SPECIAL HANDSTAMPS - COLOURS OF INK
Sponsors of special handstamps may, for an additional fee, have the handstamps on their own covers applied in coloured inks. Unless otherwise stated in this Bulletin, covers sent in under the reposting service will have the postmarks applied in black ink. Indication of the use of any coloured inks will be given and readers interested in acquiring covers bearing these coloured postmarks should contact the sponsor for further information.

FORTHCOMING SPECIAL HANDSTAMPS
Items for reposting, individually addressed and bearing at least the 2nd class postage rate should be sent to the reposting address given. To ensure prompt handling please mark the outer cover ‘Special Handstamp’ and state clearly the serial number(s) of the handstamp(s) required. On the first day of issue of new stamps items not clearly marked will receive the ‘First Day of Issue’ cancellation. The outer cover must bear normal postage and only those items bearing the postmark on or before the date of the special handstamp will be eligible for the cancellation. Collectors who want their covers/cards returned under cover after handstamping should enclose a suitable self-addressed envelope. This need not bear additional postage stamps, the postage being already paid by the stamp affixed to the covers for postmarking. The handstamp illustrations in this bulletin are approximately full size; we regret we cannot guarantee that the actual postmark impressions will be the same size as the illustrations. The handstamps are announced in sections for each of the Special Handstamp Centres, and where relevant Royal Mail Tallents House, Forces Post Office, and other handstamping places. They are shown in date order with the name and address of the sponsor given at the end of each section.

For customers submitting covers/cards for more than one postmark, please use/provide a separate envelope for each postmark. Customers are also asked to clearly mark/identify the postmark number required. This will help us process the covers/cards more efficiently.
