Phase II - Proposal Evaluation
In Phase II, the EC will evaluate the extent to which a Respondent’s Proposal meets the program objectives set forth in the RFP. Phase II will include a detailed analysis of the Respondent’s qualifications, experience, proposed implementation plan, cost proposal and other factors based on the evaluation criteria outlined in Section V, Evaluating Proposals.

As part of the evaluation process, the EC will review the information required by Section IV, for each Proposal received. The EC may also review other information gained by checking references and by investigating the Respondent’s financial condition.

Any material misrepresentation made by a Respondent may void the Proposal and eliminate the Respondent from further consideration.

The City reserves the right to enlist independent consulting services to assist with the evaluation of all or any portion of the Proposal responses as it deems necessary.

D. Cost Proposal relative to information provided in Exhibit 2.

E. MBE/WBE Plan. Level, relevancy and quality of participation by MBE/WBE firms certified by the City of Chicago. It should be noted that non-responsiveness to this requirement may be cause for the prospective Respondent to be disqualified.

G. Financial Stability – The EC will consider the financial condition of Respondent. Respondent must be financially stable to ensure performance over the duration of the contract.

J. Conflict of Interest – The EC will consider any information regarding Respondent, including information contained in Respondent’s Proposal, that may indicate any conflicts (or potential conflicts) of interest which might compromise Respondent’s ability to satisfactorily perform the proposed Services or undermine the integrity of the competitive procurement process. If any Respondent has provided any services for the City in researching, consulting, advising, drafting or reviewing of this RFP or any services related to this RFP, such Respondent may be disqualified from further consideration.

VI. SELECTION PROCESS

After the Evaluation Committee (“EC”) completes its review of Proposals in Phase II, it may submit to the Comptroller of the Department of Finance (DOF) and Chief Procurement Officer a recommended short list of Respondents (Phase III), or the EC may forego Phase III and submit a recommendation to select one Respondent, or a recommendation to reject any or all Proposals.

Phase III- Oral Presentations and/or Site Visit
If the EC submits a short list of Respondents for further review, then, in the sole discretion of the Chief Procurement Officer, those short-listed Respondents may be subject to a site visit and/or invited to appear before the Evaluation Committee for an oral presentation to clarify in more detail information what was submitted in Respondent’s Proposal; and/or to ask Respondent to respond to additional questions. Afterwards, the Evaluation Committee will make a final
evaluation, including a final ranking of the Respondents, and will submit a recommendation for one Respondent to the Comptroller of DOF.

If the Comptroller makes a vendor selection recommendation, the recommendation will be forwarded to the Chief Procurement Officer for authorization to enter into contract negotiations with the selected Respondent.

The City will require the selected Respondent to participate in contract negotiations. The City's requirement that the selected Respondent negotiate is not a commitment by the City to award a contract. If the City determines that it is unable to reach an acceptable contract with the selected Respondent, including failure to agree on a fair and reasonable cost proposal for the Services or any other terms or conditions, the Comptroller may ask the Chief Procurement Officer to terminate negotiations with the selected Respondent, and to negotiate with any of the other qualified Respondents, until such time as the City has negotiated a contract meeting its needs.

The City reserves the right to terminate this RFP solicitation at any stage if the Chief Procurement Officer determines this action to be in the City's best interests. The receipt of Proposals or other documents will in no way obligate the City of Chicago to enter into any contract of any kind with any party.

VII. ADDITIONAL DETAILS OF THE RFP PROCESS

7.1 Addenda

If it becomes necessary to revise or expand upon any part of this RFP, an addendum will be sent to all of the prospective Respondents listed on the “Take Out Sheet” prior to the Proposal due date. Prospective Respondents are automatically listed when they sign or leave a business card for a copy of the RFP package in the Bid and Bond Room. Each addendum is incorporated as part of the RFP documents, and the prospective Respondent must acknowledge receipt.

The addendum may include, but will not be limited to, the following:

1. Responses to questions and requests for clarification sent to the Department of Procurement Services according to the provisions of Section 3.1 A herein; or

2. Responses to questions and requests for clarification raised at the Pre-Proposal Conference or by the deadline for submission of questions.

7.2 City's Rights to Reject Proposals

The City of Chicago, acting through its Chief Procurement Officer, reserves the right to reject any and all Proposals that do not conform to the requirements set forth in this RFP; or that do not contain at least the information required by Section IV. If no Respondent is selected through this RFP process, then the Chief Procurement Officer may utilize any other procurement method available under the Municipal Purchasing Act and the Municipal Code of Chicago, to obtain the Services described here.

7.3 No Liability for Costs

17
The City is not responsible for costs or damages incurred by Respondents, member(s), partners, subcontractors or other interested parties in connection with the RFP process, including but not limited to costs associated with preparing the Proposal and/or participating in any conferences, site visits, product/system demonstrations, oral presentations or negotiations.

7.4 **Prohibition on Certain Contributions – Mayoral Executive Order No. 05-1**

A person who violates this section shall also be liable for the city’s litigation and collection costs and attorney’s fees.

The penalties imposed by this section shall be in addition to any other penalty provided for in the municipal code. (Added Coun. J. 12-15-04, p. 39915, § 1)

(b) 1-21-020 Aiding and Abetting.

Any person who aids, abets, incites, compels or coerces the doing of any act prohibited by this chapter shall be liable to the city for the same penalties for the violation. (Added Coun. J. 12-15-04, p. 39915, § 1)

SPECIAL CONDITIONS REGARDING MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE (MBE/WBE) COMMITMENT AND SCHEDULES
SPECIAL CONDITION REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT  
(MBE/WBE Professional Services) (10 pgs)

I. Policy and Terms

A. It is the policy of the City of Chicago that Local Businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code shall have the maximum opportunity to participate fully in the performance of this agreement. Therefore, the contractor shall not discriminate against any person or business on the basis of race, color, national origin or sex, and shall take affirmative action to ensure that women and minority businesses shall have the maximum opportunity to compete for and perform subcontracts for supplies or services.

The Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

B. Failure to carry out the commitments and policies set forth herein shall constitute a material breach of the contract and may result in the termination of the contract or such remedy as the City of Chicago deems appropriate.

C. Accordingly, the contractor commits to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

- MBE Contract Goal: 25.0
- WBE Contract Goal: 5.0

D. The commitment is met by the contractor’s status as an MBE or WBE, or by a joint venture with one or more certified MBEs or WBEs that will perform work on the project, or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the contractor’s business (but no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor’s MBE or WBE commitment with respect to all contracts of such contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both an MBE and WBE shall not be credited more than once against a contractor's MBE or WBE commitment in the performance of the contract.

E. As noted above, the contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this contract. However, in determining the manner of MBE/WBE participation, the contractor shall first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this contract. In appropriate cases, the Chief Procurement Officer will require the contractor to demonstrate the specific efforts undertaken to involve MBEs and WBEs in direct participation in the performance of this contract.

F. The contractor also may with prior approval of the Chief Procurement Officer or designee, meet all, or part, of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector projects.
II. Definitions

A. “Minority Business Enterprise” or “MBE” means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations.

B. “Women Business Enterprise” or “WBE” means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations.

C. “Directory” means the Directory of Certified “Disadvantaged Business Enterprises,” “Minority Business Enterprises” and “Women Business Enterprises” maintained and published by the Contract Compliance Administrator. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE and WBE firms.

D. “Area of Specialty” means the description of an MBE or WBE firm’s business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm’s claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm’s Area of Specialty. This information is also contained in the Directory. Credit toward this contract’s MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

NOTICE: The Department of Procurement Services does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

E. “Joint Venture” means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Contractors may develop joint venture agreements as an instrument to provide participation by MBEs and WBEs in contract work.

III. Joint Ventures

Bidders may develop joint venture agreements as an instrument to provide participation by certified MBEs and WBEs in contract work. A joint venture seeking to be credited for MBE and/or WBE participation may be formed among MBE and/or WBE firms or between an MBE and/or WBE firm and a non-MBE/WBE firm.

A joint venture is eligible for MBE or WBE credit if the MBE/WBE joint venture partner(s) share in the ownership, control and management responsibilities, risks and profits of the joint venture, and are responsible for a clearly defined portion of work to be performed, in proportion with the MBE and/or WBE ownership percentage.

Notice: The City requires that, whenever a joint venture is proposed as the prime contractor, each joint venture partner must separately sign the proposal to the City, in the pages captioned, TO BE EXECUTED BY A CORPORATION; TO BE EXECUTED BY A PARTNERSHIP; and/or TO BE EXECUTED BY A SOLE PROPRIETOR, as applicable.

IV. Counting MBE/WBE Participation Toward the Contract Goals

A. The inclusion of any MBE or WBE in the contractor’s MBE/WBE Utilization Plan shall not conclusively establish the contractor’s right to full MBE/WBE credit for that firm’s participation in the contract. Once an
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

MBE or WBE is determined to be eligible in accordance with these rules, the total dollar value of the work awarded to the MBE or WBE may be counted toward the MBE or WBE goal except as indicated below:

B. The Chief Procurement Officer reserves the right to deny or limit MBE/WBE credit to the contractor where any MBE or WBE is found to be engaged in substantial subcontracting or pass-through activities with others. A contractor may count toward its MBE and WBE goals only expenditures to firms that perform a commercially useful function. A firm is considered to perform a commercially useful function when it is responsible for the performance of a clearly defined and distinct element of work and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially useful function, the Chief Procurement Officer shall evaluate the amount of work subcontracted, industry practices, and other relevant factors. The amount of MBE/WBE participation credit shall be based upon an analysis by the Chief Procurement Officer of the specific duties that will be performed by the MBE or WBE. Each MBE/WBE shall be expected to actually perform a substantial (i.e., more than eighty-five percent (85%)) portion of the work contemplated for it by any subcontract or agreement through the use of its own employees and equipment.

Requested information may include, without limitation: (1) specific information concerning brokers’ fees and/or commissions; (2) intended sub-suppliers or other sources of goods and/or services; and (3) specific financial or other risks to be assumed by the MBE/WBE.

C. MBEs and WBEs who have been certified as “brokers” shall no longer be considered eligible to participate for any consideration of MBE or WBE credit on contracts awarded by the City in 1993 and thereafter, until further notice.

D. A joint venture may count toward its MBE or WBE goal the dollar value of the actual work performed by the MBE and/or WBE joint venture partner with its own resources. The Chief Procurement Officer reserves the right to disallow goal credit for all, or any portion, of work performed by an MBE or WBE joint venturer based on evaluations of non-compliance with these Special Conditions or any other City, State and/or Federal regulation.

V. Regulations Governing Reduction or Waiver of MBE/WBE Goals

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder or proposer determines that it is unable to meet the MBE and/or WBE goal percentage on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal. The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder/proposer’s letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

Bidders/proposers will be considered responsive to the terms and conditions of these Regulations if a waiver request and proof of notification to an assist agency is submitted at the time of bid/proposal opening. Once the bids have been opened, the lowest responsive and responsible bidder so deemed by the Chief Procurement Officer or authorized designee will have no more than fourteen (14) calendar days to submit to the Department of Procurement complete documentation that adequately addresses the conditions for waiver described herein. Proposers responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein. Respondents to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations. Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder/proposer; or re-advertising the bid/proposal. All bidders/proposers are encouraged to submit all required documents at the time of bid opening to expedite the contract award.

A. Direct/Indirect Participation

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

1. The bidder/proposer has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Direct participation involves subcontracting a portion of the goods/services specifically required in the bid/proposal. Indirect participation is the subcontracting of goods/services not specifically related to the performance of this contract. Documentation must include but is not necessarily limited to:

   a. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;

   b. A listing of all MBE/WBE firms contacted that includes:

      (1) Names, address and telephone numbers of MBE/WBE firms solicited;
      (2) Date and time of contact;
      (3) Method of contact (written, telephone, facsimile, etc.)

   c. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:

      (1) Project identification and location;
      (2) Classification/commodity of work items for which quotations were sought;
      (3) Date, item and location for acceptance of subcontractor bid proposals;
      (4) Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portion of the work and indicates why negotiations were unsuccessful;
      (5) Affirmation that good faith efforts have been demonstrated by choosing subcontracting opportunities likely to achieve MBE/WBE goals by not imposing any limiting conditions which were not mandatory for all subcontractors; or denying the benefits ordinarily conferred on MBE/WBE subcontractors for the type of work that was solicited.

   OR

2. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontracts’ quote is excessively costly, the bidder/proposer must provide the following information:

   a. A detailed statement of the work identified for MBE/WBE participation for which the bidder/proposer asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).

      (1) A listing of all potential subcontractors contacted for a quotation on that work item;
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

(2) Prices quoted for the subcontract in question by all such potential subcontractors for that work item.

b. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:

(1) The City’s estimate for the work under a specific subcontract;
(2) The bidder/proposer’s own estimate for the work under the subcontract;
(3) An average of the bona fide prices quoted for the subcontract;
(4) Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

B. Assist Agency Participation

Every waiver and/or reduction request must include evidence that the bidder/proposer has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community.

The notice requirement of this Section will be satisfied if a bidder/proposer contacts at least one of the associations on Attachment A when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required for any bid/proposal submitted to be deemed responsive on the date of bid opening. If deemed appropriate, the Chief Procurement Officer or Contract Compliance Officer may contact the assist agency for verification of notification.

C. Impracticability

1. If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

2. The requirements set forth in these Regulations shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Procurement Department administrator, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders/proposers, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

VI. Procedure To Determine Bid Compliance

The following Schedules and described documents constitute the bidder’s MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

A. Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Contractor.
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

A Schedule C-1 executed by the MBE/WBE (subcontractor or Joint Venture partner) must be submitted by the bidder/proposer for each MBE/WBE included on their Schedule D-1 and must accurately detail the work to be performed by the MBE/WBE and the agreed rates and prices to be paid.

If any fully completed and executed Schedule C-1 is not submitted with the bid/proposal, it must be received by the Contract Administrator within ten (10) days of the bid/proposal opening. (All post bid/proposal submissions must have original signatures on all documents). Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

B. Letters of Certification.

A copy of each proposed MBE/WBE firm’s current Letter of Certification from the City of Chicago must be submitted with the bid/proposal.

All Letters of Certification issued by the City of Chicago include a statement of the MBE/WBE firm’s Area of Specialty. The MBE/WBE firm’s scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

C. Joint Venture Agreements.

If the bidder’s/proposer’s MBE/WBE proposal includes the participation of an MBE/WBE as joint venture on any tier (either as the bidder/proposer or as a subcontractor), the bidder/proposer must provide a copy of the joint venture agreement.

D. Schedule D-1: Affidavit of MBE/WBE Goal Implementation Plan

Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm.

Except in cases where the bidder/proposer has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section V. herein, the bidder/proposer must commit to the expenditure of a specific dollar amount of participation and a specific percentage of the total award amount for each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, as percentages of the total estimated usage.

All commitments made by the bidder’s Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the bid opening (see Section VI. A., above), the bidder/proposer may submit a revised Schedule D-1 (executed and notarized) to conform with the Schedule C-1. Except in cases where substantial and documented justification is provided, bidders/proposers will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

VII. Reporting Requirements During The Term of The Contract

A. The Contractor shall, not later than thirty (30) days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements shall be made available to the Chief Procurement Officer upon request.

B. In the case of one time procurements of supplies with either single or multiple deliveries to be performed in less than one year from the date of contract award, an “MBE/WBE Utilization Report,” indicating final MBE and WBE payments shall be submitted directly to the Department of Procurement Services so as to assure receipt
either at the same time, or before the using Department receives the contractor’s final invoice. Final payments may be held until the Utilization Reports have been received.

**NOTICE:** Do not submit invoices with “MBE/WBE Utilization Reports.”

C. During the term of all other contracts, the contractor shall submit regular “MBE/WBE Utilization Reports,” a copy of which is attached. The frequency with which these reports are to be submitted will be determined by the Chief Procurement Officer, but in no case will reports be required less often than on a quarterly basis. In the absence of written notice from the Chief Procurement Officer, the contractor’s first “MBE/WBE Utilization Report” will be due ninety (90) days after the date of contract award, and reports will be due quarterly thereafter.

D. “MBE/WBE Utilization Reports” are to be submitted directly to: Department of Procurement Services, Office of Vendor Relations, City Hall, Room 403, 121 N. LaSalle Street, Chicago, Illinois 60602.

E. The Contract Compliance Administrator shall be entitled to examine, on five (5) business days notice, the contractor’s books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the contractor is in compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the contract. Such rights are in addition to any other audit inspection rights contained in the contract.

**VIII. MBE/WBE Substitutions**

Changes by the contractor of the commitments earlier certified in the Schedule D-1 are prohibited. In some cases, however, it may become necessary to substitute a new MBE or WBE in order to actually fulfill the MBE/WBE requirements.

The contractor must notify the Chief Procurement Officer immediately in writing of the necessity to reduce or terminate an MBE/WBE subcontract and to utilize a substitute firm for some phase of work. The contractor’s notification should include the reason for the substitution request, as well as, the name, address and principal official of the substitute MBE/WBE and the dollar value and scope of work of the subcontract. Attached should be all the requisite MBE/WBE affidavits and documents, as enumerated above in Section VI. above, “Procedure to Determine Bid Compliance.”

The City will not approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary for the contractor in order to comply with MBE/WBE contract requirements.

After award of contract, no relief of the MBE/WBE requirements will be granted by the City except in exceptional circumstances. Requests for complete or partial waiver of the MBE/WBE requirements of this contract must be made in writing, stating all details of the request, the circumstances, and any additional relevant information. The request must be accompanied by a record of all efforts taken by the contractor to locate specific firms, solicit MBE/WBE bids, seek assistance from technical assistance agencies, etc., as outlined above in the section V. above, entitled “Regulations Governing Reductions To or Waiver of MBE/WBE Goals.”

**IX. Non-Compliance and Damages**

The following constitutes a material breach of this contract and shall entitle the City to declare a default, terminate the contract and exercise those remedies provided for in the contract, at law or in equity:

1. failure to satisfy the MBE/WBE percentages required by the contract; and

2. the contractor or subcontractor is disqualified as an MBE or WBE, and such status was a factor in contract award, and was misrepresented by the contractor.

In the event that the contractor is determined not to have been involved in any misrepresentation of the status of the disqualified subcontractor or supplier, the contractor shall seek to discharge the disqualified
subcontractor or supplier, upon proper notification to the Chief Procurement Officer and/or Contract Compliance Administrator and make every effort to identify and engage a qualified MBE or WBE as its replacement. Furthermore, continued eligibility to enter into future contracting arrangements with the City may be jeopardized as a result of non-compliance. Payments due to the contractor may be withheld until corrective action is taken.

X. Arbitration

A. In the event that a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney’s fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and an MBE/WBE.

B. An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitrative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, Section X. A. above, within ten (10) days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (“AAA”), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

C. All fees of the arbitrator are the initial responsibility of the MBE/WBE; provided, however, that the arbitrator is authorized to award reasonable expenses, including attorney’s and arbitrator fees, as damages to a prevailing MBE/WBE.

D. The MBE/WBE must send the City a copy of the “Demand for Arbitration” within ten (10) days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

XI. Record Keeping

The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs/WBEs, retaining these records for a period of at least three years after final acceptance of the work. Full access to these records shall be granted to the City of Chicago, Federal or State authorities in this project, the U.S. Department of Justice, or any duly authorized representatives thereof.

1.7. EDS FREQUENTLY ASKED QUESTIONS

Q: Where do I file?

A: The web link for the Online EDS is https://webapps.cityofchicago.org/EDSWeb

Q: How do I get help?

A: If there is a question mark on a page or next to a field, click on the question mark for help filling out the page or field. You may also consult the User Manual and the Training Videos available on the left menu.

Q: Why do I have to submit an EDS?

A: The Economic Disclosure Statement (EDS) is required of applicants making an application to the City for action requiring City Council, City department or other City agency approval. For example, all bidders seeking a City contract are required to submit an EDS. Through the EDS, applicants make disclosures required by State law and City ordinances and certify compliance with various laws and ordinances. An EDS is also required of certain parties related to the applicant, such as owners and controlling parties.
Q: Who is the Applicant?
A: “Applicant” means any entity or person making an application to the City for action requiring City Council or other City agency approval. The applicant does not include owners and parent companies.

Q: Who is the Disclosing Party?
A: “Disclosing Party” means any entity or person submitting an EDS. This includes owners and parent companies.

Q: What is an entity or legal entity?
A: “Entity” or “Legal Entity” means a legal entity (for example, a corporation, partnership, joint venture, limited liability company or trust).

Q: What is a person for purposes of the EDS?
A: “Person” means a human being.

Q: Who must submit an EDS?
A. An EDS must be submitted in any of the following three circumstances:

<table>
<thead>
<tr>
<th>Applicants:</th>
<th>An Applicant must always file this EDS. If the Applicant is a legal entity, state the full name of that legal entity. If the Applicant is a person acting on his/her own behalf, state his/her name.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Entities holding an interest:</td>
<td>Whenever a legal entity has a beneficial interest (E.G. direct or indirect ownership) of more than 7.5% in the Applicant, each such legal entity must file an EDS on its own behalf.</td>
</tr>
<tr>
<td>Controlling entities:</td>
<td>Whenever a Disclosing Party is a general partnership, limited partnership, limited liability company, limited liability partnership or joint venture that has a general partner, managing member, manager or other entity that can control the day-to-day management of the Disclosing Party, that entity must also file an EDS on its own behalf. Each entity with a beneficial interest of more than 7.5% in the controlling entity must also file an EDS on its own behalf.</td>
</tr>
</tbody>
</table>

Q: What information is needed to submit an EDS?
A: The information contained in the Preparation Checklist for EDS submission.
Q: I don’t have a user ID & password. Can I still submit an Online EDS?

A: No. You must register and create a user ID and password before submitting an Online EDS.

Q: What information is needed to request a user ID & password for Online EDS?

A: The information contained in the Preparation Checklist for Registration is needed to request a login for the Online EDS.

Q: I already have a username and password from another City web site (City Web Portal, Department of Construction and Permits, Department of Consumer Services, etc.). Can I log-in the Online EDS with that account?

A: Usually not. The Online EDS uses a user ID and password system that is shared by the Public Vehicle Advertising and Water Payment web sites. You may use a username and password from those sites by answering “Yes” to “Is this an existing City of Chicago user ID?” when registering. Other usernames and passwords will not be automatically recognized. However, you may choose to create an identical username for the Online EDS if it is not already taken.

Q: I don’t have an email address. How do I submit an Online EDS?

A: You cannot get an account to submit an online EDS without an email address. If you need an e-mail address, we suggest that you use a free internet email provider such as www.hotmail.com or www.yahoo.com or rmail.google.com to open an account. The City does not endorse any particular free internet email provider. Public computers are available at all Chicago Public Library branches.

Q: I forgot my user ID. Can I register again?

A: No. If you are the EDS Captain of your organization, please contact the Department of Procurement Services at 312-744-4900. If you are an EDS team member, contact your EDS Captain, who can look up your user ID.

Q: Who is the EDS Captain?

A: The EDS Captain is a person who performs certain administrative functions for an organization which files an EDS. Each organization registered with the Online EDS has at least one EDS Captain. There may be co-captains, who are all equal. EDS Captains approve new users, change contact information for an organization, and de-active accounts of employees who have left the organization. Please see the User Manual for more information.

Q: Why do we need EDS Captains?

A: The Online EDS is designed to be a self-service web application which allows those doing or seeking to do business with the City to perform as many routine functions as possible without City intervention. Because many organizations have
multiple staff filing an EDS, the EDS Captain role allows those organizations to self-manage the contact information and users.

Q: Who is the EDS team?
A: The EDS team for an organization is everyone who is registered to file an EDS on behalf of the organization.

Q: I forgot my password. What should I do?
A: To retrieve a temporary password, click the “Forgot your password?” link on the login page. Enter your user ID that you provided when you registered your account. The system will automatically generate a temporary password and send it to you. When you log-in with your temporary password, you will be asked to create a new password.

Q: How do I complete an Online EDS?
A: Click on “Create New” after logging in. The Online EDS system will walk you through the EDS questions. Please see the User Manual for details.

Q: How do I fill out a Disclosure of Retained Parties?
A: There is no longer a separate Disclosure of Retained Parties filing. After logging in, click on “Create New”. Answer (click) “Contract” to “Is this EDS for a contract or an EDS information update?” Click “Fill out EDS”, and click on the “Retained Parties” tab. When finished, click on “Ready to Submit.”

Q: How do I attach documents?
A: Attachments are discouraged. If at all possible, please provide a concise explanation in the space provided in the online form. Attachments with pages of officers are not acceptable. Names of officers must be typed into the system. If you must provide an attachment for another reason, please send it to your City of Chicago contact (contract administrator or negotiator for procurements) and they will attach it for you. Documents can be sent in PDF (preferred), Word, or paper format.

Q: Who can complete an Economic Disclosure Statement online?
A: Any authorized representative of your business with a user ID and password can complete your EDS online. One person, such as an assistant, can fill in the information and save it, and another person can review and electronically sign the Online EDS.

Q: What are the benefits of filing my Economic Disclosure statement electronically?
A: Filing electronically reduces the chance of filing an incomplete EDS and speeds up the processing of contract awards. A certificate of filing can be printed at the
completion of the process and inserted into your bid package. The biggest benefit for those who frequently do business with the City is that after the first EDS, each EDS is much easier to fill out because non-contract specific information is pre-filled from the last submitted EDS.

Q: Will my information be secure?

A: Yes. When making your internet connection to our Web Server, you will connect through a Secure Socket Layer (SSL for short) to the “Online EDS” login page. All information you type will be protected using strong encryption. Within the login page, you will provide us with a user ID, password, and secret question for user authentication. Only you will have knowledge of this unique identification information.

Q: I am filing electronically. How do I sign my EDS?

A: Once you have completed the EDS, you will be prompted to enter your password and answer to your secret question. Together, these will serve as your electronic signature. Although you will also print and physically sign an EDS certification of filing as a notice that your EDS was filed, your EDS is complete as a legal document with only the electronic filing.

Q: My address has changed. How can I update my information?

A: You must be an EDS Captain for your organization to update this. Log-in and click on “Vendor Admin, Site Administration.” Select the appropriate site and click edit.

Q: I have more questions. How can I contact the Department of Procurement Services?

A: Please contact the contract administrator or negotiator assigned to your solicitation or contract. You may call DPS at 312-744-4900 between 8:30 AM and 5:00 PM Central Time.

Q: Can I save a partially complete EDS?

A: Yes. Click “Save”. To avoid data loss, we recommend you save your work periodically while filling out your EDS.

Q: Do I have to re-type my information each time I submit an EDS?

A: No. The system will remember non-contract specific information from your last submitted EDS for one year. This information will be filled-in for you in your new EDS. You will have an opportunity to correct it if it has changed since your last filing. When you submit your new EDS, the information is saved and the one-year clock begins running anew.
Q: What are the system requirements to use the Online EDS?

A: The following are minimum requirements to use the Online EDS:

- A PDF viewer such as Adobe Reader is installed and your web browser is configured to display PDFs automatically. You may download and install Adobe Reader free at www.adobe.com/products/reader/

- Your web browser is set to permit running of JavaScript.

- Your web browser allows cookies to be set for this site. Please note that while we use cookies in the Online EDS, we do not use them to track personally identifiable information, so your privacy is maintained.

- Your monitor resolution is set to a minimum of 1024 x 768.

- While not required to submit an EDS, if you wish to view the training videos, you must have Adobe Flash Plugin version 9 or higher, speakers, and sound. Please note that very old computers may not be able to run Adobe Flash and will not be able to play the training videos. In that case, we encourage you to seek help using the Online EDS Manuals. You may download and install Adobe Flash Plugin free at http://get.adobe.com/flashplayer

The Online EDS has been tested on Internet Explorer 6.0 and 7.0 and Firefox 2.0 and 3.0 on Windows XIP and Mac OS X. Although it should work on other browsers and operating systems, the City of Chicago cannot guarantee compatibility.

The failure of the City to obtain certificates or other insurance evidence from Consultant is not a waiver by the City of any requirements for Consultant to obtain and maintain the specified coverages. If Consultant is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Consultant must require all subcontractors to provide the insurance required herein, or Consultant may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Consultant unless otherwise specified in this Agreement.

If Consultant or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.
The insurance policies and endorsements indicated below have been issued to the designated named insured with the policy limits as set forth herein covering the operation described within the contract involving the named insured and the City of Chicago. This certificate is issued to the City of Chicago in consideration of the contract entered into with the named insured, and it is mutually understood that the City of Chicago relies on this certificate as a basis for continuing such agreement with the named insured:

Consultant must provide the Services in accordance with the standards of performance set forth in Section 3.3. The Services that Consultant must provide are described in Exhibit 1, Scope of Services and Time Limits for Performance.

3.2 Deliverables

In carrying out its Services, Consultant must prepare or provide to the City various Deliverables. "Deliverables" include work product, such as written reviews, recommendations, reports and analyses, produced by Consultant for the City.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the City made this Agreement or for which the City intends to use the Deliverables. If the City determines that Consultant has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Consultant of its failure. If Consultant does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Agreement under Section 9.1.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Consultant of its obligations under this Agreement.

3.3 Standard of Performance

Consultant must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a consultant performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the City and with respect to that information, Consultant agrees to be held to the standard of care of a fiduciary. Any review, approval, acceptance of Services or Deliverables or payment for any of the Services by the City does not relieve Consultant of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the City’s rights against Consultant under this Agreement, at law or in equity.

Consultant must be appropriately licensed to perform the Services, if required by law, and must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed as may be required by law. Consultant must provide copies of any such licenses. Consultant remains responsible for the professional and technical accuracy of all
Services or Deliverables furnished, whether by Consultant or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Consultant fails to comply with the foregoing standards, Consultant must, at the City's option, perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure, unless the reason is failure to have and maintain required licensure. See subsection 9.1 (b)(ii) regarding failure to comply with licensure requirements.

3.4 Personnel

(a) Adequate Staffing

Consultant must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Consultant must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Consultant to the City and with prior written consent of the City.

(b) Key Personnel

Consultant must not reassign or replace Key Personnel without the written consent of the City. "Key Personnel" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.4(b). The Department may at any time in writing notify Consultant that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Consultant must immediately suspend the key person or persons from performing Services under this Agreement and must replace him or them in accordance with the terms of this Agreement. Key Personnel, if any, are identified in Exhibit 7.

(c) Salaries and Wages

Consultant and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Consultant underpays any such salaries or wages, the Comptroller for the City may withhold, out of payments due to Consultant, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Consultant to the respective employees to whom they are due. The parties acknowledge that this Section 3.4(c) is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

3.5 Minority and Women's Business Enterprises Commitment
In the performance of this Agreement, including the procurement and lease of materials or equipment, Consultant must abide by the minority and women's business enterprise commitment requirements of the Municipal Code of Chicago ("Municipal Code"), §§ 2-92-420 et seq. (1990), except to the extent waived by the Chief Procurement Officer and the Special Conditions Regarding MBE/WBE Commitment set forth in Exhibit 3. Consultant's completed Schedules C-1 and D-1 in Exhibit 3, evidencing its compliance with this requirement, are a part of this Agreement, upon acceptance by the Chief Procurement Officer. Consultant must utilize minority and women's business enterprises at the greater of the amounts listed in those Schedules C-1 and D-1 or the percentages listed in them as applied to all payments received from the City.

3.6 Insurance

Consultant must provide and maintain at Consultant's own expense, during the term of this Agreement and any time period following expiration if Consultant is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified in Exhibit 5 of this Agreement, insuring all operations related to this Agreement.

3.7 Indemnification

(a) Consultant must defend, indemnify, and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

(i) injury, death or damage of or to any person or property;

(ii) any infringement or violation of any property right (including any patent, trademark or copyright);

(iii) Consultant's failure to perform or cause to be performed Consultant's promises and obligations as and when required under this Agreement, including Consultant's failure to perform its obligations to any Subcontractor;

(iv) the City's exercise of its rights and remedies under Section 9.2 of this Agreement; and

(v) injuries to or death of any employee of Consultant or any Subcontractor under any workers compensation statute.

(b) "Losses" means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys’ fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Consultant's breach of this Agreement or to Consultant's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, Subcontractors or licensees.

(c) At the City Corporation Counsel's option, Consultant must defend all suits
brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(d) To the extent permissible by law, Consultant waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Workers Compensation Act, 820 ILCS 305/1 et seq. or any other related law or judicial decision (such as, Kotecki v. Cyclops Welding Corporation, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

(e) The indemnities in this section survive expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during Consultant's performance of Services beyond the term. Consultant acknowledges that the requirements set forth in this section to defend, indemnify, and hold harmless the City are apart from and not limited by the Consultant's duties under this Agreement, including the insurance requirements in Exhibit 5 of this Agreement.

3.8 Ownership of Documents

All Deliverables, data, findings or information in any form prepared, assembled or encountered by or provided to Consultant under this Agreement are property of the City, including, as further described in Section 3.9 below, all copyrights inherent in them or their preparation. During performance of its Services, Consultant is responsible for any loss or damage to the Deliverables, data, findings or information while in Consultant's or any Subcontractor's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at the expense of Consultant. If not restorable, Consultant must bear the cost of replacement and of any loss suffered by the City on account of the destruction, as provided in Section 3.7.

3.9 Copyright Ownership

Consultant and the City intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the City's instance and expense under this Agreement are conclusively deemed "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 et seq., and that the City will be the sole copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist, and of all rights to apply for copyright registration or prosecute any claim of infringement.

To the extent that any Deliverable does not qualify as a "work made for hire," Consultant hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Agreement, and all goodwill relating to them, free and clear of any liens,
claims or other encumbrances, to the fullest extent permitted by law. Consultant will, and will cause all of its Subcontractors, employees, agents and other persons within its control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. Consultant warrants to the City, its successors and assigns, that on the date of transfer Consultant is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Consultant further warrants that it has not assigned and will not assign any copyrights and that it has not granted and will not grant any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Consultant warrants that the Deliverables are complete, entire and comprehensive, and that the Deliverables constitute a work of original authorship.

3.10 Records and Audits

(a) Records

(i) Consultant must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, promptly in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Agreement. If Consultant fails to make such delivery upon demand, then Consultant must pay to the City any damages the City may sustain by reason of Consultant's failure.

(ii) Consultant must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period of 5 years after the final payment made in connection with this Agreement. Consultant must not dispose of such documents following the expiration of this period without notification of and written approval from the City in accordance with Article 11.

(b) Audits

(i) Consultant and any of Consultant's Subcontractors must furnish the Department with all information that may be requested pertaining to the performance and cost of the Services. Consultant must maintain records showing actual time devoted and costs incurred. Consultant must keep books, documents, papers, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(ii) To the extent that Consultant conducts any business operations separate and apart from the Services required under this Agreement using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then Consultant must maintain and make similarly available to the City detailed records supporting Consultant's allocation to this Agreement of the costs and expenses attributable to any such shared usages.
(iii) Consultant must maintain its books, records, documents and other evidence and adopt accounting procedures and practices sufficient to reflect properly all costs of whatever nature claimed to have been incurred and anticipated to be incurred for or in connection with the performance of this Agreement. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iv) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(v) The City may, in its sole discretion, audit the records of Consultant or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or Services provided under this Agreement. Each calendar year or partial calendar year is considered an “audited period.” If, as a result of any such audit, it is determined that Consultant or any of its Subcontractors has overcharged the City in the audited period, the City will notify Consultant. Consultant must then promptly reimburse the City for any amounts the City has paid Consultant due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then the Consultant must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then Consultant must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Consultant to reimburse the City in accordance with subsection A or B above is an event of default under Section 9.1 of this Agreement, and Consultant will be liable for all of the City’s costs of collection, including any court costs and attorneys’ fees.

3.11 Confidentiality

(a) All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Consultant under this Agreement are property of the City and are confidential, except as specifically authorized in this Agreement or as may be required by law. Consultant must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to Consultant by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Consultant must implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the confidentiality provisions in this Agreement.
(b) Consultant must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

(c) If Consultant is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Consultant's possession by reason of this Agreement, Consultant must immediately give notice to the Commissioner and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Consultant, however, is not obligated to withhold the delivery beyond the time ordered by a court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

(d) HIPAA and AIDS Confidentiality Act. To the extent not defined here the capitalized terms below and in Exhibit 6 will have the same meaning as set forth in the Health Insurance Portability and Accountability Act (Act). See 45 CFR parts 160, 162 and 164. Consultant and all its Subcontractors must comply with the Act and all rules and regulations applicable to it including the Privacy Rule, which sets forth the Standards for Privacy of Individually Identifiable Health Information at 45 CFR part 160 and part 164 subparts A and E; the Standards for Electronic Transactions, which are located at 45 CFR parts 160 and 162 and the Security Standards, which are located at 45 CFR parts 160, 162 and 164. Consultant must also comply with the Illinois AIDS Confidentiality Act (410 ILCS 305/1 through 16) and the rules and regulations of the Illinois Department of Public Health promulgated under it. If Consultant fails to comply with the applicable provisions under the ACT or the Illinois AIDS Confidentiality Act, such failure will constitute an event of default under this Agreement for which no opportunity for cure will be provided.

Additionally, if Consultant is a Business Associate it must comply with all requirements of the Act applicable to Business Associates including the provisions contained in Exhibit 6.

3.12 Assignments and Subcontracts

(a) Consultant must not assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement: (i) unless otherwise provided for elsewhere in this Agreement; or (ii) without the express written consent of the Chief Procurement Officer and the Department. The absence of such a provision or written consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this Agreement. No approvals given by the Chief Procurement Officer, including approvals for the use of any Subcontractors, operate to relieve Consultant of any of its obligations or liabilities under this Agreement.

(b) All Subcontractors are subject to the prior approval of the Chief Procurement Officer. Approval for the use of any Subcontractor in performance of the Services is conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Agreement. If any Subcontractor fails to perform the Services in accordance with the terms and conditions of this Agreement to the satisfaction of the Department, the City has the absolute
right upon written notification to immediately rescind approval and to require the performance of this Agreement by Consultant personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this Agreement under no circumstances operates to relieve Consultant of any of its obligations or liabilities under this Agreement.

(c) Consultant, upon entering into any agreement with a Subcontractor, must furnish upon request of the Chief Procurement Officer or the Department a copy of its agreement. Consultant must ensure that all subcontracts contain provisions that require the Services be performed in strict accordance with the requirements of this Agreement, provide that the Subcontractors are subject to all the terms of this Agreement and are subject to the approval of the Department and the Chief Procurement Officer. If the agreements do not prejudice any of the City's rights under this Agreement, such agreements may contain different provisions than are provided in this Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services.

(d) Consultant must not transfer or assign any funds or claims due or to become due under this Agreement without the prior written approval of the Chief Procurement Officer. The attempted transfer or assignment of any funds, either in whole or in part, or any interest in them, which are due or to become due to Consultant under this Agreement, without such prior written approval, has no effect upon the City.

(e) Under § 2-92-245 of the Municipal Code, the Chief Procurement Officer may make direct payments to Subcontractors for Services performed under this Agreement. Any such payment has the same effect as if the City had paid Consultant that amount directly. Such payment by the City to Consultant's Subcontractor under no circumstances operates to relieve Consultant of any of its obligations or liabilities under this Agreement. This section is solely for the benefit of the City and does not grant any third party beneficiary rights.

(f) The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

ARTICLE 4. DURATION OF AGREEMENT

4.1 Term of Performance

This Agreement takes effect as of the Effective Date and continues, except as provided under Sections 5.4 or Article 9, until the later of (i) ________________, as that date may be extended under Section 4.3, or (ii) completion of the final task assigned before the date, if and as extended, in (i).

4.2 Timeliness of Performance

(a) Consultant must provide the Services and Deliverables within the time limits required under any task order or request for services pursuant to the provisions of Section 3.1 and Exhibit 1. Further, Consultant acknowledges that TIME IS OF THE ESSENCE and that the failure of Consultant to comply with the required time limits may result in economic or other losses to the City.
(b) Neither Consultant nor Consultant’s agents, employees or Subcontractors are entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Consultant by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

4.3 Agreement Extension Option

This Agreement will be in effect for the dates indicated within this Agreement for a __________ month term. The Chief Procurement Officer may exercise the City’s right to extend this Agreement following the expiration of the base Agreement term for up to ________ months, subject to acceptable performance by the Consultant and contingent upon the appropriation of sufficient funds for the procurement of services provided for in this Agreement.

Before expiration of the then current Agreement term, the Chief Procurement Officer will give the Consultant notice, in writing, that the City is exercising its option to renew the Agreement for the approaching option period. The date on which the Chief Procurement Officer gives notice is the date the notice is mailed, if it is mailed, or the date the notice is delivered, if sent by courier or messenger service.

With the same amount of notice as for options, the City reserves the right to extend the Agreement for a period of no more than one hundred eighty-one (181) calendar days, either in lieu of exercising an option period or following the exhaustion of all option periods, for the purpose of providing continuity of service while procuring a replacement contract.

ARTICLE 5. COMPENSATION

5.2 Method of Payment

The City will process payment within 60 days after receipt of invoices and all supporting documentation necessary for the City to verify the Services provided under this Agreement.

5.3 Funding

The source of funds for payments under this Agreement is Fund number __________. Payments under this Agreement must not exceed $ ______________ without a written amendment in accordance with Section 10.3. Funding for this Agreement is subject to the availability of funds and their appropriation by the City Council of the City.
5.4 Non-Appropriation

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Agreement, then the City will notify Consultant in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. Payments for Services completed to the date of notification will be made to Consultant except that no payments will be made or due to Consultant under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments under this Agreement.

5.5 Subcontractor Payments

Consultant must submit a status report of Subcontractor payments with each invoice for the duration of the Agreement on the “Subcontractor Payment Certification” form required by the City. The form can be downloaded from the City's website at http://egov.cityofchicago.org/webportal/COCWebPortal/COC_EDITORIAL/subcompliance.pdf. The statement must list the following for Consultant and for each Subcontractor and supplier for the period for which payment is requested:

(i) Total amount invoiced by the Consultant for the prior month;
(ii) The name of each particular Subcontractor or supplier utilized during the prior month;
(iii) Indication if the Subcontractor or supplier is acting as an MBE, WBE, DBE, or non-certified firm on this Agreement;
(iv) The vendor/supplier number of each Subcontractor or supplier;
(v) Total amount invoiced that is to be paid to each Subcontractor or supplier.

ARTICLE 6. DISPUTES

Except as otherwise provided in this Agreement, Consultant must and the City may bring any dispute arising under this Agreement which is not resolved by the parties to the Chief Procurement Officer for decision based upon the written submissions of the parties. (A copy of the "Regulations of the Department of Procurement Services for Resolution of Disputes between Contractors and the City of Chicago" is available in City Hall, 121 N. LaSalle Street, Room 301, Bid and Bond Room, Chicago, Illinois 60602.) The Chief Procurement Officer will issue a written decision and send it to the Consultant by mail. The decision of the Chief Procurement Officer is final and binding. The sole and exclusive remedy to challenge the decision of the Chief Procurement Officer is judicial review by means of a common law writ of certiorari.

ARTICLE 7. COMPLIANCE WITH ALL LAWS

7.1 Compliance with All Laws Generally
The Consultant understands and will abide by the terms of Chapter 2-55 of the Municipal Code of Chicago. The Consultant will comply with Section 2-154-020 of the Municipal Code of Chicago. Failure by the Consultant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement.

(a) Consultant must observe and comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later and whether or not they appear in this Agreement, including those set forth in this Article 7, and Consultant must pay all taxes and obtain all licenses, certificates and other authorizations required by them. Consultant must require all Subcontractors to do so, also. Further, Consultant must execute an Economic Disclosure Statement and Affidavit ("EDS") in the form attached to this Agreement as Exhibit 4. Notwithstanding acceptance by the City of the EDS, Consultant's failure in the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Consultant must promptly update its EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate.

(b) Notwithstanding anything in this Agreement to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

Consultant must comply with, and the procedures Consultant utilizes and the Services Consultant provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. sec. 2000e et seq. (1981), as amended and the Civil Rights Act

Further, Consultant must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state, and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

All subcontracts will inform Subcontractors of this provision and require understanding and compliance with it.

Laws 3220).

The provisions of this Section 7.5 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

7.6 Business Relationships with Elected Officials

Pursuant to § 2-156-030(b) of the Municipal Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. **Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement.** The term business relationship is defined as set forth in § 2-156-080 of the Municipal Code.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of $2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A “contractual or other private business
dealing” shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

7.7 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Consultant has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Consultant and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Consultant must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Consultant's obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the Base Wage is $11.03 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this Agreement, Consultant and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Consultant and all other Performing Parties must pay the prevailing wage rates.

(d) Consultant must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Consultant agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Consultant or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Consultant and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.
(e) Not-for-Profit Corporations: If Consultant is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

7.8 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Consultant warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Consultant's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Consultant's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Consultant's eligibility for future contract awards.

7.9 Prohibition on Certain Contributions

Consultant agrees that Consultant, any person or entity who directly or indirectly has an ownership or beneficial interest in Consultant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Contractor's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Consultant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago ("Mayor") or to his political fundraising committee (i) after execution of this Agreement by Consultant, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Consultant and the City, or (iv) during any
period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Consultant represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached Consultant or the date Consultant approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Consultant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Consultant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Consultant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Consultant violates this provision or Mayoral Executive Order No. 05-1 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Contractor's bid.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

“Other Contract” means any other agreement with the City of Chicago to which Consultant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

“Contribution” means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners" if they satisfy the following criteria:
(A) they are each other’s sole domestic partner, responsible for each other’s common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
   1. The partners have been residing together for at least 12 months.
   2. The partners have common or joint ownership of a residence.
   3. The partners have at least two of the following arrangements:
      a. joint ownership of a motor vehicle;
      b. a joint credit account;
      c. a joint checking account;
      d. a lease for a residence identifying both domestic partners as tenants.
   4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal code of Chicago, as amended."

7.10 Firms Owned or Operated by Individuals with Disabilities

The City encourages consultants to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

7.11 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

7.12 False Statements

(a) 1-21-010 False Statements

Any person who knowingly makes a false statement of material fact to the city in violation of any statute, ordinance or regulation, or who knowingly falsifies any statement of material fact made in connection with an application, report, affidavit, oath, or attestation, including a statement of material fact made in connection with a bid, proposal, contract or economic disclosure statement or affidavit, is liable to the city for a civil penalty of not less than $500.00 and not more than $1,000.00, plus up to three times the amount of damages which the city sustains because of the person's violation of this section. A person who
violates this section shall also be liable for the city's litigation and collection costs and attorney's fees.

The penalties imposed by this section shall be in addition to any other penalty provided for in the municipal code. (Added Coun. J. 12-15-04, p. 39915, § 1)

(b) 1-21-020 Aiding and abetting.

Any person who aids, abets, incites, compels or coerces the doing of any act prohibited by this chapter shall be liable to the city for the same penalties for the violation. (Added Coun. J. 12-15-04, p. 39915, § 1)

(c) 1-21-030 Enforcement.

In addition to any other means authorized by law, the corporation counsel may enforce this chapter by instituting an action with the department of administrative hearings. (Added Coun. J. 12-15-04, p. 39915, § 1)

ARTICLE 8. SPECIAL CONDITIONS

8.1 Warranties and Representations

(d) warrants that Consultant and its Subcontractors are not in default at the time this Agreement is signed, and have not been deemed by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the City;

(e) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Consultant warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;
(f) represents that Consultant and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of § 2-92-320 of the Municipal Code, and in connection with it, and additionally in connection with the Illinois Criminal Code, 720 ILCS 5/33E as amended, and the Illinois Municipal Code, 65 ILCS 5/11-42.1-1;

(g) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.2 and 9.3 of this Agreement; and

(h) warrants and represents that neither Consultant nor an Affiliate of Consultant (as defined below) appears on the Specially Designated Nationals List, the Denied Persons List, the unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce (or their successors), or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment. “Affiliate of Consultant” means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Consultant. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.2 Ethics

(a) In addition to the foregoing warranties and representations, Consultant warrants:

(i) no officer, agent or employee of the City is employed by Consultant or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code.

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Consultant or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Consultant further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

8.3 Joint and Several Liability

If Consultant, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Consultant is the joint and several obligation or undertaking of each such individual or other legal entity.

8.4 Business Documents
At the request of the City, Consultant must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

8.5 Conflicts of Interest

(a) No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

(b) Consultant represents that it, and to the best of its knowledge, its Subcontractors if any (Consultant and Subcontractors will be collectively referred to in this Section 8.5 as "Consulting Parties"), presently have no direct or indirect interest and will not acquire any direct or indirect interest in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

(c) Upon the request of the City, Consulting Parties must disclose to the City their past client lists and the names of any clients with whom they have an ongoing relationship. Consulting Parties are not permitted to perform any Services for the City on applications or other documents submitted to the City by any of Consulting Parties’ past or present clients. If Consulting Parties become aware of a conflict, they must immediately stop work on the assignment causing the conflict and notify the City.

(d) Without limiting the foregoing, if the Consulting Parties assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

(e) Further, Consulting Parties must not assign any person having any conflicting interest to perform any Services under this Agreement or have access to any confidential information, as described in Section 3.11 of this Agreement. If the City, by the Commissioner in his reasonable judgment, determines that any of Consulting Parties’ services for others conflict with the Services that Consulting Parties are to render for the City under this Agreement, Consulting Parties must terminate such other services immediately upon request of the City.

(f) Furthermore, if any federal funds are to be used to compensate or reimburse Consultant under this Agreement, Consultant represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Consultant must execute a Certification Regarding Lobbying, which is part of the EDS and incorporated by reference as if fully set forth here.
8.6 Non-Liability of Public Officials

Consultant and any assignee or Subcontractor of Consultant must not charge any official, employee or agent of the City personally with any liability or expenses of defense or hold any official, employee or agent of the City personally liable to them under any term or provision of this Agreement or because of the City’s execution, attempted execution or any breach of this Agreement.

8.7 EDS / Certification Regarding Suspension and Debarment

Consultant certifies, as further evidenced in the EDS attached as Exhibit 4, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Consultant further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Consultant or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

ARTICLE 9. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

9.1 Events of Default Defined

The following constitute events of default:

(a) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the City.

(b) Consultant’s failure to perform any of its obligations under this Agreement including the following:

(i) Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services;

(ii) Failure to have and maintain all professional licenses required by law to perform the Services;

(iii) Failure to timely perform the Services;

(iv) Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

(v) Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;
(vi) Discontinuance of the Services for reasons within Consultant's reasonable control;

(vii) Failure to comply with Section 7.1 in the performance of the Agreement;

(viii) Failure promptly to update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate; and

(ix) Any other acts specifically stated in this Agreement as constituting an act of default.

(c) Any change in ownership or control of Consultant without the prior written approval of the Chief Procurement Officer (when such prior approval is permissible by law), which approval the Chief Procurement Officer will not unreasonably withhold.

(d) Consultant's default under any other agreement it may presently have or may enter into with the City for the duration of this Agreement. Consultant acknowledges that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

(e) Consultant's violation of City ordinance(s) unrelated to performance under the Agreement such that, in the opinion of the Chief Procurement Officer, it indicates a willful or reckless disregard for City laws and regulations.

(f) Consultant's failure to update its EDS to reflect any changes in information, including changes in ownership, and to provide it to the City as provided under Section 7.1(a).

9.2 Remedies

(a) Notices. The occurrence of any event of default permits the City, at the City's sole option, to declare Consultant in default. The Chief Procurement Officer may in his sole discretion give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the Chief Procurement Officer. Whether to declare Consultant in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Consultant written notice of the default, either in the form of a cure notice ("Cure Notice"), or, if no opportunity to cure will be granted, a default notice ("Default Notice"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the Chief Procurement Officer decides not to terminate, this decision will not preclude him from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The Chief Procurement Officer may give a Default Notice if Consultant fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.2 and Article 11, Consultant must discontinue any Services, unless otherwise directed in the notice,
and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

(b) Exercise of Remedies. After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to take over and complete the Services, or any part of them, at Consultant's expense and as agent for Consultant, either directly or through others, and bill Consultant for the cost of the Services, and Consultant must pay the difference between the total amount of this bill and the amount the City would have paid Consultant under the terms and conditions of this Agreement for the Services that were assumed by the City as agent for Consultant under this Section 9.2;

(ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City;

(iii) The right of specific performance, an injunction or any other appropriate equitable remedy;

(iv) The right to money damages;

(v) The right to withhold all or any part of Consultant's compensation under this Agreement;

(vi) The right to deem Consultant non-responsible in future contracts to be awarded by the City;

(vii) The right to declare default on any other contract or agreement Consultant may have with the City.

(c) City's Reservation of Rights. If the Chief Procurement Officer considers it to be in the City's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Consultant to continue to provide the Services despite one or more events of default, Consultant is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the City waive or relinquish any of its rights.

(d) Non-Exclusivity of Remedies. The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

9.3 Early Termination
(a) In addition to termination under Sections 9.1 and 9.2 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to Consultant. The City will give notice to Consultant in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

(b) After the notice is received, Consultant must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The City and Consultant must attempt to agree on the amount of compensation to be paid to Consultant, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Consultant is in full settlement for all Services satisfactorily performed under this Agreement.

(c) Consultant must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Consultant will not be entitled to make any early termination claims against the City resulting from any Subcontractor's claims against Consultant or the City.

(d) If the City's election to terminate this Agreement for default under Sections 9.1 and 9.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.3.

9.4 Suspension

The City may at any time request that Consultant suspend its Services, or any part of them, by giving 15 days prior written notice to Consultant or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Consultant must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Consultant when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Consultant as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds
45 days, Consultant by written notice to the City may treat the suspension as an early termination of this Agreement under Section 9.3.

9.5 Right to Offset

(a) In connection with Consultant's performance under this Agreement, the City may offset any incremental costs and other damages the City incurs in any or all of the following circumstances:

(i) if the City terminates this Agreement for default or any other reason resulting from Consultant's performance or non-performance;

(ii) if the City exercises any of its remedies under Section 9.2 of this Agreement;

(iii) if the City has any credits due or has made any overpayments under this Agreement.

The City may offset these incremental costs and other damages by use of any payment due for Services completed before the City terminated this Agreement or before the City exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, Consultant is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

(b) As provided under § 2-92-380 of the Municipal Code, the City may set off from Consultant's compensation under this Agreement an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by Consultant to the City as those italicized terms are defined in the Municipal Code.

(c) In connection with any liquidated or unliquidated claims against Consultant, and without breaching this Agreement, the City may set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of any liquidated or unliquidated claims that the City has against Consultant unrelated to this Agreement. When the City's claims against Consultant are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the City will reimburse Consultant to the extent of the amount the City has offset against this Agreement inconsistently with such determination or resolution.

ARTICLE 10. GENERAL CONDITIONS

10.1 Entire Agreement

(a) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other terms, conditions, warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not addressed in this Agreement.
(b) **No Collateral Agreements**

Consultant acknowledges that, except only for those representations, statements or promises contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the City, its officials, agents or employees, has induced Consultant to enter into this Agreement or has been relied upon by Consultant, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

(c) **No Omissions**

Consultant acknowledges that Consultant was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Consultant did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Consultant relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

10.2 **Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

10.03 **Changes, Modifications, and Amendments**

No change, modification, or amendment of this Agreement, or any part hereof, is valid unless stipulated in writing and signed by the Mayor, Comptroller, and Chief Procurement Officer of the City. The City incurs no liability for Additional Services without a written amendment to this Agreement under this Section 10.03. This Section, 10.03, does not apply, however, to Agreement extensions governed by section 4.03, *Agreement Extension Option*.

10.4 **Governing Law and Jurisdiction**

This Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois.

Consultant irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Service of
process on Consultant may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by Consultant, or by personal delivery on any officer, director, or managing or general agent of Consultant. If any action is brought by Consultant against the City concerning this Agreement, the action must be brought only in those courts located within the County of Cook, State of Illinois.

10.5 Severability

If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

10.6 Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

10.7 Cooperation

Consultant must at all times cooperate fully with the City and act in the City's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Consultant must make every effort to ensure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

10.8 Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the City by a proper authority waives Consultant's performance in any respect or waives a requirement or condition to either the City's or Consultant's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to Consultant in writing.
10.9 Independent Contractor

(a) This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Consultant and the City. The rights and the obligations of the parties are only those set forth in this Agreement. Consultant must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

(b) This Agreement is between the City and an independent contractor and, if Consultant is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

(i) The City will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Consultant performing the Services required under this Agreement.

(ii) Consultant is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to Consultant.

(c) SHAKMAN

(i) The City is subject to the May 31, 2007 Order entitled “Agreed Settlement Order and Accord” (the “Shakman Accord”) and the August 16, 2007 “City of Chicago Hiring Plan” (the “City Hiring Plan”) entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Consultant is aware that City policy prohibits City employees from directing any individual to apply for a position with Consultant, either as an employee or as a subcontractor, and from directing Consultant to hire an individual as an employee or as a subcontractor. Accordingly, Consultant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Consultant under this Agreement are employees or subcontractors of Consultant, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Consultant.
(iii) Consultant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Consultant by a City employee or City official in violation of Section 10.9(c)(ii) above, or advocating a violation of Section 10.9(c)(iii) above, Consultant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement.

10.10 Electronic Ordering and Invoices

The Consultant shall cooperate in good faith with the City in implementing electronic ordering and invoicing, including but not limited to catalogs, purchase orders, releases, and invoices. Consultant shall accept electronic purchase orders and releases upon request of the Chief Procurement Officer. Consultant shall provide the City electronic catalogs, copies of invoices and other electronic documents upon request. The electronic ordering and invoice documents shall be in a format specified by the City and transmitted by an electronic means specified by the City. Such electronic means may include, but are not limited to, disks, e-mail, EDI, FTP, web sites, and third party electronic services. The Chief Procurement Officer reserves the right to change the document format and/or the means of transmission upon written notice to the Consultant. Consultant shall ensure that the essential information, as determined by the Chief Procurement Officer, in the electronic document, corresponds to that information submitted by the Consultant in its paper documents. The electronic documents shall be in addition to paper documents required by this contract, however, by written notice to the Consultant, the Chief Procurement Officer may deem any or all of the electronic ordering and invoice documents the official documents and/or eliminate the requirement for paper ordering and invoice documents.

10.11 Participation by Other Local Government Agencies

Other local government agencies may be eligible to participate in this agreement pursuant to the terms and conditions of this Contract if such agencies are authorized, by law or their governing bodies, to execute such purchases, and if such authorization is allowed by the City of Chicago’s Chief Procurement Officer, and if such purchases have no net adverse effect on the City of Chicago, and result in no diminished services from the Consultant to the City’s user departments pursuant to such purchases. Examples of such Local Government Agencies
are: Board of Education, Chicago Park District, City Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), and the Municipal Courts. Said purchases shall be made upon the issuance of a purchase order directly from the Local Government Agency. The City will not be responsible for payment of any amounts owed by any other Local Government Agencies, and will have no liability for the acts or omissions of any other Local Government Agency.
