Dear Friends:

This Calendar of Events, compiled by the Town of Hempstead Office of Tourism, details many of the outstanding activities for residents and visitors alike during the month of August.

The town is now accepting photos for the annual calendar photo contest. Residents are asked to submit their own original photographs that depict a seasonal Town of Hempstead event, park or neighborhood scene. Winning photos will appear in the town’s full color 2017 calendar.

The town’s popular free neighborhood concerts and the children’s summer festival continue throughout the month at various town parks.

Tourism affords an opportunity for residents and visitors to enjoy many services, facilities and programs within the township. Hempstead continues to offer top-notch programs and services at the same time as town officials have frozen total town taxes for 2016.

Please enjoy everything that America’s largest township has to offer.

Sincerely,

ANTHONY J. SANTINO
Supervisor
