The Challenge Program
For Adults with Developmental Disabilities

These unique courses will help adults with developmental disabilities function more independently in the home, at work, and in the community. Of equal importance, students will have the opportunity to increase their social and community awareness by visiting Montgomery College and learning what it has to offer.

Before attending Challenge courses, please inquire at the Campus Center Building, Room 220, Rockville Campus for information regarding class time changes, date changes, course cancellations, or classroom changes. Please register on time, classes fill quickly. Limited scholarships available.

NEW CLASSES INCLUDING:
• Exploring Americas National Parks
• Famous Classical Composers—Their Music in Past and Present
• Natural Disasters
• Upcycle Art
• Wild About Animals
• Women Who Have Shaped History

Student Expectations
Students are expected to be able to navigate campus independently and must abide by the student code of conduct. Any violation may result in disciplinary action, including dismissal from the program.

Amazing Chemistry Experiments
Chemistry is the heart of how things work; it’s the science of change. Chemistry does not have to take place in a lab. Did you know that chemistry can take place right in your kitchen when you bake? Join us as we create chemical reactions, devise new magic tricks and create yummy treats while learning chemistry concepts. You will ask questions, form hypotheses, investigate, record, and share notes. Please bring a folder with pockets, paper, pencil and comfortable clothes as this class will get messy.

A. Students attending Montgomery College will pay tuition according to their residency.
B. To qualify, for tuition purposes, as a resident of the state of Maryland, legal domicile must have been maintained for a period of not less than three months prior to the first regularly scheduled class for the semester.
C. The domicile of a person registering in a noncredit course at Montgomery College shall be considered as a person’s permanent place of abode, where physical presence and possessions are maintained, and where he/she intends to remain indefinitely.

Transfer Policy
To transfer from one CRN to another CRN of the same course, a letter must be received in the Admissions, Records, and Registration Office, Montgomery College, 51 Mannakee Street, Rockville, MD 20850 before the beginning date of both CRNs of the course. If you have enrolled in a co-listed course you will have only one day after the class has begun to transfer. After that, you are committed to your path for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status.

Refund Policy
Refunds are paid at 100% for classes cancelled, dropped online, or in person (using a Drop Form), prior to the start date of the class. Refunds are also paid at 100% if class is dropped prior to the Refund Date printed on your registration confirmation. DO NOT drop classes online on or after the day the class begins; you will not receive a refund. APPE students must call 240-567-7262 for refund/withdrawal instructions. Refunds for open enrollment classes will go to the registered student of record. For the Drop Form and more information, visit www.montgomerycollege.edu/wdce/register/refundpolicy.html.
