Guidelines for Using  
“Student Attendance Management System, H.B.T.I., Kanpur”

Student Attendance Management System has been developed in Institute for online attendance submission and it’s monitoring by Teachers, Head of Departments, Dean Academic Affairs and Director. Students/Guardians also have access to view their attendance. In this the teachers engaging different classes are required to submit the attendance of the students present in their class regularly. Detailed guidelines for its use are as under. Teachers will submit their attendance through this Student Attendance Management System.

“Student Attendance Management System” has basically five modules as for different users as given below.

- Director
- Dean, Academic Affairs
- Head of Department
- Teacher
- Student / Guardian

Different users can access their respective accounts to get the details as below.

**Director**

- Director can access the student attendance by entering the username and password assigned for it. After keying in the user name and password the Director will view the screen having following links,
