What Is New In 2014?

We are very excited about a new employee benefits package that is being offered to all employees of Landmark Industries (Timewise) during this year’s Open Enrollment. The plan for this year offers meaningful benefits including a Preventive Care Plan (that meets the Minimum Essential Coverage as required by the new health care reform law) to help identify potential health risks for early diagnosis and treatment. A Limited Benefit Indemnity Plan that pays a fixed benefit amount to help cover the out of pocket cost of common services, such as doctor’s office visits, hospitalization, intensive care, accidents, and much more.

The effective date for your new plan is April 1, 2014.

How To Enroll

Enrollment is easy, fast and convenient.

Annual Open Enrollment
Benefit Representatives will be on-site to answer your questions and help you complete the required enrollment paperwork. If you are currently enrolled, a pre-populated form has been provided. Otherwise, forms will be available upon request. Please return the signed documents to Human Resources by the deadline.

IMPORTANT NOTE!
All employees must submit an enrollment form to elect medical benefits.

New Hire Enrollment
To enroll, or if you have questions, please contact our Enrollment Center at 1-877-385-3601 between the hours of 8:00am – 5:00pm CST, Monday – Friday. Please call before your new hire waiting period expires or you will have to wait until the next annual open enrollment in 2015.

After You Enroll

Once you enroll in the plan, you will receive your ID Card(s) by mail. You will also be able to visit and register on our online member portal at mypalic.com for 24-hour access to:

- Review claims and EOBs
- Access plan documents
- See your benefits
- Find in-network providers
- Print ID cards
- Download forms
- Frequently Asked Questions
- And much more…

The information provided in this guide is a brief outline of benefits. Your certificate of coverage governs the terms and conditions of your plan.
Preventive Care Plan

One of the most valuable benefits included with your benefit package is preventive care coverage which now covers 100% of eligible preventive service costs when performed in-network. That means that you pay nothing out of pocket for access to a variety of medical screenings, exams, and immunizations which may help reduce your risk of developing health conditions in the future and avoid expensive treatment down the road.

Understanding Preventive Care
Preventive care is the first step in knowing how healthy you are. The goal is to “prevent” a serious health condition by detecting problems early on. Preventive care includes screenings, tests, medicines and counseling performed or prescribed by your doctor or other health care provider to test for conditions which may develop even when you don’t have signs or symptoms of an injury or illness. Your provider is able to deliver treatment which can prevent you from getting sick and by counseling you on beneficial lifestyle changes or offering prophylactic treatment.

Why is Preventive Care Important?
• Detection of health conditions early, when they are more easily treatable
• Identification of potential risks to your future health
• Provide adults with immunizations for illnesses such as influenza and pneumonia, as well as booster shots and required immunizations for children

Difference Between Preventive and Diagnostic Services
A preventive procedure starts with the intent of confirming your good health although you may appear asymptomatic. Diagnostic services differ in that they are requested in order to identify the cause of a reported health condition.

Services are considered Preventive Care when a person:
• Does not have symptoms indicating an abnormality
• Has had a screening done within the recommended age and gender guidelines with the results being considered normal
• Has had a diagnostic service with normal results, after which the physician recommends future preventive care screenings using the appropriate age and gender guidelines
• Has a preventive service that results in diagnostic care or treatment being done at the same time and as an integral part of the preventive service (e.g. polyp removal during a preventive colonoscopy), subject to benefit plan provisions
Preventive Care Plan

Services are considered Diagnostic Care when:
• Services are ordered due to current issues or symptoms(s) that require further diagnosis
• Abnormal test results on a previous preventive or diagnostic screening test requires further diagnostic testing or services
• Abnormal test results found on a previous preventive or diagnostic service requires the same test be repeated sooner than the normal age and gender guideline recommendations would require

Are Preventive Care Services covered only when performed in-network?
Yes, these preventive services are only covered under the preventive care plan when performed by an in-network provider. Your plan includes access to one of the largest preferred provider organization (PPO) networks. Details for locating an in-network provider can be found in the PPO Provider Network section of this guide.

Under PPACA, certain medications and prescription drugs that prevent illness and disease are covered at no-cost as long as services are rendered by a physician who participate in the plan’s network. This chart lists the preventive medications that are covered at 100% under the PanaBridge Advantage Plan. In order for these medications to be covered at 100%, a prescription is required from your physician, including over-the-counter (OTC) drugs. Drugs may be subject to quantity limitations.

*Single source brands are brand named drugs which do not have generic alternatives.
PanaMed is a limited benefit indemnity plan that pays a clearly defined, fixed amounts to help you cover the cost of common medical services, such as doctor’s office visits, hospitalization, intensive care, accidents, and much more. This limited benefit indemnity plan is designed to provide the most value for everyday healthcare expenses as opposed to plans that cover major illness and catastrophic injuries.

In the following pages you will find a benefit grid that details each of the benefits included in our plans, along with how much each of them pays. You will also find important information regarding additional benefits and services included in your plan.

How to get the best from your Plan

1. Call or go online to locate an in-network provider (details in the PPO Provider Network section of this guide)
2. Schedule your appointment
3. Visit provider and present ID card
4. Provider files claim
5. PPO Network applies discounts and forwards claim to Pan-American Life (insurance carrier)
6. If the claim is less than the allowable benefit amount in your plan, you owe nothing
7. If the claim is more than the allowable benefit amount in your plan, you will owe the balance to the provider

NOTE – While PanaMed benefits may be used at any hospital or physician’s office, members are encouraged to utilize the PPO Network for discounted provider prices.

Global Repatriation

Peace of Mind for You and Your Family
Global Repatriation is a worldwide benefit designed to help families when a member or a covered dependent suffers a loss of life due to a covered accident or illness while traveling 100 miles or more away from their permanent residence. Travel within the United States and abroad is included.

Our Global Repatriation benefit makes all the necessary arrangements for the transportation of a covered member’s remains to anywhere in the United States and includes repatriation of foreign nationals to their home countries. Arrangements must be coordinated with the member service center and covers up to $20,000 in expenses.

We recognize travel may be an important part of your family’s lifestyle. Have peace of mind knowing your family is protected.

Global Repatriation benefit is provided by AXA Assistance USA. www.axa-assistance.us
Pan-American Life and AXA Assistance USA are not affiliated. See policy for exclusions and limitations.
Prescription Drug Benefits

The RxEDO pharmacy network includes over 66,000 total participating retail pharmacy locations nationwide; all major chains are included as well as 20,000+ independent pharmacies. RxEDO provides mail order services through Walgreens Mail Service. Information and assistance can be found by visiting Walgreens Mail Service at www.WalgreensHealth.com.

Helpful Hints

- Please communicate to your pharmacist that your plan has changed to a new prescription drug processor.
- Show them your identification card. It includes the BIN and PCN numbers, as well as any other information they will need to process your claim through RxEDO.
- If your pharmacy has any questions concerning the process, please have them call the RxEDO Pharmacy Help Desk at (800) 522-7487, which is printed on your new identification card.

For questions or drug look-up go to www.rxedo.com or call 1-888-879-7336

Fully Insured Prescription Drug Benefit

**Compass Member Experiences**

- **After my baby boy was born.** I wanted to check all the different bills and charges to make sure I wasn’t being overcharged. There was absolutely no time, so I called my Health Pro and they found several mistakes. They worked everything out between the hospital and the insurance company, and I saved $500. **Sam-26**

- **When I hurt my knee.** my doctor told me I needed an MRI. Luckily I used Compass to check prices first because the hospital was going to charge me $1000 more than the imaging center across from my work. Compass also recommended a surgeon to perform the procedure, and he had the best bedside manner of any doctor I’ve been to. **Jerry-51**

- **My husband's monthly prescription** medication costs were through the roof. I sent the list of pills to my Compass Health Pro, and she was able to tell me how to save $230 every month. That’s more than $2,000 every year we don't have to spend! **Tom and Gertrude-71 and 69**

**Contact Compass to provide assistance:**

- Price comparisons that save you money

Member Advocacy

What is a member advocate?
A member advocate is an in-house representative that works exclusively on behalf of our members to reduce medical costs and stressful billing situations. They are able to help members find community programs, hospitals, pharmaceutical companies, and provider offices who have affordable treatment costs. Also, they serve as a single point-of-contact to help resolve on-going or challenging billing issues. They’re even available to speak with members individually, as well as their physicians and medical facilities, so everyone has a full understanding of how the benefits work and can make the most informed choices with regard to planning medical treatment.

Advocates can assist with:
- Medical bills & Prescription costs
- Lab work & X-rays
- CAT Scans / MRIs
- Scheduling surgical procedures
- Durable medical equipment
- Diabetic supplies
- Complicated claims and billing issues

They help lower costs by:
- Negotiating balances
- Finding providers that offer sliding-scale treatment pricing
- Arranging payment plans for previously incurred bills
- Requesting discounted lump-sum payments to settle balances
- Locating community programs for specialized services or frequently recurring expenses due to chronic conditions
- Contacting discount pharmacies

OUTLINE OF COVERAGE FOR LIMITED BENEFIT INDEMNITY PLAN

This outline of coverage provides a brief summary of some important features of your insurance certificate. This outline of coverage is not an insurance contract and only the actual certificate provisions will control. Your certificate includes in detail the rights and obligations of you, your employer, and Pan-American Life Insurance Company. Please review your certificate carefully for additional information. You can access your certificate through our web portal at www.mypalic.com, or you can call our Member Services and request a copy.

Categories of Coverage: Your certificate includes limited benefit indemnity plan, also referred to as fixed indemnity coverage. Limited indemnity plans differ from major medical coverage and are not designed to cover all medical expenses or meet the minimum standards required by the Affordable Care Act for major medical coverage. Payments are based on a fixed per day dollar amounts in the Summary of Benefits rather than on a percentage of the provider’s charge. If you need comprehensive major medical coverage, there may be other options available to you and your family members. Please go to www.healthcare.gov for more information.

Benefits: The benefit levels are described in your Summary of Benefits. Some benefits included in your plan may appear as riders and these can be found following your Summary of Benefits.

The Table of Contents shows where to find more information regarding: eligibility, benefits, exclusions and limitations, and other important terms and conditions.

Exceptions, Reductions, and Limitations: Your benefits are subject to certain exclusions, limitations, and terms for keeping the benefits in force.

Please refer to the section entitled “Exclusions and Limitations” for further details on these and other exclusions and limitations. The first page of the Summary of Benefits provides information on the Waiting Period and the age-based reduction in Life Insurance Benefits, if applicable.

Continuation of Coverage: Eligibility for coverage is described in the sections entitled Eligibility for Employees and Eligibility for Dependents of your certificate. Your coverage may not begin until after a waiting period, as described on the first page of the Summary of Benefits. The Termination of Coverage section of your certificate explains when your coverage will terminate. Under certain circumstances, you may continue your coverage for a limited time period if you should become disabled. See the Extension Due to a Total Disability section for details. In addition, you may be eligible for continued coverage under applicable COBRA laws. See the Continuation Coverage Rights Under COBRA section for further details.

Premium or Contribution: The cost of this coverage is included within the premiums paid for your benefit plan. Your contribution will be deducted by your employer from your paycheck.

H. Voluntarily taking any drug or narcotic unless the drug or narcotic is prescribed by a Doctor.
I. Heart attack, stroke or other circulatory disease or disorder, whether or not known or diagnosed, unless the immediate cause of Loss is external trauma.
Frequently Asked Questions

Preventive Care Plan

1. Does the Preventive Care Plan included in PanaBridge Advantage address an employee’s obligations to maintain coverage under the “individual mandate?”
   Yes. However, while the employee is a participant in the Preventive Care Plan, the employee will not be eligible for a premium subsidy in connection with any plan offered on an Exchange established under the Affordable Care Act.

2. Are Preventive Care Services covered only when performed in-network?
   Yes, preventive services are only covered under the preventive care plan when performed by an in-network provider.

3. How does a member determine which providers participate in the network?
   PPO participation may be verified with a simple phone call or online. The toll free number and website link can be found in the PPO Provider Network section of this guide, your ID card, and in our web portal. The insured is responsible for verifying the current PPO participation of their provider.

4. Can dependents be insured in this plan?
   Yes. If the member is covered by PanaBridge Advantage, dependents are also eligible for coverage.

PanaMed Limited Benefit Indemnity Plan

1. Is PanaMed Major Medical coverage?
   No. PanaMed is a limited benefit indemnity plan. This is not basic health insurance or major medical coverage and is not designed as a substitute for either coverage. PanaMed pays a fixed benefit amount to help cover the cost of common medical services. The plan is not designed to cover the costs of serious or chronic illnesses. It contains specific dollar limits that will be paid for medical services which may not be exceeded. Specific dollar limits are listed in the summary of benefits.

2. Does PanaMed have any exclusions or limitations?
   Benefits are subject to certain exclusions, limitations, and terms for keeping the benefits in force. For example the following services are not covered by this plan: infertility treatments, cosmetic surgery, counseling for mental illness or substance abuse, obesity, weight reduction or dietetic control, physical therapy. This is a partial list of services that are generally not covered. Members should refer to their certificate to determine which services are covered and to what extent. Additional information can be found in our web portal at www.mypalic.com.

3. Will the PanaMed plan provide an indemnity benefit for any Physician or Hospital?
   Yes. The member is free to seek the services of any licensed Physician or accredited Hospital. There is no requirement that the Physician or Hospital belong to a PPO network to receive benefits, except for preventive services must be performed in-network.

4. What is a PPO and the advantage for using?
   PPO is the abbreviation for Preferred Provider Organization. This organization of providers (referred to as a “network”) has agreed to provide their services as a negotiated discount, reducing your out of pocket cost. While PanaMed may be used at any hospital or physician’s office, members are encouraged to utilize the PPO network for discounted provider prices.

5. Is there a pre-existing condition exclusion on the plan?
   Because this is a limited benefit indemnity plan there are no pre-existing condition exclusions. However there are certain circumstances where pregnancy is not covered if conception occurred prior to the insured’s effective date of coverage. This exclusion does not apply to residents and groups of California, Idaho, Montana, and Texas, or to North Carolina groups.

6. Are Medicare and Medicaid recipients eligible for this plan?
   Yes. However, under Medicare and Medicaid policies, PanaMed is considered primary coverage. As a result, with PanaMed, Medicare and/or Medicaid coverage may be reduced or discontinued.

7. Can the PanaMed plan be used if the insured has separate health insurance?
   Yes. The specified benefits pay irrespective of any other private group coverage.
