Academic Programs are designed to:
- Serve as a positive alternative to expulsion
- Assist students who are behind academically and provide credit recovery for students with truancy issues.
- Give students the necessary support and basic education to help them be successful once they return to their home school
- Reduce the number of students who choose to disengage from school
- Increase the number of students graduating with a high school diploma
- Encourage the number of students completing the GED
- Provide full family literacy (adult education, parenting, early childhood, parent/child interactive literacy, and home visits) for parents and their children, ages birth to 5. Provide early literacy and developmental skills instruction to children ages 2-3 and their parents.

Providing College & Career Pathways:
- WorkKeys – Career Readiness Certificates
- WIOA Youth Program
- ResCare Career Services for Adults

Office of Exceptional Children
The goal of The Office of Exceptional Children Services it to ensure that every student with a disability in FCSD3 is provided with a free and appropriate public education in the least restrictive environment.

OEC is responsible for the supervision of all educational programs and services being provided to children with disabilities. The offices located here include all school psychologists, OEC director, OEC clerical and administrative staff and the "Child Find" staff. Additionally all due process records are also conveniently housed at 209 Graham Road.
