Reading: multiple matching (Part 3)

1. You are going to read an article from the internet about four successful women in New York. Before you read, look at the title and subheadings, and read through the article quickly.

In addition to their success in business, what two other things do the women all have in common?

For questions 1–5, choose from the people (A–D). The people may be chosen more than once.

Which woman

1. wanted to work independently to put her scheme into practice
2. now has businesses all over the world
3. did a special course in order to help her in her business
4. had to find out everything about the work she chose
5. settled in the USA because of someone she met there
6. says it is important not to give up
7. has a business which is continuing to show financial growth
8. gives talks to others about her qualification
9. hopes her family will take over her work one day
10. had a complete change of career line in the ‘80s

11. believes in good customer relations
12. supports people from her own country who have just arrived in the USA
13. wanted to teach the people of the USA about her own region
14. did not immediately make a profit
15. involved up to by the people who work for her

Which woman do you think has achieved the most impressive results? Which of these types of work would you like to be involved in?
