QUALITY COUNSELORS
We recognize the quality of a counselor is critical to the success of camp. Only the most qualified individuals are selected based on experience, education, values, and the desire to work with children. All counselors have PA State Police, Child Abuse, and FBI Fingerprint certifications. Counselors attend a pre-camp training which includes: CPR/AED & First-Aid, Child Abuse Prevention & Mandated Reporter, leading activities, guiding behavior, aquatic safety, canoeing & kayaking, and archery instruction. A ratio of 1 counselor to 12 campers is followed.

POSITIVE GUIDANCE
Counselors and coaches follow positive reinforcement guidelines and stress the use of the Character Development Values of Honesty, Caring, Respect, Responsibility & Faith. On occasion, campers may need to be corrected for inappropriate behavior. Parents will be notified of inappropriate behavior by the counselor/coach and/or Director. Behavior Tracking Forms will be given to the parent/guardian for review and signature. These forms are to be returned within 24 hours. A parent/guardian conference with the Director may also be held to discuss behavior. Our goal is to provide a safe, enjoyable environment for everyone with your help. The YMCA will not tolerate stealing, swearing, bullying, violence, aggression, possession of weapons, drugs, alcohol or tobacco, vandalism and sexual harassment.

WEATHER
All summer camps will occur on schedule regardless of weather conditions. In the event of inclement weather, camps will be moved inside and the drop off and pick up locations will move to our gymnasium, in both Hanover and Littlestown. Parents can check Facebook for immediate updates on camp changes: http://www.facebook.com/#!/hanoverareaymca
