**Balance Computation Method:** Average Daily Balance (including new purchases)

The “Daily Balance” of a Credit Plan is determined by taking the opening balance of the Credit Plan for that day, and adding 1) any new purchase made on the Credit Plan that day, 2) the previous day’s Interest Charges, 3) any credit insurance premiums or debt cancellation fees (if applicable) incurred on that day and 4) any late fees, over the credit limit fees, returned payment fees or interest fees incurred on that day and subtracting any payments or credit applied to the Credit Plan that day. If your Account is subject to a grace period during the billing cycle, payments made during that cycle will be subtracted from all Daily Balances in the current cycle.

**Required Insurance, Debt Cancellation or Debt Suspension Coverage:** None.

**Disclosure of Rates:** The Daily Periodic Rate which is used to determine your Interest Charges and the corresponding Annual Percentage Rate, will be variable rates which may change monthly. The Daily Periodic Rate will be one-three hundred sixty fifth of the sum of the U.S. prime rate published in Money Rates table of The Wall Street Journal that is in effect on the last day of the month. (“Prime Rate”), plus a “Spread” of 11.74 to 21.65 percentage points for the Standard Rate and a “Spread” of 25.74 percentage points for the Penalty Rate. Any changes in the Prime Rate will take effect on the first day of your billing cycle beginning in the next month.

We need information about you to manage your Account. This includes:

(4) your Social Security number or other government identification number,

You must tell us when this information changes. We may ask you for additional documents to verify any changes. We may restrict or close your Account if we cannot verify your information, or if you do not provide it as requested.

Credit Limits

When you open your Account, we will tell you your credit limit. This will also appear on your Statement. We may also refer to your credit limit as your credit line.

You are responsible for keeping track of your balance and your available credit. You must manage your Account to remain below your credit limit. We may honor transactions above your credit limit, but if we do, these transactions will not increase your credit limit. You are responsible for paying for any transaction you make above your credit limit.

We may also increase, decrease, restrict or cancel your credit limit at any time. This will not affect your obligation to pay us.

Using Your Account

(1) This Agreement applies whether or not you use your Card or Account. It will continue to apply even after your Account is closed, as long as you have a balance.
(2) You must sign the Card immediately when you receive it.
(3) You must return the Card to us or destroy it if we ask you to.
(4) You must take reasonable steps to prevent the unauthorized use of your Card and Account.
(5) We may decline to authorize a transaction for any reason. This may occur even if the transaction would not cause you to go over your credit limit or your Account is not in default.
(6) We are not responsible for any losses you incur if we do not authorize a transaction.
(7) We are not responsible for any losses you incur if anyone refuses to accept your Card for any reason.
(8) You must not use, or try to use, the Card for any illegal activity. You are responsible for any charges if you do.
(9) We are not liable for any losses that may result when our services are unavailable due to reasons beyond our control.

Promotional Credit Plans

From time to time, we may offer one or more promotional Credit Plans prior to or at the time of your purchase. Only certain purchases may be eligible for promotional Credit Plans. The amount of your credit limit available for promotional Credit Plans may be limited. These plans may have special repayment terms and are conditioned on your timely payment of at least the required payment amount each Billing Cycle:

(1) Waived Interest Charge Credit Plan - With this plan, there are no Interest Charges on your purchase for a specified period.
(2) Reduced Rate Credit Plan - With this plan, you will receive a reduced Annual Percentage Rate (APR) on your purchase for a specified period.

Security Interest

As security for the payment of your Account balance, you grant us a purchase money security interest (Security Interest) in the following items financed using your Account:

(1) any goods you buy using your Account; and
(2) all insurance contracts and proceeds, returned premiums, mechanical failure and extended service contracts and refunds of charges for mechanical failure and extended service contracts.

Each good you buy using your Account:

(1) secures your entire Accounts balance and any other amounts owed under this Agreement; and
(2) may be taken from you if you do not pay on time or are otherwise in default as described in the Account Default section of this Agreement.

To decide when a good is paid in full and no longer subject to a Security Interest, your payments will be applied as described in the How We Apply Your Payments section of this Agreement. Once you have fully paid for any good, we will release our Security Interest in that good.

If we take or attempt to take possession of any good, we may charge you our costs and may require you to make the good available at a convenient place of our choice as allowed by law. Our costs may be related to:

(1) attempting to or repossessing the good;
(2) repairing the good;
(3) storing the good;
(4) selling the good; or
(5) any other costs allowed by law.

**Authorized Users**
If you ask us to issue a Card to any other person, they are an Authorized User. We may require certain information about them. We may limit their ability to use your Card. They may have access to certain information about your Account. You will be responsible for their use of the Account and anyone else they allow to use your Account, even if you did not want, or agree to, that use.

**Removing an Authorized User**
If you want to remove an Authorized User from your Account, you must contact Customer Service and request their removal. You also must immediately destroy all Cards in their possession and cancel any arrangements they may have set up on your Account. They will be able to use your Account until you have notified us that you are removing them from your Account. During this time, you will still be responsible for all amounts they charge to your Account. You will be responsible even if these amounts do not appear on your Account until later. Authorized Users may remove themselves from your Account upon request. We reserve the right to remove them from your Account for any reason. To remove them from your Account, we may close your existing Account and issue a new Card with a new Account number.

**Your Promise to Pay**
You promise to pay us all amounts due on your Account. This includes amounts where you did not sign a purchase slip or other documents for the transaction. We will treat transactions made without presenting your actual Card (such as for mail, telephone, Internet or mobile device purchases) the same as if you used the Card in person. If you let someone else use your Card, you are responsible for all transactions that person makes.

**Statements**
We will generally send or make available to you one Statement for all Cards on your Account at the end of each Billing Cycle. Under certain circumstances, the law may not require us to send or make available to you a Statement, or may prohibit us from doing so.

**Disputed Transactions**
You must inspect each Statement you receive. Tell us about any errors or questions you have, as described in the “Billing Rights Summary” on your Statement and other Truth-in-Lending Disclosures. If you do not notify us of an error, we will assume that all information on the Statement is correct.

If we credit your Account for all or part of a disputed transaction, you give us all of your rights against others regarding that transaction. You may also:
(1) give us any information about the disputed transaction, if we ask;
(2) not pursue any claim or reimbursement of the transaction amount from the merchant or any other person; and
(3) help us get reimbursement from others.

**No Warranties**
We are not responsible for any claim you may have regarding the purchase of goods or services made with your Card beyond your rights described in the “Billing Rights Summary” on your Statement.

**Lost or Stolen Card**
If your Card is lost or stolen or if you think someone else may be using your Card or Account number without your permission, you must contact Customer Service immediately. You will not be responsible for transactions on your Account that we find are unauthorized.

If we reimburse you for unauthorized transactions, you will help us investigate, pursue and get reimbursement from the wrongdoer. Your help includes giving us documents in a form that we request.

**Interest Charges and Fees**
We will charge Interest Charges and Fees to your Account as disclosed on your Statement and other Truth-in-Lending Disclosures. In general, Interest Charges begin to accrue from the date of a purchase. However, we will not charge you interest on any new purchases posted to your Account if you paid the total balance of your Account in full by the due date on your Statement each month.

If you have a Waived Interest Charge or Reduced Rate Credit Plan balance and the promotional period does not expire before your payment due date, we will exclude that promotional plan balance from the amount you must pay in full to avoid Interest Charges. However, you must still make any required payment on that excluded promotional balance.

We will generally treat Fees as purchase transactions unless otherwise specified below. These Fees apply to your Account only if your Truth-in-Lending Disclosures provide for them. We may increase your Interest Charges and Fees as described in the Changes to Your Agreement section or in your Truth-in-Lending Disclosures.

**Late Payment Fee**
We may charge you this Fee if we do not receive your payment as instructed on your Statement by the payment due date.

**Returned Payment Fee**
We may charge you this Fee each time your financial institution for any reason rejects a payment you make to us.

**Minimum Payment**
You must pay us at least the minimum payment due by the payment due date. The minimum payment for your Account includes the minimum payment due on each Credit Plan. Your Statement will tell you:

1. the minimum payment due,
2. your new balance,
3. the payment due date and
4. an explanation of when the payment must reach us for us to consider it received as of that date.

Returns and other credits to your Account will reduce your Account balance, but they will not change your minimum payment amount.

In addition to the minimum payment, you may pay all or part of the total balance on your Account. But, you must still pay at least the minimum payment amount each month, even if you paid more than the minimum payment due on the previous Statement. We will continue to charge Interest Charges during Billing Cycles when you carry a balance regardless of whether your Statement includes a minimum payment that is due. If your Account is 180 days past due, is part of a bankruptcy proceeding, or is otherwise charged off, the total balance is immediately due and payable.

**Making Payments**
Your payment must be made in U.S. dollars from a U.S. deposit account in a form acceptable to us. We do not accept cash payments through the mail. You may not make payments with funds from your Account or any other credit
account with us or any other company in the Capital One organization. You must send mailed payments to us as instructed on your Statement, unless we tell you otherwise.

Other Payment Services
We may make services available that allow you to make faster or recurring payments online or by telephone. We will describe the terms for using these services and any applicable Fee before you use them. You do not have to use these other payment services.

We are not responsible if your financial institution rejects a payment made using our payment services.

If you ask someone else to make a payment for you, we may provide that person with limited Account information necessary to set up and process that payment. We may also refuse to accept that payment. If we do accept it, you will be responsible for that payment even if a financial institution rejects it.

Payment Processing
We may accept and process payments without losing any of our rights. We may delay the availability of credit until we confirm that your payment has cleared. This may happen even if we credit your payment to your Account. We may resubmit and collect returned payments electronically. If necessary, we may adjust your Account to correct errors, process returned and reversed payments and handle similar issues.

When you send us an Item as payment, you authorize us to make a one-time electronic fund transfer from your deposit account. You also authorize us to process the payment as an Item. We may withdraw the funds from your deposit account as early as the same day we receive your payment. You will not receive your Item back from your bank. We will provide additional information about this process on your Statement.

We may use the information from an Item to create an electronic image. This electronic image may also be converted to a substitute check and may be processed in the same way we would process an Item. We will not be responsible if an Item you provide has physical features that when imaged result in it not being processed as you intended.

How We Apply Your Payments
In each Billing Cycle, we generally apply payments up to your minimum payment amount to satisfy the minimum payment due on each Credit Plan, first to the lowest APR Credit Plan balance and then to higher APR Credit Plan balances. We apply any part of your payment exceeding your minimum payment to the balance with the highest APR, and then to balances with lower APRs. We do this based on the APRs in effect and balances owed on the day your preceding Billing Cycle ended.

Items with Restrictive Words, Conditions, or Instructions
You must mail all Items bearing restrictive words, conditions, limitations or special instructions to:

Capital One
PO Box 1330

If you make such a payment or send any accompanying communications to any other address, we may reject it and return it to you. We may also accept it and process it without losing any of our rights.

Credit Balances
We may reject and return any payment that creates or adds to a credit balance on your Account. Any credit balance we allow will not be available until we confirm that your payment has cleared. We may reduce the amount of any credit balance by any new charges. You may write to the address provided on your Statement or call Customer Service to request a refund of any available credit balance.

Account Default
You will be in default if:

1. you do not make any payment when it is due;
2. any payment you make is rejected, not paid or cannot be processed;
3. you exceed a credit limit;
4. you file or become the subject of a bankruptcy or insolvency proceeding;
5. you are unable or unwilling to repay your obligations, including upon death or legally declared incapacity;
6. we determine that you made a false, incomplete or misleading statement to us, or you otherwise tried to defraud us; or
7. you do not comply with any term of this Agreement or any other agreement with us.

If you are in default, we may take certain actions with respect to your Account. For example, depending on the default, we may take the following actions, without notifying you, unless the law says that we must give you notice:

1. charge you Fees, or change the APRs and Fees on your Account, if provided in your Truth-in-Lending Disclosures;
2. close or suspend your Account;
3. lower your credit limit(s);
4. demand that you immediately pay the total balance owing on your Account;
5. exercise our rights as a secured party, including taking possession of any goods which remain subject to our Security Interest (as provided in the Security Interest section of this Agreement), when allowed by law;
6. continue to charge you Interest Charges and Fees as long as your balance remains outstanding; and/or
7. file a lawsuit against you, or pursue another action that is not prohibited by law. If we file a lawsuit, you agree to pay our court costs, expenses and attorney fees, unless the law does not allow us to collect these amounts.

Communications
You agree that we may communicate with you by mail, telephone, email, fax, prerecorded message, automated voice, text message or other means allowed by law regarding your Account.

You agree that we may contact you at any telephone number (including a mobile telephone number that you provide us), and use an automated telephone dialing system or similar device to do so. You agree that we may monitor or record any conversation or other communication with you.

Credit Reports
We may report information about your Account to credit bureaus and others. Late payments, missed payments or other defaults on your Account may be reflected in your credit report. Information we provide may appear on your and the Authorized Users’ credit reports.

If you believe that we have reported inaccurate information about your Account to a credit bureau or other consumer reporting agency, notify us in writing at PO Box 30258, Salt Lake City, UT 84130-0258. When you write, tell us the
specific information that you believe is incorrect and why you believe it is incorrect.

We may obtain and use credit, income and other information about you from credit bureaus and others as the law allows.

Closing or Suspending Your Account
You may contact Customer Service to ask us to close your Account.

We may close or suspend your Account at any time and for any reason permitted by law, even if you are not in default.

If we close or suspend your Account for any reason, you must stop using your Card. You must also cancel all billing arrangements set up on the Account. If we close or permanently suspend your Account, you must return or destroy all Cards. You must still pay us all amounts you owe on the Account.

Changes to Your Agreement
At any time, we may add, delete or change any term of this Agreement, unless the law prohibits us from doing so. We will give you notice of any changes as required by law.

We may notify you of changes on your Statement or in a separate notice. Our notice will tell you when and how the changes will take effect. The notice will describe any rights you have in connection with the changes.

Your variable APRs (if applicable) can go up or down as the index for the rate goes up or down. If we increase your APRs for any other reason, or if we change your Fees or other terms of your Account, we will notify you as required by law.

The Law That Applies to Your Agreement
We make decisions to grant credit and issue you a Card from our offices in Virginia. This Agreement is governed by applicable federal law and by Virginia law. If any part of this Agreement is unenforceable, the remaining parts will remain in effect.

Waiver
We will not lose any of our rights if we delay or choose not to take any action for any reason. We may waive our right without notifying you. For example, we may waive your Interest Charges or Fees without notifying you and without losing our right to charge them in the future.

Assignment
This Agreement will be binding on, and benefit, any of your and our successors and assigns. You may not sell, assign or transfer your Account or this Agreement to someone else without our written permission.

We may sell, assign or transfer your Account and this Agreement without your permission and without prior notice to you. Any assignee or assignees will take our place under this Agreement. You must pay them and perform all of your obligations to them and not us. If you pay us after we notify you that we have transferred your Account or this Agreement, we can return the payment to you, forward the payment to the assignee or handle it in another way that is reasonable.
