COURSE DESCRIPTION
The annual USC National Trauma, Emergency Surgery and Surgical Critical Care Symposium will be held from the LAC+USC Medical Center and the University of Southern California. The meeting will begin at 7:30 AM on May 29, 2015, and conclude at 4:30 PM on May 30, 2015. Conveniently located in the Los Angeles area, the symposium will feature cutting edge lectures, high caliber speakers, and interactive case presentations. The symposium is sponsored by the Division of Acute Care Surgery from the Los Angeles County+USC Medical Center.

TARGET AUDIENCE
The courses are intended for physicians, nurses, physician assistants, nurse practitioners, nurses, and other health professionals who treat patients who require care for acute care surgery, trauma centers, and surgical critical care in the United States. The symposium features cutting edge lectures, high caliber speakers, and interactive case presentations. The symposium is sponsored by the Division of Acute Care Surgery from the Los Angeles County+USC Medical Center. A reasonable number of hours of continuing medical education is provided.
