Please keep this limited warranty brochure with your vehicle as it provides details about your Certified Pre-Owned Vehicle’s warranty as well as facts about parts and service.
YOUR LEGAL RIGHTS UNDER THESE LIMITED WARRANTIES

The limited warranties contained in this booklet, and any remaining coverage that your vehicle may have under its Chrysler Group LLC New Vehicle Basic Limited Warranty, are the only express limited warranties that Chrysler Group LLC makes for your Certified Pre-Owned Vehicle. These limited warranties give you specific legal rights, and you may also have other rights that vary from state to state. For example, you may have some implied warranties, depending on the state in which your vehicle is registered:

• An “implied warranty of merchantability” means that your vehicle is reasonably fit for the general purpose for which it was sold
• An “implied warranty of fitness for a particular purpose” means that your vehicle is suitable for your special purposes if those special purposes were specifically disclosed to Chrysler Group LLC itself — not merely to the dealer — before your purchase

These implied warranties are limited to the time periods covered by the express written limited warranties contained in this booklet to the extent allowed by the law. Some states do not allow limitations on how long an implied limited warranty lasts, so the above limitations may not apply to you.

If you use your vehicle primarily for business or commercial purposes, then these implied warranties do not apply, and Chrysler Group LLC completely disclaims them to the extent allowed by the law. And the implied limited warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing. There is no limited warranty coverage on your vehicle if you use it for racing.

7-YEAR/100,000-MILE CERTIFIED PRE-OWNED VEHICLE POWERTRAIN LIMITED WARRANTY (FOR LATE MODEL VEHICLES)

(ALSO REFERRED TO AS “POWERTRAIN LIMITED WARRANTY”)

$100 Deductible
You are responsible for the first $100 of the total cost of covered component repairs performed during each repair visit. The Powertrain Limited Warranty pays the remaining cost of covered repairs.

Persons to Whom the Limited Warranty Is Offered
The Certified Pre-Owned Vehicle Powertrain Limited Warranty is extended to the original purchaser of the Certified Pre-Owned Vehicle. In addition, the Powertrain Limited Warranty is also offered to the first transferee from that original purchaser if a $150 transfer fee is paid. The fee must be paid at a Chrysler Group LLC dealership. Second and subsequent transfers are not covered by the Powertrain Limited Warranty.

Towing
The Powertrain Limited Warranty also covers the cost of towing your vehicle (up to a $100 maximum per occurrence) to the nearest Chrysler, Jeep®®, Dodge or Ram dealer if your vehicle can’t be driven because of a failure of a covered powertrain part.

Transfer of Your Powertrain Limited Warranty
Your Powertrain Limited Warranty may be transferred only ONCE — to the person to whom you sell or transfer your Certified Pre-Owned Vehicle. There is a fee of $150 for this transfer, and the transfer must be recorded and the fee paid at an authorized Chrysler Group LLC dealer.
3-MONTH/3,000-MILE MAXIMUM CARE COVERAGE (ALSO REFERRED TO AS “MAXIMUM CARE”)

What’s Covered
Chrysler Group LLC warrants the following components of your Certified Pre-Owned Vehicle for 3-Months or 3,000-Miles, whichever comes first, measured from the date when the Certified Pre-Owned Vehicle is sold and delivered to the purchaser, or on the expiration of any remaining coverage under the 3-Year/36,000-Mile New Vehicle Limited Warranty, whichever date comes later.

All major assembly components and steering, air conditioning, engine cooling/fuel system, front suspension, all electrical systems, all engine computers, shocks, torsion bars, engine mounts, brakes, antilock brakes, instrumentation, rear suspension and all seat, hood, trunk, lid, liftgate, door and window mechanisms.

What’s Not Covered by the Maximum Care Coverage
These items are not covered by the Maximum Care Coverage: wear items, tires, wipers, maintenance services and items used in those services, glass and plastic lenses, body and paint repairs including dents, soft-trim items, remote transmitters, accessories added after manufacture including snow plows, winches and trailer hitches, manual clutch assembly and facings, belts and hoses, and normally replaceable brake parts, including shoes, pads, rotors and drums.

$100 Deductible
You are responsible for $100 of the total cost of covered component repairs performed during each repair visit. The Maximum Care Coverage pays the remaining cost of covered repairs.

WHAT IS NOT COVERED UNDER ANY CHRYSLER GROUP LLC LIMITED WARRANTY

Modifications to Your Certified Pre-Owned Vehicle that Are Not Covered
Certain changes that you might make to your vehicle do not, by themselves, void the limited warranties that apply to your Certified Pre-Owned Vehicle. Examples of some of these changes are:
• installing non-Chrysler Group LLC parts, components or equipment (such as a non-Chrysler Group LLC radio or speed control)
• using special non-Chrysler Group LLC materials or additives

Your limited warranties do not cover any part that Chrysler Group LLC did not supply or did not certify for use on your vehicle. Nor do they cover the costs of any repairs or adjustments that might be caused or needed because of the installation or use of non-Chrysler Group LLC parts, components, equipment, materials or additives.

Performance or racing parts are considered to be non-Chrysler Group LLC parts. Repairs or adjustments caused by their use are not covered under your limited warranties.

Examples of the Types of Alterations Not Covered Are:
• installing accessories — except for Authentic Chrysler Group LLC Accessories by Mopar®, installed by an authorized Chrysler Group LLC dealer
• applying rustproofing or other protection products
• using any fluid, including refrigerant, motor oil or transmission fluid, not listed in your Owner’s Manual as approved for use in your Certified Pre-Owned Vehicle

Modifications that Will Void Your Limited Warranties
These actions will void your limited warranties:
• disconnecting, tampering with or altering the odometer (unless your repairing technician follows the legal requirements for repairing or replacing odometers)
• attaching any device that disconnects the odometer

Environmental Factors Not Covered
Your limited warranties do not cover damage caused by environmental factors, such as airborne fallout, chemicals, tree sap, salt, ocean spray, acid rain and road hazards. Your limited warranties do not cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods and earthquakes. Your limited warranties do not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in the glass, scratches and chips in painted surfaces or damage from collision.

Maintenance Costs Not Covered
Your limited warranties do NOT cover the costs of repairing damage caused by poor or improper maintenance. Nor do they cover damage caused by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner’s Manual.

Your limited warranties do not cover the costs of your vehicle’s normal or scheduled maintenance (the parts and services that all vehicles routinely need), including: lubrication, tires, engine tune-ups, replacing filters, coolant, spark plugs, bulbs or fuses (unless those costs result from a covered repair), cleaning and polishing, replacing worn wiper blades, worn brake pads and linings or clutch linings.
Your limited warranties do not cover any incidental or consequential damages connected with your vehicle's failure, either while under warranty or afterward. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the below limitation or exclusion may not apply to you.

Examples of such damages include:
- lost time/inconvenience
- the loss of the use of your vehicle
- gasoline, telephone, travel or lodging
- the loss of personal or commercial property
- the loss of revenue

Certain Kinds of Corrosion Not Covered
Your warranties do not cover the following:
- corrosion caused by accident, damage, abuse or vehicle alteration
- surface corrosion caused by such things as industrial fallout, sand, salt, hail and stones
- corrosion caused by the extensive or abnormal transport of caustic materials, like chemicals, acids and fertilizers
- corrosion of special bodies, body conversions or equipment not made or supplied by Chrysler Group LLC

Other Exclusions
Your limited warranties do not cover the costs of repairing damage or conditions caused by any of the following:
- fire or accident
- abuse or negligence
- racing
- misuse — for example, driving over curbs or overloading
- windshield or rear window damage from external objects
- tampering with the emissions system or with a part that could affect the emissions system
- use of used parts, even if they were originally supplied by Chrysler Group LLC (however, authorized Chrysler Group LLC or Mopar® remanufactured parts are covered)
- using any fluid that does not meet the minimum recommendations in your Owner’s Manual

Total Loss, Salvage, Junk or Scrap Vehicles Not Covered
A vehicle has no limited warranty coverage of any kind if:
- the vehicle is declared to be a total loss by an insurance company
- the vehicle is rebuilt after being declared to be a total loss by an insurance company
- the vehicle is issued a certificate of title indicating that it is designated as “salvage,” “junk,” “rebuilt,” “scrap” or similar words

Chrysler Group LLC will deny limited warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

Restricted Limited Warranty
Chrysler Group LLC may restrict the limited warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected and the abuse or neglect interferes with the proper functioning of the vehicle. If the limited warranty is restricted, coverage may be denied or subject to approval by Chrysler Group LLC before covered repairs are performed.

Registration and Operation Requirements
The Certified Pre-Owned Vehicle Powertrain Limited Warranty, including Maximum Care Coverage, covers your vehicle only if:
- it is registered in the U.S.
- it is driven mainly in the U.S. or Canada
- it is operated and maintained in the manner described in your Owner’s Manual

There is no limited warranty coverage on your Certified Pre-Owned Vehicle if it is sold, registered or operated, other than temporarily by you, outside of the United States (including the 50 states, the District of Columbia, Puerto Rico or Guam).

This policy does not apply to vehicles that have received authorization for export from Chrysler Group LLC. Dealers may not give authorization for export. If you have any questions, you should consult an authorized dealer to determine this vehicle’s limited warranty coverage.

This policy does not apply to vehicles registered to U.S. government officials or military personnel on assignment outside of the U.S.

Other Terms of These Limited Warranties
Punitive, exemplary or multiple damages may not be recovered unless applicable state or local law prohibits this disclaimer. No person, including Chrysler Group LLC employees or dealers, may modify or waive any part of this limited warranty.

OTHER CERTIFIED PRE-OWNED VEHICLE SERVICES
In addition to the benefits of the Powertrain Limited Warranty and Maximum Care Coverage, Chrysler Group LLC is pleased to offer the following additional services for your Certified Pre-Owned Vehicle during its warranty period.

Towing/Roadside Assistance*
As a Certified Pre-Owned Vehicle owner, you are provided 24-hour/7-day per week towing and roadside assistance (up to $100 per occurrence) by Chrysler Group LLC if your Certified Pre-Owned Vehicle is disabled. You must call (800) 521-2779 for service.

Any expense beyond $100 is your responsibility at the time and site of service. The plan provides coverage for such items as:
- towing to the nearest Chrysler, Jeep®, Dodge or Ram dealer or Chrysler Group LLC authorized repair facility
- flat-tire change (with your good spare)
- battery jump
• out-of-gas fuel delivery (maximum two gallons)
• lockout service (e.g., keys locked in car or frozen lock)

Towing assistance will be dispatched only for a mechanical disablement that renders the vehicle inoperative. This service is provided to you as part of your Chrysler Group LLC Certified Pre-Owned Vehicle Powertrain Limited Warranty to minimize any unforeseen vehicle operation inconvenience and is available all day, every day.

How to Use Roadside Assistance*
All required towing, roadside assistance, lockout and other Roadside Assistance services described previously MUST BE ARRANGED AT TIME OF OCCURRENCE by calling (800) 521-2779. You should be prepared to provide the Chrysler Group LLC representative with your name, your vehicle identification number, vehicle license plate number, your location (including the phone number you are calling from) and a brief description of the problem.

All Roadside Assistance services are provided by and/or through Agero Cross Country Motor Club, Inc., Medford, MA 02155, except in Alaska, California, Hawaii, Oregon, Wisconsin and Wyoming where services are provided by and/or through Cross Country Motor Club of California, Inc., Thousand Oaks, CA 91360. Both collectively referred to as CCMC, CCMC acts merely as a dispatcher of referral service to persons or entities who provide the actual service. These persons and/or entities are independent contractors. Accordingly, CCMC assumes no responsibility for the acts, errors, omissions, negligence and misconduct of such persons and/or entities. All persons availing themselves of the benefits of Chrysler Roadside Assistance are to look solely to such persons and/or entities for liability arising in connection therewith and not to CCMC.

In some cases, Chrysler Roadside Assistance may authorize you or your Chrysler, Jeep®, Dodge or Ram dealer to arrange for local service and will provide an authorization number to do so. Your Chrysler Certified Pre-Owned Vehicle Powertrain Limited Warranty will, in these instances, provide reimbursement of up to $100 maximum per roadside assistance incident, provided that the claim contains: A) a valid original receipt of payment from the tow/repair facility for the services rendered (claims which contain anything other than original receipts may be denied) and B) the Chrysler Roadside Assistance authorization number. All Roadside Assistance claims that meet these requirements should be sent to:

Chrysler Roadside Assistance/Attn: Claims Department
PO Box 9145
Medford, MA 02155
Phone: (800) 521-2779

* Chrysler Roadside Assistance will not cover services that are solicited without first contacting Chrysler Roadside Assistance for prior authorization.

CAR RENTAL ALLOWANCE†
As a Certified Pre-Owned Vehicle owner, you will be reimbursed up to $35 per day by Chrysler Group LLC for a rental vehicle ($175 maximum per occurrence) any time if: A) a component fails and the component is covered by the Certified Pre-Owned Vehicle Powertrain Limited Warranty, B) any coverage is under the New Vehicle Basic Limited Warranty, C) the vehicle is inoperable because of the failure and D) repairs take overnight.

Car Rental Allowance coverage is not provided where loaner vehicle coverage is provided by the warranty or the dealer.

† The rental car must be obtained from a dealer or from a licensed rental agency. Rental coverage is subject to state and local laws and those imposed by the rental agency. Chrysler Group LLC is not responsible for any refusal of a rental agency to rent a vehicle to you.

First Day Rental
Provides a $35 First Day Car Rental Allowance or Taxi Reimbursement for any dealership mechanical repair or maintenance service (excluding bodywork).

Taxi Reimbursement (in lieu of First Day and Car Rental Allowance)
This Powertrain Limited Warranty provides up to $35 for taxi cab fare, in lieu of First Day Rental if the vehicle is to be serviced for any same-day mechanical or maintenance services.

When a loaner car is not available, or you are not eligible for a rental car, the plan will pay up to $35 per day ($175 maximum per occurrence) for taxi service, in lieu of car rental any time mechanical repairs take overnight.

Taxi receipts must be from a licensed taxi service provider. Taxi charges in excess of the amount allowed by the Powertrain Limited Warranty are your responsibility.

HOW TO OBTAIN LIMITED WARRANTY SERVICE FOR YOUR VEHICLE

Limited Warranty Service in the U.S. or Canada
In general, Chrysler Group LLC recommends that you take your Certified Pre-Owned Vehicle to the Chrysler, Jeep®, Dodge or Ram dealer from which you bought it. Your selling dealer knows you and your vehicle best. You may, however, take your vehicle to ANY authorized Chrysler, Jeep®, Dodge or Ram dealer for limited warranty work, as long as the dealership is equipped to perform the services and repairs you need.

Except in emergencies, limited warranty service on your vehicle may be performed ONLY at an authorized Chrysler, Jeep®, Dodge or Ram dealer.

Limited Warranty Service Tips
Give thought to your appointment time. Mondays and Fridays are usually the busiest days at most dealerships. Make midweek appointments whenever you can.

Prepare for your service visit. Make a list, in priority order, of the service work you want done. Bring along all the documentation you have that relates to the problem you have or the work you want done. All work may not be covered by your Chrysler Group LLC limited warranties.
If you’ve listed a number of service or repair items, be prepared to make a second visit or to leave your vehicle at the dealership for more than one day. (Many dealers have loaner vehicles available at a low daily rate.)

**Accurately describe the problem.** Be prepared to tell your Service Advisor what problem(s) you’re having in simple, operational terms. If your vehicle is “acting funny” or is making “strange” noises, try to describe the condition in layman’s terms. Tell him or her the “symptoms,” not what you think the mechanical problem is. Let your dealership’s service technicians diagnose the problem.

**Check limited warranty work promptly.** Check the service or repairs done to your vehicle as soon as you can. Tell the Service Advisor or Service Manager IMMEDIATELY about any work not done properly. If you can’t take your vehicle back right away for corrections, make an appointment to do so at the earliest possible time.

**Documentation**
You should keep a complete and accurate record of all maintenance and service work done on your vehicle. This record should include both limited warranty and non-warranty work. And each entry should include the date the work was done and your vehicle’s mileage at the time of service.

Every time you have a limited warranty repair done on your vehicle, you should get — and keep — a copy of the Warranty Repair Order (WRO); you’re entitled to this document by law. This document lists the warranty repair services performed and the limited warranty parts that were involved.

Most dealers — as well as most other vehicle service facilities — use similar forms for recording non-warranty service work.

**Limited Warranty Service in Foreign Countries**
Overseas Chrysler Group LLC dealers are authorized to provide no-charge limited warranty service to vehicles operated temporarily outside the U.S. and its possessions or territories but registered in the U.S. and its possessions and territories at the time of repair. However, if an overseas dealer charges you for limited warranty work, here’s what you should do to get reimbursed:

1. Get a paid receipt from the dealer; make sure that this receipt lists ALL the limited warranty repairs AND limited warranty parts that were involved.
2. On your return home, contact the Chrysler Group LLC Customer Assistance Center at (800) 992-1997 and explain your request for limited warranty reimbursement.
3. If the Chrysler Group LLC Customer Assistance Center representative asks you to do so, send him or her a copy of the receipt, your vehicle registration at the time of repair and all other relevant documents (see “Documentation” above).

**Emergency Limited Warranty Repairs**
If you have an emergency and have to get a limited warranty repair made by an unauthorized dealer, follow the reimbursement procedure for “Limited Warranty Service in Foreign Countries” above.

**HOW TO DEAL WITH LIMITED WARRANTY PROBLEMS**

Normally, your dealer’s sales or service departments can resolve limited warranty problems. That’s why you should always talk to your dealer’s Service Manager or Sales Manager first. If you’re not satisfied with the dealership’s response, Chrysler Group LLC recommends that you do the following:

- Discuss the problem with the Owner or General Manager of the dealership
- If your dealership still can’t resolve the problem, contact the Chrysler Group LLC Customer Assistance Center at (800) 992-1997

**What Chrysler Group LLC Will Do**
A Chrysler Group LLC representative at headquarters will review your situation and provide your dealer with all the information and assistance necessary to resolve the problem. Even if Chrysler can’t help you, Chrysler Group LLC will acknowledge your contact and explain the Chrysler Group LLC position.

**If Your Problem Still Isn’t Resolved**

**For customers residing in Arkansas, Idaho, Kentucky or Minnesota ONLY.** If you’re unable to resolve your limited warranty problem through these steps and you live in Arkansas, Idaho, Kentucky or Minnesota ONLY, you can contact the Chrysler Group LLC Customer Arbitration Process (CAP) in your area.

This process is not available for residents in other states. You may obtain a brochure describing the Chrysler Group LLC Customer Arbitration Process, including an application, by calling (800) 992-1997.

This service is strictly voluntary, and you may submit your dispute directly to the CAP at no cost. The CAP is administered by an independent dispute settlement organization and may be contacted in writing at the following address:

**National Center for Dispute Settlement**
**Chrysler Group LLC**
**Customer Arbitration Process**
**PO Box 560208**
**Dallas, TX 75356-0208**

The CAP reviews only vehicle disputes involving Chrysler Group LLC Limited Warranties or a Mopar® Part Limited Warranty on a Chrysler, Jeep®, Dodge or Ram vehicle. The CAP does not review disputes involving the sale of a new or used vehicle, personal injury/property damage claims, disputes relating to design of the vehicle or part or disputes which are already the subject of litigation.

The CAP will need the following information from you: 1) legible copies of all documentation and repair orders relevant to your case, 2) vehicle identification number of your vehicle, 3) a brief description of your unresolved concern, 4) the identity of your service/selling dealer, 5) the date(s) of repair(s) and mileage at the time, 6) current mileage and 7) a description of the action you expect to resolve your concern.
Upon receipt of your request:
• The National Center for Dispute Settlement (NCDS) will acknowledge receipt of your request, by mail, within ten (10) days, and advise you whether or not your dispute is within the jurisdiction of the process
• If your request is within the jurisdiction, NCDS will request Chrysler Group LLC and the dealer to present their side of the dispute. You will receive copies of their responses
• While your dispute is pending, NCDS or Chrysler Group LLC may contact you to see if your case can be settled by agreement. If a settlement is offered to you, Chrysler Group LLC will ask you to sign a form that contains the settlement. Your case will then be closed. There is no requirement for you to participate in this settlement process
• If you requested an oral hearing, a decision-maker will contact you to arrange a convenient time and place for a hearing. Usually, this will be at a dealership near you
• If you request a documents-only review, an NCDS panel will review and decide your case. Neither you, the dealer nor Chrysler Group LLC need to be present
• NCDS will send you a written Statement of Decision. This statement will include the decision, any action to be taken by the dealer or Chrysler Group LLC and the time by which the action must be taken. The decision will be binding on the dealer and Chrysler Group LLC but not on you, unless you accept the decision
• If any action is required on the part of the dealer or Chrysler Group LLC, you will be contacted within ten (10) days after the date by which the dealer or Chrysler Group LLC must act to determine whether performance has been rendered
• The entire dispute settlement process will normally take no longer than 40 days
• The Chrysler Group LLC dispute settlement procedure does not take the place of any state or federal legal remedies available to you. Whether or not you decide to submit your dispute to the process, you are free to pursue other legal remedies

Notice under State Lemon Laws
Some states have laws allowing you to get a replacement vehicle or a refund of the vehicle’s purchase price under certain circumstances. These laws vary from state to state. If your state law allows, Chrysler Group LLC requires that you first notify us in writing of any service difficulty that you may have experienced so that we can have a chance to make any needed repairs before you are eligible for remedies provided by these laws. In all other states, we ask that you give us written notice of any service difficulty. Send your written notice to the Chrysler Group LLC Customer Assistance Center listed below.

### General Disclosure

For all Lifetime Plans: First Day Rental, Car Rental Allowance, Roadside Assistance, Towing Allowance and Trip Interruption Benefits expire at 7-Years or 100,000-Miles (for late model vehicles), whichever occurs first. The rental car must be obtained from a dealer or from a licensed rental agency. Rental coverage is subject to state and local laws and those imposed by the rental agency. Chrysler Group LLC is not responsible for any refusal of a rental agency to rent a vehicle to you. Where not provided by vehicle warranty or dealer, your Certified Pre-Owned Vehicle Limited Warranty includes Car Rental Allowance for repairs covered by that warranty only. Options 1, 2 and 3 provide Car Rental Allowance for the components and for the time and mileage covered by these options. Lifetime Plans cover ONLY the first CPOV vehicle owner. Plan is NOT transferable except in the states of Florida ($40 transfer fee) and North Carolina ($50 transfer fee). If Plan is transferred in the states listed above, the vehicle’s original Certified Powertrain Limited Warranty MUST also be transferred.

Lifetime Plan covers only the first certified vehicle owner and is not transferable to subsequent owners.
