WEST VIRGINIA CODE CHAPTER 11. TAXATION.
ARTICLE 16. NONINTOXICATING BEER.

§11-16-1. Short title.

This article shall be known and may be cited as "The Nonintoxicating Beer Act."

§11-16-2. Declaration of legislative findings, policy and intent; construction.

It is hereby found by the Legislature and declared to be the policy of this state that it is in the public interest to regulate and control the manufacture, sale, distribution, transportation, storage and consumption of the beverages regulated by this article within this state and that, therefore, the provisions of this article are a necessary, proper and valid exercise of the police powers of this state and are intended for the protection of the public safety, welfare, health, peace and morals and are further intended to eliminate, or to minimize to the extent practicable, the evils attendant to the unregulated, unlicensed and unlawful manufacture, sale, distribution, transportation, storage and consumption of such beverages and are further intended to promote temperance in the use and consumption thereof. In order to further these ends, the provisions of this article and of the rules and regulations promulgated pursuant thereto, shall be construed so that the accomplishment of these stated purposes may be effectuated.

§11-16-3. Definitions.

For the purpose of this article, except where the context clearly requires differently:

(1) "Brand" means a nonintoxicating beer product manufactured, brewed, mixed, concocted, blended, bottled or otherwise produced, or imported or transhipped by a brewer or manufacturer, the labels of which have been registered and approved by the commissioner that is being offered for sale or sold in West Virginia by a distributor who has been appointed in a valid franchise agreement or a valid amendment thereto.

(2) "Brewer" or "manufacturer" means any person manufacturing, otherwise producing or importing or transshipping nonintoxicating beer or nonintoxicating craft beer for sale at wholesale to any licensed distributor. Brewer or manufacturer may be used interchangeably throughout this article. A brewer may obtain only one brewer's license for its nonintoxicating beer or nonintoxicating craft beer.

(3) "Brewpub" means a place of manufacture of nonintoxicating beer or nonintoxicating craft beer owned by a resident brewer, subject to federal and state regulations and guidelines, a portion of
which premises are designated for retail sales of nonintoxicating beer or nonintoxicating craft beer by the resident brewer owning the brewpub.

(4) "Class A retail license" means a retail license permitting the retail sale of liquor at a freestanding liquor retail outlet licensed pursuant to chapter sixty of this code.

(5) "Class B retail license" means a retail license permitting the retail sale of liquor at a mixed retail liquor outlet licensed pursuant to chapter sixty of this code.

(6) "Commissioner" means the West Virginia Alcohol Beverage Control Commissioner.

(7) "Distributor" means and includes any person jobbing or distributing nonintoxicating beer or nonintoxicating craft beer to retailers at wholesale and whose warehouse and chief place of business shall be within this state. For purposes of a distributor only, the term "person" means and includes an individual, firm, trust, partnership, limited partnership, limited liability company, association or corporation. Any trust licensed as a distributor or any trust that is an owner of a distributor licensee, and the trustee or other persons in active control of the activities of the trust relating to the distributor license, is liable for acts of the trust or its beneficiaries relating to the distributor license that are unlawful acts or violations of article eleven of this chapter notwithstanding the liability of trustees in article ten, chapter forty-four-d of this code.

(8) "Franchise agreement" means the written agreement between a brewer and a distributor that is identical as to terms and conditions between the brewer and all its distributors, which agreement has been approved by the commissioner. The franchise agreement binds the parties so that a distributor, appointed by a brewer, may distribute all of the brewer's nonintoxicating beer products, brands or family of brands imported and offered for sale in West Virginia, including, but not limited to, existing brands, line extensions and new brands all in the brewer's assigned territory for the distributor. All brands and line extensions being imported or offered for sale in West Virginia must be listed by the brewer in the franchise agreement or a written amendment to the franchise agreement. A franchise agreement may be amended by mutual written agreement of the parties as approved by the commissioner with identical terms and conditions for a brewer and all of its distributors. Any approved amendment to the franchise agreement becomes a part of the franchise agreement. A brewer and a distributor may mutually agree in writing to cancel a franchise agreement. A distributor terminated by a brewer as provided in this article and the promulgated rules no longer has a valid franchise agreement. If a brewer has reached an agreement to cancel a distributor or has terminated a distributor, then a brewer may appoint a successor distributor who accedes to all the rights of the cancelled or terminated distributor.

(9) "Franchise distributor network" means the distributors who have entered into a binding written franchise agreement, identical as to terms and conditions, to distribute nonintoxicating beer products, brands and line extensions in an assigned territory for a brewer. A brewer may only have one franchise distributor network: Provided, That a brewer that has acquired the manufacturing, bottling or other production rights for the sale of nonintoxicating beer at wholesale from a selling brewer as specified in subdivision (2), subsection (a), section twenty-one of this article shall continue to maintain and be bound by the selling brewer's separate franchise distributor's network for any of its existing brands, line extensions and new brands.
"Freestanding liquor retail outlet" means a retail outlet that sells only liquor, beer, nonintoxicating beer and other alcohol-related products, as defined pursuant to section four, article three-a, chapter sixty of this code.

"Growler" means a container or jug that is made of glass, ceramic, metal or other material approved by the commissioner, that may be only thirty-two or sixty-four fluid ounces in size and must be capable of being securely sealed. The growler is utilized by an authorized licensee for purposes of off-premise sales only of nonintoxicating beer or nonintoxicating craft beer for personal consumption not on a licensed premise and not for resale. Notwithstanding any other provision of this code to the contrary, a securely sealed growler is not an open container under federal, state and local law. A growler with a broken seal is an open container under federal, state and local law unless it is located in an area of the motor vehicle physically separated from the passenger compartment. The secure sealing of a growler requires the use of a tamper-resistant seal, security tape or other material, as approved by the commissioner, placed on or over the growler's opening, which seal, security tape or other material is clearly marked with the date of the secure sealing by the authorized licensee who is selling the growler.

"Line extension" means any nonintoxicating beer product that is an extension of brand or family of brands that is labeled, branded, advertised, marketed, promoted or offered for sale with the intent or purpose of being manufactured, imported, associated, contracted, affiliated or otherwise related to a brewer's existing brand through the use of a brewer, its subsidiaries, parent entities, contracted entities, affiliated entities or other related entities. In determining whether a nonintoxicating beer product is a line extension, the commissioner may consider, but is not limited to, the following factors: Name or partial name; trade name or partial trade name; logos; copyrights; trademarks or trade design; product codes; advertising promotion or pricing.

"Nonintoxicating beer" means all natural cereal malt beverages or products of the brewing industry commonly referred to as beer, lager beer, ale and all other mixtures and preparations produced by the brewing industry, including malt coolers and nonintoxicating craft beers with no caffeine infusion or any additives masking or altering the alcohol effect containing at least one half of one percent alcohol by volume, but not more than nine and six-tenths of alcohol by weight, or twelve percent by volume, whichever is greater. The word "liquor" as used in chapter sixty of this code does not include or embrace nonintoxicating beer nor any of the beverages, products, mixtures or preparations included within this definition.

"Nonintoxicating beer sampling event" means an event approved by the commissioner for a Class A retail licensee to hold a nonintoxicating beer sampling authorized pursuant to section eleven-a of this article.

"Nonintoxicating beer sampling day" means any days and hours of the week where Class A retail licensees may sell nonintoxicating beer pursuant to section eleven-a and subdivision (1), subsection (a), section eighteen of this article, and is approved, in writing, by the commissioner to conduct a nonintoxicating beer sampling event.

"Nonintoxicating craft beer" means any beverage obtained by the natural fermentation of barley, malt, hops or any other similar product or substitute and containing not less than one half
of one percent by volume and not more than twelve percent alcohol by volume or nine and six-tenths percent alcohol by weight with no caffeine infusion or any additives masking or altering the alcohol effect.

(17) "Original container" means the container used by a resident brewer or brewer at the place of manufacturing, bottling or otherwise producing nonintoxicating beer or nonintoxicating craft beer for sale at wholesale.

(18) "Person" means and includes an individual, firm, partnership, limited partnership, limited liability company, association or corporation.

(19) "Private club" means a license issued pursuant to article seven, chapter sixty of this code.

(20) "Resident brewer" means any brewer or manufacturer of nonintoxicating beer or nonintoxicating craft beer whose principal place of business and manufacture is located in the state of West Virginia and which does not brew or manufacture more than twenty-five thousand barrels of nonintoxicating beer or nonintoxicating craft beer annually, and does not self-distribute more than ten thousand barrels thereof in the state of West Virginia annually.

(21) "Retailer" means any person selling, serving, or otherwise dispensing nonintoxicating beer and all products regulated by this article, including, but not limited to, malt coolers at his or her established and licensed place of business.

(22) "Tax Commissioner" means the Tax Commissioner of the State of West Virginia or the commissioner's designee.

§11-16-4. Responsibility of alcohol beverage control commissioner; administrators, employees and agents; administration and enforcement expenses.

(a) The alcohol beverage control commissioner described under the provisions of article two, chapter sixty of this code shall have sole responsibility for the administration of this article, except for those responsibilities expressly vested in the tax commissioner under sections thirteen, fourteen and fifteen of this article.

All acts heretofore performed by the nonintoxicating beer commissioner under previous proceedings of this article are hereby again ratified and confirmed, and the commissioner shall succeed to the same position previously maintained by the nonintoxicating beer commissioner in all proceedings and official acts instituted and perfected under the provisions of this article prior to the effective date of this section.

(b) The commissioner shall appoint an adequate number of competent persons to serve as administrators, employees and agents of the commissioner for the purpose of keeping all necessary accounts and records required under the provisions of this article; investigating the books, accounts, records and other papers of retailers, distributors and brewers; investigating applicants for license and the places of business of retailers, distributors and brewers; procuring evidence with respect to violations of the provisions of this article, and particularly for use at hearings held by the commissioner and on proceedings instituted in court for the purpose of revoking or suspending licenses hereunder; and such administrators, employees and agents shall perform such
other duties as the commissioner may direct. Such administrators, employees and agents shall have
the right to enter any licensed premises in the state in the performance of their duties at any hour
of the day or night when beer is being sold or consumed on such licensed premises. Refusal by
any licensee or by any employee of a licensee to permit such administrators, employees or agents
to enter the licensed premises shall be an additional cause for revocation or suspension of the
license of such licensee by the commissioner. The compensation of such administrators, 
employees and agents shall be fixed by the commissioner. Provided, That the commissioner may
employ up to eleven special investigators who shall be nonclassified exempt employees of the
division. 

(c) Services rendered the state by clerks, sheriffs, commissioners in chancery and special
commissioners, designated by the court, and court reporters and stenographers performing services
for said commissioner and fees of witnesses summoned on behalf of the state in proceedings to
revoke or suspend retailer's licenses shall be treated as part of the expenses of administration and
enforcement, and such officers and said other persons shall be paid the same fees and charges as
would be chargeable for like services performed for an individual; and the compensation of such
clerks, sheriffs and other persons shall be paid out of the amount allocated for the expense of
administration enforcement, after the amount of such fees and other charges shall be certified by
the court to the auditor.

§11-16-5. State license required; alcoholic content of beer manufactured for sale without
state.

No person shall manufacture, sell, possess for sale, transport or distribute nonintoxicating beer
except in accordance with the provisions of this article, and after first obtaining a state license
therefor, as provided in this article. Nothing contained in this article shall prohibit any brewer
located within the state from manufacturing or transporting for sale without the state beer of an
alcoholic strength greater than that of nonintoxicating beer.

§11-16-6. License in one capacity only; no connection between different licensees; when
brewer may act as distributor; credit and rebates proscribed; brewer, resident brewer and
brewpub requirements.

(a) No person shall be licensed in more than one capacity under the terms of this article, and there
shall be no connection whatsoever between any retailer, distributor, resident brewer or brewer, and
no person shall be interested, directly or indirectly, through the ownership of corporate stock,
membership in a partnership, or in any other way in the business of a retailer, if such person is at
the same time interested in the business of a brewer, resident brewer or distributor. A resident
brewer may act as distributor in a limited capacity for his or her own product from such resident
brewery, place of manufacture or bottling, but a resident brewer is not permitted to act as a
distributor as defined in section three of this article: Provided, That nothing in this article may
prevent a resident brewer from using the services of licensed distributors as specified in this article.
A resident brewer or distributor may sell to a patron for personal use and not for resale quantities
of draught beer in original containers that are no larger in size than one-half barrel for off-premises
consumption. A resident brewer who also has a brewpub license may sell nonintoxicating beer or
nonintoxicating craft beer produced by the resident brewer in cans, bottles or sealed growlers,
pursuant to section six-b of this article, for personal consumption off of the brewpub's licensed premises and not for resale.

(b) It is unlawful for any brewer, resident brewer, manufacturer or distributor to assist any retailer or for any retailer to accept assistance from any brewer, manufacturer or distributor, accept any gifts, loans, forebearance of money or property of any kind, nature or description, or other thing of value, or give any rebates or discounts of any kind whatsoever, except as may be permitted by rule, regulation or order promulgated by the commissioner in accordance with this article.

(c) Notwithstanding subsections (a) and (b) of this section, a brewpub may offer for retail sale nonintoxicating beer or nonintoxicating craft beer so long as the sale of the nonintoxicating beer or nonintoxicating craft beer is limited to the brewpub's licensed premises, except as provided in section six-b of this article.

§11-16-6a. Brewer and resident brewer license to manufacture, sell and provide complimentary samples.

A licensed brewer or resident brewer under this section must sanitize, fill, securely seal and label any growler prior to its sale. A licensed brewer or resident brewer under this section may only offer for retail sale up to two 64-ounce, or four 32-ounce, growlers of nonintoxicating beer or nonintoxicating craft beer manufactured by the licensed brewer or resident brewer per customer per day for personal consumption off of the licensed premises and not for resale. §11-16-8. Form of application for license; fee and bond; refusal of license.

(a) A license may be issued by the commissioner to any person who submits an application, accompanied by a license fee and, where required, a bond, and states under oath:

(1) The name and residence of the applicant, the duration of such residency, that the applicant has been a resident of the state for a period of two years preceding the date of the application and that the applicant is twenty-one years of age. If the applicant is a firm, association, partnership, limited partnership, limited liability company or corporation, the application shall include the residence of the members or officers for a period of two years preceding the date of such application. If a person, firm, partnership, limited partnership, limited liability company, association, corporation or trust applies for a license as a distributor, such person, or in the case of a firm, partnership, limited partnership, limited liability company, association or trust, the members, officers, trustees or other persons in active control of the activities of the limited liability company, association or trust relating to the license, shall state under oath that each has been a bona fide resident of the state for four years preceding the date of such application. If the applicant is a trust or has a trust as an owner, the trustees or other persons in active control of the activities of the trust relating to the license shall provide a certification of trust as described in section one thousand thirteen, article ten, chapter forty-four-d of this code. This certification of trust shall include the excerpts described in subsection (e), section one thousand thirteen, article ten, chapter forty-four-d of this code and shall further state, under oath, the names, addresses, Social Security numbers and birth dates of the beneficiaries of the trust and certify that the trustee and beneficiaries are twenty-one years of age or older. If a beneficiary is not twenty-one years of age, the certification of trust must state that such beneficiary's interest in the trust is represented by a trustee, parent or legal guardian who is twenty-one years of age and who will direct all actions on behalf of such beneficiary related to the trust with respect to the distributor until the beneficiary is twenty-one years of age. Any beneficiary who is not twenty-one years of age or older shall have his or her trustee, parent or legal
guardian include in the certification of trust and state under oath his or her name, address, Social Security number and birth date.

(2) The place of birth of applicant, that he or she is a citizen of the United States and of good moral character and, if a naturalized citizen, when and where naturalized. If the applicant is a corporation organized or authorized to do business under the laws of the state, the application must state when and where incorporated, the name and address of each officer and that each officer is a citizen of the United States and a person of good moral character. If the applicant is a firm, association, limited liability company, partnership, limited partnership, trust or has a trust as an owner, the application shall provide the place of birth of each member of the firm, association, limited liability company, partnership or limited partnership and of the trustees, beneficiaries or other persons in active control of the activities of the trust relating to the license and that each member or trustee, beneficiary or other persons in active control of the activities of the trust relating to the license is a citizen of the United States and if a naturalized citizen, when and where naturalized, each of whom must qualify and sign the application. The requirements as to residence do not apply to the officers of a corporation applying for a retailer's license but the officers, agent or employee who manages and is in charge of the licensed premises shall possess all of the qualifications required of an individual applicant for a retailer's license including the requirement as to residence;

(3) The particular place for which the license is desired and a detailed description thereof;

(4) The name of the owner of the building and, if the owner is not the applicant, that the applicant is the actual and bona fide lessee of the premises;

(5) That the place or building in which is proposed to do business conforms to all applicable laws of health, fire and zoning regulations and is a safe and proper place or building not within three hundred feet of a school or church measured from front door to front door, along the street or streets. This requirement does not apply to a Class B license or to a place occupied by a beer licensee so long as it is continuously so occupied. The prohibition against locating a proposed business in a place or building within three hundred feet of a school does not apply to a college or university that has notified the commissioner, in writing, that it has no objection to the location of a proposed business in a place or building within three hundred feet of the college or university;

(6) That the applicant is not incarcerated and has not during the five years preceding the date of said application been convicted of a felony;

(7) That the applicant is the only person in any manner pecuniarily interested in the business so asked to be licensed and that no other person is in any manner pecuniarily interested during the continuance of the license; and

(8) That the applicant has not during five years preceding the date of the application had a nonintoxicating beer license revoked.

(b) In the case of an applicant that is trust or has a trust as an owner, a distributor license may be issued only upon submission by the trustees or other persons in active control of the activities of the trust relating to the distributor license of a true and correct copy of the written trust instrument
to the commissioner for his or her review. Notwithstanding any provision of law to the contrary, the copy of the written trust instrument submitted to the commissioner pursuant to this section is confidential and is not a public record and is not available for release pursuant to the West Virginia Freedom of Information Act codified in article one, chapter twenty-nine-b of this code.

(c) The provisions and requirements of subsection (a) of this section are mandatory prerequisites for the issuance and if any applicant fails to qualify, the license shall be refused. In addition to the information furnished in any application, the commissioner may make such additional and independent investigation of each applicant and of the place to be occupied as necessary or advisable and, for this reason, all applications, with license fee and bond, must be filed thirty days prior to the beginning of any fiscal year. If the application is for an unexpired portion of a fiscal year, the issuance of license may be withheld for such reasonable time as necessary for investigation.

(d) The commissioner may refuse a license to any applicant under the provisions of this article if the commissioner is of the opinion:

(1) That the applicant is not a suitable person to be licensed;

(2) That the place to be occupied by the applicant is not a suitable place or is within three hundred feet of any school or church measured from front door to front door along the street or streets. This requirement does not apply to a Class B licensee or to a place now occupied by a beer licensee so long as it is continuously so occupied. The prohibition against locating any such place within three hundred feet of a school does not apply to a college or university that has notified the commissioner, in writing, that it has no objection to the location of any such place within three hundred feet; or

(3) That the license should not be issued for reason of conduct declared to be unlawful by this article.

§11-16-9. Amount of license tax; Class A and Class B retail dealers; purchase and sale of nonintoxicating beer permitted; distributors; brewers; brewpubs.

(a) All retail dealers, distributors, brewpubs, brewers and resident brewers of nonintoxicating beer and of nonintoxicating craft beer shall pay an annual fee to maintain an active license as required by this article. The license period begins on July 1 of each year and ends on June 30 of the following year. If the license is granted for a shorter period, then the license fee shall be computed semiannually in proportion to the remainder of the fiscal year.

(b) The annual license fees are as follows:

(1) Retail dealers shall be divided into two classes: Class A and Class B.

(A) For a Class A retail dealer, the license fee is $150 for each place of business; the license fee for social, fraternal or private clubs not operating for profit, and having been in continuous operation for two years or more immediately preceding the date of application, is $150: Provided,
That railroads operating in this state may dispense nonintoxicating beer upon payment of an annual license tax of $10 for each dining, club or buffet car in which the beer is dispensed.

Class A licenses issued for railroad dining, club or buffet cars authorize the licensee to sell nonintoxicating beer at retail for consumption only on the licensed premises where sold. All other Class A licenses authorize the licensee to sell nonintoxicating beer at retail for consumption on or off the licensed premises.

(B) For a Class B retail dealer, the license fee, authorizing the sale of both chilled and unchilled beer, is $150 for each place of business. A Class B license authorizes the licensee to sell nonintoxicating beer at retail in bottles, cans or other sealed containers only, and only for consumption off the licensed premises. A Class B retailer may sell to a patron, for personal use and not for resale, quantities of draught beer in original containers that are no larger in size than one-half barrel for off-premises consumption.

A Class B license may be issued only to the proprietor or owner of a grocery store. For the purpose of this article, the term "grocery store" means any retail establishment commonly known as a grocery store or delicatessen, and caterer or party supply store, where food or food products are sold for consumption off the premises, and includes a separate and segregated portion of any other retail store which is dedicated solely to the sale of food, food products and supplies for the table for consumption off the premises. Caterers or party supply stores are required to purchase the appropriate licenses from the Alcohol Beverage Control Administration.

(2) For a distributor, the license fee is $1,000 for each place of business.

(3) For a brewer or a resident brewer with its principal place of business or manufacture located in this state and who produces:

(A) Twelve thousand five hundred barrels or less of nonintoxicating beer or nonintoxicating craft beer, the license fee is $500 for each place of manufacture;

(B) Twelve thousand five hundred one barrels and up to twenty-five thousand barrels of nonintoxicating beer or nonintoxicating craft beer, the license fee is $1,000 for each place of manufacture;

(C) More than twenty-five thousand one barrels of nonintoxicating beer or nonintoxicating craft beer, the license fee is $1,500 for each place of manufacture.

(4) For a brewer whose principal place of business or manufacture is not located in this state, the license fee is $1,500. The brewer is exempt from the requirements set out in subsections (c), (d) and (e) of this section: Provided, That a brewer whose principal place of business or manufacture is not located in this state that produces less than twenty-five thousand barrels of nonintoxicating beer or nonintoxicating craft beer may choose to apply in writing to the commissioner to be subject to the variable license fees of subdivision (3), subsection (b) of this section and the requirements set out in subsections (c), (d) and (e) of this section subject to investigation and approval by the commissioner as to brewer requirements.
(5) For a brewpub, the license fee is $500 for each place of manufacture.

(c) As part of the application or renewal application and in order to determine a brewer or resident brewer's license fee pursuant to this section, a brewer or resident brewer shall provide the commissioner, on a form provided by the commissioner, with an estimate of the number of nonintoxicating beer or nonintoxicating craft beer barrels and gallons it will produce during the year based upon the production capacity of the brewer's or resident brewer's manufacturing facilities, and the prior year's production and sales volume of nonintoxicating beer or nonintoxicating craft beer.

(d) On or before July 15 of each year, every brewer or resident brewer who is granted a license shall file a final report, on a form provided by the commissioner, that is dated as of June 30 of each year, stating the actual volume of nonintoxicating beer or nonintoxicating craft beer in barrels and gallons produced at its principal place of business and manufacture during the prior year.

(e) If the actual total production of nonintoxicating beer or nonintoxicating craft beer by the brewer or resident brewer exceeded the brewer's or resident brewer's estimate that was filed with the application or renewal for a brewer's or resident brewer's license for that period, then the brewer or resident brewer shall include a remittance for the balance of the license fee pursuant to this section that would be required for the final, higher level of production.

(f) Any brewer or resident brewer failing to file the reports required in subsections (c) and (d) of this section, and who is not exempt from the reporting requirements, shall, at the discretion of the commissioner, be subject to the penalties set forth in section twenty-three of this article.

(a) In addition to furnishing the information required by this article, each brewer or distributor applying for a license under this article shall furnish, as prerequisite to a license, a bond with some solvent surety company as surety, to be approved by the commissioner, payable to the state of West Virginia, conditioned for the payment of any and all additional taxes accruing during the period of such license, and conditioned further for the faithful observance of the provisions of this article, the rules, regulations and orders promulgated pursuant thereto and of any other laws of the state of West Virginia generally relating to the sale, transportation, storage and distribution of nonintoxicating beer, which said bonds shall be forfeited to the state upon the revocation of the license of any such brewer or distributor. The amount of such bond in the case of a resident brewer or brewpub shall be not less than $5,000 nor more than $10,000 and in the case of a distributor, not less than $2,000 nor more than $5,000 for each place of business licensed and conducted within the state, the amount of such bond, between the minimum and maximum amounts, to be determined in the discretion of the commissioner. There shall be no bond for a brewpub license,
as the license privilege itself secures the payment of taxes and is subject to suspension and revocation for failure to pay said taxes. In the case of brewers shipping nonintoxicating beer into the state, any brewer must also furnish a bond in a penalty of not less than $5,000 nor more than $25,000 conditioned as hereinabove in this subsection provided and any bond furnished pursuant hereto shall be forfeited to the state in the full amount of said bond upon revocation of license of any such brewer or distributor. Upon request of such prosecuting attorney, the commissioner shall deliver the bond to him. Willful refusal without just cause therefor by the prosecuting attorney to perform said duty hereby imposed shall subject him to removal from office by the circuit court of the county for which said prosecuting attorney was elected upon proper proceedings and proof in the manner provided by law.

(a) There is hereby levied and imposed, in addition to the license taxes provided for in this article, a tax of five dollars and fifty cents on each barrel of thirty-one gallons and in like ratio on each part barrel of nonintoxicating beer manufactured in this state for sale within this state, whether contained or sold in barrels, bottles or other containers, and a like tax is hereby levied and imposed upon all nonintoxicating beer manufactured outside of this state and brought into this state for sale within this state; but no nonintoxicating beer manufactured, sold or distributed in this state is subject to more than one barrel tax. The brewer manufacturing or producing nonintoxicating beer within this state for sale within this state shall pay the barrel tax on such nonintoxicating beer, and, except as provided otherwise, the distributor who is the original consignee of nonintoxicating beer manufactured or produced outside of this state, or who brings such nonintoxicating beer into this state, shall pay the barrel tax on such nonintoxicating beer manufactured or produced outside of this state: Provided, That the barrel tax imposed by this section shall not apply to nonintoxicating beer manufactured by a brewpub.
(b) On or before the tenth day of each month during the license period, every brewer or operator of a brewpub who manufactures or produces nonintoxicating beer within this state shall file a report in writing, under oath, to the tax commissioner, in the form prescribed by the tax commissioner, stating its total sales, or in the case of a brewpub, its total estimated production of nonintoxicating beer within this state during that month, and at the same time shall pay the tax levied by this article on such production. On or before the tenth day of each month during the license period, every distributor who is the original consignee of nonintoxicating beer manufactured or produced outside this state or who brings such beer into this state for sale shall file a report in writing, under oath, to the tax commissioner, in the form prescribed by the tax commissioner, stating its total estimated purchases of such nonintoxicating beer during that month, and at the same time shall pay the tax thereon levied by this article for such estimated monthly purchase: Provided, That the tax commissioner may allow, or require, a brewer who manufactures or produces nonintoxicating beer outside this state to file the required report and pay the required tax on behalf of its distributor or distributors. Any brewer or distributor or operator of a brewpub who files a report under this subsection may adjust its monthly estimated sales or purchases or production report or reports by filing amended reports by the twenty-fifth day of the reporting month.

(c) Every brewer or distributor or operator of a brewpub who files a report under subsection (b) of this section shall file a final monthly report of said sales or purchases or production, in a form and at a time prescribed by the tax commissioner, stating actual nonintoxicating beer sales, purchases, or production and other information which the tax commissioner may require, and shall include a remittance for any barrel tax owed for actual sales or purchases or production made in excess of the amount estimated for that month.

(f) Brewpubs shall keep such records as required by the federal government and may, in lieu of the recordkeeping and reporting requirements contained in subsections (a) through (e) of this section, file copies of the federal reports contemporaneously with the tax commissioner at the time of such filings with the federal government. The filing of duplicate copies of the federal reports with the state tax commissioner shall be deemed as compliance with subsections (a) through (e) of this section.

If any person whose report to the tax commissioner as provided for in section thirteen of this article shows him to be liable for any unpaid taxes, and who shall fail to pay the same as provided herein,
the tax commissioner shall be authorized to institute collection remedies provided for in article ten
of this chapter. In addition, the alcohol beverage control commissioner may revoke the license of
any such person failing to pay any such tax.

§11-16-15. Records of brewer, manufacturer or distributor or operator of a brewpub; collection of unpaid tax and penalty.

Every brewer, manufacturer or distributor or operator of a brewpub shall maintain, keep and
preserve for a period of three years such record or records of nonintoxicating beer manufactured,
sold or distributed in this state, including, but not limited to, coolers, together with such invoices,
records, receipts, bills of lading and other pertinent papers as may be required by the tax
commissioner, and the tax commissioner shall have authority to inspect, by himself or through the
commissioner's duly designated agent, the books, accounts, records and memoranda of any person
licensed under the provisions of this article, and to examine, under oath, any officer, agent or

commissioner may require the production, within this state at such time and place as the
commissioner may designate, of any books, accounts, papers or records kept within or without the
state, or verified copies in lieu thereof, in order that an examination thereof may be made by the
tax commissioner or the commissioner's duly designated agents. If, as the result of such
examination, it shall be found that any nonintoxicating beer, subject to the payment of a tax, has
been manufactured, brewed, sold or distributed by any person, upon which the tax has not been
paid, the tax commissioner shall make an assessment of the amount of tax so found to be due, and,
in addition thereto and as a part thereof, shall assess a penalty of fifty percent of the amount of
such tax and shall notify such person of the total amount due. If the same remains unpaid for a
period of thirty days, the tax commissioner shall have the authority to collect the amount found to
be due by an appropriate legal proceeding in any of the circuit courts in which an action for the
collection of unpaid taxes may be maintained under section fourteen of this article, unless an appeal
is taken from the action of the tax commissioner as hereinafter provided. The tax commissioner
shall notify the alcohol beverage control commissioner of any such unpaid assessment.

Within ten days after receipt of notice of any additional amount claimed to be due from any person
as shown by an examination by the tax commissioner, such person, if he or she deems themselves
aggrieved thereby, shall so notify the tax commissioner and shall request a hearing thereon and the
tax commissioner shall set a hearing into the matters raised by such notice, which hearing shall be
held as a contested case pursuant to article ten of this chapter, except that the licensee shall have
the right of appeal from the tax commissioner's findings only to the circuit court of Kanawha
County, West Virginia. Whether the finding of the tax commissioner is affirmed or reversed, such
circuit court shall enter an order accordingly and either party shall then have the right of appeal to
the supreme court of appeals of the state.

(17) For any Class A licensee, his, her, its or their servants, agents or employees, or for any licensee by or through any servants, agents or employees, to allow, suffer or permit any person less than eighteen years of age to loiter in or upon any licensed premises; except, however, that the
provisions of this subdivision do not apply where a person under the age of eighteen years is in or upon the premises in the immediate company of his or her parent or parents, or where and while a person under the age of eighteen years is in or upon the premises for the purpose of and actually making a lawful purchase of any items or commodities therein sold, or for the purchase of and actually receiving any lawful service therein rendered, including the consumption of any item of food, drink or soft drink therein lawfully prepared and served or sold for consumption on the premises;

(18) For any distributor to sell, offer for sale, distribute or deliver any nonintoxicating beer outside the territory assigned to any distributor by the brewer or manufacturer of nonintoxicating beer or to sell, offer for sale, distribute or deliver nonintoxicating beer to any retailer whose principal place of business or licensed premises is within the assigned territory of another distributor of such nonintoxicating beer: Provided, That nothing herein is considered to prohibit sales of convenience between distributors licensed in this state wherein one distributor sells, transfers or delivers to another distributor a particular brand or brands for sale at wholesale; and

(19) For any licensee or any agent, servant or employee of any licensee to knowingly violate any rule lawfully promulgated by the commissioner in accordance with the provisions of chapter twenty-nine-a of this code.

(b) Any person who violates any provision of this article including, but not limited to, any provision of this section, or any rule, or order lawfully promulgated by the commissioner, or who makes any false statement concerning any material fact in submitting application for license or for a renewal of a license or in any hearing concerning the revocation thereof, or who commits any of the acts herein declared to be unlawful is guilty of a misdemeanor and, upon conviction thereof, shall be punished for each offense by a fine of not less than twenty-five nor more than five hundred dollars, or confined in the county or regional jail for not less than thirty days nor more than six months, or by both fine and confinement. Magistrates shall have concurrent jurisdiction with the circuit court and any other courts having criminal jurisdiction in their county for the trial of all misdemeanors arising under this article.

(c) (1) A Class B licensee that:

(A) Has installed a transaction scan device on its licensed premises; and

(B) Can demonstrate that it requires each employee, servant or agent to verify the age of any individual to whom nonintoxicating beer is sold, furnished or given away by the use of the transaction device may not be subject to: (i) Any criminal penalties whatsoever, including those set forth in subsection (b) of this section; (ii) any administrative penalties from the commissioner; or (iii) any civil liability whatsoever for the improper sale, furnishing or giving away of nonintoxicating beer to an individual who is less than twenty-one years of age by one of his or her employees, servants or agents. Any agent, servant or employee who has improperly sold, furnished or given away nonintoxicating beer to an individual less than twenty-one years of age is subject to the criminal penalties of subsection (b) of this section. Any agent, servant or employee who has improperly sold, furnished or given away nonintoxicating beer to an individual less than twenty-
one years of age is subject to termination from employment, and the employer shall have no civil liability for the termination.

(2) For purposes of this section, a Class B licensee can demonstrate that it requires each employee, servant or agent to verify the age of any individual to whom nonintoxicating beer is sold by providing evidence: (A) That it has developed a written policy which requires each employee, servant or agent to verify the age of each individual to whom nonintoxicating beer will be sold, furnished or given away; (B) that it has communicated this policy to each employee, servant or agent; and (C) that it monitors the actions of its employees, servants or agents regarding the sale, furnishing or giving away of nonintoxicating beer and that it has taken corrective action for any discovered noncompliance with this policy.

(3) "Transaction scan" means the process by which a person checks, by means of a transaction scan device, the age and identity of the cardholder, and "transaction scan device" means any commercial device or combination of devices used at a point of sale that is capable of deciphering in an electronically readable format the information enclosed on the magnetic strip or bar code of a driver's license or other governmental identity card.

(d) Nothing in this article nor any rule or regulation of the commissioner shall prevent or be considered to prohibit any licensee from employing any person who is at least eighteen years of age to serve in the licensee's lawful employ, including the sale or delivery of nonintoxicating beer as defined in this article. With the prior approval of the commissioner, a licensee whose principal business is the sale of food or consumer goods or the providing of recreational activities, including, but not limited to, nationally franchised fast food outlets, family-oriented restaurants, bowling alleys, drug stores, discount stores, grocery stores and convenience stores, may employ persons who are less than eighteen years of age but at least sixteen years of age: Provided, That the person's duties may not include the sale or delivery of nonintoxicating beer or alcoholic liquors: Provided, however, That the authorization to employ persons under the age of eighteen years shall be clearly indicated on the licensee's license.

§11-16-19. Unlawful acts of persons; criminal penalties.

(a) (1) Any person under the age of twenty-one years, who purchases, consumes, sells, possesses or serves nonintoxicating beer is guilty of a misdemeanor and, upon conviction thereof, shall be fined an amount not to exceed $500 or shall be confined in jail, or, in the case of a juvenile, a detention facility, for a period not to exceed seventy-two hours, or both fined and confined or, in lieu of such fine and confinement, may, for the first offense, be placed on probation for a period not to exceed one year. Any person convicted under this section may be sentenced pursuant to the provisions of section one-a, article eleven-a, chapter sixty-two of this code.

(2) Nothing in this article, nor any rule or regulation of the commissioner, shall prevent or be deemed to prohibit any person who is at least eighteen years of age from serving in the lawful employment of any licensee, which may include the sale or delivery of nonintoxicating beer as defined in this article. Further, nothing in this article, nor any rule or regulation of the commissioner, shall prevent or be deemed to prohibit any person who is less than eighteen but at
least sixteen years of age from being employed by a licensee whose principal business is the sale of food or consumer goods or the providing of recreational activities, including, but not limited to, nationally franchised fast-food outlets, family-oriented restaurants, bowling alleys, drug stores, discount stores, grocery stores and convenience stores: Provided, That such person shall not sell or deliver nonintoxicating beer.

(3) Nothing in this subsection shall prohibit a person who is at least eighteen years of age from purchasing or possessing nonintoxicating beer when he or she is acting upon the request of or under the direction and control of any member of a state, federal or local law-enforcement agency or the West Virginia Alcohol Beverage Administration while the agency is conducting an investigation or other activity relating to the enforcement of the alcohol beverage control statutes and the rules of the commissioner.

(b) Any person under the age of twenty-one years who, for the purpose of purchasing nonintoxicating beer, misrepresents his or her age or who for such purpose presents or offers any written evidence of age which is false, fraudulent or not actually his or her own or who illegally attempts to purchase nonintoxicating beer is guilty of a misdemeanor and, upon conviction thereof, shall be fined an amount not to exceed $100 or shall be confined in jail, or in the case of a juvenile, a juvenile detention facility, for a period not to exceed seventy-two hours, or both such fine and confinement or, in lieu of such fine and confinement, may, for the first offense, be placed on probation for a period not exceeding one year.

(c) Any person who shall knowingly buy for, give to or furnish nonintoxicating beer to anyone under the age of twenty-one to whom they are not related by blood or marriage is guilty of a misdemeanor and, upon conviction thereof, shall be fined an amount not to exceed $100 or shall be confined in jail for a period not to exceed ten days, or both such fine and confinement.

(d) (1) Any person who at any one time transports into the state for their personal use, and not for resale, more than six and seventy-five hundredths gallons of nonintoxicating beer, upon which the West Virginia barrel tax has not been imposed, shall be guilty of a misdemeanor and, upon conviction thereof, shall be fined an amount not to exceed $100 or confined for ten days in jail, or both fined and imprisoned. The untaxed nonintoxicating beer found in the person's possession shall be confiscated.

(2) If the Congress of the United States repeals the mandate established by the Surface Transportation Assistance Act of 1982 relating to national uniform drinking age of twenty-one as found in section six of Public Law 98-363, or a court of competent jurisdiction declares the provision to be unconstitutional or otherwise invalid, it is the intent of the Legislature that the provisions contained in this section and section eighteen of this article which prohibit the sale, furnishing, giving, purchase or ownership of nonintoxicating beer to or by a person who is less than twenty-one years of age shall be null and void and the provisions therein shall thereafter remain in effect and apply to the sale, furnishing, giving, purchase or ownership of nonintoxicating beer to or by a person who is less than nineteen years of age.
§11-16-20. Unlawful acts of brewers or manufacturers; criminal penalties.

(a) It is unlawful:

(1) For any brewer or manufacturer, or any other person, firm or corporation engaging in the business of selling nonintoxicating beer, ale or other malt beverage or cooler to a distributor or wholesaler, to discriminate in price, allowance, rebate, refund, commission, discount or service between distributors or wholesalers licensed in West Virginia. "Discriminate," as used in this section, shall mean granting of more favorable prices, allowances, rebates, refunds, commissions, discounts or services to one West Virginia distributor or wholesaler than to another.

(2) For any brewer or manufacturer, or any other person, firm or corporation engaged in the business of selling nonintoxicating beer, ale or other malt beverage or malt cooler to a distributor or wholesaler, to sell or deliver nonintoxicating beer, ale or other malt beverage or malt cooler to any licensed distributor or wholesaler unless and until such brewer, manufacturer, person, firm or corporation, as the case may be, shall have filed the brewery or dock price of such beer, ale or other malt beverage or malt cooler, by brands and container sizes, with the commissioner. The pricing submitted to the commissioner shall also be submitted contemporaneously to the licensed distributor or wholesaler. No price schedule shall be put into effect until ninety days after receipt of same by the commissioner and shall be submitted on or before the following quarterly dates of January 1, April 1, July 1 and October 1 of the calendar year to be effective: Provided, That any price shall remain in effect not less than ninety days.

(3) For any brewer or manufacturer, resident brewer or any other person, firm or corporation engaged in the business of selling nonintoxicating beer, ale or other malt beverage or malt cooler to a distributor or wholesaler to sell, offer for sale or transport to West Virginia any nonintoxicating beer, ale or other malt beverage or malt cooler unless it has first registered its labels and assigned to the appropriate distributor per an equitable franchise agreement, all as approved by the commissioner.

(4) For any brewer or manufacturer, or any other person, firm or corporation engaged in the business of selling nonintoxicating beer, ale or other malt beverage or malt cooler to provide, furnish, transport or sell its nonintoxicating beer products, brands and line extensions to any person or distributor other than the appointed distributor per the franchise agreement and established in the franchise distributor network in the territory assigned to that appointed distributor.

(5) For any brewer or manufacturer, or any other person, firm or corporation engaged in the business of selling nonintoxicating beer, ale or other malt beverage or malt cooler to provide, furnish, transport or sell its nonintoxicating beer products, brands and line extensions that have been denied by the commissioner.

(6) For any resident brewer that chooses to utilize a franchise agreement and a franchise distributor network, either in addition to or in conjunction with its limited quantity of nonintoxicating beer for self-distribution, to violate this section and the resident brewer is subject to the sanctions in subsections (b) and (c) of this section.
(b) The violation of any provision of this section by any brewer or manufacturer shall constitute grounds for the forfeiture of the bond furnished by such brewer or manufacturer in accordance with the provisions of section twelve of this article.

(c) The violation of this section by any brewer or manufacturer is grounds for sanctions as determined by the commissioner in accordance with sections twenty-three and twenty-four of this article and the rules promulgated by the commissioner.

(d) Any resident brewer that chooses to utilize a franchise agreement and a franchise distributor network, either in addition to or in conjunction with its limited quantity of nonintoxicating beer for self-distribution, shall be treated as a brewer under this article and the applicable promulgated rules.

§11-16-21. Requirements as to franchise agreements between brewers and distributors; transfer of franchise by distributor; franchise distributor network; notice thereof to brewer; arbitration of disputes as to such transfer; violations and penalties; limitation of section.

(a) On and after July 1, 1971, it shall be unlawful for any brewer to transfer or deliver to a distributor any nonintoxicating beer, ale or other malt beverage or malt cooler without first having entered into an equitable franchise agreement with such distributor, which franchise agreement and any amendments to that agreement shall be in writing, shall be identical as to terms and conditions with all other franchise agreements and any amendments between such brewer and its other distributors in this state in its approved franchise distributor network, all as approved by the commissioner and which shall contain a provision in substance or effect as follows:

(1) The brewer recognizes that the distributor is free to manage his or her business in the manner the distributor deems best and that this prerogative vests in the distributor, subject to the provisions of this article, the exclusive right: (A) To establish his or her selling prices; (B) to have the distribution rights to the brands and line extensions of nonintoxicating beer products that are bound by franchise agreements specifying a distributor's assigned territory and that are assigned to a franchise distributor network, and, further, that the distributor may determine which brands and line extensions of nonintoxicating beer products he or she wishes to handle; and (C) to determine the efforts and resources which the distributor will exert to develop and promote the sale of the brewer's nonintoxicating beer products handled by the distributor. However, since the brewer's nonintoxicating beer products, brands and line extensions shall only be handled by the distributor with a franchise agreement for a certain territory in West Virginia as a part of the brewer's overall franchise distributor network in West Virginia and will not be sold by other distributors in the territory, the brewer is dependent upon the appointed distributor alone for the sale of such products in the assigned territory. Consequently, the brewer expects that the distributor will price competitively the nonintoxicating beer products handled by the distributor, devote reasonable effort and resources to the sale of such products and maintain a satisfactory sales level.

(2) The franchise agreement binds the parties so that a distributor, appointed by a brewer, may distribute all of the brewer's nonintoxicating beer products, brands or family of brands imported and offered for sale in West Virginia, including, but not limited to: existing brands, line extensions and new brands in the brewer's assigned territory for the distributor. All brands and line extensions
being imported or offered for sale in West Virginia must be listed by the brewer in the franchise agreement or a written amendment to the franchise agreement. A franchise agreement may be amended by mutual written agreement of the parties as approved by the commissioner with identical terms and conditions for a brewer and all of its distributors. Any approved amendment to the franchise agreement becomes a part of the franchise agreement.

(3) Whenever the manufacturing, bottling or other production rights for the sale of nonintoxicating beer at wholesale of any brewer is acquired by another brewer, the franchised distributor and franchise distributor network of the selling brewer shall be entitled to continue distributing the selling brewer's nonintoxicating beer products as authorized in the franchised distributor's existing franchise agreement and the acquiring brewer shall market all the selling brewer's nonintoxicating beer products through said franchised distributor and franchise distributor network as though the acquiring brewer had made the franchise agreement and the acquiring brewer may terminate said franchise agreement only in accordance with subdivision (2), subsection (b) of this section: Provided, That the acquiring brewer may distribute any of its other nonintoxicating beer products through its duly authorized franchises and franchise distributor network in accordance with all other provisions of this section. Further, this subdivision shall apply to the brewer, successor brewers and also any successor entities of a brewer who shall be bound by the existing franchise agreement and the franchise distributor network, unless all the parties mutually agree, in writing, to change or cancel the existing franchise agreement and franchise distributor network or unless the brewer terminates a distributor as provided in this article and the promulgated rules.

(b) It shall also be unlawful:

(1) For any brewer, resident brewer or distributor, or any officer, agent or representative of any brewer, resident brewer or distributor, to coerce or persuade or attempt to coerce or persuade any person licensed to sell, distribute or job nonintoxicating beer, ale or other malt beverage or malt cooler at wholesale or retail, to enter into any contracts or agreements, whether written or oral, or to take any other action which will violate or tend to violate any provision of this article or any of the rules, regulations, standards, requirements or orders of the commissioner promulgated as provided in this section;

(2) For any brewer, resident brewer or distributor, or any officer, agent or representative of any brewer, resident brewer or distributor, to cancel, terminate or rescind without due regard for the equities of such brewer, resident brewer or distributor and without just cause, any franchise agreement, whether oral or written, and in the case of an oral franchise agreement, whether the same was entered into on or before June 11, 1971, and in the case of a franchise agreement in writing, whether the same was entered into on, before or subsequent to July 1, 1971. The cancellation, termination or rescission of any such franchise agreement shall not become effective for at least ninety days after written notice of such cancellation, termination or rescission has been served on the affected party and the Commissioner by certified mail, return receipt requested: Provided, That said ninety-day period and said notice of cancellation, termination or rescission shall not apply if such cancellation, termination or rescission is agreed to in writing by both the brewer and the distributor involved.
(c) In the event a distributor desires to sell or transfer his or her franchise and assigned territory in the brewer or resident brewer's franchise distributor network, such distributor shall give to the brewer, or resident brewer at least sixty days' notice in writing of such impending sale or transfer and the identity of the person, firm or corporation to whom such sale or transfer is to be made and such other information as the brewer or resident brewer may reasonably request. Such notice shall be made upon forms and contain such additional information as the Commissioner by rule or regulation shall prescribe. A copy of such notice shall be forwarded to the commissioner. The brewer or resident brewer shall be given sixty days to approve or disapprove of such sale or transfer. If the brewer or resident brewer neither approves nor disapproves thereof within sixty days of the date of receipt of such notice, the sale or transfer of such franchise shall be deemed to be approved by such brewer or resident brewer. In the event the brewer or resident brewer shall disapprove of the sale or transfer to the prospective franchisee, transferee or purchaser, such brewer or resident brewer shall give notice to the distributor of that fact in writing, setting forth the reason or reasons for such disapproval. The approval shall not be unreasonably withheld by the brewer or resident brewer. The fact that the prospective franchisee, transferee or purchaser has not had prior experience in the nonintoxicating beer business or beer business shall not be deemed sufficient reason in and of itself for a valid disapproval of the proposed sale or transfer, but may be considered in conjunction with other adverse factors in supporting the position of the brewer or resident brewer. Nor may the brewer or resident brewer impose requirements upon the prospective franchisee, transferee or purchaser which are more stringent or restrictive than those currently demanded of or imposed upon the brewer or resident brewers or other distributors in the State of West Virginia. A copy of such notice of disapproval shall likewise be forwarded to the commissioner and to the prospective franchisee, transferee or purchaser. In the event the issue be not resolved within twenty days from the date of such disapproval, either the brewer, resident brewer, distributor or prospective franchisee, transferee or purchaser shall notify the other parties of his or her demand for arbitration and shall likewise notify the commissioner thereof. A dispute or disagreement shall thereupon be submitted to arbitration in the county in which the distributor's principal place of business is located by a board of three arbitrators, which request for arbitration shall name one arbitrator. The party receiving such notice shall within ten days thereafter by notice to the party demanding arbitration name the second arbitrator or, failing to do so, the second arbitrator shall be appointed by the chief judge of the circuit court of the county in which the distributor's principal place of business is located on request of the party requesting arbitration in the first instance. The two arbitrators so appointed shall name the third or, failing to do so within ten days after appointment of the second arbitrator, the third arbitrator may be appointed by said chief judge upon request of either party. The arbitrators so appointed shall promptly hear and determine the questions submitted pursuant to the procedures established by the American Arbitration Association and shall render their decision with all reasonable speed and dispatch but in no event later than twenty days after the conclusion of evidence. Said decision shall include findings of fact and conclusions of law and shall be based upon the justice and equity of the matter. Each party shall be given notice of such decision. If the decision of the arbitrators be in favor of or in approval of the proposed sale or transfer, the brewer or resident brewer shall forthwith agree to the same and shall immediately transfer the franchise to the proposed franchisee, transferee or purchaser unless notice of intent to appeal such decision is given the arbitrators and all other parties within ten days of notification of such decision. If any such party deems himself or herself aggrieved thereby, such party shall have a right to bring an appropriate action in circuit court. Any
and all notices given pursuant to this subsection shall be given to all parties by certified or registered mail, return receipt requested.

(d) The violation of any provision of this section by any brewer or resident brewer shall constitute grounds for the forfeiture of the bond furnished by such brewer or resident brewer in accordance with the provisions of section twelve of this article and shall also constitute grounds for sanctions in accordance with sections twenty-three and twenty-four of this article. Moreover, any circuit court of the county in which a distributor's principal place of business is located shall have the jurisdiction and power to enjoin the cancellation, termination or rescission of any franchise agreement between a brewer or resident brewer and such distributor and, in granting an injunction to a distributor, the court shall provide that the brewer or resident brewer so enjoined shall not supply the customers or territory of the distributor while the injunction is in effect.

§11-16-22. Powers of the commissioner; rules, or orders.

(a) In addition to all other powers conferred upon the commissioner and in order to effectively carry out the provisions, intent and purposes of this article, the commissioner shall have the power and authority to adopt, promulgate, repeal, rescind and amend, in accordance with the provisions of chapter twenty-nine-a of this code, rules, standards, requirements and orders, including, but not limited to, the following:

(1) Prescribing records and accounts, pertaining to the manufacture, distribution and sales of nonintoxicating beer, to be kept by the licensee and the form thereof;

(2) Requiring the reporting of such information by licensees as may be necessary for the effective administration of this article;

(3) Regulating the branding and labeling of packages, bottles or other containers in which nonintoxicating beer may be sold; and, in his discretion, requiring the collection of all taxes provided for under section thirteen of this article;

(4) Prohibiting shipment into the state and sale within the state of low grade or under-standard nonintoxicating beer;

(5) Referring to licenses and the issuance and revocation of the same;

(6) Establishing the suitability of businesses and locations for licensure, and requiring licensees to keep their places of business where nonintoxicating beer is sold at retail, and the equipment used in connection therewith, clean and in a sanitary condition;

(7) The establishment of advertising guidelines, prohibitions and prior permissions generally, including, but not limited to, (i) the use of posters, placards, mirrors, windows, doors or indoor and outdoor signs generally, and print and electronic advertising of retail licensees specifically, (ii) the sponsoring of athletic events or contests by licensees and restrictions relating thereto, (iii) the use of equipment, fixtures or supplies in advertising, (iv) false advertising with respect to any
product of or sold by any licensee, including, but not limited to, draft beer and coolers and (v) the extent, if any, to which free goods and other inducements may be utilized by any licensee;

(8) Wholesale prices or price changes, including, but not limited to, the regulation and extent, if any, of any temporary price markoff or markdown, temporary wholesale price change downward or price discount, sometimes referred to as "post downs" or as "posting down" or any other price change, the express purpose of which is to put into effect a temporary price reduction, as well as the duration of time during which such temporary price reduction is to remain in effect;

(9) Restrictions upon West Virginia distributors or other licensees with respect to the purchase of any nonintoxicating beer or malt coolers from manufacturers or brewers whether within or without the state who have failed to qualify for manufacture or shipment of any such product in the state; and

(10) Regulating, restricting or prohibiting a distributor from selling, offering for sale, distributing or delivering nonintoxicating beer to any retailer whose principal place of business, residence or licensed premises is located without or beyond the assigned territory of such distributor of such nonintoxicating beer.

(b) Any rule or order heretofore adopted by the commissioner and currently in effect upon the convening of the regular session of the Legislature held in the year one thousand nine hundred eighty-six shall remain in effect until changed by the commissioner in the manner prescribed by article three, chapter twenty-nine-a of this code, irrespective of whether specific authority for such currently effective rule existed prior to such date.

§11-16-23. Revocation or suspension of license; monetary penalty; hearing assessment of costs; establishment of enforcement fund.

(a) Upon a determination by the commissioner that a licensee has: (i) Violated the provisions of section eighteen of this article or of chapter sixty of this code; (ii) acted in such a way as would have precluded initial or renewal licensure; or (iii) violated any rule or order promulgated by the commissioner, the commissioner may:

(1) Revoke the licensee's license;

(2) Suspend the licensee's license;

(3) Place the licensee on probationary status for a period not to exceed twelve months; and

(4) Impose a monetary penalty not to exceed one thousand dollars for each violation where revocation is not imposed.

(b) Any monetary penalty assessed and collected by the commissioner shall be transmitted to the state treasurer for deposit into the state treasury to the credit of a special revenue fund designated the "Nonintoxicating Beer Enforcement Fund", which is hereby created. All moneys collected, received and deposited in the "Nonintoxicating Beer Enforcement Fund" shall be kept and
maintained for expenditures by the commissioner for the purpose of enforcement of the statutes and rules pertaining to nonintoxicating beer and shall not be treated by the state treasurer or state auditor as any part of the general revenue of the state. At the end of each fiscal year all funds in the nonintoxicating beer enforcement fund in excess of twenty thousand dollars shall be transferred to the general revenue fund.

(c) In addition to the grounds for revocation, suspension or other sanction of a license set forth in subsection (a) of this section, conviction of the licensee of any offense constituting a violation of the laws of this state or of the United States relating to nonintoxicating beer or alcoholic liquor shall be mandatory grounds for such sanctioning of a license. Conviction of the licensee of any violation of the laws of this state or of the United States relating to prostitution or the sale, possession or distribution of narcotics or controlled substances shall be mandatory grounds for revocation of the licensee's license for a period of at least one year.

§11-16-24. Hearing on sanctioning of license; notice; review of action of commissioner; clerk of court to furnish commissioner copy of order or judgment of conviction of licensee; assessment of costs; procedure for appealing any final order of the commissioner which revokes, suspends, sanctions or denies the issuance or renewal of any license issued under this article.

(a) The commissioner may not revoke or suspend a license issued pursuant to this article or impose a civil penalty authorized under this article unless and until a hearing is held after at least ten days' notice to the licensee of the time and place of the hearing, which notice shall contain a statement or specification of the charges, grounds or reasons for the proposed contemplated action, and which is served upon the licensee as notices under the West Virginia Rules of Civil Procedure or by certified mail, return receipt requested, to the address for which license was issued; at which time and place, so designated in the notice, the licensee has the right to appear and produce evidence in his or her behalf, and to be represented by counsel.

(b) The commissioner may summon witnesses in the hearings before him or her, and fees of witnesses summoned on behalf of the state in proceedings to sanction licenses shall be treated as a part of the expenses of administration and enforcement. The fees shall be the same as those in similar hearings in the circuit courts of this state. The commissioner may, upon a finding of violation, assess a licensee a sum not to exceed $150 per violation to reimburse the commissioner for expenditures for witness fees, court reporter fees and travel costs incurred in holding the hearing. Moneys so assessed shall be transferred to the Nonintoxicating Beer Fund created by section twenty-three of this article.

(c) If, at the request of the licensee or on his or her motion, the hearing is continued and does not take place on the day fixed by the commissioner in the notice of hearing, then the licensee's license may be suspended until the hearing and decision of the commissioner, and in the event of revocation or suspension of the license, upon hearing before the commissioner, the licensee is not permitted to sell beer pending an appeal as provided by this article. Any person continuing to sell beer after his or her license has been suspended or revoked, as hereinbefore provided, is guilty of a misdemeanor and, shall be punished as provided in section nineteen of this article.
(d) Notwithstanding the provisions of subsection (b), section four, article five, chapter twenty-nine-a of this code, the action of the commissioner in revoking, suspending, sanctioning or refusing a license is subject to review by the circuit court of Kanawha County or the circuit court in the county where the proposed or licensed premises is located and will or does conduct sales: Provided, That in all other respects, such review shall be conducted in the manner provided in chapter twenty-nine-a of this code. The petition for review must be filed with the circuit court within thirty days following entry of the final order of revocation, suspension, sanction or refusal issued by the commissioner. An applicant or licensee obtaining an order for review is required to pay the costs and fees incident to transcribing, certifying and transmitting the records pertaining to the matter to the circuit court. An application to the Supreme Court of Appeals of West Virginia for a writ of error from any final order of the circuit court in the matter shall be made within thirty days from and after the entry of the final circuit court order.

(e) All hearings, upon notice to show cause why license should be revoked, suspended, sanctioned or refused, before the commissioner shall be held in the offices of the commissioner in Charleston, Kanawha County, unless otherwise provided by the commissioner in the notice of hearing. When the hearing is held elsewhere than in the commissioner's office, the licensee may be required to make deposits of the estimated costs of the hearing.

(f) Whenever a licensee has been convicted of an offense constituting a violation of the laws of this state or of the United States relating to nonintoxicating beer, or alcoholic liquor, and the conviction has become final, the clerk of the court in which the licensee has been convicted shall forward to the commissioner a certified copy of the order or judgment of conviction if the clerk has knowledge that the person so convicted is a licensee, together with the certification of the clerk that the conviction is final.

(g) In the case of a Class B licensee with multiple licensed locations, the commissioner may, in his or her discretion, revoke, suspend or otherwise sanction, per the provisions of section twenty-three of this article, only the license for the location or locations involved in the unlawful conduct for which licensure is sanctioned, as opposed to all separately licensed locations of the licensee.

§11-16-25. Reissuance of license after revocation.

No license shall be issued to any person who has formerly held a license, under the provisions of this article, which has been revoked by the commissioner, within a period of two years from the date of such revocation; nor shall any license be issued hereunder to any person who was an officer or stockholder of a corporation whose license was revoked as aforesaid, nor to any person who was a member of a partnership or association whose license was revoked as aforesaid, within said period of two years from the date of revocation; nor shall any license be issued to any corporation having a stockholder or director who has had a license revoked as aforesaid, within said period of two years from the date of the revocation of such person's license: Provided, That the commissioner may, in his or her discretion, reissue Class B licenses for any of such licensee's locations not involved in the unlawful conduct of which licensure was revoked notwithstanding such two year period.
§11-16-26. Municipal license tax.

Any municipal corporation in this state shall have the authority to levy a license tax under the provisions of this article upon any retailer, distributor or brewer or operator of a brewpub of nonintoxicating beer whose place of business is situated within such municipality, but the amount of the license tax levied by such municipal corporation shall in no event exceed the amount fixed herein to be levied by the state. Only one municipal tax is to be so imposed and that only by the municipality in which the place of business, or warehouse, is located. Cities and incorporated towns are hereby empowered to enact ordinances for the enforcement of this article in conformity with the provisions of the same: Provided, That in no case shall the rate of such municipal license tax exceed the rate of such tax in effect on the first day of January, one thousand nine hundred eighty-six.

In the case of a brewpub, such municipal tax shall not exceed the same proportions of taxation as the other licensees.

§11-16-27. Revenue collected and paid to state treasurer; expense of administration.

Taxes imposed and collected under the provisions of this article shall be paid to the state treasurer in the manner provided by law, and the taxes imposed by sections nine and thirteen of this article shall be credited to the state fund, general revenue. The expenses of administration and enforcement shall be paid out of the taxes collected under sections nine and thirteen of this article, but shall not exceed fifteen percent of the amount so collected.

§11-16-28. Expiration date of existing licenses; when provisions operable.

(a) A license now in effect authorizing the manufacture, distribution or sale of nonintoxicating beer shall remain in effect until June thirtieth, one thousand nine hundred eighty-six, unless sooner revoked in accordance with the provisions of this article.

(b) The provisions of this article enacted during the regular session of the Legislature held in the year one thousand nine hundred eighty-six shall become operable at 12:01 a.m. on the first day of July of said year: Provided, That the commissioner may issue licenses prior to such date and any licensee may do any act necessary in order to prepare for and be able to engage in the retail sale of any product regulated by this article on that date and at that time.
