QuarryMaster® 10”

The 10” QuarryMaster® is designed for the same purpose as the larger machines, except it can be used in small and confined areas. It has most of the same quality features as the 17”/20”/24” QuarryMasters®.

Features

Oversize Handle Grips
For operator’s comfort.

Heavy-Duty Switch
Set in a die cast aluminum switch box, won’t chip or rust.

Flexible Dual Triggers
Left or right hand operation, non-conductive and have built-in safety lockouts to prevent accidental startup.

50 Ft. Power Cord
3-wire safety yellow with water-resistant jacket.

4 Gallon Plastic Solution Tank
Dispenses liquid for scrubbing, polishing and diamond cutting. Won’t rust or corrode.

Accessories and Chemicals

3” Marble Triple Thick Resin Diamond Disks

Crystal Clear™ Marble Finish

This is the final touch after diamond restoration or maintenance process on marble and terrazzo as a continuing maintenance program.

Crystal Clear™ creates a harder, more durable surface to protect the floor, while enhancing the color.
