INTRODUCTION

MAURIA UDYOG LIMITED is India’s leading Exporter & Manufacturer of welded steel cylinders. We are the flagship company of a multi-product group of companies. We are India’s largest manufacturer and exporter of LPG Cylinders, Valves, Regulators and Related Accessories, having an annual production of about four million each for LPG cylinders and valves, whereas for regulators it is about two million units.

MAURIA UDYOG LIMITED (MUL) is an ISO 9001:2008 company certified by BSI, accredited by ANAB. MUL is also certified for OHSAS 18001: 2007 & ISO 14001: 2004 also by BSI for its Health Safety and Environmental Management Systems. We are a Govt. of India recognized TRADING HOUSE, for consistent export of our products to various parts of the world such as Afghanistan, Angola, Australia, Bahrain, Bangladesh, Benelux, Benin, Botswana, Cape Verde, Cambodia, Cameroon, Canada, Congo, Cote d’Ivoire, Cyprus, Denmark, Djibouti, Dominican Republic, Egypt, France, French Guyana, Ghana, Greece, Guadeloupe, Ireland, Indonesia, Iraq, Jordan, Kenya, Latvia, Libya, Liberia, Madagascar, Malawi, Maldives, Mali, Malta, Martinique, Mauritania, Mauritius, Mozambique, Namibia, Nepal, Netherlands, Nigeria, Oman, Poland, Portugal, Russia, Saudi Arabia, Senegal, Sierra Leone, South Africa, Somalia, South Korea, Spain, Sri Lanka, Tanzania, Tchad, Togo, Tunisia, UAE, Uganda, UK, Zambia, Zimbabwe etc. MUL exports its products to practically every continent of the world, with its manufacturing facility situated at Faridabad, about 40.0 kms from New Delhi airport.

MUL was the first manufacturer outside Korea, who has been approved by KGS (Korea Gas Safety Corporation) for supplying 20.0 kgs cylinder in two piece construction, as per DOT 4BA Standard. MUL is also proud of the fact that it was the sole supplier selected for the supply of LPG Cylinders for the entire LONDON OLYMPIC GAMES 2012.

The Company has invested almost US$ 5.00 million, in the modernization of its manufacturing unit in the past three years, employing a team of qualified, experienced, dedicated skilled and unskilled workers. The products are being regularly inspected and certified by reputed international inspection agencies, such as Bureau Veritas (BV), SGS, Cotecna, Interetek, Veloci, ABS and National Inspection Agencies such as DOT, KBS, SLSI, KGS, SABS, BIS, SNI and SON.

WELDED STEEL LPG CYLINDERS

For over 30 years, MUL has produced cylinders according to numerous different international standards e.g. EN 1442, ISO 4706, SANS 4706, DOT 4BA, DOT 4BW, KS ISO 4706, ISO 22991, IS 3196, OS 120, NIS 69, AS 2469, AS 2470, SNI 1452, SLS 1178, EN 13322-1 etc. Customers such as BP, SHELL, TOTAL, BOC/LINDE, VITOGAZ and ORYX ENERGIES etc. to name but a few, have enjoyed our international quality at an affordable price. We have installed rigorous procedures with modern equipment to produce cylinders from 4.0 litre (1.7 kgs gas capacity) to 120.0 litre (50.0 kgs) for LPG and other gases such as ammonia and refrigerants.
**SELF CLOSING (COMPACT), MANUAL & CAMPING TYPE VALVES**

**MUL** has the capability and facilities to manufacture any type and size of valve fittings for use with LPG cylinders to a specified standard of more than 4.0 litres water capacity. The plant was set-up with transfer of technology from Kosan Technova, Denmark via IOCL. Valves are manufactured according to different standards with reference to differing designs and requirements from customers both national and international. Valve standards such as IS 8737, EN ISO 14245, EN ISO 15995, EN 13953, EN 849, DIN 477, SLS 1184 and SNI 1591, have all been successfully manufactured.

**LPG REGULATORS & ADAPTORS**

**MUL** manufactures all types and sizes of pressure regulators for use with LPG. Regulators are manufactured according to different standards with reference to differing designs and requirements from customers both national and international, such as IS 9798, EN 12864 and EN 13785.

**LPG CYLINDER ACCESSORIES**

**MUL** also manufactures various other gas appliances such as LPG burners, cooker rings, heat shields, cylinder guards etc.

**INTERNATIONAL RECOGNITION**

**MUL** is an approved global supplier for LPG cylinders to the following multinational oil & LPG companies: Totalgaz; BOC-Linde/Afrox; Reatile Gaz; PUMA Energy; EASIGAS, Lake Gas and Oryx. And National Oil Companies such as: ADNOC - UAE, Gas Filling Company - Iraq, Brega Petroleum - Libya, National Oil Company - Kenya, Somagaz – Mauritania and Indian Oil Giants like Indian Oil Corporation Limited, Bharat Petroleum Corporation Limited and Hindustan Petroleum Corporation limited.

**LOGISTICS**

**MUL** has a very competent logistics department and has made successful and timely delivery of shipments all over the world, including countries such as Iraq (2001-2004), Libya (2007-2008) and land locked / war torn countries Afghanistan (2006).

MUL holds the distinction for being the first company to deliver any commercial cargo, handling more than 1300 x 40’ FCLs, to post-war Baghdad (Iraq) in 2003, among its 1.8 million cylinders shipped between 2001-2004 (including interruptions by the Iraq War), During the Iraq deliveries, **MUL** had chartered vessels on time and voyage charter basis to exclusively carry its cargo/containers.

**INTERNATIONAL TRADING & MERCHANDISING DIVISION**

Our other daughter companies include:

**MUL** manufactures export-quality, luxury soft terry towels in a modern unit. For more information, visit [www.eurospa.co.in](http://www.eurospa.co.in)

**MUL** deals in agro-commodities such as soya bean, refined oil & de-oiled cake (DOC), used as fodder for the cattle feed / poultry industry.

**MUL** also trades internationally and domestically in metals such as steel, brass, zinc, copper, ferrous scrap across Asia-Pacific regions through a network of trusted vendors.
**SUMMARY DETAILS**

Name & Address of Head Office : MAURIA UDYOG LIMITED 602, CHIRANJIV TOWER 43, NEHRU PLACE NEW DELHI, INDIA-110019

Name & Address of Manufacturing Facility : MAURIA UDYOG LIMITED SECTOR-25, SOHNA ROAD FARIDABAD, HARYANA-121004

Manufacturing Unit production capacity : 3.6 Million LPG Cylinders per Annum 3.6 Million LPG Valves per Annum 2.4 Million LPG Regulators per Annum

Capital Employed : USD $ 15.0 m

Number of Employees : 750

Turn over : USD $ 160.0 m

Export Sales : USD $ 40.0 m

HSE Certificates : OHSAS: 18001:2007 certified by BSI ISO 14001:2004 certified by BSI

Plant accreditation : The manufacturing and quality process is accredited by BUREAU VERITAS, INDIA

TPED Certification : \( \pi \) mark certification for cylinders and valves EC Type Examination Certification by Bureau Veritas as per TPED Directive 2010

DOT Certification : By Department of Transport, USA for manufacturing cylinders as per DOT 4BA and DOT 4BW. (M No. M-0712)
