Do “No Gun Signs” Have the Force of Law?

“NO”

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

“No Firearm” signs in Montana have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

Must Inform Officer Immediately on Contact By Law?

“NO”

(b) the person bearing the permit is also in possession of an official photo identification of the person, whether on the permit or on other identification; and

Note: I can’t find any mention in Montana Law that state residents carry their permit on their person but their law does say those carrying in Montana with a permit they honor must carry their Permit and ID.

RV/Car Carry Without a Permit/License

Montana Attorney Web Site states the following:

“Montana has no prohibitions against carrying a weapon in a motor vehicle, although federal rules may apply in national parks.”
According to the AG you can carry a firearm inside your vehicle without a permit. The definition of concealed in Montana is "wholly or partially covered by clothing or wearing apparel".

Montana law is quiet on carrying a firearm in a vehicle. There is no mention of it being illegal to carry a loaded or unloaded firearm in a vehicle. What Montana law does say is this:

**45-8-315. Definition.**

"Concealed weapon" means any weapon mentioned in 45-8-316 through 45-8-318 and 45-8-321 through 45-8-328 that is wholly or partially covered by the clothing or wearing apparel of the person carrying or bearing the weapon, except that for purposes of 45-8-321 through 45-8-328, concealed weapon means a handgun or a knife with a blade 4 or more inches in length that is wholly or partially covered by the clothing or wearing apparel of the person carrying or bearing the weapon.

**45-8-316. Carrying Concealed Weapons.**

(1) A person who carries or bears concealed upon the individual's person a dirk, dagger, pistol, revolver, slingshot, sword cane, billy, knuckles made of any metal or hard substance, knife having a blade 4 inches long or longer, razor, not including a safety razor, or other deadly weapon shall be punished by a fine not exceeding $500 or by imprisonment in the county jail for a period not exceeding 6 months, or both.

**45-8-317. Exceptions.** (1) Section 45-8-316 does not apply to:

(h) (i) A person who is outside the official boundaries of a city or town or the confines of a logging, lumbering, mining, or railroad camp or who is lawfully engaged in hunting, fishing, trapping, camping, hiking, backpacking, farming, ranching, or other outdoor activity in which weapons are often carried for recreation or protection; or
(j) the carrying of arms on one's own premises or at one's home or place of business.

So you can carry concealed outside Cities, Towns, Logging, Lumbering, Mining and Railroad Camps without any type of permit. In or out of your car. But since Montana law defines concealed as cover or partially covered by clothing you can carry a loaded handgun in the Glove Box or Console in the Cities, Towns etc in Montana without any type of permit/license.

The law has to state what is illegal. If it doesn’t mention it then it is legal.

**Open Carry (Without a Valid Permit/License)**

Open Carry is legal in Montana. Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. A county, city, town, consolidated local government, or other local government unit has power to prevent and suppress the carrying of concealed or unconcealed weapons to a public assembly, publicly owned building, park under its jurisdiction, or school. Montana Statute 45-8-344 states those 14 and over can possess a firearm. Possession by a person under 18 is against federal law. I would not open carry under 18 years of age.

This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check www.handgunlaw.us
with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

State Preemption

45-8-351. Restriction on Local Government Regulation of Firearms.

(1) Except as provided in subsection (2), a county, city, town, consolidated local government, or other local government unit may not prohibit, register, tax, license, or regulate the purchase, sale or other transfer (including delay in purchase, sale, or other transfer), ownership, possession, transportation, use, or unconcealed carrying of any weapon, including a rifle, shotgun, handgun, or concealed handgun.

(2) (a) For public safety purposes, a city or town may regulate the discharge of rifles, shotguns, and handguns. A county, city, town, consolidated local government, or other local government unit has power to prevent and suppress the carrying of concealed or unconcealed weapons to a public assembly, publicly owned building, park under its jurisdiction, or school, and the possession of firearms by convicted felons, adjudicated mental incompetents, illegal aliens, and minors.

(b) Nothing contained in this section allows any government to prohibit the legitimate display of firearms at shows or other public occasions by collectors and others or to prohibit the legitimate transportation of firearms through any jurisdiction, whether in airports or otherwise.

(c) A local ordinance enacted pursuant to this section may not prohibit a legislative security officer who has been issued a concealed weapon permit from carrying a concealed weapon in the state capitol as provided in 45-8-317. History: En. Sec. 1, Ch. 589, L. 1985; amd. Sec. 11, Ch. 759, L. 1991; amd. Sec. 3, Ch. 384, L. 2011.

Carry in Restaurants That Serve Alcohol

NO (Concealed)      YES (Openly) 45-8-328

Note: In Montana you can’t carry concealed but you can open carry in a restaurant that serves alcohol. If asked to leave the restaurant you must leave.
**Note:** A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.
