GETTING TO EMIRATES STADIUM

By Tube and Rail

King’s Cross is the main connecting station for national rail and many underground lines. The following stations are within 15 minutes walk of Emirates Stadium:

• Arsenal (Piccadilly Line)
• Finsbury Park (Victoria Line, Piccadilly Line, Great Northern Rail)
• Highbury & Islington (Victoria Line, North London Line, Great Northern Rail)

Please note that Holloway Road station will be exit-only before and after Arsenal first team matches, with pre-match eastbound trains not stopping. Drayton Park is closed on match days. To plan your journey, click here.

By Car/Coach

We advise supporters not to drive to Emirates Stadium where possible. The ground is situated in a mainly residential area with an extensive Event Day Parking Scheme in operation. Any cars parked illegally will be towed away. For full details on matchday parking restrictions, click here.

Leave the M1 at Junction 2 and go onto the A1, following the signs for City (Central London). Keep going on the A1 for around six miles, until you see Holloway Road Tube Station on your right. Take the next left at the traffic lights into Hornsey Road and the stadium is about a 1/4 of a mile further down this road.

Coaches booked through the visiting club are able to park adjacent to Emirates Stadium or in Finsbury Park, a ten minute walk away.

Supporters looking to arrange independent coach travel to Emirates Stadium should click here for information, and to apply for the necessary permit.
INFORMATION FOR DISABLED SUPPORTERS
TRAVELLING TO EMIRATES STADIUM

Parking
A limited amount of match day parking for Blue Badge holders is available inside the stadium. These spaces must be booked in advance. Please contact your club for full details.

Some on-street parking is also available for Blue Badge holders either in dedicated Blue Badge Bays or vacant residents’ bays. Please note that you would need to arrive in the vicinity more than two hours before kick-off. Please remember to clearly display both your Blue Badge and clock. For further information on street parking in the area, click here.

By Taxi
All London Style ‘Black Cabs’ are wheelchair accessible and can provide a suitable alternative to the bus or car. Suggested drop off points are outside the Armoury Store (on Hornsey Road) at the southern end of the stadium or on Drayton Park by the Danny Fiszman Bridge, which leads directly to the south-east side of the Stadium.

By Underground/Rail
Unfortunately, none of the underground or overground stations around the stadium are wheelchair accessible. However, some ambulant disabled people (e.g. people using walking sticks) may be able to use them. The nearest stations are Arsenal, Highbury & Islington, Holloway Road (please note that Holloway Road is closed for two hours after matches/events at Emirates Stadium) and Finsbury Park. Click here for more information.

Buses
All Transport for London (TFL) bus routes are now wheelchair accessible. The bus stops close to the stadium are located on Holloway Road, Nags Head, Seven Sisters Road, Blackstock Road and Highbury Corner. Click here for more information.
EATING AND DRINKING AT EMIRATES STADIUM

Refreshments are available in the Away Supporters’ Area at Emirates Stadium from 6.30pm ahead of evening games, and two hours ahead of afternoon matches.

An ‘Early Bird’ special is on offer up to 45 minutes before kick-off, with supporters able to purchase a pie and pint/large soft drink for £5.

Please note that no alcohol is served in the Away Supporters’ Area at Emirates Stadium on UEFA Champions League nights.

There are no cash machines inside Emirates Stadium and supporters wishing to purchase refreshments are advised to bring cash. Queues to pay by card are sometimes significantly longer.

ATM machines can be found by the Tesco on Drayton Park and next to The Arsenal Highbury House store on Drayton Park.
THINGS TO DO AROUND EMIRATES STADIUM

Away supporters traditionally congregate in Drayton Park before and after games and there are pubs, restaurants and cafés in this area that are very welcoming to visiting fans.

Please note that some pubs in and around Emirates Stadium restrict access to away supporters on matchdays. Supporters should also be aware that the area is a Controlled Drinking Zone on a matchday. For full details, click here.

Islington has a wide range of attractions for supporters looking to make the most of their visit to North London. For full details, click here.

For information on hotels in the Islington area, click here.

Central London is only 30 minutes away by tube.
Away supporters play a key part in making the atmosphere at Emirates Stadium what it is, and are welcome to bring flags and banners to the ground, as long as they meet the Club's safety requirements. They must not exceed 1m in height or width, and be displayed on a pole no thicker than a pencil. Please note that the Club reserves the right to turn banners away on the grounds of offensive content. See the Ground Regulations for more details.

Supporters are also welcome to bring refreshments - snacks and soft drinks brought in small plastic bottles or flasks - to Emirates Stadium. Please note that alcohol cannot be brought into the ground.

Supporters are reminded that they are subject to the terms and conditions of the Ground Regulations, as well as the rules and regulations of the relevant competition.
