MyKaplan - Your Personalised Online Study Space

MyKaplan, your personalised online study space, has many features to help you manage your courses and learning better, such as: course calendars, task reminders, 'email my tutor' button and access to your online forums. You will also have all your subject-specific study resources, via the Learning and Testing tab, which are released at strategic points throughout the course. These will be allocated into folders, to help you identify where each resource is designed to fit into your overall programme of study. The folders are Prepare, Practise and Perform. Your resources may include:

### Tuition Course Resources
- **Course Programmes**: A daily schedule for your studies, including classroom and homework questions, plus details of chapters for you to review at home.
- **Essential Foundation section**: Applicable to relevant papers only. Test your underpinning knowledge and watch a tutor explain 'So you think you know.... Basic Maths, Financial Accounting, Management Accounting, Investment Appraisal & Consolidation'.
- **Online Text**: Same as your text book, with added links allowing you to easily jump between chapters and topics.
- **Knowledge Check Tests**: These are set by your tutors throughout your course and are designed to help you assess which topics you need to concentrate your studies on. You can compare your results, confidentially, to your peers’ results.
- **Assessments**: Questions and later answers, for the interim and final assessments.
- **Online Tuition Recordings**: Recap and refresh topics by watching a video of a live online class.
- **Articles & Past Exam Papers**: All the latest technical articles and past exam papers from ACCA, in one convenient place.

### Revision Course Resources
- **i-paper Pocket Notes**: Easy to use revision aid.
- **i-paper Exam Kit**: Your exam kit in an i-paper format, so you can practice questions anytime.
- **Key Examinable Areas**: Our thoughts on the most likely topics to appear in the exams.
- **Signposts & Clocks**: These link to marked questions in your Exam Kit. A tutor will give you hints and tips on screen, on how to approach and answer the question, in an online video.
- **Mock Exam Qs & As**: Exam standard questions for you to practice and answers available once completed.
