1. Payment of Fees
Fees must be paid before visa documents are issued and no later than 14 days before arrival. In Australia, students with multiple study periods must pay the total due on enrolment before visa documents are issued and no later than 14 days before arrival. Subsequent instalment payments must be received in accordance with the due dates stated on the invoice. In California, students with programmes more than 16 weeks in duration may elect to pay in full or to pay tuition in instalments. Students choosing to pay in instalments must pay the total due on enrolment before visa documents are issued and no later than 14 days before arrival. Transfer and accommodation documents will be released 14 days prior to arrival once payment has been received in full (See 2.2.2.4). We reserve the right to add a fee of 2% of the payment amount to any late payment. Payments made using a credit card may be subject to processing fees.

2. Services
Embassy English reserves the right to change details of its services, including fees and programme duration, as circumstances beyond Embassy English's control necessitate such changes or where the number of enrolments is not enough to operate a course viably.

3. Course Entry Levels
Most courses require minimum levels of English for entry. If after the placement test, a student is found to be below the minimum level required to start the course, Embassy English reserves the right to place the student in a class appropriate to the student's language level and a different curriculum. Where this results in extending the duration of a student's course, Embassy English may need to issue a new Certificate of Enrolment. Students may be transferred to the nearest Embassy English Centre running a lower level course.

4. Changes to Enrolments
Embassy English reserves the right to charge an Administration Fee (GBP50, CAD$120, AUD$120, NZD$120) each time a course or accommodation is cancelled after the withdrawal deadline has been confirmed. Additionally, when a request for a previously confirmed accommodation is received less than 7 days in advance of the date that an equivalent weekly accommodation penalty fee will be charged. These fees will not apply to upgraded or extended courses.

5. Changes to Airport Transfers
Notification of change to airport transfers must be sent in writing more than 3 days prior to the designated arrival time. If notice is not received Embassy English cannot be held liable for operational errors, and an additional transfer and/or Administration Fee may be applied.

6. Accommodation and Travel details
Accommodation and travel confirmations will be provided no less than 4 days prior to the start date of all enrolments received less than 4 weeks in advance of course start date. Accommodation and transfer confirmation will be provided no less than 4 days prior to the start date of all enrolments received less than 4 weeks in advance of course start date.

7. Accident and Medical Insurance
It is necessary to ensure that you have appropriate accident and medical insurance. Students must provide proof of adequate cover at enrolment. Embassy English also offers insurance coverage called StudyCare. Coverage through the StudyCare insurance policy does not commence until the insurance fees, which are non-refundable, have been paid in full. StudyCare is not available to students within Australia. In the UK, students not wishing to take StudyCare must present an equivalent insurance certificate or European Health Insurance card on arrival.

8. General Refund Policy
Embassy English defines a full course of study as the initial enrolment period. Extensions are considered new enrolment periods. All refunds will be sent to the account of the Embassy English representative to which the fees were paid from. Where students enrol directly with Embassy English, a refund of the tuition fees will be made 45 days following the date of the refund. In Australia, to cover them from when they arrive. This ensures they have adequate health arrangements while studying in Australia. If the student chooses for Embassy English to arrange OSHC for the first year of their programme, it is their responsibility to either extend or take out OSHC for the rest of their time in Australia. The student must evidence of cover for the entire study period before a Confirmation of Enrolment will be issued. There will be no refund of OSHC insurance paid-otherwise. In Canada, StudyCare is mandatory for students taking the International Internship Programme and the Work Placement programme.

9. Cancellation Policy
Embassy English defines a cancellation as a change occurring before the start date of the first course. All cancellations must be made in writing to our International Admissions Centre and the following refund policies apply. Enrolment Fee, Courier Fee, Accommodation Placement Fee, or Administration Fee are non-refundable (in the USA, maximum of $100).

10. Tuition Refunds before Arrival
In the UK and Canada, where cancellations are received within more than 14 days prior to the first course start date, 100% of the tuition fees will be refunded, but any courier fee, enrolment fee, UK Visa application fee (CAS) and added administration fees are non-refundable (in the USA, not to exceed $500). Where cancellations are received in writing 14 days or less prior to the first course start date students will be charged GBP250 (UK) or CAD315 (Canada), in addition to the fees listed in this paragraph.

In Russia, for pre-arrival visa refusal, the following applies: Embassy English agrees to refund within 28 days, tuition and non-tuition fees paid where the student produces acceptable evidence that the visa application in question was rejected by a visa issuing authority. The amount of the refund is the fees paid by or on behalf of the student, minus the lesser of the following amounts that will be retained: (1) 5% of the amount of fees received (pre-paid tuition fees, non-tuition fees).

b) $300 for non-student visa refusal and general cancellation, including student visa application fees.

c) $300 for student visa refusal and general cancellation, including student visa application fees.

b) For cancellations less than 48 hours before arrival, an amount equivalent to 4 weeks of accommodation will be charged, or the full accommodation fee if the booking is less than 4 weeks in duration (except in USA).

11. Withdrawal Policy
Embassy English defines withdrawal as termination of a course after the first course has started. Any withdrawal made in writing to the Centre Director of the Embassy English school where the student is studying. Enrolment Fee, Courier Fee, Accommodation Placement Fee, and StudyCare are non-refundable (in the USA, maximum of $100).

Tuition Refunds after Arrival
Written notification of withdrawal of a student's application for making refunds. If a student breaches the visa conditions, no refund of the tuition fees will be made.

USA
Refunds are calculated from the Friday of the last week of attendance.

a) If a student has completed less than 60 percent of the initial enrolment period, a full refund will be made. The extension, Embassy English will retain a pro-rated amount of refund at the non-discounted (General English) rate.

b) If a student has completed more than 60 percent of the total enrolment period, Embassy English will not refund any unused tuition.

c) No Shows. Full tuition fees will be refunded.

When determining the number of weeks completed by the student, Embassy English considers a partial week the same as a whole week if only a part of a week was completed. All refunds due will be made 45 days following the date of cancellation and paid to the account from which original payment was made.

UK, Canada and Australia
No tuition fees will be refunded to students who notify the Embassy English Centre of their withdrawal after the commencement of their first course. When a student has enrolled in multiple locations/courses, the course start date for the purpose of this clause is that of the initial Embassy English course.

New Zealand
a) Where students withdraw not later than 34 days duration if the student withdraws within the first 2 days of the course, they will receive 50% of the total fees paid. If they withdraw after the first 2 days, no refund is made.
