERS TRAINING

All of our Sunday school teachers for 2013-2014 are encouraged to attend teacher training at 9:00 am on August 25 in the fellowship hall. Childcare will be provided. Dorothy Blackwelder will lead this training event and will offer lots of tips for teaching and nurturing those in your classes – it will be a great time for fellowship and learning.

LECTIONARY LUNCHES
MONDAYS AT NOON

Join us at noon in the fellowship hall each Monday as we read, study, and discuss the upcoming Sunday texts for the week, and reflect on the past Sunday’s worship service and readings. Bring a Bible and a bag lunch. We will begin at noon and end promptly at 1:00pm. Come when you can – late, sporadically, or often – whenever! Everyone is welcome.

SIGN UP NOW FOR STEPS 2013: IN THE NAME OF JESUS
AUGUST 24, 2013

Brochures are now available in the church office and narthex for the FANTASTIC Charleston Atlantic Presbytery’s STEPS Leadership event on August 24, 2013, at Mt. Pleasant Presbyterian. This is a great opportunity to gather with people from all across our presbytery to equip ourselves to do ministry!

The acronym stands for Studying, Teaching, Equipping, Praying, and Serving and is the annual leadership development event sponsored by Charleston Atlantic Presbytery for all members of the 48 churches that make up our presbytery. Participants have an opportunity to participate in three workshop sessions, worship together, fellowship over lunch, stop by displays of various organizations and institutions to learn how they minister and help create A Future with Hope, and shop at the Congregational Ministries Publishing bookstore.

COLONIAL BAZAAR
All staff begins at 7 am to put up tables under canopies and carry items out of upstairs door of fellowship hall.

BAZAAR hours are 9 to 2. At 2:00, we do everything in reverse.

BOOKS - We are collecting used books to sell. They are sold for around $2 so don't donate anything that would be pricey. They may be paperback or hardback, fiction or non-fiction, cookbooks, self-help books, children's books. These may be put on the fabric bench/bins in the fellowship hall.

PLANTS - Plants are the only items that don't need to be turned in by Saturday, August 10th for inventory and pricing. We will settle on two prices, one for starts in a disposable container and a little more for starts in the cut bottle that is inverted. Either bring plants on Friday night at set-up or Saturday morning. I don't have planned out exact booth location yet, but plants will go in OUTDOOR/ RECYCLE/ PLANT booth and most likely go on a plastic shelf unit as opposed to a table.

SURGICAL CAPS - Presbyterian Women have an on-going project of providing MUSC with children's surgical caps. We try to meet their needs of 200 each month, but we have fewer than a half dozen people working on them. If you can help, please pick up kits in the church narthex.

SPECIAL THANKS

On behalf of the family of Vivian Scarberry, I would like to thank my church family for healing prayers, hugs, food, your presence and things we didn’t even know we needed. Bless you for the comfort you have given and I know will continue to offer as we mourn the loss of someone so special to us.

Sincerely, Kathy Worthington

A BIG THANK YOU TO OUR CHURCH FAMILY

It has been such a special opportunity to talk with everyone in our congregation who volunteered to help transport Betty Kneece during her weeks of treatment at Roper Hospital. Many heartfelt thanks to all 35 folks (some couples) who responded so compassionately to her need.
