INTRODUCTORY STATEMENT

The director of the Department of Labor and Industries appointed the Washington State Apprenticeship and Training Council (WSATC) as the regulatory body responsible for developing, administering, and enforcing apprenticeship program standards (Standards) for the operation and success of apprenticeship and training programs in the State of Washington. Apprenticeship program sponsors function, administer, or relinquish authority only with the consent of the WSATC. Furthermore, only apprentices registered with the supervisor or recognized under the terms and conditions of a reciprocal agreement will be recognized by the WSATC. Parties signatory to these standards of apprenticeship declare their purpose and policy is to establish and sponsor an organized system of registered apprenticeship training and education.

These Standards are in conformity and are to be used in conjunction with the Apprenticeship Rules, chapter 296-05 WAC (Washington Administrative Code); Apprenticeship Act, chapter 49.04 RCW (Revised Code of Washington); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which govern employment and training in apprenticeable occupations. They are part of this apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship. Additional information may need to be maintained by the program sponsor that is supplemental to these apprenticeship standards. This information is for purposes of ensuring compliance with decisions of the WSATC and the apprenticeship laws identified above.

If approved by the council, such amendment/s and such changes as adopted by the council shall be binding to all parties. Program sponsors shall notify apprentices and employer training agents (if applicable) of changes when they are adopted by the council. If and when any part of these Standards becomes illegal, as pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Department of Labor and Industries (Department) may adopt language that will conform to applicable law. The remainder of the Standards will remain in full force and effect.

Sections of these standards identified as bold “insert text” fields are specific to the individual program standards and may be modified by a sponsor submitting a revised standard for approval by the WSATC. All other sections of the standards are boilerplate and may only be modified by the WSATC.

See WAC 296-05-003 for the definitions necessary for use with these Standards.

Sponsor Introductory Statement (Optional)

The following Standards for the development of cement mason apprentices, with supplements pertaining to the necessary work experience of the trade and a progressive wage scale will, when approved by and registered with the Registration Agency, govern the training of apprentices in this industry.
I. GEOGRAPHIC AREA COVERED:

The sponsor has no authority to conduct training outside of the geographical area covered by these Standards. The sponsor may enter into an agreement [portability agreements – see WAC 296-05-303(4)(g)] with other sponsors for the use of apprentices by training agents that are working outside of their approved geographic area. Also, the WSATC may recognize and approve out-of-state apprenticeship programs and standards if certain conditions are met and the out-of-state sponsoring entity requests it (see WAC 296-05-327). Apprenticeship program sponsors will ensure compliance with the provisions of any agreement recognized by the WSATC.

The areas covered by these Standards are:

Area 2: The Counties of Benton, Chelan, Douglas, Franklin, the portion of Okanogan county with a 5-mile radius of Grand Coulee dam, Walla Walla, and Yakima

Area 3: The Counties of Adams, Asotin, Ferry, Garfield, Grant, Lincoln, Okanogan, Pend Oreille, Spokane, Stevens, and Whitman in the State of Washington. Also these standards will cover Benewah, Bonner, Boundary, Clearwater, Kootenai, Latah, Lewis, Nez Pierce, Shoshone, and the northern one-half of Idaho County in the State of Idaho.

Applicants and apprentices please note that while the State of Washington has no responsibility or authority in the State of Idaho, the JATC will apply the same standards and guidelines to apprentices registered in the program while working in the Idaho counties of Benewah, Bonner, Boundary, Clearwater, Kootenai, Latah, Lewis, Nez Pierce, Shoshone, and the northern one-half of Idaho county.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner [see WAC 296-05-316(17)].

- **Age:** Minimum age is 18 years
- **Education:** Must be a high school graduate or equivalent.
- **Physical:** Must be physically capable of performing all phases of the trade.
- **Testing:** NONE
Other:
1. Valid driver's license
2. Social Security card or other proof of I-9 employment status.
3. Exceptions may be made by the JATC to the above qualifications if admission as an apprentice will benefit the applicant and the industry.

III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:

Sponsors with five (5) or more apprentices must adopt an Equal Employment Opportunity (EEO) Plan and Selection Procedures (see Part D of chapter 296-05 WAC and 29 CFR Part 30).

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, creed, national origin, age, sexual orientation, marital status, veteran or military status, the presence of a disability or any other characteristic protected by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council (chapter 296-05 WAC) and Title 29, Part 30 of the Code of Federal Regulations.

A. Selection Procedures:

1. Applications can be obtained by contacting Cement Masons and Plasterers Training Centers of Washington at (206) 762-9286, at concretetraining@msn.com or at www.opcmialocal528.org under the link for Apprenticeship Forms or by phone or in person at the following locations:

   Kennewick, WA 99336
   (509) 396-9955
Eastern Washington
OPCMIA Local 72
3921 E Main Ave
Spokane, WA 99202
(509) 326-0575

Applications should be returned by mail, email or fax to:

Cement Masons and Plasterers Training Centers of Washington
PO Box 81044
Seattle, WA 98108
Fax: (206) 762-0896
Email: concretetraining@msn.com

In order for an application to be considered complete, the applicant must submit the following documentation in addition to the application:

- Copy of Driver's License
- Documentation that demonstrates completion of high school or equivalent (e.g. high school diploma, transcript or G.E.D. certificate)
- Copy of Social Security Card or other proof of I-9 employment status

Returned applications shall be placed on a list in order of their receipt.

2. The JATC recognizes three distinct areas within the state for separate ranked eligibility lists. Indication on the application will determine which eligibility list an applicant is placed on.

Area 1: Western Washington
Area 2: Central Washington
Area 3: Eastern Washington/Northern Idaho

3. The Apprenticeship Committee shall determine the schedule for physical assessment dates based on demand for apprentices in their geographical area consistent with ensuring continuous employment. The Apprenticeship Committee will notify applicants of the date and time of their physical assessment. Notification will be mailed 30 days in advance. Those who apply after the mailing will be notified of the following scheduled physical assessment.

4. The day of the physical assessment, each applicant will be assigned their number off the applicant log. Their names will not be used during their assessment. For affirmative action purposes, additional points may be awarded. The top scorers will be used to fill the number of positions predetermined by the Apprenticeship Committee. Those not selected will be notified 30 days in advance of the next assessment and selection date.
5. The Coordinator will have the discretion to advance applicants on the eligibility list in order to meet EEO requirements.

6. Those who fail to appear for assessment will be removed from the eligibility list unless they contact the Apprenticeship Office and request to be retained on the list of applicants for the next assessment event.

7. Selected applicants shall attend an 80 hour job readiness class. The class is Pass/Fail. A passing grade is required to become an apprentice. The guidelines are attendance, tardiness and participation. A drug test will be administered and must be passed to stay in the class. During this time, applicants with previous experience will be granted credit, as determined by the Coordinator and staff.

8. Applicants who successfully complete the job readiness class will be registered with the Apprenticeship Section of Washington State Labor & Industries.

9. **EXCEPTIONS:** (Direct Entry)

Applications selected by one of the following methods must submit completed application form, meet minimum qualifications, and comply with ESL requirements of the program (see Section IX.C.). All applicants must also complete a drug screen with negative findings (condition of employment).

In all cases, the amount of credit given for previous work experience shall be determined by the Apprenticeship Committee after a careful review of the merits of each case.

a. An individual who successfully completes an OPCMIA sponsored Job Corps program, the applicant must:
   Provide reliable documentation to substantiate successful completion of OPCMIA sponsored Job Corps program.

b. Employees of participating employers who are promoted from another classification covered by the collective bargaining agreement to apprentice may receive direct entry status provided they are employed by an approved training agent to these standards.

All minimum qualifications will be waived except the following:
(1) Minimum age of 18 years
(2) Must be physically capable of performing all phases of the trade.
(3) Must provide proof such as social security card to demonstrate eligible working status in U.S.
c. Military veterans may be granted direct entry, provided they:
   Provide a copy of their DD-214, military discharge papers.

d. Previously cancelled Apprentices may request direct entry into the program at their previous level. However, those terminated for cause must appear before the Apprenticeship Committee and provide satisfactory documentation that the conditions leading to their cancellation have been corrected. An Apprentice reentering the program will be evaluated by the Apprenticeship Committee and registered at the appropriate level based upon his/her knowledge, skills, and ability.

All minimum qualifications will be waived except the following:
   (1) Minimum age of 18 years.
   (2) Must be physically capable of performing all phases of the trade.
   (3) Must provide proof such as social security card to demonstrate eligible working status in the U.S.

e. Qualified applicants referred to the Washington Cement Masons by YouthBuild may be granted direct entry into the apprenticeship program, provided they provide documentation of successful completion of the YouthBuild pre-apprenticeship program.

f. (Direct Entry) Registered Native Americans who have secured employment under a TERO project may receive direct entry into the apprenticeship, provided the employer is an Approved Training Agent to these Standards. Advanced placement credit will be given to those who complete the OPCMIA 12 week training program for Native Americans.

g. An individual who has successfully completed the Apprenticeship and Nontraditional Employment of Women (ANEW) pre-apprenticeship and trades rotation program, provided they provide reliable documentation to substantiate successful completion of ANEW's program.

h. An individual registered as an apprentice with a state apprenticeship council or US Department of Labor Office of Apprenticeship approved program in an occupation covered by the OPCMIA may receive direct entry (transfer) into the apprenticeship program. All minimum qualifications will be waived except for the following:

   (1) Minimum age of 18 years.
   (2) Must be physically capable of performing all phases of the trade.
(3) Must provide proof such as social security card to demonstrate eligible working status in the U.S.

i. Provided they have not previously been cancelled by the Washington Cement Masons Apprenticeship, an individual who is currently a member in another classification of an OPCMIA Local affiliated with the program, and who has not previously completed the apprenticeship, may be granted direct entry into the program at the apprenticeship level recommended by the Apprenticeship Committee based on previous work experience.

All minimum qualifications will be waived except the following:

(1) Minimum age of 18 years.
(2) Must be physically capable of performing all phases of the trade.
(3) Must provide proof such as social security card to demonstrate eligible working status in the U.S.

10. EXEMPTIONS

An employee of a non-signatory employer in the cement mason industry not qualifying as journey level who makes application as the result of organizing efforts, whether or not the employer becomes signatory, shall be evaluated by the Apprenticeship Committee, and registered at the appropriate period of apprenticeship based on previous work experience and related training. All minimum qualifications will be waived except for the following:

(1) Minimum age of 18 years.
(2) Must be physically capable of performing all phases of the trade.
(3) Must provide proof such as social security card to demonstrate eligible working status in the U.S.

B. Equal Employment Opportunity Plan:

1. Participation in workshops, if available designed to familiarize all employment service agencies, school districts, and community based organizations with the apprenticeship system and current apprenticeship opportunities.

2. Disseminate information about the nature of apprenticeship programs, program admission requirements, current apprenticeship opportunities, sources of apprenticeship applications, and the equal opportunity policy of the sponsor.
3. Increase awareness of sponsor's equal opportunity policy within the sponsor's organization.

4. Use minority and women (minority and non-minority) journey level workers and apprentices to promote the affirmative action program.

5. Grant credit for previous trade experience or trade-related courses for all applicants equally.

Discrimination Complaints.
Any apprentice or applicant for apprenticeship who believes they have been discriminated against may file a complaint (WAC 296-05-443).

IV. TERM OF APPRENTICESHIP:

The minimum term of apprenticeship must not be less than 2000 hours of reasonably continuous employment in each occupation identified in these Standards. The term of apprenticeship must be stated in hours of employment [WAC 296-05-316(1)].

Areas 1 and 2:
The term of apprenticeship shall be 5400 hours of reasonably continuous employment, and not less than three (3) years for those registered prior to April 21, 2011.

The term of apprenticeship shall be 6400 hours of reasonably continuous employment, and not less than four (4) years for those registered on or after April 21, 2011.

Areas 3:
The term of apprenticeship shall be 4000 hours of reasonably continuous employment for those registered prior to October 17, 2013.

The term of apprenticeship shall be 6400 hours of reasonably continuous employment, and not less than four (4) years for those registered on or after October 17, 2013.

V. INITIAL PROBATIONARY PERIOD:

All apprentices are subject to an initial probationary period, stated in hours or months of employment for which they receive full credit toward completion of apprenticeship. Advance credit/standing will not reduce the initial probationary period. The initial probationary period [WAC 296-05-316(22)]:

1. Is the period following the apprentice's registration into the program and during which the apprentice's appeal rights are impaired. The initial probation must not exceed twenty percent (20%) of the term of apprenticeship or one year from date of registration, unless an exemption by the WSATC has been granted for longer probationary periods as specified by Civil Service or law.

2. Is the period that the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice of the apprenticeship agreement may terminate the agreement without a hearing or stated cause. An appeal process is available to apprentices who have completed the initial probationary period.

A. All apprentices in Areas 1 and 2 employed in accordance with these standards shall be subject to a probationary period not exceeding the first 1080 hours of the term of apprenticeship.

B. All Area 3 apprentices registered prior to October 17, 2013 employed in accordance with these standards shall be subject to a probationary period not exceeding the first 800 hours of the term of apprenticeship. All Area 3 apprentices registered on or after October 17, 2013 employed in accordance with these standards shall be subject to a probationary period not exceeding the first 1080 hours of the term of apprenticeship.

C. During this period, annulment of the apprenticeship agreement may be requested by the Apprenticeship Committee upon request of either party to the agreement.

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

Supervision is the necessary education, assistance, and control provided by a journey-level employee that is on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. The sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. Apprentices will work the same hours as journey-level workers, EXCEPT where such hours may interfere with related/supplemental instruction [WAC 296-05-316(5)].

Approved training agents of these standards shall employ a minimum of one (1) apprentice for every five (5) journey level workers employed on the job site.

The minimum ratio of Journey-level workers to apprentices shall be 1 to 1.

VII. APPRENTICE WAGES AND WAGE PROGRESSION:
The apprentice will be paid a progressively increasing schedule of wages based on specified percentages of journey-level wage consistent with skills acquired [WAC 296-05-316(27)]. These may be indicated in hours or monthly periods set by the sponsor. The entry wage will not be less than the minimum wage prescribed by the Fair Labor Standards Act, where applicable, unless a higher wage is required by other applicable federal law, state law, respective regulations, or by collective bargaining agreement.

The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. When the apprentice is granted advanced standing the sponsor must notify the employer/training agent of the appropriate wage per the wage progression schedule specified in these Standards.

All Areas:
All classifications for premium wages shall be paid at 100% to those apprentices working in any one of those premium wage classifications.
VIII. WORK PROCESSES:

The apprentice shall receive on the job instruction and experience as is necessary to become a qualified journey-level worker versed in the theory and practice of the occupation covered by these Standards. The following is a condensed schedule of work experience, which every apprentice shall follow as closely as conditions will permit.

Employers/training agents shall only use registered apprentices to perform the work processes as stated in this section. [WAC 296-05-303(5)(f)]

TOTAL HOURS: 4000
IX. RELATED/SUPPLEMENTAL INSTRUCTION:

The apprentice must attend related/supplemental instruction (RSI). Time spent in related/supplemental instruction shall not be considered as hours of work and the apprentice is not required to be paid for time spent in related/supplemental instruction.

The sponsor and training agent must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Washington Industrial Safety and Health Act, and applicable federal and state regulations.

Clock hours of actual attendance by the apprentice in related/supplemental instruction classes at the community/technical college or other approved training locations shall be reported to the Department on a quarterly basis. Such reports will clearly identify paid versus unpaid and supervised versus unsupervised RSI time for industrial insurance purposes.

For industrial insurance purposes, the WSATC will be considered as the employer should any supervised apprentice, not being paid to attend RSI, sustain an injury while participating in related/supplemental classroom activity, or other directly related activity outside the classroom. The activities must be at the direction of the instructor.

In case of failure on the part of any apprentice to fulfill the obligation to attend RSI, the sponsor has authority to take disciplinary action (see Administrative/Disciplinary Procedures section).

The methods of related/supplemental training must consist of one or more of the following (please indicate by checking those that apply):

(X) Supervised field trips

(X) Approved training seminars (specify): provided by vendors, manufacturers, and other industry experts as available.

( ) A combination of home study and approved correspondence courses (specify)

(X) State Community/Technical college:
   Area 1 - South Seattle Community College, Georgetown Branch.
   Area 2 and 3 - Spokane Community College

( ) Private Technical/Vocational college

(X) Training trust

( ) Other (specify):
Minimum RSI hours per year defined per the following (see WAC 296-05-316(6)):

- ( ) twelve-month period from date of registration.*
- (X) defined twelve-month school year: September through June.
- ( ) two-thousand hours of on the job training.

*If no selection is indicated above, the WSATC will define RSI hours per twelve-month period from date of registration.

Additional Information:

A. Failure on the part of the apprentice to show regular attendance at classes will be deemed sufficient cause for the Apprenticeship Committee or the Eastern WA/Northern ID Cement Masons Subcommittee to drop the apprentice from the entire system.

B. The Apprenticeship Committee will have the final say in selection of instructors for related classes.

C. Registered apprentices who have difficulty with English must take the Secondary Level English Proficiency (SLEP) test. Those who score less than 50 on the SLEP test must enroll in and regularly attend an ESL class. This requirement is in addition to regular classes.

D. In the event that an apprentice has completed all required RSI but has less than the required OJT, the apprentice will not be required to attend further classes unless otherwise directed by the Committee.

(RSI Variance Approved 01/15/2015)

X. ADMINISTRATIVE/DISCIPLINARY PROCEDURES:

Sponsors may include in this section requirements and expectations of the apprentices and training agents and an explanation of disciplinary actions that may be imposed for noncompliance. The sponsor has the following disciplinary procedures that they may impose: Disciplinary Probation, Suspension, or Cancellation.

Disciplinary Probation: A time assessed when the apprentice's progress is not satisfactory. During this time the program sponsor may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take further disciplinary action. A disciplinary probation may only be assessed after the initial probation is completed. During the disciplinary probation, the apprentice has the right to file an appeal of the sponsor's action with the WSATC (as described in WAC 296-05-009).
Suspension: A suspension is a temporary interruption in progress of an individual's apprenticeship program that may result in the cancellation of the Apprenticeship Agreement. Could include temporarily not being allowed to work, go to school or take part in any activity related to the Apprenticeship Program until such time as the sponsor takes further action.

Cancellation: Refers to the termination of an apprenticeship agreement at the request of the apprentice, supervisor, or sponsor. [as described in WAC 296-05-316(22)].

A. General Procedures

Apprentices must abide by the standards of apprenticeship and comply with the following requirements. Failure to do so will result in disciplinary action taken by the Apprenticeship Committee, Eastern WA/Northern ID Cement Masons Subcommittee (hereafter known as Subcommittee) or designee. Decisions resulting in discipline up to and including cancellation are open to appeal by apprentices who have completed their initial probationary period, directly to the Apprenticeship Committee.

1. Conduct during RSI training and on-the-job training:
   a. Fighting or harassment during RSI training and during on-the-job training will not be tolerated. Failure to comply will result in disciplinary action.
   b. Failure to follow directions and/or safety procedures during RSI training and on-the-job training will result in disciplinary action.

2. Attendance for related/supplemental instruction is mandatory.
   a. The apprentice must notify the Coordinator about all absences.
   b. Sickness can be considered an acceptable excuse if a note from the doctor is provided, or the apprentice has also missed work.
   c. Work is not an excuse for missing class.
   d. All absences must be made up. An excused absence will not be used for citing to the Apprenticeship Committee or Subcommittee.
   e. All absences will be used to dock the apprentice two weeks toward their next raise, until the class is made up.
   f. Late arrivals and early departures will be docked a minimum of two hours. When the total becomes eight hours, one unexcused absence will be recorded.
g. Four unexcused absences during the year will automatically have the apprentice called to appear before the Apprenticeship Committee or Subcommittee for disciplinary action.

3. Monthly work progress reports must be turned in to the Coordinator by the 15th day of the following month.
   a. The reports must be correctly completed, or they will be returned to the apprentice for completion. No credit will be given until they are current.
   b. If the apprentice is not current in filing the reports with the Coordinator, she/he will not be awarded a rerate, if one is due.
   c. If an apprentice fails to turn in six (6) consecutive months of work progress reports, she/he can be removed from the job until work progress reports are up to date.

4. Each apprentice must satisfactorily complete the written and hands-on testing described in their related/supplementary instructions before the apprentice is allowed to progress by percentage in the Apprenticeship program.

5. Complaints by employers or three low scores on performance cards from foremen will prompt a review by the Apprenticeship Committee or Subcommittee.

6. On-the-job training is mandatory. An apprentice is expected to be diligent in the pursuit of work. The apprentice may be cited for:
   a. Refusing work.
   b. Failing to show up to an appointed job.
   c. Not putting his/her name on the Out of Work list for an extended period, without communication with the Coordinator for the reason.
   d. Quitting an employer without cause or communication with the Coordinator.

7. Theft on the job site or at school

8. Use of illegal drugs or alcohol on the job site or at school.
9. Working for a non-signatory contractor, unless the contractor has signed an agreement with the Apprenticeship Committee.

10. Apprentices must be available for employment with approved Training Agents and accrue hours of On the Job training to progress through the term of apprenticeship. Failure to do so will result in citation to appear before the Apprenticeship Committee or Subcommittee for disciplinary action, suspension or cancellation of their agreement. Apprentices who have not completed the initial probationary period may be disciplined or cancelled by the Apprenticeship Committee or Subcommittee without citation per Section V.(1) and (2).

B. Local Apprenticeship Committee Policies

The Washington Cement Masons Apprenticeship Committee delegates all administrative and disciplinary responsibilities for apprentices working in Areas 2 and 3 to the Eastern WA/Northern ID Cement Masons Subcommittee. The cancellation procedure policy of the subcommittee is subject to the approval of the "main" committee.

C. Complaint and Appeal Procedures:

All registered programs must establish procedures explaining the program's complaint review process. Complaints that involve matters covered by a collective bargaining agreement are not subject to the complaint review procedures in this section.

Complaint (after initial probation completed) – WAC 296-05-009 and 296-05-316(22)

Prior to: 20 calendar days of intention of disciplinary action by a sponsor
  • Sponsors must notify the apprentice in writing of action to be taken
  • Must specify the reason(s) for discipline, suspension, or cancellation
  • Decision will become effective immediately
  • Written reason(s) for such action must be sent to the apprentice

Within: 30 calendar days request for reconsideration from the sponsor
  • Apprentice to request sponsor to reconsider their action

Within: 30 calendar days of apprentice’s request for reconsideration
  • Sponsor must provide written notification of their final decision

If apprentice chooses to pursue the complaint further:

Within: 30 calendar days of final action
  • Apprentice must submit the complaint in writing to the Department
WASHINGTON CEMENT MASONS APPRENTICESHIP COMMITTEE

- Must describe the controversy and provide any backup information
- Apprentice must also provide this information to the local sponsor

Within: 30 business days for supervisor to complete investigation
- If no settlement is agreed upon during investigation, then supervisor must issue a written decision resolving the controversy when the investigation is concluded

If the apprentice or sponsor disputes supervisor decision:

Within: 30 calendar days of supervisor’s decision, request for WSATC hearing
- Request must be in writing
- Must specify reasons supporting the request
- Request and supporting documents must be given to all parties
- WSATC must conduct the hearing in conjunction with the regular quarterly meeting

Within: 30 calendar days after hearing
- WSATC to issue written decision

XI. COMMITTEE – RESPONSIBILITIES AND COMPOSITION

NOTE: The following is an overview of the requirements associated with administering an apprenticeship committee and/or program. These provisions are to be used with the corresponding RCW and/or WAC.

The sponsor is the policymaking and administrative body responsible for the operation and success of this apprenticeship program. A committee is responsible for the day-to-day operations of the apprenticeship program and they must be knowledgeable in the process of apprenticeship and/or the application of chapter 49.04 RCW and chapter 296-05 WAC. Sponsors must develop procedures for:

A. Committee Operations (WAC 296-05-316): (Not applicable for Plant Programs)
   Convene meetings at least three times per year of the program sponsor and apprenticeship committee attended by a quorum of committee members as defined in the approved Standards. If the committee does not indicate its definition of quorum, the interpretation will be “50% plus 1” of the approved committee members.
   Conference call meetings may be conducted in lieu of regular meetings but must not exceed the number of attended meetings and no disciplinary action can be taken during conference call meetings.

B. Program Operations (Chapter 296-05 WAC - Part C & D):
1. The program sponsor will record and maintain records pertaining to the administration of the apprenticeship program and make them available to the WSATC or Department on request.

Records required by WAC 296-05-400 through 455 (see Part D of chapter 296-05 WAC) will be maintained for five (5) years; all other records will be maintained for three (3) years.

2. The sponsor will submit to the Department through the assigned state apprenticeship consultant the following list:

Forms are available on line at http://www.lni.wa.gov/TradesLicensing/Apprenticeship/FormPub/default.asp or from your assigned apprenticeship consultant.

- Apprenticeship Agreements – within first 30 days of employment
- Authorization of Signature forms - as necessary
- Approved Training Agent Agreements (sponsor approving or canceling) – within 30 days
- Minutes of Apprenticeship Committee Meetings – within 30 days of meeting (not required for Plant program)
- Request for Change of Status - Apprenticeship/Training Agreement and Training Agents forms – within 30 days of action by sponsor
- Journey Level Wage Rate – annually, or whenever changed
- Request for Revision of Standards - as necessary
- Request for Revision of Committee - as necessary
- Related Supplemental Instruction (RSI) Hours Reports (Quarterly):
  1st quarter: January through March, by April 10
  2nd quarter: April through June, by July 10
  3rd quarter: July through September, by October 10
  4th quarter: October through December, by January 10
- On-the-Job Work Hours Reports (bi-annual)
  1st half: January through June, by July 30
  2nd half: July through December, by January 31

3. The program sponsor will adopt, as necessary, local program rules or policies to administer the apprenticeship program in compliance with these Standards that must be submitted for Department approval and updating these Standards. The apprenticeship program manager may administratively approve requests for revisions in the following areas of the Standards:

- Program name
- Sponsor’s introductory statement (if applicable)
- Section III: Conduct of Program Under Washington Equal Employment Opportunity Plan
- Section VII: Apprentice Wages and Wage Progression
- Section IX: Related/Supplemental Instruction
4. The sponsor will utilize competent instructors as defined in WAC 296-05-003 for related/supplemental instruction. Furthermore, the sponsor will ensure each instructor has training in teaching techniques and adult learning styles, which may occur before or within one year after the apprenticeship instructor has started to provide instruction.

C. Management of Apprentices:

1. Each apprentice (and, if under 18 years of age, the parent or guardian) will sign an apprenticeship agreement with the sponsor, who will then register the agreement, with the Department before the apprentice attends the related/supplemental instruction classes, or within the first 30 days of employment as an apprentice. For the purposes of industrial insurance coverage and prevailing wage exemption under RCW 39.12.021, the effective date of registration will be the date the agreement is received by the Department.

The Department must be notified within 30 days of program approval, of all requests for disposition or modification of agreements, with a copy of the minutes approving the changes, which may be:

- Certificate of completion
- Additional credit
- Suspension (i.e. military service or other)
- Reinstatement
- Cancellation and/or
- Corrections

2. Rotate apprentices in the various processes of the skilled occupation to ensure the apprentice is trained to be a competent journey-level worker.

3. Periodically review and evaluate apprentices before advancement to the apprentice's next wage progression period. The evidence of such advancement will be the record of the apprentice's progress on the job and during related/supplemental instruction.

4. The sponsor has the obligation and responsibility to provide, insofar as possible, continuous employment for all apprentices in the program. The sponsor may arrange to transfer an apprentice from one training agent to another or to another sponsor when the sponsor is unable to provide reasonably continuous employment, or they are unable to provide apprentices the diversity of experience necessary for training and experience in the various work processes as stated in these Standards. The new sponsor or training agent will assume all the terms and
conditions of these Standards. If, for any reason, a layoff of an apprentice occurs, the apprenticeship agreement will remain in effect unless canceled by the sponsor.

5. An apprentice who is unable to perform the on-the-job portion of apprenticeship training may, if the apprentice so requests and the sponsor approves, participate in related/supplemental instruction, subject to the apprentice obtaining and providing to the sponsor written requested document/s for such participation. However, time spent will not be applied toward the on-the-job portion of apprenticeship training.

6. Hear and adjust all complaints of violations of apprenticeship agreements.

7. Upon successful completion of apprenticeship, as provided in these Standards, and passing the examination that the sponsor may require, the sponsor will recommend that the WSATC award a Certificate of Completion of Apprenticeship. The program will make an official presentation to the apprentice that has successfully completed his/her term of apprenticeship.

D. Training Agent Management:

1. Offer training opportunities on an equal basis to all employers and apprentices. Grant equal treatment and opportunity for all apprentices through reasonable working and training conditions and apply those conditions to all apprentices uniformly. Provide training at a cost equivalent to that incurred by currently participating employers and apprentices. Not require an employer to sign a collective bargaining agreement as a condition of participation.

2. Determine the adequacy of an employer to furnish proper on-the-job training in accordance with the provisions of these Standards. Require all employers requesting approved training agent status to complete an approved training agent agreement and comply with all federal and state apprenticeship laws and the appropriate apprenticeship Standards.

3. Submit approved training agent agreements to the Department with a copy of the agreement and/or the list of approved training agents within thirty days of committee approval. Submit rescinded approved training agent agreements and/or the list of approved training agents to the Department within thirty days of said action.

E. Composition of Committee: (see WAC 296-05-313)

Apprenticeship committees must be composed of an equal number of management and non-management representatives composed of at least four members but no more than twelve. If the committee does not indicate its definition of a quorum, the interpretation will be "50% plus 1" of the approved committee members.
Apprenticeship committees shall elect a chairperson and a secretary who shall be from opposite interest groups, i.e., chairperson-employers; secretary-employees, or vice versa; EXCEPT, this does not apply where the Registration Agency represents the apprentice(s).

For plant programs the WSATC or the Department designee will act as the employee representative.

Quorum: SEE ABOVE

Program type administered by the committee: GROUP JOINT

The Apprenticeship Committee shall be composed of three (3) members representing Cement Masons Local Union #528, 478 and/or 72, and three (3) members representing cement mason contractors signatory to the aforementioned Locals.
