Triathlon
Explanatory Guide
About the Explanatory Guides

Published in August 2015, the Explanatory Guides offer a detailed introduction to each sport at the Rio 2016 Paralympic Games, as well as providing information on a variety of other fundamental topics that may be of importance to teams as they continue their planning and preparations. This guide is divided into several sections:

- a general introduction to Rio de Janeiro and to the Games
- sport-specific information on subjects such as the competition format, schedule and venue; rules; training and qualification criteria
- general information touching on accreditation, ticketing, accommodation, medical services, doping control and transport
- a directory that contains contact details, maps and a daily competition schedule for all sports

All information provided in this Explanatory Guide was correct at the time of publication in August 2015; however, please note that these details may change between this date and the Games. NPCs are advised to check the IPC website and Rio 2016’s Rio Exchange (rioexchange.rio2016.com) for important updates on topics, such as to the competition schedule.

Detailed Team Leaders’ Guides, covering Games-time plans for every Paralympic sport, will be distributed to NPCs in July 2016.
Welcome to the Triathlon Explanatory Guide for the Rio 2016 Paralympic Games. On behalf of Rio 2016, I am pleased to present this document, the content of which has been produced in close collaboration with the International Triathlon Union and IPC Sport.

As a commitment to sustainability, these guides are being presented in an electronic-only format. In addition, they have been developed for a mobile-friendly platform; this is an innovative feature Rio 2016 has utilised to make the information more convenient and accessible on a variety of devices.

As the host of the first Games on South American soil, Rio 2016 is committed to showcasing sport in its highest form against the stunning backdrops that Rio de Janeiro has to offer. A variety of competition and training venues, including new and renovated installations, will offer athletes the best conditions to excel in a fair and safe field of play.

In addition, accommodations and facilities at the Paralympic Village will provide an engaging environment and offer the best services to meet the needs of athletes and team leaders during their stay in Rio de Janeiro. New transport services will connect the four competition zones and venues throughout Rio to provide easy access across the city during the Games.

We hope this guide will provide all the necessary information in preparation for your participation at the Games in September 2016. We look forward to welcoming you to the Marvellous City for what is sure to be a memorable experience.

WARM REGARDS,

RODRIGO GARCIA
Rio 2016 Sports Director

Welcome to Rio 2016

The Rio 2016 Paralympic Games will demonstrate the determination of all Brazilians in delivering the greatest festival on Earth, proudly advancing, through sport, the national mantra of progress. These pages offer a brief introduction to Rio de Janeiro, its Paralympic heritage, the city’s plans for the Games and the benefits they will bring to Rio and Brazil.

Rio, then and now

The former capital of Brazil, Rio de Janeiro is located in the state of the same name on the south-eastern strip of the country’s Atlantic coast. It is one of the most visited cities in the southern hemisphere. In January 1502, the second exploratory expedition by the Portuguese, led by Captain Gaspar de Lemos, reached Guanabara Bay. Legend has it that he entered the bay believing it to be a river, so he named it Rio de Janeiro, literally translated as “River of January”.

Rio is a picture-postcard city, with lush green mountains, lakes, blue oceans and miles of white, sandy beaches. It is the home of Sugarloaf mountain, Maracanã stadium, Guanabara Bay and, overlooking it all, the statue of Christ the Redeemer. It is no wonder Rio is known as the “Marvellous City”. The friendliness of cariocas (as Rio locals are known) can be witnessed in the streets, in the bars and at the beach.

CLIMATE

Rio de Janeiro benefits from a mild to warm climate during the winter month of September. Based on statistics from recent years, athletes can expect an average daily high of around 22-23°C (72-73°F) in the Paralympic Village. On average, relative humidity ranges from a minimum of approximately 60 per cent to a maximum of approximately 80 per cent. The average monthly rainfall during September is 68 millimetres; the prevailing winds are from the south-west and south-east. The average daylight hours in Rio de Janeiro at Games time (August and September) are from 6.00am to 6.00pm.

The city’s Paralympic heritage

Brazil is a nation with sport in its blood and has always been a serious competitor in the Paralympic Games. Never content with just taking part, the country has long dreamt of hosting the world’s biggest sporting event. Brazil’s first bid to host the Olympic Games came in 1932, to host the 1936 Games, but Rio de Janeiro failed to advance past the International Olympic Committee’s initial selection phase. Sixty years later, Brasília was a candidate for the 2000 Olympic and Paralympic Games, until its bid was withdrawn in the first phase. But Brazilian hopes were not dashed, rooted as they were in a deep belief in the value of the Games, and with the certainty that hosting them would boost national development efforts. With firm, unyielding commitment, the groundwork was already being laid on a path that, with each bid, was taking on an ever more clearly defined direction.

Rio de Janeiro’s next attempt was to host the 2004 Olympic and Paralympic Games, but again it did not pass the initial selection phase. The Committee’s General Assembly made a strategic decision to focus on a Rio bid for the 2007 Pan and Parapan American Games, with a commitment to making it the biggest and best such games ever held. Competitors and managers were determined to work towards ensuring that the cream of Brazilian athletes would compete on home soil, at a truly impressive event in state-of-the-art arenas. At the same time, Rio prepared its bid for the 2012 Games, in which the city was up against stiff competition. Despite the acknowledged quality of its bid, it was eliminated from the Candidate City shortlist.

Rio’s 2004 and 2012 bids were part of an ongoing process in which the city’s positive points were strengthened, and the weaker areas addressed, to provide the structure for the next Olympic and Paralympic bid. In 2007, the organisers of the Pan and Parapan American Games exceeded all expectations, delivering the best edition in these games’ history. The capacity to stage and promote a major sporting event had been proven, and recognition for all the effort expended did not take long to arrive: on 2 October 2009, after a hard-fought campaign, Rio de Janeiro won the right to host the 2016 Olympic and Paralympic Games, the first to be held on South American soil.

Rio 2016

THE PARALYMPIC GAMES IN BRIEF

| SPORTS:          | 22 |
| DISCIPLINES:     | 23 |
| MEDAL EVENTS:    | 528|
| ATHLETES:        | 4,350|
| COMPETITION VENUES: | 22 |
| DAYS OF COMPETITION: | 11 |
| COMPETITION SESSIONS: | 318 |
| OLYMPIC VILLAGE OFFICIAL OPENING: | 31 August 2016 |
| OPENING CEREMONY: | 7 September 2016 |
| CLOSING CEREMONY: | 18 September 2016 |
COMPETITION VENUES
A total of 22 competition venues, across four zones in Rio de Janeiro, will be used for the Paralympic Games.

Barra zone
The Barra zone will be the heart of the Rio 2016 Paralympic Games. Located in Zona Oeste (West zone), the area will be a beautiful setting for the competitions. Surrounded by lagoons, mountains and parks, this neighbourhood’s idyllic natural setting will be home to the athletes, as well as welcome thousands of spectators and Games visitors. The Paralympic Village, Rio Olympic Park, Riocentro, IBC/MPC and Barra Media Accommodation Villages are all located in the Barra zone. Barra will house 12 competition venues, with 13 disciplines taking place.

Olympic Park:

CARIOCA ARENA 1:
- Wheelchair Basketball
- Wheelchair Rugby

CARIOCA ARENA 2:
- Boccia

CARIOCA ARENA 3:
- Judo

FUTURE ARENA:
- Goalball

OLYMPIC AQUATICS STADIUM:
- Swimming

OLYMPIC TENNIS CENTRE:
- Wheelchair Tennis, Football 5-a-side

RIO OLYMPIC VELODROME:
- Cycling (Track)

RIO OLYMPIC ARENA:
- Wheelchair Basketball

Other venues in the Barra zone:

PONTAL:
- Cycling (Road)

RIOCENTRO - PAVILION 2:
- Powerlifting

RIOCENTRO - PAVILION 3:
- Table Tennis

RIOCENTRO - PAVILION 6:
- Sitting Volleyball

Copacabana zone
Copacabana is one of the city’s most famous neighbourhoods. Located in Rio de Janeiro’s Zona Sul, or southern area, it boasts a beautiful, crescent-shaped beach that stretches more than four kilometres and is one of the most eye-catching images in the city. On Sundays, the lanes of Avenida Atlântica — the beachfront avenue — are closed to cars, so that the carioca population and visitors can enjoy the pleasant promenade atmosphere. Families and people of all ages may practise sport, swim in the ocean or simply relax: this is the Copacabana spirit. With its world-famous beaches, beautiful mountains and globally recognisable landmarks, including Sugarloaf and Corcovado, the Copacabana zone will be the perfect setting for the road competitions. With a population of nearly two million people, the events will certainly benefit from an authentically energetic carioca vibe. Copacabana will house three (3) competition venues, with five (5) sports taking place.

FORT COPACABANA:
- Athletics (Marathon), Triathlon

LAGOA STADIUM:
- Canoe (Sprint), Rowing

MARINA DA GLÓRIA:
- Sailing
Deodoro zone

Located in the western part of Rio, the Deodoro zone is connected to the city centre and beyond by train lines. Venue construction for the Rio 2007 Pan and Parapan American Games resulted in an increase in the number of youngsters practising sport, and it is anticipated that this level of participation will increase further with the opening of new venues for the Rio 2016 Games. Deodoro will house four (4) competition venues, with four (4) sports taking place.

DEODORO STADIUM:  
Football 7-a-side

OLYMPIC EQUESTRIAN CENTRE:  
Equestrian (Dressage)

YOUTH ARENA:  
Wheelchair Fencing

OLYMPIC SHOOTING CENTRE:  
Shooting

Maracanã zone

The Maracanã zone includes two of Rio’s most iconic venues: Maracanã and the Sambódromo, in addition to the Olympic Stadium, built for the Rio 2007 Pan and Parapan American Games, and nicknamed “Engenhão”, after the Engenho de Dentro neighbourhood in which it is located. The zone, though part of Zona Norte, the northern area, is located close to the city centre. Hundreds of people visit the Maracanã complex every day, where they take advantage of its spaces for physical exercise, such as walking and jogging. Maracanã will host the Opening and Closing ceremonies of the Paralympic Games. The Archery competition will take place in the Sambódromo, while the Olympic Stadium will be home to Athletics. In total, the Maracanã zone will house three (3) Paralympic venues, with two (2) sports taking place.

MARACANÃ:  
Opening and Closing Ceremonies

OLYMPIC STADIUM:  
Athletics

SAMBÓDROMO:  
Archery

Aquece Rio

_Aquece Rio_ (‘Rio Warms Up’) is the test event programme for the Paralympic Games. The test events organised by Rio 2016 will be under the banner of the Aquece Rio series, while others will be staged by the respective International Sports Federations or Brazilian Federations.

In total, 45 test events will have been staged when the programme, which finishes in May 2016, is completed.

The programme will include 34 Olympic, six Paralympic and four joint Olympic and Paralympic test events. More than 7,700 athletes will get a taste of the host city and around 16,000 volunteers will participate in the test events, which will take place across 156 days of competition in total.

There will be three clusters of events, the first between July and October 2015, focusing on outdoor events to provide athletes with the same climatic conditions that can be expected at Games time. The second, from November 2015 to February 2016, will be more focused on indoor events, while the last, between March and May 2016, will allow preparations to be finalised.

Just before the one-year-to-go mark, the International Volleyball Federation (FIVB) organised the first 2015 test event, with the FIVB World League Finals taking place from 15 to 19 July in the Maracanãzinho, followed by the Olympic and Paralympic Triathlon event in Copacabana on 1 and 2 August; the World Rowing Junior Championships at Lagoa Rodrigo de Freitas, from 5 to 9 August; and the Equestrian event at the Olympic Equestrian Centre in Deodoro from 6 to 9 August.
The events provide an important opportunity to test the competition areas and results systems, as well as integrating all the relevant stakeholders and training the team of people who will be responsible for running the events during the Games.

For more details about the test events schedule, please visit [www.aquecerio.com/en](http://www.aquecerio.com/en).

**Celebra**

Celebra, the Rio 2016 culture programme, will consist of a great celebration of Brazilian and international culture, mainly through free events to be held in public spaces, aiming to expand access to culture and incorporate it into day-to-day city life. Besides interactive installations encouraging engagement with the Rio 2016 Games, there will be a strong artistic programme, emphasising proponents of national and international culture.

The Celebra programme will embody Brazilian history and take it to the streets like never before. Access to culture, in the broadest sense, is at the heart of the programme, which is divided into six segments: literature, dance, music, visual arts, performing arts and everyday life.

**After the Games**

The Rio 2016 Games will be a catalyst for change in Rio de Janeiro and Brazil, leaving a positive transformation and lasting legacy not only in terms of sport, but also for society, the economy, urban infrastructure and environment. More details about Rio 2016’s legacy can be found on the Rio Exchange.
COMPETITION
Triathlon at the Rio 2016 Paralympic Games

The first recorded Triathlon took place in San Diego, California, USA, on 24 September 1974, organised by the San Diego Track and Field Club as an alternative to the rigours of training on the track. The race, which took place in San Diego’s Mission Bay, consisted of a 5.3-mile run, a five-mile cycle and a 600-yard swim in the bay. From these humble beginnings, the sport grew rapidly and was officially added to the Olympic Programme by the IOC at its Congress in Paris in 1994, making its Olympic debut at the Sydney 2000 Games.

The first ITU sanctioned World Championship for athletes with an impairment took place in 1996 in Cleveland, USA, as part of the Age Group races. Triathlon will have its first Paralympic appearance at the Rio 2016 Paralympic games. This event reproduces its Olympic counterpart of Triathlon but with adjusted distances: 750m swim, 20km cycling, 5km run and for athletes with different impairments. Based on its short distance, it is known as sprint distance Triathlon. As in the traditional version of the sport, time spent in transition between swimming, cycling and running is included in the total event time, and the athlete who first completes the course is declared the winner. There are five (5) sport classes in triathlon. Three (3) sport classes for men and three (3) sport classes for women will be represented in Rio 2016 Paralympic Games.

Rychard Hryniewicz Junior
Triathlon Manager, Rio 2016

A professional with more than 20 years of experience in managing projects for national and multinational companies, Rychard participated as an athlete in several Triathlon competitions in Oceania, Asia, Europe, and South and North America. General Director of the São Paulo Triathlon Federation, Rychard is also an International Triathlon Union (ITU) Level One Technical Official.

For details of how to contact the IPC, Rio 2016, the ITU and the CBTrí, see pp. 33-35.
The Triathlon competition

The Triathlon competition at the Rio 2016 Paralympic Games will be held on Saturday 10 September and Sunday 11 September at Fort Copacabana in the Copacabana zone. The competition will consist of six (6) medal events, summarised below:

<table>
<thead>
<tr>
<th>MEDAL EVENTS</th>
<th>Men (3)</th>
<th>Women (3)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Individual PT1</td>
<td></td>
<td>Individual PT2</td>
</tr>
<tr>
<td>Individual PT2</td>
<td></td>
<td>Individual PT4</td>
</tr>
<tr>
<td>Individual PT4</td>
<td></td>
<td>Individual PT5</td>
</tr>
</tbody>
</table>

A total of 60 athletes may take part in the Triathlon competition. This figure comprises a minimum of 21 male and 21 female athletes, plus two (2) places - one (1) male and one (1) female - allocated to the host country if not otherwise qualified and 16 bipartite commission places - eight (8) male and eight (8) female. For details of the qualification requirements, see p30.

Competition format

The competition format is the same for the men’s and women’s events, the specifics and distances for which are explained below:

- Swim: 750m – one (1) lap
- Bike: 20.92km – four (4) laps of a 5.23km course
- Run: 5km – two (2) laps of a 2.5km course

The event is continuous with no breaks in competition and in both men’s and women’s events the first athlete to complete the course is declared the winner.

The Women’s PT5 event is run with a compensation time for some of the athletes that belong to a sub-class within the given sport class. In the PT5 sport class, there are three (3) sub-classes (B1, B2 and B3). Please refer to the ITU Competition Rules to determine the value of the compensation time.

Athletes in specific sport classes may be allowed the use of personal handlers during the transitions. More information can be found in the ITU Competition Rules.

Drafting is not allowed during the bike segment.

The rules

The Triathlon competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:
ITU COMPETITION RULES
(available at www.triathlon.org/about/downloads/category/rules)

ITU PARATRIATHLON CLASSIFICATION RULES AND REGULATIONS
(available at www.triathlon.org/about/downloads/category/rules)

THE IPC HANDBOOK
(available at www.paralympic.org/the-ipc/handbook)

ITU, working with Rio 2016 competition management, will be responsible for the technical control and direction of the Triathlon competition at the Rio 2016 Paralympic Games.

CLOTHING AND EQUIPMENT
Clothing and equipment used by athletes and other participants in the Triathlon competition at the Paralympic Games must comply with the documents listed below.

ITU UNIFORM RULES
(available at www.triathlon.org/about/downloads/category/rules)

ITU COMPETITION RULES
(available at www.triathlon.org/about/downloads/category/rules)

THE IPC HANDBOOK
(available at www.paralympic.org/the-ipc/handbook)

COMPETITION AND TRAINING VENUES
Competition venue

FORT COPACABANA

Praça Coronel Eugênio Franco nº 1
Posto 6 – Copacabana

The Triathlon competition will be held in Copacabana, starting and ending at the beach. The event will consist of the following elements:

A one-lap (750m) swim in Copacabana Beach.

Four (3) laps (totalling 20.92km) on a 5.23km cycling course along the beach on Atlântica Avenue. Each lap will have four (4) u-turns (totalling 12).

Two (2) laps (totalling 5km) on a 2.5km running course along the beach on Atlântica Avenue with two (2) u-turns (totalling four (4)).

Course familiarisation will take place on the days prior to competition, when athletes will get a chance to swim, cycle and run on the competition course. The times and dates of course familiarisation for swimming, cycling and running will be communicated to teams closer to the Games.

Facilities

Before the competition, athletes will be able to warm up for the swimming on Copacabana Beach and cycle and run on Avenida Atlântica. Other facilities at the competition venue will include:

- changing rooms and showers
- lounges for athletes
- catering services
- bike mechanics
- Wheelchair and Prosthetic Repair Services area
- bike storage facilities
- mixed zone, where accredited media may conduct interviews with athletes after competition, and a press room
- Sport Information Desk (for details, see p28)
- medical facilities (for details, see p27)
- doping control station (for details, see p28)

Weather

Rio de Janeiro as a whole benefits from a mild to warm climate during the winter month of September. Based on statistics from recent years, teams can expect an average daily high of around 21-22°C (70-72°F) in the Copacabana zone. On average, relative humidity ranges from a minimum of around 60 per cent to a maximum of around 80 per cent during this period. The average monthly rainfall during August is 53 millimeters; the prevailing winds are from the south-west and the south-east. Water temperature is around 20-22°C (68-72°F).
Training venues

ATHLETES’ PARK
Av. Salvador Allende, s/nº
Barra da Tijuca - RJ

AIR FORCE UNIVERSITY (UNIFA)
Av. Marechal Fontenelle, 2000
Campo dos Afonsos

Training for the Triathlon competition will take place at Air Force University, located in the Deodoro zone, and at Athletes’ Park, located in the Barra zone.

The venue will be open for training from Wednesday 31 August until Saturday 10 September.

All training equipment will be approved by the ITU.

The Triathlon facilities at Air Force University will include:

- a course for cycling (4.9km) shared with Cycling
- a running (5.5km) track shared with Athletics
- 400m track with eight (8) lanes

The Triathlon facilities at Athletes’ Park will include:

- one (1) pool shared with Swimming

Facilities at training venues will include:

- lounge area
- changing rooms
- sport equipment storage
- physiotherapy Area
- catering services
- medical facilities
Accreditation

Accreditation is the process of identifying individuals and their roles at the Paralympic Games, whilst ensuring that they are granted appropriate access to fulfil their roles. Accreditation also ensures that all Games participants are granted entry into Brazil for the Games. A basic summary of the Accreditation process is given below; full details will be provided in the Accreditation application materials that will be available on the Rio Exchange in January 2016.

ACCREDITATION TIMELINE

The deadline for accreditation applications is 23:59 Rio de Janeiro time (GMT-3) on 27 May 2016. A complete accreditation application consists of a completed accreditation application and an acceptable photograph.

NPCs are responsible for submitting all accreditation applications directly to Rio 2016. To ensure compliance with data-protection principles, all applications should be submitted through the eAccreditation (ECR) module of the Games Management System.

Eligibility Code Forms

As required by the IPC Handbook, all individuals submitted in the following NPC accreditation categories must complete an Eligibility Code Form (ECF), acknowledging their compliance with IPC and IF rules regarding Games participation:

- Aa – athletes
- Ab – athlete competition partners
- Ac – Chefs de Mission, Deputy Chefs de Mission, Paralympic Attachés
- Am, Ao and As (primary and additional team officials)
- P – personal coaches and training partners
- NPC horse owners

Without a signed form, an athlete will not be able to compete and team officials will not be eligible for accreditation at the Rio 2016 Paralympic Games.

The following are key accreditation dates for athletes, team officials and dignitaries:

<table>
<thead>
<tr>
<th>DATE</th>
<th>APPLIES TO</th>
<th>ACTIVITY</th>
</tr>
</thead>
<tbody>
<tr>
<td>27 May 2016</td>
<td>ALL</td>
<td>Deadline for NPCs to submit all athlete, team official and dignitary (Aa, Ab, Ac, Ao, Am, As, P, NPC, NPC**) accreditation applications to Rio 2016 through the ECR module</td>
</tr>
<tr>
<td>July 2016</td>
<td>ALL</td>
<td>Rio 2016 produces and dispatches Pre-Valid Cards (including those for NPC accredited press) to NPCs</td>
</tr>
</tbody>
</table>
**PRE-VALID CARDS (PVCs)**

Rio 2016 will produce Pre-Valid Cards for all NPC delegates whose attendance at the Games has been confirmed during the Pre-DRMs. The production and distribution process will commence as soon as the Pre-DRMs have been completed.

Holders of Pre-Valid Cards (PVCs) or Paralympic Identity and Accreditation Cards (PIAC — the PVC once it has been validated) may enter Brazil multiple times from 5 July 2016 until 28 October 2016 upon presentation of their card and a valid travel document, such as a passport or national ID for Mercosur nationals (passport holders of Brazil, Argentina, Paraguay, Uruguay and Venezuela) without requiring a separate entry visa. Rio 2016 will work with airlines and immigration services worldwide to ensure that all necessary authorities are aware that the PVC can be used as a visa waiver to travel to Brazil for the Games.

Note that the PVC will not act as a visa waiver or transit visa for any other country. Individuals transiting through another country are responsible for obtaining the necessary entry/transit documentation.

Individuals using their PVC or validated PIAC as an entry document must ensure that their travel document is valid beyond 31 December 2016 and that it is the same document that was provided to Rio 2016 during the accreditation application.

**ACCREDITATION CARD VALIDATION**

Individuals arriving in Brazil through Rio de Janeiro’s Tom Jobim International Airport (GIG) will be able to validate their PVCs at the airport, provided that their NPC’s DRM has been completed. Validation desks will be located at both terminals after immigration and before baggage claim.

Individuals arriving through other ports of entry, including Santos Dumont Domestic Airport, should proceed to the appropriate main accreditation centre to complete the accreditation validation process.

Each individual must attend an accreditation facility in person to complete the validation process. Individuals should bring their PVC and the valid identity document that was provided to Rio 2016 in the accreditation application.

**Accreditation facilities**

Rio 2016’s Accreditation team will be present at all competition venues, as well as operating the main accreditation centres in the relevant locations for each client group.

The table below lists all accreditation facilities and the services provided:

<table>

*To be confirmed in the Rio 2016 NPC Accreditation Manual.

**Tickets and accredited seating**

**GAMES-TIME TICKET SALES**

At Games time, available tickets may be purchased at several locations, as detailed below:

- Paralympic Village (ticket box office at the Village Plaza)
- Competition venues (ticket box offices will operate on competition days at the relevant venues)

**COMPLIMENTARY SPORT TICKETS**

Athletes and officials may access the athletes’ stand during competition for their own discipline(s) without a ticket, upon presentation of their accreditation. In order to watch competitions at venues in disciplines other than their own, athletes and officials will require a ticket. A limited number of complimentary Different Discipline Athlete (DDA) tickets are available for all sport disciplines.

NPC Chefs de Mission may request complimentary sport tickets for their delegation members a day before the event through an electronic ticket request system. Complimentary tickets will be
limited in number, and demand is expected to exceed supply for many venues. NPC Relations and Services will allocate tickets according to availability, delegation size and NPC participation in the relevant sport. Chefs de Mission, or their ticketing proxy card holders, will be able to collect tickets from the NPC Services Centre in the Paralympic Village the evening before the sessions.

**Accommodation**

During the Rio 2016 Paralympic Games, the Paralympic Village will accommodate around 8,000 athletes and team officials. In addition, grooms will reside in specific grooms’ accommodation. A brief summary of the Paralympic Village follows below. For details of medical services at the Paralympic Village and other accommodations, see p27.

**PARALYMPIC VILLAGE**

The Paralympic Village is located in the Barra venue zone, in the south-west of the city, in close proximity to Riocentro and the Barra Olympic Park. The Village will officially open at 8.00am on 31 August 2016 and close at 6.00pm on 21 September 2016.

The Paralympic Village has a plaza and a residential zone. The residential zone is restricted to residents. It contains the accommodation, recreational and catering facilities, as well as transport services to competition and training venues. The Village Plaza and residential zones will be separated by internal fencing and access control. Guests may enter the residential zone from the Village Plaza only if accompanied at all times by Village residents with ‘R’ on their accreditation.

Beginning at 8.00am on 31 August — and only once the NPC has completed their DRM and Inspection & Inventory (I&I) — will the athletes and team officials be able to access the Paralympic Village.

**Accommodation**

Athletes and officials will be accommodated in five condominiums which are made up of 21 buildings with 17 floors each. The apartments have between two and five bedrooms with up to seven beds. All social spaces will have soft furnishings (sofa and beanbags), a coffee table, a television with a live feed from the venues and free wireless internet (Wi-Fi) access.

**Resident centres and services**

There will be a resident centre in each of the five condominiums, with two centres open 24 hours a day and three operating from 7.00am until 10.00pm. Each resident centre will provide a front desk hotel-like service that will assist with the resolution of issues relating to accommodation services in the Village, housekeeping requests and maintenance issues. They will also provide a concierge service, Info+ terminals, internet access, a lounge and meeting facilities.

The Paralympic Village will provide a multi-faith centre for worship and meditation. It will be staffed by representatives of the following religions: Buddhism, Christianity, Hinduism, Islam and Judaism. It is open to people of all religions and faiths.

**Food services**

The Main Dining Hall will be located in the residential zone, adjacent to the transport mall, and will operate on a 24-hour basis from 31 August until 21 September 2016. A menu, rotated on an eight-day cycle, will provide a wide range of meal choices and cater to all nutritional needs. A McDonald’s restaurant and McCafé will also be located in the Main Dining Hall. Additional dining
options in the Village will include a ‘grab-and-go’ station at every condominium, an outdoor casual dining area and the Plaza Café.

From 31 August until 18 September 2016, Athlete Venue Meals (AVM) will be available for athletes and officials who will be away from the Village for competition or training for more than four hours. AVMs must be ordered from the SIC at the Paralympic Village 48 hours in advance. Meals will be prepared at the venue to be collected from the Athletes’ Lounge. These packed meals will include a sandwich, salad, piece of fruit and a sweet item.

Resident entertainment and recreation

An Athletes’ Lounge, music area and video game room will be available to Paralympic Village residents for relaxation at the Paralympic Village Entertainment Centre. An internet lounge will be located in the Village Plaza and will be open 24 hours a day from 31 August until 21 September.

Athlete fitness and sport recreation

The Paralympic Village will contain a gym with a good selection of cardiovascular equipment, resistance machines and free weights, as well as space for stretching and warming up/down.

Each condominium will have a dedicated recreational shallow swimming pool, which will be available for use by residents from 9.00am until 5.00pm daily.

The Paralympic Village will have an area with courts for recreational sports activities. Note that equipment will not be provided.

Residents will also be able to use a transport service from the Athlete Transport Mall to the Paralympic Village Beach, which is located in the Barra zone. Lounge chairs and beach umbrellas will be available free of charge to athletes and team officials.

Village Plaza

The Village Plaza is a place for residents and guests to purchase retail items and souvenirs, as well as providing essential support services. It is also an area where Paralympic Village residents and their guests can meet. Some shops and services within the Paralympic Village Plaza will operate on a user-pay basis, while others are free of charge for athletes and officials. Retail outlets and services will include a bank, postal services, phone centre, internet lounge, dry cleaning, hair salon, a general store and a ticket office. Team Welcome Ceremonies will also take place in the Village Plaza.

Repair services at the Paralympic Village

During the Rio 2016 Paralympic Games, Ottobock will be the official provider for wheelchair, orthotic and prosthetic repair services for athletes, NPC Team Officials, IF Games Officials and members of the Paralympic Family.

Repairs will be conducted free of charge on damages to wheelchairs, orthotics or prosthesis that, if not carried out, would either prevent athletes from competing in their events or affect delegates from achieving their usual level of independent daily living.

Repair services will be available in the residential zone of the Paralympic Village (main workshop) from 28 August until 21 September 2016. The regular operating hours of the repair service will be from 7.00am until 11.00pm; however, an emergency phone number will also be available for
repairs needed outside these hours. This phone number will be communicated to NPCs in the Team Leaders’ Guide.

**Transport**

During the Rio 2016 Paralympic Games, the TA (Transport for Athletes) system will provide transport services for athletes and team officials (Aa, Ab, Ac, Ao and P alternate athletes) and their accompanying luggage and personal sport equipment from 31 August until 21 September 2016. The TA bus system will provide the following transport services:

- arrival and departure services from/to the airports in Rio de Janeiro to/from the Paralympic Village Welcome Centre
- transport between the Paralympic Village and official competition and training venues
- Internal Village Transport Service (IVTS) operating inside the Paralympic Village
- Different Discipline Spectating Athletes (DDA) services
- ceremonies services
- additional services to the Sugar Loaf Mountain, Metropolitano Shopping Mall and Barra beach

**TA TRAINING AND COMPETITION SERVICES**

Transport services for athletes and team officials for training and competition have been planned, and TA system vehicles will vary in size, seating capacity and model.

Regularly scheduled transport services will connect athletes to designated training venues. The service will commence on 31 August 2016 and will continue until the close of each sport’s individual training session.

On competition days, the TA service will begin approximately two or three hours prior to competition starting, with the last bus leaving the venue a maximum of two hours post-competition.

**INTERNAL VILLAGE TRANSPORT SERVICE**

A daily Internal Village Transport Service (IVTS) shuttle will operate inside the Paralympic Village. The IVTS will circulate in a clockwise direction, connecting key locations, including the Welcome Centre, Main Dining Hall, Athlete Transport Mall and residential zone. This service will operate 24 hours a day from 28 August until 21 September 2016. Frequency will vary depending on the time of day.

**NPC DEDICATED VEHICLES**

The number of dedicated vehicles allocated to each NPC will be confirmed at the Delegation Registration Meeting (DRM) and will be based on the NPC delegation size. The vehicles will be a mix of five-seat and 14-seat vehicles.

**Equipment transfer**

Rio 2016 Logistics will operate a scheduled service for the transfer of athlete sport equipment
between the Paralympic Village and competition and training venues (non-competition venues are not included) from 31 August to 20 September 2016. NOCs can request assistance with inter-venue transfers from the Logistics desk in the NPC Services Centre in the Paralympic Village.

**PUBLIC TRANSPORT**

A number of public transport options are available to get around in Rio:

- Bus Rapid Transit system (BRT)
- Subway (Metrô Rio)
- Train (Supervia)
- Light Rail Train (LRT)
- Urban bus

Information regarding the free-of-charge public transport options for accredited individuals in Rio de Janeiro will be made available in the Team Leaders’ Guide.

**Medical services**

Public health services, including disease surveillance, communicable disease control and health protection (such as food, water and air quality) will be in place throughout Brazil during the Games.

Local hospitals include 24-hour emergency specialist services, and tourist clinics are also available around the city. Local pharmacies can be found in all neighbourhoods, and some are open 24 hours a day.

There are no vaccination requirements for entering Brazil, but NPCs are advised to consult their local physician prior to travelling to Brazil to ensure that all routine vaccinations are up to date.

**MALARIA AND DENGUE FEVER**

Cases of dengue fever and malaria have been documented across all regions of Brazil. Whilst cases of malaria in Rio de Janeiro are extremely rare, major cities such as Brasilia and Belo Horizonte have had a greater prevalence. NPCs are therefore advised to take the necessary precautions to protect themselves against mosquito bites.

**Yellow fever**

The yellow fever vaccine is not a requirement for entry into Brazil; however, in the more remote areas, yellow fever has been documented and, therefore, it is recommended that NPCs take the necessary precautions.

It should also be noted that even though Brazil does not require the yellow fever vaccine for entry, delegates are advised to verify with their airline if the vaccine is a requirement of their destination upon leaving Brazil, or any transiting countries throughout the journey.

A basic summary of medical services at the Games is given below; full details will be provided in the Rio 2016 NPC Healthcare Guide, which will be published in April 2016.
Games-time medical services

The Polyclinic will be located in the residential zone of the Paralympic Village and will be the main treatment provider for urgent and necessary services for athletes and NPC team officials during the Games. The Polyclinic will be open with limited services from 28 to 30 August, and then fully operational from 31 August until 21 September 2016.

Services will be offered between 7.00am and 11.00pm, seven days a week, with an emergency services department operating 24-hours a day. Services in the Polyclinic will include:

- first aid and emergency services
- sports medicine
- dentistry
- imaging services — X-ray, ultrasound and MRI will be available on-site
- laboratory — for urine, blood and biochemical testing (some tests will be available on-site in the Polyclinic lab whilst others will be performed and sent to a laboratory outside the Paralympic Village for analysis)
- ophthalmology
- pharmacy
- physiotherapy and massage therapy (this will include treatment areas and a rehabilitation gym)
- podiatry
- primary care and specialist services — consultation rooms will be available for scheduled and on-call primary care and specialised services (such as dermatology, cardiology)
- IPC Medical & Scientific Department Offices

NPC doctors will be able to request imaging and laboratory services and discuss results with Rio 2016 medical services clinicians. Hospital referrals can only be made by Rio 2016 medical personnel. NPC doctors will be able to accompany team members to hospital and discuss management with the admitting doctor at the hospital.

The Polyclinic will have a 24-hour emergency phone number in the case emergency medical assistance is required outside the operational hours stated above.

VENUE MEDICAL SERVICES

Medical facilities will be provided at competition, training and other official venues. Athlete and spectator services will be stocked with appropriate equipment, supplies and medication, and will be staffed by experienced medical personnel. Ambulances — staffed per Brazilian legislation by one nurse, one doctor and one driver each — will be stationed at all official Rio 2016 competition and training venues, the Village Polyclinic and the main Paralympic Family Hotel.

Competition and training venues

At least one dedicated athlete medical post will be present at all official Rio 2016 competition and training venues. Each medical post, staffed by a combination of doctors, nurses, physiotherapists and massage therapists, will provide services such as first aid and emergency care to athletes, team officials and technical officials. Athlete medical posts will be equipped with essential first aid and emergency equipment.
Field-of-play response

Field of play (FOP) response teams will provide first aid and emergency services to athletes and officials on the FOP, should such services be required. If necessary, the athlete will be retrieved from the FOP and transported to the athlete medical post, Polyclinic or designated hospital, as appropriate. The order of response on the FOP and any decision making will differ in each venue, in accordance with the rules of the respective IF.

Spectator medical services

All official Rio 2016 competition venues will have one or more spectator medical post that will provide first aid and emergency services to all other client groups, including spectators, workforce, media, sponsors and Paralympic Family. There will also be mobile medical responders circulating throughout the venue to respond to any medical situation that occurs.

PARALYMPIC FAMILY HOSPITALS

Athletes and team officials who require services beyond the capability of the Polyclinic will be transported to Vitória Hospital – Americas Medical City located in the Barra zone, near the Paralympic Village and Barra Olympic Park. Any patient suffering from a life-threatening condition that may occur at another competition or training venue located in any of the other venue zones (Copacabana, Deodoro or Maracanã) will be taken to the nearest pre-selected hospital.

Doping control

Rio 2016 is committed to delivering a world-class anti-doping programme during the Paralympic Games. In partnership with the IPC, Rio 2016’s anti-doping programme will ensure that the integrity of sport is upheld, while protecting the rights and health of the athletes.

The programme will conduct testing anytime and anywhere, without prior notice, from 31 August to 18 September 2016 and will follow collection procedures consistent with the IPC Anti-Doping Code and the World Anti-Doping Code. Sample analysis will be conducted at the WADA-accredited laboratory in Rio de Janeiro.

Rio 2016 encourages NPCs to take proactive and comprehensive measures to ensure athletes, support personnel and medical staff are informed of, for example, the anti-doping rules and procedures that will be in place during the Games, the WADC Prohibited List and the importance of drug-free sport.

Sport information

SPORT INFORMATION DESKS

The Sport Information Centre (SIC) will be located in the residential zone of the Paralympic Village and will provide key sport-specific information to teams through Sport Information Desks (SIDs) dedicated to each Paralympic sport/discipline. SIDs will also be available at every competition venue. A variety of services and information will be available at the SIC, including:
- general competition-related information and sport-related communications from the Rio 2016 Sport Competition team or International Federations (IFs)
- distribution of results, draws and start lists, daily training schedules and other key competition information
- booking of Games-time training slots and allocation of training sessions at competition venues for selected sports
- transport information and scheduling of team sport buses
- Athlete Venue Meals (AVMs) bookings

The SIC will already be open on 31 August, the day the Paralympic Village officially opens, and will be open every day throughout the Games. The hours of operation will be as follows:

<table>
<thead>
<tr>
<th>DATES</th>
<th>HOURS OF OPERATION</th>
</tr>
</thead>
<tbody>
<tr>
<td>31 August – 18 September 2016</td>
<td>7.00am – 10.00pm</td>
</tr>
<tr>
<td>19 – 21 September 2016</td>
<td>8.00am – 8.00pm</td>
</tr>
</tbody>
</table>

**Info**

Info is the official Games-time intranet for the Paralympic Family. It will be available in all competition and some non-competition venues from 31 August 2016 and will contain the following information:

<table>
<thead>
<tr>
<th>INFO CONTENT</th>
<th>DETAILS</th>
</tr>
</thead>
<tbody>
<tr>
<td>BACKGROUND</td>
<td>Historical data, statistics, competition formats and rules, qualification criteria and venue descriptions</td>
</tr>
<tr>

</tr>
<tr>
<td>TRANSPORT</td>
<td>Transport schedules and maps</td>
</tr>
</tbody>
</table>
Info+ terminals will be available at NPC offices in the Paralympic Village. NPCs with a delegation size of 25+ (Aa, Ac, Ao) will receive additional desktop computer(s) with internet access and a myInfo+ account.

myInfo+ is the online version of Info+ and is available for anyone with an internet connection and log-in (username and password) from anywhere in the world. myInfo+ provides additional features not available on Info+, such as:

- user customisation (the ability for users to create their own schedules by selecting only those sports and events that interest them)
- news/event alerts via SMS/text message or email
- bookmarking of results, reports and other Games information
- hyperlinking to other websites, such as those of the IPC and IFs
- downloadable results books
- the ability to copy and paste information from results and news reports

**Medals and diplomas**

Medals and diplomas will be awarded in each event, as follows:

**FIRST PLACE**
A gold (silver gilt) medal, a diploma and a Paralympic medallist’s pin

**SECOND PLACE**
A silver medal, a diploma and a Paralympic medallist’s pin

**THIRD PLACE**
A bronze medal, a diploma and a Paralympic medallist’s pin

**FOURTH, FIFTH, SIXTH, SEVENTH AND EIGHTH PLACES**
A diploma

**Qualification and entries**

Entries to the Paralympic Games are the responsibility of the National Paralympic Committees (NPCs), upon recommendations provided by their respective National Organisations and based on qualification systems defined by the International Federations (IFs) and approved by the IPC. Detailed sport-by-sport qualification systems are available and regularly updated on the IPC website:

[www.paralympic.org/rio-2016/qualification](http://www.paralympic.org/rio-2016/qualification)
Classification  The purpose of the Paralympic sport classification system is to minimise the impact of impairment on the outcome of competition, so that the athletes who succeed in competition are those with the best anthropometry, physiology and psychology and who have enhanced them to best effect through hard training and quality coaching. To achieve this, athletes are grouped into classes according to how much their impairment impacts on their sport-specific performance.

All athletes at the Rio 2016 Paralympic Games must comply with their respective sport’s eligibility criteria, as stipulated in the Rio 2016 Paralympic Games Qualification Guide. This also applies to athletes submitted by their NPCs using a Bipartite Commission application, by a Universality Wild Card (UWC) application, or as substitutes between the final entries deadline and the DRM (where applicable).

Athlete-specific classification data (sport class and sport class status) will be uploaded onto the Sport Entries system from the Classification Master Lists provided to Rio 2016 by the respective IFs by 15 June 2016, consistent with the IPC’s zero-classification policy. NPCs should ensure that their athletes are classified before 15 June 2016. This will help to ensure that the online Sport Entries module is up to date, and will allow NPCs to enter their athletes into the correct events. Any changes in classification occurring after 15 June must be reported to the IPC and Rio 2016 immediately.

For more information on the classification rules specific to Triathlon, see the International Triathlon Union’s website.
DIRECTORY
Rio 2016 Organising Committee for the Olympic and Paralympic Games

Rio de Janeiro won the right to stage the Games of the XXXI Olympiad on 2 October 2009. The Rio 2016 Organising Committee for the Olympic and Paralympic Games (Rio 2016) is a private, not-for-profit sports association formed by the Brazilian Sports Federations, Brazilian Olympic Committee (COB) and Brazilian Paralympic Committee (CPB). It was assigned this mission by the International Olympic Committee (IOC) and International Paralympic Committee (IPC) and must follow their guidance, the Host City Contract, the Olympic Charter, the IPC Handbook, World Anti-Doping Agency (WADA) regulations and Brazilian law.

Rio 2016’s key partners include the Olympic Public Authority (APO), the Olympic Public Council, the Ministry of Sport, EGP-Rio, the Municipal Olympic Company (EOM), the Brazilian Olympic Committee (COB), the Brazilian Paralympic Committee (CPB) and a variety of international and Brazilian commercial partners.

International Paralympic Committee (IPC)

The global governing body of the Paralympic Movement, the International Paralympic Committee (IPC), organises the Paralympic Games and serves as the IF for ten sports, for which it supervises and coordinates the World Championships and other competitions. The IPC is committed to enabling Paralympic athletes to achieve sporting excellence and to developing sport opportunities for all persons with an impairment, from beginner to elite level. In addition, the IPC aims to promote the Paralympic values, which include courage, determination, inspiration and equality. Founded on 22 September 1989, the IPC is an international non-profit organisation formed by circa 170 National Paralympic Committees (NPCs) from five regions, 17 International Federations (IFs) and four impairment-specific international sports federations (IOSDs).

International Triathlon Union (ITU)

The International Triathlon Union was founded in the French city of Avignon on 1 April 1989. A total of 30 national federations attended the initial congress, when the Olympic competition distance was set at a 1.5km swim, a 40km bike ride and a 10km run. The first ITU World Cup Series was held in 1991, with 11 events staged in eight countries, and has continued since then. The ITU has since grown to include more than 157 national federations worldwide, and is also the international governing body for other lengths and variations of the sport.
