Section 4. "Board of Directors" or "Board" shall mean and refer to the elected body responsible for management and operation of the Association and having its normal meaning under Florida corporate law.

Section 5. "Bylaws" shall mean and refer to the Bylaws of Westchase Community Association, Inc., attached hereto as Exhibit "D" and incorporated herein by reference, as they may be amended from time to time.

Section 6. "Capital Contribution" shall mean and refer to that payment made by purchaser of Unit paid at closing to the Association as a contribution to working capital of the Association, subject to exceptions described in the Declaration.

Section 8. "Common Assessment" shall mean and refer to any assessment levied against all Units in the Properties to fund Common Expenses.

Section 9. "Common Expenses" shall mean and include the actual and estimated expenses incurred by the Association for the general benefit of all Unit Owners, including any reasonable reserve, all as may be found to be necessary and appropriate by the Board pursuant to this Declaration, the Bylaws, and the Articles of Incorporation of the Association.
Section 10. "Community Development District" or "CDD" shall mean and refer to a local unit of special-purpose government that has been or may be created in accordance with Chapter 190 of the Florida Statutes to provide certain community services to the area in which the Properties are located.

For example, and by way of illustration and not limitation, each condominium, townhome development, cluster home development, and single-family detached housing development shall constitute a separate Neighborhood. In addition,
each parcel of land intended for development as any of the above shall constitute a Neighborhood, subject to division into more than one (1) Neighborhood upon development.

Where the context permits or requires, the term "Neighborhood" shall also refer to the Neighborhood Committee (established in accordance with the Bylaws) or Neighborhood Association having jurisdiction over the property within the Neighborhood. It shall not be necessary for any Neighborhood to be governed by an additional owners' association except in the case of a condominium or otherwise as required by law. The term shall also refer to the instrument recorded by the Association pursuant to this Declaration to subject additional property to this Declaration.

Section 28. "Unit" shall mean a portion of the Properties, whether developed or undeveloped, intended for development, use, and occupancy as an attached or detached residence.
for a single family and shall, unless otherwise specified, include within its meaning (by way of
illustration but not limitation) condominium units, townhouse units, cluster homes, patio or zero-
lot-line homes, and single-family detached houses on separately platted lots, as well as vacant
land intended for development as such, all as may be developed, used, and defined as herein
provided or as provided in Supplemental Declarations covering all or a part of the Properties.
The term shall include all portions of the lot owned as well as any structure thereon.

In the case of an apartment building or other structure that contains multiple dwellings,
each dwelling shall be deemed to be a separate Unit. In the case of a parcel of vacant land or
land on which improvements are under construction, the parcel shall be deemed to contain the
number of Units designated for residential use for such parcel on the Master Land Use Plan until
such time as a certificate of occupancy is issued on all or a portion thereof by the local
governmental entity having jurisdiction. After issuance of a certificate of occupancy on any
portion thereof, each dwelling in the portion designated in the certificate of occupancy shall
constitute a separate Unit. And the number of Units on the remaining land, if any, shall continue
to be determined in accordance with this paragraph.

Section 29. "Voting Member" shall mean and refer to the representative selected by
the Members of each Neighborhood to be responsible for casting all votes attributable to Units in
the Neighborhood for election of directors, amending this Declaration or the Bylaws, and all
other matters provided for in this Declaration and in the Bylaws. The Voting Member from each
Neighborhood shall be determined as provided herein. The term "Voting Member" shall, as the
context requires, apply to an alternate Voting Member.

Section 30. "Westchase Country Club" shall mean the properties adjacent to or within
the Properties that are privately owned by Westchase Associates or any of their affiliates, their
successors, successors-in-title, or assigns, which are operated as clubs with recreational facilities

Article II.

Property Rights

4
Section 1. General. Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, subject to:

(a) this Declaration as it may be amended from time to time and any restrictions or limitations contained in any deed conveying such property to the Association;

(b) the right of the Association to limit the number of guests and to adopt rules regulating the use and enjoyment of the Common Area;

(c) the right of the Association to suspend the right of an Owner to use recreational facilities within the Common Area (i) for any period during which any charge against such Owner's Unit remains delinquent to the extent permitted by law and (ii) for a period not to exceed ninety (90) days for a single violation or for a longer period in the case of any continuing violation of the Declaration, Bylaws, or rules of the Association after notice and a hearing pursuant to the Bylaws;

(d) the right of the Association to dedicate or transfer all or any part of the Common Area pursuant to this Declaration;

(e) the right of the Association to impose reasonable membership requirements and charge reasonable admission or other fees for the use of any recreational facility situated upon the Common Area;

(f) the right of the Association to permit nonmember and nonresident member use of any recreational facility situated on the Common Area upon payment of use fees established by the Board;

(g) the right of the Association to mortgage, pledge or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred subject to the approval requirements set forth in this Declaration; and

(h) the rights of certain Owners to the exclusive use of portions of the Common Areas, designated Exclusive Common Areas, as more particularly described in this Declaration.

Any Owner may delegate his or her right of use and enjoyment to the members of his or her family, lessees and social invitees, as applicable, subject to reasonable regulation by the Board and in accordance with procedures it may adopt. An Owner who leases his or her Unit shall be deemed to have delegated all such rights to the Unit's lessee.

Section 2. Exclusive Common Areas. Certain portions of the Common Areas may be designated as Exclusive Common Areas and reserved for the exclusive use of Owners and occupants of Units within one (1) or more particular Neighborhoods. All costs associated with maintenance, repair, replacement and insurance of Exclusive Common Areas shall be assessed against the Owners of Units in only those Neighborhoods that are benefited thereby as a Neighborhood Assessment, as defined herein. By way of illustration and not limitation,
Exclusive Common Areas may include recreational facilities intended for the exclusive use of Owners within one (1) or more particular Neighborhoods and supported exclusively by Neighborhood Assessments.

Initially, any Exclusive Common Area shall be designated as such and the exclusive use thereof shall be assigned in the deed conveying the Common Area to the Association or on the plat of survey relating to such Common Area. A portion of the Common Area may be assigned as the Exclusive Common Area of one (1) or more particular Neighborhoods and Exclusive Common Areas may be reassigned upon the vote of a majority of the total Association vote and a majority of the votes within the Neighborhood(s) affected, including those to which the Exclusive Common Areas are assigned, if applicable, and those to which the Exclusive Common Areas are to be assigned.

Section 3. Westchase Country Club. Access to the Westchase Country Club is strictly subject to the terms, conditions, rules, and procedures established by the respective owner(s) of the Westchase Country Club, as more particularly described in this Declaration. No Owner or occupant gains any right to enter or to use those facilities by virtue of ownership or occupancy of a Unit. The Association may but shall not be obligated to contract with Westchase Country Club for the right of all Owners to enter and use part or all of the facilities of such Westchase Country Club and assess the cost thereof as a Common Expense.

Article III.

Membership and Voting Rights

Section 1. Membership. Every Owner shall be deemed to have a membership in the Association. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Unit owned. In the event that the Owner of a Unit is more than one (1) Person, votes and rights of use and enjoyment shall be as provided herein. The rights and privileges of membership may be exercised by a Member, subject to the provisions of this Declaration and the Bylaws. The membership rights of a Unit owned by a corporation or partnership shall be exercised by the individual designated from time to time by the Owner in a written instrument provided to the Association secretary, subject to the provisions of this Declaration and the Bylaws. Single family Unit votes shall equal one (1.00) vote. Unless otherwise specified in this Declaration or the Bylaws, the vote for each Unit shall be exercised by the Voting Member representing the Neighborhood of which the Unit is a part.

Section 2. Neighborhoods. Every Unit shall be located within a Neighborhood. The Units within a particular Neighborhood may be subject to additional covenants, and/or the Unit Owners may all be members of another owners' association ("Neighborhood Association") in addition to the Association, but no such Neighborhood Association shall be required except in the case of a condominium or otherwise as required by law. Any Neighborhood that does not have a Neighborhood Association shall elect a Neighborhood Committee, as described in the Bylaws, to represent the interests of Owners of Units in such Neighborhood. At the meeting to elect the Neighborhood Committee, a quorum of the Owners of Units in the Neighborhood shall
be required in order to conduct business. For purposes of this section a quorum is defined as thirty percent (30%) of the Owners of Units in the Neighborhood, represented in person or by proxy. If a quorum is not reached, the meeting may be rescheduled.

Each Neighborhood, upon the affirmative vote, written consent, or a combination thereof, of a majority of Owners within the Neighborhood, may request that the Association provide a higher level of service or special services for the benefit of Units in that Neighborhood. Upon the approval of such request by the Board of Directors, the Association shall provide such services and the cost of such services shall be assessed against the Units in that Neighborhood as a Neighborhood Assessment pursuant to this Declaration.

Initially, each portion of the Properties that is intended to be subdivided for development as two (2) or more Units at the time it is conveyed by the Declarant or is described on a single plat or series of plats by the same name shall constitute a separate Neighborhood. Upon a petition signed by a majority of the Unit Owners in the Neighborhood, any Neighborhood may also apply to the Board of Directors to divide the property of the Neighborhood into two (2) or more Neighborhoods or to combine two (2) Neighborhoods into one (1) Neighborhood. Any such application shall be in writing and shall include a plat of survey of the entire parcel that indicates the boundaries of the proposed Neighborhood or Neighborhoods or otherwise identifies the Units within the proposed Neighborhood or Neighborhoods. A Neighborhood consolidation shall automatically be deemed granted upon the applicant's filing of the required documents with the Board. A Neighborhood division requested by the Neighborhood shall be subject to approval of the Board of Directors. The Board may deny an application only upon determination that there is no reasonable basis for distinguishing between the areas proposed to be divided into separate Neighborhoods. All applications and copies of any denials shall be filed with the books and records of the Association and shall be maintained as long as this Declaration is in effect.

Section 3. Voting. In Neighborhoods with Neighborhood Associations, any Owner within such Neighborhood designated by the board of directors of that Neighborhood Association, shall serve as the Voting Member for such Neighborhood and shall cast all votes attributable to Units in the Neighborhood on all Association matters requiring membership vote, unless otherwise specified in this Declaration or the Bylaws. The board of directors for a Neighborhood Association may also designate an alternate Voting Member, who may cast all votes attributable to Units in the Neighborhood on all Association matters requiring membership vote in the absence of the Voting Member. The Voting member designated by the board of directors for a Neighborhood Association shall serve at the pleasure of the board of directors for that Neighborhood Association and may be recalled by the board of directors for that Neighborhood Association at any time.

Votes cast by a written consent, when permitted, may not be changed without the consent of the Voting Member who submitted the written consent. The Voting Member shall be an Owner or the spouse of an Owner. In the case of an Owner that is a corporation or partnership, the person designated in writing to the Secretary of the Association as the representative of that corporation or partnership shall be eligible to serve as Voting Member.
If there is no Neighborhood Association, the Owner or spouse of an Owner elected to the Neighborhood Committee who receives the most votes at that Neighborhood's biennial Neighborhood Committee election shall serve as that Neighborhood's Voting Member; and the Owners (or spouses of Owners, as the case may be) in that Neighborhood who receive the next highest number of votes, arranged in descending order, shall serve as the alternate Voting Member, in that order. Notwithstanding the foregoing, if the person who receives the most votes chooses not to be the Voting Member, he or she shall be the last alternate and the person with the next highest number of votes who agrees to be the Voting Member shall be declared the Voting Member. In addition, if a Voting Member resigns as a Voting Member, he or she shall become the last alternate for that Neighborhood until either the replacement Voting Member resigns or is removed or the next Neighborhood Voting Member election is held. In Neighborhoods without a Neighborhood Association, the Voting Members shall serve a term of two (2) years or until their successors are elected. Neighborhoods without Neighborhood Associations shall hold an election to determine their Voting Member once every two years, within the three-month period beginning on December 1 and ending on February 28. The annual election shall be held at an Association facility located within Westchase, unless it would create an unreasonable burden to do so. Half of the Neighborhoods without Neighborhood Associations will hold an election each year. The transition process will be determined by the Board of Directors.

The Voting Member may cast all such votes as he or she, in his or her discretion, deems appropriate, provided, however, that prior to any vote on the imposition of a Special Assessment, in accordance with this Declaration, or on an amendment to this Declaration or the Bylaws that requires approval by the Voting Members on behalf of the Members, the Association shall cause to be delivered to all Members of the Association a referendum upon which they may indicate their vote on these matters. All such referenda must be returned to the Voting Member of a Member's Neighborhood at least forty-eight (48) hours before the scheduled vote. Voting Members shall cast the votes as directed by the referendum. The votes of those Members not responding to the referendum shall be cast by the Voting Member at his or her sole discretion. Notwithstanding the foregoing, each Voting Member shall cast only one (1) equal vote for the election or removal of directors. Notwithstanding the foregoing, in the absence of the Voting Member and alternate Voting Member for a Neighborhood, all votes actually cast by Owners of units in that Neighborhood shall be cast by the President of the Association.

A Voting Member may be removed in accordance with any of the following provisions:

(a) Any Voting Member from a Neighborhood may be removed by the Owners of Units in that Neighborhood pursuant to the provisions of Article III, Section 5, of the Bylaws, which is made applicable to Neighborhood operations by Article V, Section 3, of the Bylaws, provided, however, when applying said sections of the Bylaws to Neighborhood operations, the term "Voting Member" shall refer to the Owners of Units within the Neighborhood and the term "director" shall refer to the Voting Member from a Neighborhood;

(b) The Voting Member of any Neighborhood that is not represented by such Voting Member or any alternate Voting Member for three (3) consecutive meetings of the Voting Members or any six (6) meetings of the Voting Members in any twelve (12) month period shall
be removed as a Voting Member upon the affirmative vote or written consent, or a combination thereof, of a majority of the Voting Members, with each Voting Member casting one (1) vote. If an alternate is present at a meeting on behalf of a Voting Member, or if a Voting Member submits a written consent with respect to the matters to be voted on at any such meeting, the Voting Member shall not be considered "absent" for the purposes of this Section; or

(c) Notwithstanding any other provision in this Declaration or the Articles or Bylaws of the Association, any Voting Member may be removed, with or without cause, by the affirmative vote or written consent, or a combination thereof, of seventy-five percent (75%) of the Voting Members, with each Voting Member casting one (1) vote. Any Voting Member so removed shall not be eligible to serve as a Voting Member for one (1) year from the date of removal.

(d) If a Voting Member vacancy arises in any Neighborhood because a candidate was not determined at the Neighborhood’s election; a resignation transpired in progress of a term; a Voting Member was removed, pursuant to paragraph (b) of this section, or other extenuating circumstances prevented a Voting Member from fulfilling his or her responsibilities, and the Neighborhood in which the Voting Member vacancy exists does not have an alternate Neighborhood Voting Member, the Voting Member vacancy may be filled by a favorable vote of majority of the Voting Members present at a meeting, with each Voting Member casting one (1) vote. All candidates for the Voting Member vacancy must be an Owner in the respective Neighborhood.

Any Voting Member removed in accordance with the provisions hereof shall be replaced by the next most senior alternate Voting Member from his or her Neighborhood.

Article IV.

Maintenance

Section 1. Association’s Responsibility. The Association shall maintain and keep in good repair the Area of Common Responsibility, such maintenance to be funded as hereinafter provided. This maintenance shall include, but need not be limited to, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and other flora, structures, and improvements, including all private streets, situated upon the Common Areas, landscaped medians, and other landscaped areas within public rights-of-way throughout the Properties, and such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration or by a contract or agreement for maintenance thereof by the Association.

The Area of Common Responsibility shall also include all lakes, ponds, streams, wetlands, preservation areas, conservation areas, bike paths and streets located within the Properties, provided that if any such property is dedicated to any CDD or to any governmental or quasi-governmental entity or any Neighborhood Association, the Association shall be required to maintain such property only if it has the right by easement or otherwise to so maintain and such
maintenance is necessary to maintain the Communitywide Restrictions. The Association shall maintain such property in accordance with this Declaration and all permits, laws, rules and regulations, or other official requirements of any governmental entity having appropriate jurisdiction, including the Florida Department of Environmental Regulation and the Environmental Protection Commission of Hillsborough County, Florida. Hereby reserved to the Association are easements over the Properties and all authority as necessary to enable the Association to fulfill its responsibilities hereunder.

Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of any portion of the Area of Common Responsibility shall be a Common Expense to be allocated among all Units as part of the Common Assessment, notwithstanding that the Association may be entitled to reimbursement from the owner or owners of certain portions of the Area of Common Responsibility pursuant to this Declaration, other recorded covenants, or agreements with the owner or owners thereof. All costs associated with maintenance, repair, and replacement of Exclusive Common Areas shall be a Neighborhood Expense assessed as a Neighborhood Assessment solely against the Units within the Neighborhood or Neighborhoods to which the Exclusive Common Areas are assigned, notwithstanding that the Association may be responsible for performing such maintenance hereunder.

The Association shall also be responsible for maintenance, repair, and replacement of property within any Neighborhood to the extent designated in any Supplemental Declaration affecting the Neighborhood. The Association may also assume maintenance responsibilities with respect to any Neighborhood in addition to those that may be designated by any Supplemental Declaration. This assumption of responsibility may take place either by agreement with the Neighborhood or because, in the opinion of the Board, the level and quality of service then being provided is not consistent with the Communitywide Restrictions to which the Properties are subject. All costs of maintenance pursuant to this paragraph shall be assessed as a Neighborhood Assessment against only those Units within the Neighborhood to which the services are provided. The provision of services in accordance with this Section shall not constitute discrimination within a class.

The Association may maintain other property that it does not own, including but not limited to property dedicated to the CDD, if any, or to the public if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Communitywide Restrictions.

The Association shall also be responsible for all continuing maintenance and other obligations imposed by any development order or other mandate of any planning, development, or zoning commission or other governmental entity with appropriate jurisdiction for items within or serving the Properties, including preparation of environmental monitoring reports required by the Florida Department of Environmental Regulation and the Environmental Protection Commission of Hillsborough County, Florida.
Furthermore, the Association shall maintain and keep in good workable condition, whether or not owned by the Association, the structures and fixtures comprising the lighting of all streets within the Properties and pay the electric bill and other costs associated with providing such streets with proper lighting until such time that such obligations are assumed by a utility company, Hillsborough County, Florida or any other governmental or quasi-governmental entity.

In performing its maintenance responsibilities hereunder, the Association shall comply with the terms and provisions of the Declaration of Easements and Covenant to Share Costs, if any, attached hereto as Exhibit "D" and incorporated herein by this reference.

Section 2. Owner's Responsibility. Each Owner shall maintain his or her Unit and all structures, parking areas and other improvements comprising the Unit. Owners of Units that are adjacent to any portion of the Common Area on which walls, other than walls that form part of a building, have been constructed shall irrigate the portion of the Common Area that lies between such wall and the Unit boundary. Owners of Units adjacent to any roadway within the Properties shall maintain driveways serving their respective Units, whether or not lying within the Unit boundaries, and shall irrigate landscaping on that portion of the Common Area, if any, or right-of-way between the Unit boundary and the back-of-curb of the adjacent street. For purposes of this Section, the term "driveway" shall not include any alleyway in West Park Village. Except for property maintained by the CDD, owners of Units abutting the water's edge of any lake or pond within the Properties or abutting a portion of the Common Area so situated shall irrigate all landscaping between the Unit boundary and the water's edge, and they shall have no right to remove trees, shrubs, or other vegetation from this area without prior approval pursuant to this Declaration.

All maintenance required by this Section shall be performed in a manner consistent with the Communitywide Restrictions and all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to a Neighborhood pursuant to any additional declaration of covenants applicable to a particular Unit. In addition to any other enforcement rights available to the Association, if any Owner fails properly to perform his or her maintenance responsibility, the Association may perform it and assess all costs incurred by the Association against the Unit and the Owner thereof in accordance with this Declaration; however, when entry is required due to an emergency situation, the Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry.

Section 3. Neighborhood's Responsibility. Upon resolution of the Board of Directors, the Owners of Units within each Neighborhood shall be responsible for paying, through Neighborhood Assessments, costs of maintenance of certain portions of the Area of Common Responsibility within or adjacent to such Neighborhood, that may include, without being limited to, the costs of maintenance of any right-of-way and green space between the Neighborhood and adjacent public roads, private streets within the Neighborhood, and lakes or ponds within the Neighborhood, regardless of ownership and regardless of the fact that such maintenance may be performed by the Association, provided, however, that all Neighborhoods that are similarly situated shall be treated the same.
Any Neighborhood Association whose common property is adjacent to any portion of the Common Area upon which a wall that is not part of a building is constructed shall maintain and irrigate that portion of the Common Area between the wall and the Neighborhood Association's property line. Any Neighborhood Association whose common property fronts on any roadway within the Properties shall maintain and irrigate the landscaping on that portion of the Common Area or right-of-way between the property line and the nearest curb of such roadway. Any Neighborhood Association whose common property abuts the water's edge of any lake or pond within the Properties or abuts a portion of the common property so situated shall maintain and irrigate all landscaping between the boundary of its common property and the water's edge, and it shall have no right to remove trees, shrubs, or other vegetation from this area without prior approval pursuant to Article XI hereof.

Any Neighborhood having responsibility for maintenance of all or a portion of the property within a particular Neighborhood pursuant to additional covenants affecting the Neighborhood shall perform such maintenance responsibility in a manner consistent with the Communitywide Restrictions. If any Neighborhood fails to perform its maintenance responsibility as required herein and in any additional covenants, the Association may perform it and assess the costs against all Units within that Neighborhood as provided in this Declaration.

Section 4.  Party Walls and Party Fences.

(a) General Rules of Law to Apply. Each wall or fence built as a part of the original construction on the Units that serves to separate any two (2) adjoining Units shall constitute a party wall or fence, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall or fence shall be shared in equal proportions by the Owners served by the wall or fence.

(c) Damage and Destruction. If a party wall or fence is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner served by the wall or fence may restore it. If the other Owner or Owners thereafter make any alteration to the wall or fence, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

(e) Arbitration. In the event of any dispute arising concerning a party wall or fence or under the provisions of this Section, each party shall appoint one (1) arbitrator. Should any
party refuse to appoint an arbitrator within ten (10) days after written request therefor by the Board of Directors, the Board shall appoint an arbitrator for the refusing party. The arbitrators thus appointed shall appoint one (1) additional arbitrator and the decision by a majority of all three (3) arbitrators shall be binding upon the parties and shall be a condition precedent to any right of legal action that either party may have against the other.

Article V.

Insurance and Casualty Losses

The following Sections are provided either for the benefit of the Association or to meet the insurance requirements of certain institutional lenders who may hold, insure or guaranty Mortgages on portions of the Properties.

Section 1. Insurance. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk casualty insurance, if reasonably available, for all insurable improvements on the Common Area. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. The face amount of such insurance shall be sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

In addition to casualty insurance on the Common Area, the Association may, upon request of a Neighborhood, and shall, if so specified in a Supplemental Declaration affecting the Neighborhood, obtain and continue in effect adequate blanket all-risk casualty insurance, if reasonably available, on properties within the Neighborhood. If all-risk insurance is not reasonably available, then fire and extended coverage may be substituted. Such coverage may be in such form as the Board of Directors deems appropriate and the face amount of the policy shall be sufficient to cover the full replacement cost of all structures to be insured. The costs thereof shall be charged to the Owners of Units within the benefited Neighborhood as a Neighborhood Assessment, as defined in this Declaration.

The Association shall have no insurance responsibility for any part of the Westchase Country Club property except, if any part of such property is or becomes part of the Area of Common Responsibility, such property shall be insured to the extent required of any property in the Area of Common Responsibility, as provided below.

Insurance obtained on the properties within any Neighborhood, whether obtained by such Neighborhood or the Association, shall at a minimum comply with the applicable provisions of this Section 1, including the provisions of this Article applicable to policy provisions, loss adjustment, and all other subjects to which this Article applies with regard to insurance on the Common Area. All such insurance shall be in a face amount sufficient to cover the full replacement cost of all insured structures. All such policies shall provide for a certificate of insurance to be furnished to each Member insured, to the Association, and to any Neighborhood Association.
The Board shall also obtain a public liability policy covering the Area of Common Responsibility, insuring the Association and its Members for all damage or injury caused by the negligence of the Association, any of its Members or agents or any other person who has a right to occupy a unit. The public liability policy shall have a single-person limit for bodily injury and property damage of at least one-million dollars ($1,000,000); a limit per occurrence of three million dollars ($3,000,000) if reasonably available, and a property damage limit of at least five hundred thousand dollars ($500,000).

Premiums for all insurance on the Area of Common Responsibility shall be Common Expenses of the Association and shall be included in the Common Assessment, as defined in Article I and as more particularly described in this Declaration, provided that in the discretion of the Board of Directors, premiums for insurance on Exclusive Common Areas may be included in the Neighborhood Assessment of the Neighborhood or Neighborhoods benefited thereby, unless the Board of Directors reasonably determines that other treatment of the premiums is more appropriate. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance meets the coverage requirements set forth in this Declaration. The deductible shall be paid by the party who would be liable for the loss or repair in the absence of insurance and in the event of multiple parties shall be allocated in proportion prior to the amount each party's loss bears to the total.

All insurance coverage obtained by the Board of Directors shall be written in the name of the Association as trustee for the respective benefited parties, as further identified in Subsection (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written by a company authorized to do business in Florida that holds a Best's rating of A or better and is assigned a financial size category of XI or larger as established by A. M. Best Company, Inc., if reasonably available, or if not available, the most nearly equivalent rating that is available.

(b) All policies on the Common Area shall be for the benefit of the Association and its Members; all policies secured at the request of a Neighborhood shall be for the benefit of the Neighborhood Association, if any; the Owners of Units within the Neighborhood; and their mortgagees, as their interests may appear.

(c) Exclusive authority to adjust losses under policies obtained by the Association on the Properties shall be vested in the Association's Board of Directors.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their mortgagees.

(e) All casualty insurance policies shall have an inflation-guard endorsement, if reasonably available, and shall also include, if the policy contains a coinsurance clause, an agreed-amount endorsement.
(f) The Board of Directors shall be required to use reasonable efforts to secure insurance policies that will provide the following:

   (i) a waiver of subrogation by the insurer within respect prior to any claims against the Association's Board of Directors, its manager, the Owners, and their respective tenants, servants, agents, and guests;

   (ii) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

   (iii) a statement that no policy may be cancelled, invalidated, suspended, or subject to nonrenewal on account of any one or more individual Owners;

   (iv) a statement that no policy may be canceled, invalidated, suspended, or subject to nonrenewal on account of the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner, or any mortgagee;

   (v) a statement that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

   (vi) a statement that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or nonrenewal.

In addition to the other insurance required by this Section, the Board shall obtain, as a Common Expense, worker's compensation insurance, if and to the extent required by law; directors' and officers' liability coverage, if reasonably available; a fidelity bond or bonds on directors, officers, employees, and other Persons handling or responsible for the Association's funds, if reasonably available, and flood insurance, if required. The amount of fidelity coverage shall be determined in the directors' best business judgment but, if reasonably available; may not be less than one-sixth (1/6) of the annual Common Assessments on all Units, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or nonrenewal.

Section 2. Individual Insurance. By virtue of taking title to a Unit subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry, if reasonably available, blanket all-risk casualty insurance on the Unit and other structures constructed thereon meeting the same requirements as set forth in this Declaration for insurance on the Common Area, unless either the Neighborhood in which the Unit is located or the Association carries such insurance (which is not an obligation hereunder). Each Owner further covenants and agrees that in the event of a partial loss or damage resulting in less than total destruction of structures comprising his or her Unit, the
Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration. The Owner shall pay any costs of repair or reconstruction that are not covered by insurance proceeds. The Owner shall reconstruct the structure in a manner that is consistent with this Declaration as soon as the Owner is lawfully permitted to do so. Permits for reconstruction shall be requested from Hillsborough County within sixty (60) days after the Owner is lawfully permitted to begin reconstruction. Reconstruction shall be completed not later than one (1) year after the Hillsborough County building permit is obtained or such later date as may be approved in writing by the Board of Directors. A Neighborhood may have more stringent requirements regarding the standards for rebuilding or reconstructing structures on the Units within the Neighborhood. In the event of a natural disaster, the Board of Directors may waive all or any portion of this Section. For purposes of this Section, a "natural disaster" shall include, but not be limited to a hurricane, tornado, or sinkhole that causes in excess of $500,000 of damage to property within the Community or causes damage to more than five Units.

Section 3. Damage and Destruction.

(a) Immediately after damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Properties. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Properties to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Any damage or destruction to the Common Area or to the common property of any Neighborhood shall be repaired or reconstructed unless the Voting Members representing at least seventy-five percent (75%) of the total votes of the Association, if Common Area, or the Unit Owners representing at least seventy-five percent (75%) of the total votes of the Neighborhood Association whose common property is damaged, if common property of a Neighborhood Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such funds or information shall be made available, provided, however, that such extension shall not exceed sixty (60) additional days. No mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Area or common property of a Neighborhood shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction to the Common Area or to the common property of any Neighborhood Association shall not be repaired or reconstructed and no alternative improvements are authorized, the affected portion of the Properties shall be cleared of all debris and ruins and
maintained by the Association or the Neighborhood Association, as applicable, in a neat and attractive condition consistent with the Communitywide Restrictions.

Section 4. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies held by the Association are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for that purpose, shall be disbursed in payment of those repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying those costs of repair or reconstruction shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event that no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their mortgagee as their interests may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any mortgagee of a Unit and may be enforced by such mortgagee.

Section 5. Repair and Reconstruction. If the damage or destruction to the Common Area or to the common property of a Neighborhood Association for which insurance proceeds are paid is to be repaired or reconstructed and those proceeds are not sufficient to defray the cost thereof the Board of Directors shall, without the necessity of a vote of the Voting Members, levy a Special Assessment against those Owners responsible for the premiums for the applicable insurance coverage under this Article. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

Article VI.

No Partition

Except as is permitted in the Declaration or amendments thereto, there shall be no judicial partition of the Common Area or any part thereof, nor shall any Person acquiring any interest in the Properties or any part thereof seek any judicial partition unless the Properties have been removed from the provisions of this Declaration. This Article shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property or from acquiring title to real property that may or may not be subject to this Declaration.

Article VII.

Condemnation

Whenever all or any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation) by the Board acting on the written direction of Voting Members representing at least sixty-seven percent (67%) of the total votes of the Association by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows:
If the taking involves a portion of the Common Area on which improvements have been constructed, then, unless within sixty (60) days after such taking Voting Members representing at least seventy-five percent (75%) of the total votes of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area to the extent that lands are available therefor, in accordance with plans approved by the Board of Directors of the Association. If such improvements are to be repaired or restored, the provisions in Article V hereof regarding the disbursement of funds with respect to casualty damage or destruction that is to be repaired shall apply.

If the taking does not involve any improvements on the Common Area, if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is completed, such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Directors of the Association shall determine.

Article VIII.

Annexation of Additional Property

Section 1. Annexation with Approval of the Membership. Subject to the consent of the owner thereof, the Association may annex real property described in Exhibit "B" to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote or written consent, or any combination thereof, of Voting Members representing at least seventy-five percent (75%) of the votes of the Association.

Annexation shall be accomplished by filing in the public records of Hillsborough County, Florida, a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by the president and the secretary of the Association and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provisions of the Bylaws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section and to ascertain the presence of a quorum at such meeting.

Section 2. Condominium Conversions. Rental apartment buildings may be built and operated on certain property adjacent to the Properties and included in the properties described in Exhibit "B." Such rental apartment buildings may subsequently be converted to the condominium form of ownership. In that event, the property subjected to the condominium form of ownership shall be subjected to the terms and conditions of this Declaration and to the jurisdiction of the Association. The owner of the property subjected to the condominium form of ownership shall, at the time the declaration of condominium is filed, withdraw such property from any other restrictive covenants on such property and cause an amendment to this Declaration to be executed and recorded in Hillsborough County, Florida, subjecting such property to this Declaration. Such amendment shall require the affirmative vote or written consent, or any combination thereof, of the Voting Members representing at least seventy-five percent (75%) of the total votes of the Association.
Article IX.

Rights and Obligations of the Association

Section 1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Area and all improvements thereon (including but not limited to furnishings and equipment related thereto and common landscaped areas) and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, pursuant to the terms and conditions hereof and consistent with the Communitywide Restrictions.

Section 2. Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire, hold, and dispose of tangible and intangible personal property and real property. The Board, acting on behalf of the Association, shall accept any real or personal property, leasehold, or other property interests within the Properties conveyed to it by the Declarant.

Section 3. Rules and Regulations. The Association, through its Board of Directors, may make and enforce reasonable rules and regulations governing the use of the Properties, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines and suspension of the right to vote and the right to use any recreational facilities on the Common Area. In addition, the Board, in accordance with Article III, Section 20, of the Bylaws, shall be entitled to suspend any services provided by the Association to any Owner or such Owner's Unit in the event that such Owner is more than thirty (30) days delinquent in paying any assessment or other charge owed to the Association. The Board shall have the power to seek relief in any court for violations or to abate nuisances. Imposition of sanctions shall be as provided in the Bylaws of the Association.

The Association, through the Board, by contract or other agreement, shall have the right, but not the obligation, to enforce County ordinances and the right to permit Hillsborough County, Florida to enforce ordinances on the Properties for the benefit of the Association and its Members.

Section 4. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or the Bylaws, as well as every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

Section 5. Governmental Facilities. Each Owner understands and agrees that an Owner's Unit may be adjacent to or near a fire or police station, water or sewer facilities, public schools and parks, and other public facilities and that such location may result in nuisances to persons and property on the Unit as a result of noise and other activity associated with the normal operation and use of such facilities. Each Owner covenants for himself or herself and his or her heirs, successors, successors-in-title, and assigns that he or she shall assume all risks associated with such location.
Section 6. Powers of the Association with Respect to Neighborhoods. The Association shall have the power to veto any action taken or contemplated to be taken by any Neighborhood Association or Neighborhood Committee that the Board reasonably determines to be adverse to the interests of the Association or its Members or inconsistent with the Communitywide Restrictions. The Association shall also have the power to require specific action to be taken by any Neighborhood Association or Neighborhood Committee in connection with its obligations and responsibilities hereunder or under any other covenants affecting the Properties. Without limiting the generality of the foregoing, the Association may require specific maintenance or repairs or aesthetic changes to be effectuated by the Neighborhood Association or Neighborhood Committee, may require that a proposed budget include certain items and that expenditures be made therefor, and may veto or cancel any contract providing for maintenance, repair, or replacement of the property governed by such Neighborhood Association or Neighborhood Committee.

Any action required by the Association in a written notice pursuant to the foregoing paragraph to be taken by a Neighborhood Association or Neighborhood Committee shall be taken within the time frame set by the Association in such written notice, which time frame shall be reasonable. If the Neighborhood Association or Neighborhood Committee fails to comply with the requirements set forth in such written notice, the Association shall have the right to effect such action on behalf of the Neighborhood Association or Neighborhood Committee. To cover the Association’s administrative expenses in connection with the foregoing and to discourage failure to comply with the requirements of the Association, the Association shall assess the Units in such Neighborhood for their pro rata share of any expenses incurred by the Association in taking such action in the manner provided in this Declaration. Such assessments may be collected as a Special Assessment hereunder and shall be subject to all lien rights provided for herein.

Article X.

Assessments

Section 1. Creation of Assessments. There are hereby created assessments for Association expenses as may from time to time be specifically authorized by the Board of Directors, to be commenced at the time and in the manner set forth in this Article. There shall be three (3) types of assessments: (a) Common Assessments to fund Common Expenses for the benefit of all Members of the Association; (b) Neighborhood Assessments for Neighborhood Expenses benefiting only Units within one (1) or more particular Neighborhoods; and (c) Special Assessments as described below. Each Owner by acceptance of a deed or recorded contract of sale for any portion of the Properties, is deemed to covenant and agree to pay these assessments.

Common Assessments shall be levied as follows:

Each single-family Unit shall be levied for an equal share of the Common Assessments.
Notwithstanding any provision of this Declaration, Neighborhood Assessments shall be levied equally against all Units in the Neighborhood benefiting from the services supported thereby, provided that in the event of assessments for exterior maintenance of structures, insurance on structures, or replacement reserves that pertain to particular structures, such assessments for the use and benefit of particular Units shall be levied on each of the benefited Units in proportion to the benefit received, if so directed by the Neighborhood in writing to the Board of Directors. Subject to the provisions of this paragraph, Special Assessments shall be levied as provided below.

The Association shall, upon demand at any time, furnish to any Owner liable for any type of assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid for that Owner's Unit. Such certificate shall be conclusive evidence of payment to the Association of such assessment therein stated to have been paid. The Association may require the advance payment of a processing fee for the issuance of such certificate and such additional fees as may be permitted by law.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors. Unless the Board otherwise provides, the Common Assessment and any Neighborhood Assessment shall be paid in one annual installment. Each Owner, by acceptance of a deed to his or her Unit, acknowledges that all Common Assessments and Neighborhood Assessments levied hereunder are annual assessments due and payable in advance on the first day of the fiscal year; however the Board may permit any assessment to be paid in installments. If any Owner is delinquent in paying any assessments or other charges levied on his or her Unit, the Board may revoke the privilege of paying in installments and require assessments to be paid in full immediately.

Any assessment or installment thereof not paid within thirty (30) days after the date on which it is due shall be assessed a late charge in an amount determined by the Board of Directors that shall not be in excess of the highest amount permitted by applicable law. In addition, the Association shall be entitled to suspend any services provided by the Association to a Unit in the event that the Owner of such Unit is more than forty (40) days delinquent in paying any assessment due to the Association and may suspend the voting rights of an Owner for the non-payment of the annual assessment that is delinquent in excess of ninety (90) days. Moreover, if any assessment, or any installment thereof, is not paid within forty (40) days after the date on which it is due, the Association may bring action at law against the Owner and against the Owner's property. The Association shall be entitled to collect all fees and costs of collection, including attorney's fees, and every Owner by acceptance of a deed to a Unit in the Properties, whether so expressed in the deed or not, covenants and agrees to pay those fees and costs.

No Owner may waive or otherwise exempt himself or herself from liability for the assessments provided for herein, including, by way of illustration and not limitation, nonuse of Common Areas or abandonment of the Unit. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board
to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the Bylaws.

Section 2. **Computation of Common Assessment.** It shall be the duty of the Board, at least sixty (60) days before the beginning of each fiscal year, to prepare a budget covering the estimated Common Expenses of the Association during the coming year. The budget shall include a capital contribution establishing a reserve fund in accordance with a budget separately prepared as provided in this Article.

The Common Assessment to be levied against each Unit for the coming year shall be set at a level that is reasonably expected to produce total income to the Association equal to the total budgeted Common Expenses, including reserves. In determining the level of assessments, the Board, in its discretion, may consider other sources of funds available to the Association. In addition, the Board shall take into account the number of Units subject to assessment under Section 7 hereof on the first day of the fiscal year for which the budget is prepared and the number of Units reasonably anticipated to become subject to assessment during the fiscal year.

The Board shall cause a copy of the Common Expense budget and notice of the amount of the Common Assessment to be levied against each Unit for the following year to be delivered to each Voting Member at least thirty (30) days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved by the Voting Members, by vote or written consent, or any combination thereof, representing at least sixty-seven percent (67%) of the total votes in the Association. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Voting Members as provided for special meetings in Article II, Section 5, of the Bylaws, which petition must be presented to the Board within ten (10) days of delivery of the notice of assessments.

Notwithstanding the foregoing, however, in the event that the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

Section 3. **Computation of Neighborhood Assessments.** Each Neighborhood requesting special services or a higher level of service from the Association shall, at least ninety (90) days before the beginning of the Association's fiscal year, submit to the Board for its approval a separate budget covering the estimated Neighborhood Expenses to be incurred by the Association. To the extent that this Declaration or the Bylaws specifically authorize the Board to assess certain costs, such as the cost of maintaining Exclusive Common Areas, as a Neighborhood Assessment, the Board shall have the right to add to any such budget these estimated Neighborhood Expenses or to prepare, at least sixty (60) days before the beginning of each fiscal year, a separate budget covering such estimated Neighborhood Expenses for each Neighborhood on whose behalf such costs are expected to be incurred during the coming year. Any such budget may also include a capital contribution establishing a reserve fund for repair and replacement of capital items within the Neighborhood, as appropriate. Neighborhood
Expenses shall be allocated equally among all Units within the Neighborhood benefited thereby and levied as a Neighborhood Assessment.

The Board shall cause a copy of such budget and notice of the amount of the Neighborhood Assessment to be levied on each Unit in the Neighborhood for the coming year to be delivered to each Owner of a Unit in the Neighborhood at least thirty (30) days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved by a majority of the Owners of Units in the Neighborhood to which the Neighborhood Assessment applies; however, there shall be no obligation to call a meeting for the purpose of considering the budget except on petition of Owners of at least ten percent (10%) of the Units in such Neighborhood and provided, further, that the right to disapprove shall apply only to those line items in the Neighborhood budget that are attributable to services requested by the Neighborhood.

In the event that the proposed budget for any Neighborhood is disapproved or the Board or Neighborhood requesting special services or a higher level of service fails for any reason to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year and the Neighborhood shall receive only those services or level of service as the budget for the immediately preceding year allows.

Section 4. Special Assessments.

(a) Entire Membership.

The Association may levy Special Assessments from time to time, provided that such assessment receives the affirmative vote or written consent, or any combination thereof, of Voting Members representing seventy-five percent (75%) of the total votes of the Association. The percentage amount of the Special Assessment levied against single-family Units shall be determined in the same manner as for Common Assessments. Special Assessments pursuant to this paragraph shall be payable in such manner and at such times as determined by the Board and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

(b) Less than All Members.

The Association may levy a Special Assessment against any Member individually and against such Member's Unit to reimburse the Association for costs incurred in bringing a Member and his or her Unit into compliance with the provisions of the Declaration, any amendments thereto, the Articles, the Bylaws, or the Association rules and regulations, which Special Assessment may be levied upon the vote of the Board after notice to the Member and an opportunity for a hearing. The Association may also levy a Special Assessment against the Units in any Neighborhood to reimburse the Association for costs incurred in bringing the Neighborhood into compliance with the provisions of the Declaration, any amendments thereto, the Articles, the Bylaws, and the Association rules and regulations, which Special Assessment
may be levied upon the vote of the Board after notice to the senior officer of the Neighborhood and an opportunity for a hearing.

Section 5. **Lien for Assessments.** All assessments, together with interest at the rate of eighteen percent (18%) computed from the date on which payment thereof becomes delinquent, late charges, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Unit against which each assessment is made until paid. Each such assessment, together with interest, late charges, costs, and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose. The lien is effective from and shall relate back to the date on which the Association’s original Declaration was recorded. The Association’s lien for unpaid assessments shall be prior and superior to all other liens, except taxes, bonds, assessments, and other levies that by law would be superior thereto. Such lien, when delinquent, may be enforced by suit, judgment, and foreclosure.

The Association, acting on behalf of the Owners, shall have the power to bid for the Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which a Unit is owned by the Association following foreclosure, (a) no right to vote shall be exercised on its behalf, (b) no assessment shall be levied on it, and (c) each other Unit shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged such Unit had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid Common Expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

Section 6. **Reserve Budget.** The Board of Directors shall annually prepare a reserve budget to take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost.

Section 7. **Date of Commencement of Assessments.** The obligation to pay the assessments provided for herein shall commence for each Unit when the Unit is conveyed to an Owner. Any Owner purchasing a Unit for the purpose of constructing a dwelling thereon for resale shall be required to pay fifty percent (50%) of the assessment obligation for the Unit until the earlier of the following:

(a) the month in which the first certificate of occupancy is issued on such Unit by the Building Department of Hillsborough County, Florida; or

(b) actual occupancy of such Unit. All other Owners shall be obligated for one hundred percent (100%) of the assessments provided for herein upon taking title to the Unit.

Assessments shall be due and payable in a manner and, on a schedule as the Board of Directors may provide. The first annual assessment levied on each Unit shall be adjusted according to the number of months remaining in the fiscal year at the time assessments on the Unit commence.
Section 8. Liability for Assessments upon transfer of title. The sale or transfer of any Unit shall not affect the Association’s assessment lien. No sale or transfer shall relieve a Unit from lien rights for any assessments thereafter becoming due. In the event of a transfer of title, the transferee shall be jointly and severally liable for all assessments, interest, late fees, attorney’s fees, costs and any other monetary obligations owed to the Association at the time of conveyance. Where the mortgagee holding a first mortgage of record obtains title pursuant to the remedies provided in a first mortgage, including judicial or nonjudicial foreclosure of the mortgage, or by a deed in lieu of foreclosure, it shall be liable for the share of the Common Expenses or assessments, and all interest, late fees, attorney’s fees, costs and any other monetary obligation chargeable to that Unit which became due prior to such acquisition of title, and for which payment in full has not been received by the Association, to the greatest extent allowable under applicable law. In the event such a first mortgagee is deemed not to be liable for all or any portion of such unpaid Common Expenses or assessments, such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from Owners of all the Units, including such acquirer and its successors and assigns.

Section 9. Capitalization of the Association. The Board shall set a Capital Contribution upon approval of the annual budget, with said Capital Contribution to be effective for the term of the approved budget. Upon acquisition of record title to a Unit after the recording of this amendment, the Owner shall make a contribution to the working capital of the Association in an amount equal to the Capital Contribution for that year as determined by the Board. This amount shall be in addition to, not in lieu of, the annual Common Assessment levied on the Unit and shall not be considered an advance payment of any portion thereof. This amount shall be deposited into the purchase and sales escrow and disbursed therefrom to the Association at the closing of the purchase of such Unit by such purchaser, for use in covering operating expenses and other expenses incurred by the Association pursuant to the terms of this Declaration and the Bylaws and may be used by the Association in the same manner as any other Assessment authorized by this Article. Conveyance between spouses; conveyance to a trust in which the grantor is the trustee or a partnership, corporation or other entity so long as such entity is and remains wholly owned by the Owner or by such Owner and the Owner's spouse and/or children or is created for their benefit; conveyance of a Unit by an Owner or such Owner's estate to the Owner's spouse and/or children; and conveyance by the estate of an Owner to a family member shall be exempt from payment of the Capital Contribution. Subsequent to July 1, 2006, any Owner of a Unit who has paid a Capital Contribution who sells that Unit and purchases another Unit within Westchase within six (6) months of the date of sale, as evidenced by the public records of Hillsborough County, Florida, shall receive a credit in the amount of the original Capital Contribution toward the Capital Contribution that would be due and payable upon the subsequent purchase of a Unit in Westchase. There shall be no refund of any Capital Contribution in any case.

Section 10. Exempt Property. Notwithstanding anything to the contrary herein, the following property shall be exempt from payment of Common Assessments, Neighborhood Assessments, and Special Assessments:
(a) all Common Area; and

(b) all property dedicated to and accepted by any governmental authority or public utility, including but not limited to public schools, public streets, and public parks, if any.

Article XI.

Architectural Standards

Section 1. Exterior Alterations and Modifications. No construction, which term shall include within its definition staking, clearing, excavation, grading, and other site work; no exterior alteration or modification of existing improvements; no exterior painting; and no plantings or removal of plants, trees, or shrubs shall take place except in strict compliance with this Article, until the requirements set forth herein have been fully met and until the approval of the appropriate committee has been obtained pursuant to this Declaration. The Board of Directors may establish reasonable fees to be charged by the committees on behalf of the Association for review of applications hereunder and may require such fees to be paid in full prior to review of any application. All dwellings constructed on any portion of the Properties shall be designed and built in accordance with the requirements of the Hillsborough County Building Department. The Board of Directors shall have the authority and standing, on behalf of the Association, to enforce in courts of competent jurisdiction decisions of the committees established in this Article XI.

(a) Modifications Committee.

The Board of Directors shall establish a Modifications Committee to consist of at least three (3) and no more than five (5) persons, all of whom shall be appointed by, and shall serve at the discretion of, and may be removed with or without cause by, the Board of Directors. The Board of Directors may also appoint no more than two (2) additional alternate members of the Modifications Committee, who shall serve at the discretion of, and may be removed with or without cause by, the Board of Directors. The alternate members shall serve in the absence of a regular member of the Modifications Committee. Except as otherwise provided herein, the Modifications Committee shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing Units or structures containing Units and the open space, if any, appurtenant thereto; however, the Modifications Committee may delegate this authority to the appropriate board or committee of any Neighborhood Association subsequently created or subsequently subjected to this Declaration so long as the Modifications Committee has determined that such board or committee has in force review and enforcement practices, procedures, and appropriate standards at least equal to those of the Modifications Committee. The Board or the Modifications Committee shall have the right to delegate and to withdraw that delegation of responsibility to the property manager for the Westchase Community Association, Inc., for review and approval of a specified list of minor modifications. Such delegations may be revoked and jurisdiction reassumed at any time by written notice. Notwithstanding the
foregoing, the Variance Committee established in Subsection (b) shall have the right to veto any action taken by the Modifications Committee or property manager for Westchase Community Association, Inc., as the Variance Committee determines, in its sole discretion, pursuant to this Declaration.

The Board shall promulgate procedures governing the areas of responsibility and practice of the Modifications Committee, consistent with this Declaration. Procedures promulgated by the Board shall be published in writing. In addition thereto, the following shall apply. Plans and specifications showing the nature, kind, shape, color, size, materials, and location of such modifications, additions, or alterations shall be submitted to the Modifications Committee for approval as to quality of workmanship and design and as to harmony of external design with existing structures, location in relation to surrounding structures, topography, and finish grade elevation. The Modifications Committee shall have sole discretion and authority to approve or disapprove such plans and specifications. The Modifications Committee may consult with an architect, engineer, or similar professional, who shall be compensated for any professional services rendered, regarding the approval of any plans and specifications. Nothing contained herein shall be construed to limit the right of an Owner to remodel the interior of his or her Unit or to paint the interior of the Unit any color desired; however, modifications or alterations to the interior of screened porches, patios, and similar portions of a Unit visible from outside the Unit shall be subject to approval hereunder. In the event that the Modifications Committee fails to approve or to disapprove such plans or to request additional information reasonably required within forty-five (45) days after receipt, the plans shall be deemed approved.

(b) Variance Committee.

The Variance Committee may authorize variances from compliance with any of the Guidelines and procedures when unique circumstances such as topography, natural obstructions, hardship or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations promulgated by the Voting Members. Variances may be granted only when unique circumstances dictate. No variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, the terms of any financing, or the financial condition of the Owner shall not be considered a hardship warranting a variance. No variance shall be approved by the Committee absent the approval of a majority of the members of the Committee. No application for a variance may be considered that is received more than ten (10) calendar days after the Modifications Committee's denial of the Owner's request for the same item. The Variance Committee shall be established pursuant to the Bylaws of the Association.

Section 2. No Waiver of Future Approvals. The approval of the Modifications Committee of any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of such Committee shall not be deemed to constitute a waiver of any right to withhold approval or
consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

Section 3. Compliance with Guidelines. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of the Guidelines and procedures promulgated by the Modifications Committee may be excluded by the Board from the Properties without liability to any person, subject to the notice and hearing procedures contained in the Bylaws.

Section 4. Compliance with State Requirements. It shall be the responsibility of each Owner at the time of construction of a building, residence, or structure to comply with the construction plans for the surface water management system approval and on file with the Southwest Florida Water Management District (SWFWMD).

No Owner may construct or maintain any building, residence, or structure or undertake or perform any activity in the wetlands, buffer areas, and upland conservation areas described in the approved permit and recorded plat of the Properties unless prior approval has been received from the SWFWMD.

No Owner shall remove native vegetation (including cattails) that become established in any wet detention ponds within the Properties. Removal includes dredging, the application of herbicide, and cutting. Owners should address any question regarding authorized activities within any wet detention pond to SWFWMD, Tampa Permitting Department.

Section 5. Completion of Work. All work approved by the Modifications Committee shall be completed within the time stated for completion by the Modifications Committee, if any. If no time for completion of the work is stated within the Modifications Committee approval, all such work shall be completed within sixty (60) days of approval by the Modifications Committee. Any work that cannot be completed within sixty (60) days of the date of approval by the Modifications Committee or by a later date as specified by the Modifications Committee, shall require additional approval by the Modifications Committee.

Section 6. No Liability. Review and approval of any application pursuant to this Article is made on the basis of the provisions of this Declaration, the Guidelines, and any rules and regulations that may be promulgated from time to time by the Association, and neither any committee nor the Association shall bear any responsibility for ensuring the structural integrity, desirability, safety, or soundness of approved construction or modifications or for ensuring compliance with building codes and other governmental requirements or restrictions or requirements of any Neighborhood or Supplemental Declaration. Neither the Association nor the Board of Directors nor any committee or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction on or modifications to any Unit.
Article XII.

Communitywide Restrictions

The Properties shall be used solely for residential, recreational, and related purposes (which may include, without limitation, offices for any property manager retained by the Association or business offices for the Association and related purposes) as may more particularly be set forth in this Declaration and amendments hereto. Any Supplemental Declaration or additional covenants imposed on the property within any Neighborhood may impose stricter standards than those contained in this Article. The Association, acting through its Board of Directors, shall have standing and the power to enforce such standards.

The Association, acting through its Board of Directors, shall have the authority to make and to enforce standards and restrictions governing the use of the Properties, in addition to those contained herein, and to impose reasonable user fees for use of Common Area facilities. Such regulations and use restrictions shall be binding on all Owners, occupants, invitees, and licensees, if any, until and unless overruled, canceled, or modified in a regular or special meeting of the Association by the vote or written consent, or any combination thereof, of Voting Members.

Section 1. Signs. Except security system signs installed consistent with applicable law, no sign of any kind shall be erected within the Properties without the written consent of the Board of Directors. One "For Sale" or "For Rent" sign is allowed on the property (but not on the area between the sidewalk and the street). If permission is granted to any Person to erect a sign within the Properties, the Board reserves the right to restrict the size, color, lettering and placement of such sign. The Board of Directors shall have the right to erect signs as it, in its sole discretion, deems appropriate.

Section 2. Parking and Prohibited Vehicles.

(a) Parking. Vehicles shall be parked only in the garages or on the driveways, if any, serving the Units or in appropriate spaces or designated areas in which parking may or may not be assigned and then subject to such reasonable rules and regulations as the Board of Directors, or any Neighborhood Association, if any, having concurrent jurisdiction over parking areas within the Neighborhood, may adopt. No portion of any vehicle may be parked on any grass, sod, or lawn or sidewalk. The Association may designate certain on-street parking areas for visitors or guests, subject to reasonable rules and regulations. No garage shall be converted to dwelling space or enclosed, modified, or otherwise used so as to reduce its capacity for parking vehicles below that originally approved. Garage doors visible from any street within the Properties shall remain closed except during ingress or egress or when the garage is actively being used by the Owner or occupant.

(b) Prohibited Vehicles. Commercial vehicles, vehicles with commercial writing on or visible from the exterior indicating a trade or occupation or tools or equipment visible from the exterior indicating a trade or occupation, vehicles equipped with a ladder rack or other rack
or storage system used or designed for commercial purposes, vehicles primarily used or designed for commercial purposes, as well as tractors, mobile homes, recreational vehicles, trailers (either with or without wheels), campers, camper trailers, conversion vans, boats and other watercraft, and boat trailers shall be parked only in enclosed garages or areas, if any, designated by the Board or by the Neighborhood Association, if any, having jurisdiction over parking areas within a particular Neighborhood. As used herein “Conversion van” shall refer to a self-propelled motor vehicle converted to provide temporary living quarters. However, conversion vans modified only and exclusively for the transportation of a disabled or handicapped resident, and whose size precludes parking in the resident’s garage, may park in the resident’s driveway. The owner of such a van must possess a current state issued handicap hang tag or license plate. With respect to vehicles on which there is commercial writing or which have tools or equipment visible from the exterior indicating a trade or occupation, such vehicles shall be parked only in enclosed garages or areas, if any, designated by the Board or the Neighborhood Association regardless of whether the owner or operator attempts, in any manner or through any means, including the use of magnetic panels or labels, tarpaulins, canvas, plastic sheeting, or tape, to temporarily conceal such writing, tools, or equipment while the vehicle is parked on the Properties. For purposes of this Subsection, a vehicle owned by a law enforcement agency shall not be considered a commercial vehicle. Stored vehicles and vehicles that are either obviously inoperable or do not display current license plates shall not be permitted on the Properties except within enclosed garages. For purposes of this Section, "inoperable" means unable to operate on its own power or to be driven lawfully on the highways of the State of Florida. Also for purposes of this Subsection, a vehicle shall be considered stored if it is put up on blocks or covered with a tarpaulin and remains on blocks or so covered for any part of each of fourteen (14) consecutive days without the prior approval of the Board. Notwithstanding the foregoing, service and delivery vehicles may be parked in the Properties during daylight hours and then only for such period of time as is reasonably necessary to provide service or to make a delivery to a Unit or Common Area. Any vehicle parked in violation of this Subsection or parking rules promulgated by the Board may be towed in accordance with the Bylaws.

(c) Special Provisions for West Park Village. Notwithstanding the foregoing, on-street parking of vehicles shall be permitted within West Park Village except as otherwise specifically prohibited by the terms of any Supplemental Declaration applicable to West Park Village and except that vehicles otherwise prohibited pursuant to Section (b) of this Article shall not be parked on residential streets within West Park Village. A residential street shall be any street or block fronted on both sides solely by property subject to this Declaration.

Section 3. Occupants Bound. All provisions of the Declaration, the Bylaws, and any rules and regulations or use restrictions promulgated pursuant thereto that govern the conduct of Owners or provide for sanctions against Owners shall also apply to all occupants, guests and invitees of any Unit. Every Owner shall cause all occupants of his or her Unit to comply with the Declaration, the Bylaws, and the rules and regulations adopted pursuant thereto and shall be responsible for all violations and losses to the Common Areas caused by such occupants, notwithstanding the fact that such occupants of a Unit are fully liable and may be subject to sanctions for any violation of the Declaration, the Bylaws, or the rules and regulations adopted
pursuant thereto.

Section 4. Animals and Pets. No animal, livestock, or poultry of any kind shall be raised, bred, or kept on any portion of the Properties, except that dogs, cats, or other usual and common household pets not to exceed a total of four (4), may be permitted in a Unit. However, any pet that is permitted to roam free or, in the sole discretion of the Board, produces objectionable noise or odor or endangers the health of or constitutes a nuisance or inconvenience to the Owners of other Units or the owner of any portion of the Properties shall be removed upon request of the Board; if the Owner fails to honor such request in a timely manner, the pet may be removed by the Board. No pets shall be kept, bred, or maintained for any commercial purpose. Dogs and cats shall at all times when they are outside a Unit on the Properties be confined on a leash held by a responsible person. Any feces deposited by a dog or a cat on any Common Area or on the private property of others must be immediately removed by the person who has custody or control of the animal.

Section 5. Quiet Enjoyment. No portion of the Properties shall be used, in whole or in part, for the storage of any property or thing that will cause it to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept upon any portion of the Properties that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property.

No noxious, illegal, or offensive activity shall be carried on upon any portion of the Properties, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance, or nuisance to any person using any portion of the Properties. There shall not be maintained any plant or animal or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature that may diminish or destroy the enjoyment of the Properties. No outdoor burning of wood, leaves, trash, garbage or household refuse shall be permitted within the Properties.

Section 6. Unsightly or Unkempt Conditions. It shall be the responsibility of each Owner to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her Unit or any improvement thereon, including but not limited to, the following:

(a) roofs, gutters, and downspouts;

(b) lawns, shrubs, trees, and landscaping (each Owner is required to sod his or her property, as appropriate);

(c) walks, sidewalks, leadwalks, driveways, mailboxes, lighting fixtures, and fencing (including the side of a fence or wall for the Common Area which is located on the Owner's property);

(d) windows, doors, and trim members;
(e) any other exterior improvements and attachments from time to time situated on an Owner's property; and

(f) any of the above that may be located in the area between the Unit boundary and an adjacent street (measured from the back-of-curb) or in the area between the Unit boundary and the water's edge of any lake or pond and the boundary of any wetland or conservation area.

Each Owner's duty of maintenance includes any and all easements upon such Owner's property, except for any limitations provided in this Declaration. No Owner may permit any deterioration to the exterior portions of such Owner's property.

Each Owner must make all repairs, maintenance, and replacements necessary to exterior improvements and attachments, and appurtenant driveways, if any, in a safe, sanitary, and reasonable attractive condition. If the Owner fails to perform his or her responsibility as required herein, the Association may, in addition to any other enforcement rights available to the Association, perform it and assess all costs incurred by the Association against the Unit and the Owner thereof in accordance with this Declaration. Amounts incurred by the Association in performing an Owner’s maintenance responsibilities will be treated as a special assessment against less than all members as set forth in Article X, Section 4(b) of the Declaration, and such assessment may become a lien against the Unit. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, that causes disorderly, unsightly, annoying, or unkempt conditions may not be pursued or undertaken on any part of the Properties.

Notwithstanding the foregoing, if a Unit is located in a Neighborhood governed by a Neighborhood Association, and the Neighborhood Association is responsible for maintaining any exterior improvement or attachment situated on the Unit or any portion of the Properties located within such Neighborhood, said Neighborhood Association shall comply with the provisions of this Section 6 with respect to those portions of the Unit or Properties for which it is responsible. If a Neighborhood Association fails to perform its responsibility as required herein, the Association may, in addition to any other enforcement rights available to the Association, perform it and assess all costs incurred by the Association against the Neighborhood Association as a Neighborhood Expense, in accordance with this Declaration.

Section 7. Antennas and Satellite Dishes. To promote a high quality of life and to protect the individual values of the residents and property owners of the Westchase community while preserving Owners' and residents' ability to receive acceptable over-the-air television signals, the following restrictions shall apply to all Owners and residents. The term "antenna" shall include antennas, aerials, and satellite dishes that are designed and used to receive direct broadcast satellite (DBS) service, including direct-to-home satellite services; video programming services via multipoint distribution services, including multichannel multipoint distribution (MMDS); and television broadcast signals (TVBS).

(a) One Meter or Less. Satellite dishes one meter (39 inches) or less in diameter shall be (i) mounted, installed, attached, or placed in the rear yard of the Property or Unit unless this
requirement unreasonably impairs the viewer's ability to receive reception of an acceptable quality, in which case this requirement shall be diminished only to the extent absolutely necessary to allow reception of an acceptable quality, avoid any increase in cost of installation, or avoid any delay in installation; (ii) mounted, installed, attached, or placed no higher than absolutely necessary to obtain reception of acceptable quality or does not increase the cost of installation or delay the installation; (iii) located so that it is not visible from the street or the adjoining property unless this requirement unreasonably impairs the viewer's ability to receive reception of an acceptable quality, increases the cost of installation, or delays the installation, in which case this requirement shall be diminished only to the extent absolutely necessary to allow a reasonable cost and acceptable quality; and (iv) screened with landscaping (except for antennas that are attached to the home at or above the first-story eaves) unless this requirement unreasonably impairs the viewer's ability to receive reception of an acceptable quality, increases the cost of installation or delays the installation, in which case this requirement shall be diminished only to the extent absolutely necessary to allow the viewer to receive a signal of acceptable quality and does not increase the cost of installation or delay the installation. This use restriction is subject to Section 207 of the Telecommunications Act of 1996 and shall comply with any future amendments thereto.

(b) **Greater than One Meter.** Satellite dishes designed to receive direct broadcast satellite services or multipoint distribution services that are greater than one meter (39 inches) in diameter are prohibited.

(c) **Installed by Association.** Anything herein to the contrary notwithstanding, the requirements set forth in the immediately preceding Subsections (a) and (b) of this Section shall not apply to antennas installed by the Association for the benefit of all or a portion of the Properties.

(d) **Prohibited Devices.** No antenna, dish, or other device used for the transmission or broadcast of any radio, television, microwave or other signal other than common remote control devices shall be mounted, installed, attached, or placed on the exterior portions of the Properties, except as permitted in this Section 7. All other antennas and broadcast reception devices except those expressly permitted herein shall be deemed to be prohibited. Nothing contained in this provision shall be construed to prohibit the use of such devices within the interior of any Unit.

(e) **Compliance with Applicable Law.** No provision in this Section should be construed in any manner as permitting, consenting to, or authorizing an Owner, the Association, or any other person to violate any federal, state, or local government law, statute, ordinance, or rule applicable to any antenna or broadcast reception device permitted herein, and any provision of this Section that could arguably be construed as authorizing a violation of any such law, statute, ordinance, or rule shall be interpreted in a manner which permits compliance and will be deemed to permit such compliance.

Section 8. **Garbage Cans, Tanks and Equipment.**

(a) All garbage cans, above ground storage tanks, mechanical equipment, and other
similar items on Units shall be located or screened so as to be concealed from view of neighboring Units, streets, and property located adjacent to the Unit. However, the foregoing shall not be construed to prohibit temporary deposits of trash, rubbish and other such debris for pickup by garbage and trash removal service, if in a container and placed curbside no earlier than 6:00 p.m. the day before the date scheduled for pickup of such trash, rubbish, or other debris. All containers placed curbside shall be removed the same day as pickup and stored in a manner or location so as not to be visible from any public street, Common Area, or neighboring Unit.

(b) All rubbish, trash, and garbage shall be stored in appropriate containers approved pursuant to this Declaration and shall be regularly removed from the Properties and shall not be allowed to accumulate thereon.

Section 9. **Sports Equipment.** Except as otherwise provided herein, the erection or installation on any part of any Unit of any sports equipment that is not portable is prohibited. The term "sports equipment" shall include, but not be limited to, basketball hoops, backboards, bicycle ramps, soccer or hockey nets, and any other item used in connection with sports, recreation, exercise, or fitness activities. Portable sports equipment may be used within any Unit and must be stored out of view from any road or right-of-way between sundown and sunrise, subject to the provisions of this Declaration or the Guidelines.

Section 10. **Subdivision of Unit and Time-Sharing.** No Unit shall be subdivided or its boundary lines changed except with the prior written approval of the Board of Directors of the Association.

No Unit shall be made subject to any type of time-sharing, fraction-sharing or similar program whereby the right to exclusive use of the Unit rotates among members of the program on a fixed or floating time schedule over a period of years.

Section 11. **Firearms, Weapons and Projectile Devices.** The discharge of firearms within the Properties is prohibited. The term "firearms" includes BB guns, pellet guns, paintball guns and other firearms of all types, regardless of size. Notwithstanding anything to the contrary contained herein or in the Bylaws, the Association shall not be obligated to take action to enforce this Section. Fireworks that explode, move, or make noise are prohibited anywhere within the Properties.

Section 12. **Pools and Spas.** Swimming pools are to be in-ground only with prior Modifications Committee approval for materials, location, size and screening from view. No aboveground swimming pool shall be erected, constructed or installed on any Unit. As used herein, the term "aboveground swimming pool" shall mean a swimming pool capable of holding a minimum of three (3) inches of water above grade and does not apply to any hot tub or spa, whether freestanding or incorporated into or adjacent to a swimming pool.

All swimming pools are to adhere to the setback requirements outlined in this Declaration. Swimming pool accessories, such as ladders, slides, and waterfalls, must not be over six (6) feet in height. All spas and mechanical equipment shall be shielded completely from
neighbors' view by approved fencing or vegetation from the time of installation.

Section 13. Irrigation. No sprinkler or irrigation systems of any type that draw water from any creek, stream, river, lake, pond, wetland, canal or other groundwaters or surface waters within the Properties shall be installed, constructed, or operated within the Properties. Private irrigation wells are prohibited.

Section 14. Tents, Trailers, and Temporary Structures. Except as may be permitted by the Association during construction within the Properties or by federal, state or local authorities subsequent to a natural disaster, no tent, utility shed, shack, trailer, or other structure of a temporary nature shall be placed upon a Unit or any part of the Properties. Notwithstanding, PODS or similar storage containers may be placed on driveways unless the driveway won’t accommodate such containers in which case they may be in the street. Such containers must be removed within 7 days of drop off. The foregoing shall not apply to any tent, trailer, or temporary structure erected or maintained by the Association for any Association-sponsored or Association-approved function or event, or to FEMA temporary housing supplied and utilized for a period not to exceed eighteen (18) months subsequent to a natural disaster.

Section 15. Drainage and Septic Systems. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Person other than the Association may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. The Association hereby reserves for itself a perpetual easement across the Properties for the purpose of altering drainage and water flow. Septic tanks and drain fields are prohibited on the Properties.

Section 16. Tree Removal and Landscaping. No trees shall be removed, except for diseased or dead trees, trees with significant damage, trees needing to be removed to promote the growth of landscape elements other than grass, trees that have outgrown their placement on the Unit, trees that are causing structural damage or trees that pose a safety hazard, unless approved in accordance with this Declaration. In the event of an intentional or unintentional violation of this Section, the violator may be required, by the Board or the committee having jurisdiction, to replace the removed tree with one (1) or more comparable trees of such size and number and in such locations as such committee, in its sole discretion, may determine necessary to mitigate the damage. All landscaping on the Properties shall be strictly in compliance with the landscaping requirements in the Westchase Residential Guidelines and this Declaration. No substantial alteration to the landscaping, including but not limited to paving, excavating, or placing gravel or stones thereon, shall be permitted without prior written approval by the Modifications Committee.

Section 17. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.
Section 18. **Utility Lines.** No overhead utility lines, including lines for cable television, shall be permitted within the Properties, except for temporary lines as required during construction and electric utility transmission facilities and other high-voltage lines if required by law or for safety purposes.

Section 19. **Air-Conditioning Units.** No window-mounted or wall-mounted air-conditioning unit may be installed in any Unit. Any freestanding air-conditioning unit must be completely shielded from neighbor's or public view by approved fencing or vegetation from the time of installation.

Section 20. **Lighting.** Except for seasonal decorative lights, all exterior lights must be approved in accordance with this Declaration. Seasonal decorative lights may be displayed on Units between October 15 and November 7 and from Thanksgiving Day to January 15 of each calendar year.

Section 21. **Artificial Vegetation, Sculpture, and Similar Items.** No artificial vegetation, Exterior sculpture or similar item shall be permitted on the exterior of any portion of any Unit or visible from any street, right-of-way, or any other Unit, except as permitted in the Guidelines.

Section 22. **Energy Conservation Equipment.** No solar energy collector panel or attendant hardware or other energy conservation equipment shall be constructed or installed on any Unit unless it is an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Modifications Committee.

Section 23. **Wetlands, Lakes and Water Bodies.** All wetlands, lakes, ponds, and streams within the Properties, if any, shall be aesthetic amenities only, and no other use thereof, including but not limited to fishing, swimming, boating, playing, or use of personal flotation devices, shall be permitted without the prior approval of the Board of Directors. The Association shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of lakes, ponds, or streams within the Properties. No dock, pier, or other structure shall be constructed on or over any body of water within the Properties except as maybe erected as part of the original subdivision infrastructure or subsequently erected by the Association.

Section 24. **Playground.** Any playground or other play areas or equipment furnished by the Association or erected within the Properties shall be used at the risk of the user, and the Association shall not be held liable to any Person for any claim, damage, or injury occurring thereon or related to use thereof.

Section 25. **Fences.** No hedge, wall, dog run, animal pen, or fence of any kind shall be permitted on any Unit except as approved by the Modifications Committee in accordance with this Declaration and the Guidelines. The Committee, in its sole discretion, may prohibit any such structures from any Unit, including but not limited to those Units adjacent to or abutting Westchase Country Club property or Common Area.
Section 26.  **Business Use.** Except as may otherwise be permitted in Special Use Areas so designated by Declarant in any Supplemental Declaration relating to West Park Village:

No garage sale, moving sale, rummage sale, or similar activity shall be permitted without prior written approval of the Board of Directors. No trade or business may be conducted in or from any Unit, except that an Owner or occupant residing in a Unit may conduct business activities within the Unit so long as (a) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Unit; (b) the business activity conforms to all zoning requirements for the Properties; (c) the business activity does not involve persons coming onto the Properties who do not reside in the Properties; (d) the business activity does not involve door-to-door solicitation of residents of the Properties; and (e) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance or a hazardous or offensive use or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

The terms "business" and "trade" as used in this provision shall be construed to have their ordinary, generally accepted meanings and shall include, but shall not be limited to, any occupation, work, or activity undertaken on an ongoing basis that involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether such activity is engaged in full-time or part-time, is intended to or does generate a profit, or requires a license for its practice. Notwithstanding the foregoing, the leasing of a Unit for residential use shall not be considered a trade or business within the meaning of this section.

An occupant residing in the primary dwelling on a Unit may conduct permitted activities from the primary dwelling or a garage apartment on the Unit, and an occupant residing in a garage apartment may conduct such activities from the garage apartment, but no garage apartment shall be leased or otherwise used for any business, trade, or similar activity except by a person residing in the primary dwelling or the garage apartment on the Unit and provided that the garage retains the ability to shelter the number of vehicles it was originally designed to hold.

Section 27.  **On-Site Fuel Storage.** Without prior written approval of the Board of Directors, no on-site storage of gasoline, heating, oil, or other fuels shall be permitted on any part of the Properties except that up to five (5) gallons of fuel may be stored in each Unit for emergency purposes and operation of lawn mowers and similar tools or equipment, and the Association shall be permitted to store fuel for operation of maintenance vehicles, generators, and similar equipment.

Section 28.  **Occupancy.** Except as provided in this paragraph, no more than a single family shall occupy each Unit. For purposes of this paragraph, a "single family" shall mean one (1) or more persons related by blood, adoption, or marriage. If persons occupying a Unit are not all related by blood, adoption, or marriage, then occupancy of such Unit shall be limited to a maximum of two (2) persons and their respective children. Individuals related "by blood" are defined as children, grandchildren, grandparents, brothers, sisters, parents, wives, and husbands,
and no other kin. The foregoing restrictions on occupancy shall apply separately to the primary dwelling and any garage apartment comprising a Unit in West Park Village that has been approved as a garage apartment in accordance with the architectural review procedures set forth in Article XI. Notwithstanding anything contained herein, in no event shall the occupancy of any Unit be greater than two (2) persons per bedroom. "Occupancy" shall be deemed to mean staying overnight in a Unit for a total of more than thirty (30) days, either consecutively or nonconsecutively, in any twelve (12) month period.

Section 29. Leasing of Units.

(a) Definition. "Leasing," for purposes of this Declaration, is defined as regular, exclusive occupancy of a Unit by any person or persons other than the Owner for which the Owner receives any consideration or benefit, including but not limited to a fee, service, gratuity, or emolument.

(b) General. Units may be rented only in their entirety. A garage apartment that is separate from the primary dwelling on a Unit in West Park Village may be leased, and a dwelling and a garage apartment on a given Unit may be separately leased to different tenants. No single rooms or other fraction or portion of a Unit constituting less than the entire dwelling or garage apartment may be leased, nor shall any Unit or portion thereof be used for operation of a boarding house or similar accommodation for transient tenants. There shall be no subleasing of Units or assignment of leases unless prior written approval has been obtained from the Board of Directors.

Except for leases of garage apartments or as may otherwise be permitted for any applicable Supplemental Declaration, all leases shall be for an initial term of no less than six (6) months, except with the prior written consent of the Board of Directors. Leases of garage apartments on Units in West Park Village shall be for an initial term of no less than three months, and no garage apartment or Unit shall be leased to more than two separate tenants in any twelve (12) month period. Except as otherwise permitted by Section 26 of this Article, as amended, no garage apartment shall be leased or used for any purpose other than residential use, except that the occupant of the primary dwelling on a Unit may used the garage apartment for other uses consistent with the Declaration and this Article.

All leases shall be in writing and shall be for an initial term of no less than six (6) months. Notice of any lease, together with such additional information as may be required by the Board, shall be given to the Board by the Unit Owner within ten (10) days of execution of the lease. The Owner must make available to the lessee copies of the Declaration, the Bylaws, and the rules and regulations. The Board may adopt reasonable rules regulating leasing and subleasing.

(c) Lease Provisions. Any lease of a Unit in the Properties shall be deemed to contain the following provisions, whether or not expressly therein stated, and each Owner covenants and agrees that if such language is not expressly contained therein, then such language shall be deemed incorporated into the lease by existence of this covenant and the lessee, by
occupancy of the Unit, agrees to the applicability of this covenant and incorporation of the following language into the lease:

(i) Compliance with Declaration, Bylaws, and Rules and Regulations. The lessee agrees to abide and comply with all provisions of the Declaration, the Bylaws, and the rules and regulations adopted pursuant thereto. The Owner agrees to cause all occupants of his or her Unit to comply with the Declaration, the Bylaws, and the rules and regulations adopted pursuant thereto and is responsible for all violations thereof and resulting losses or damages caused by such occupants, notwithstanding the fact that such occupants of the Unit are fully liable and may be subject to a penalty for any violation of the Declaration, the Bylaws, and the rules and regulations adopted pursuant thereto. In the event that the lessee or a person living with the lessee violates the Declaration, the Bylaws, or a rule or regulation for which a fine is imposed, such fine shall be assessed against the lessee; however, if the fine is not paid by the lessee within the time period set by the Board, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Unit. Any lessee charged with a violation of the Declaration, the Bylaws, or the rules and regulations adopted pursuant thereto is entitled to the same procedure to which an Owner is entitled prior to the imposition of a fine or other penalty.

Any violation of the Declaration, the Bylaws, or the rules and regulations adopted pursuant thereto is deemed to be a violation of the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Florida law. The Owner hereby delegates and assigns to the Association, acting through the Board, the power and authority of enforcement against the lessee for breaches resulting from the violation of the Declaration, the Bylaws, and the rules and regulations adopted pursuant thereto, including but not limited to the power and authority to evict the lessee on behalf of and for the benefit of the Owner, in accordance with the terms of this Declaration. In the event that the Association proceeds to evict the lessee, any costs associated with the eviction, including attorney's fees and court costs, shall be specially assessed against the Unit and the Owner thereof, such being deemed an expense that benefits the leased Unit and the Owner thereof.

(ii) Use of Common Area. Except for leases of garage apartments in West Park Village that have been approved as garage apartments in accordance with the architectural review procedures set forth in Article XI, the Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Area, including but not limited to the use of any and all common facilities and amenities.

Section 30. Laws and Ordinances. Every Owner and occupant of any Unit, and all guests and invitees, shall comply with all laws, statutes, ordinances and rules of federal, state and municipal governments applicable to the Properties, and any violation thereof may be considered a violation of this Declaration; however, the Board shall have no obligation to take action to enforce such laws, statutes, ordinances, and rules.
Section 31. **Insect Control Misting Systems.** Misting systems for insect control are prohibited throughout the Properties.

Section 32. **Awnings.** No awnings of any type are permitted on any Unit. However, awnings which are original to a Unit are allowed to be replaced or updated with like kind structure and/or style when necessary. Original and/or grandfathered awnings will be accepted as originally approved.

Section 33. **Weather Vanes.** No weather vanes of any type are permitted on any Unit.

Section 34. **Clotheslines.** No clotheslines shall be erected or installed on the exterior portion of any Unit. Notwithstanding any provision herein, a clothesline may be temporarily put up and used in the backyard of a Unit but must be removed when not in use and in any event before sundown of the same day. To the extent possible, clotheslines must not be visible from any street or adjacent property while in use.

Section 35. **Westchase Residential Guidelines.** The Voting Members shall promulgate Guidelines to be known as the Westchase Residential Guidelines (also referred to as a "Guideline" or as the "Guidelines"), to assist Owners or the Modification Committee in the application of this Declaration. A Guideline may be approved to cover all Units within Westchase, or a Guideline may be limited by its terms to less than all of the Neighborhoods; or a Guideline may be limited by its terms to a Neighborhood within West Park Village. Owners must be notified of the meeting of the Voting Members at which any new Guideline, or any amendment to an existing Guideline is to be approved. In the event a proposed structure or improvement, or any other proposed modification, addition, or alteration, is not specifically addressed or permitted in this Declaration or the Guidelines, then such proposed structure, improvement, modification, addition, or alteration shall be deemed prohibited by this Declaration and the Guidelines and shall not be made, erected, constructed, or installed on any Unit.

(a) **Guidelines applicable to all Units within Westchase.** Guidelines covering all Units within Westchase may be approved or amended only by the affirmative vote or written consent, or any combination thereof, of Voting Members representing sixty-six percent (66%) of the votes of the Association at a meeting of the Voting Members called for that purpose.

(b) **Guideline limited by its terms to less than all of the Neighborhoods.** A Guideline that is limited by its terms to less than all of the Neighborhoods may be approved or amended upon:

   (i) the affirmative vote of fifty-one percent (51%) of the Owners in each Neighborhood identified in that Guideline or amended Guideline, or the affirmative vote of a majority of the directors of the Neighborhood Association, if any, of each Neighborhood identified in the Guideline or amended Guideline; and

   (ii) the affirmative vote or written consent, or any combination thereof, of two-thirds (2/3) of the Voting Members present in person or by an alternate, or through written consent, at a meeting of the Voting Members called for that purpose, with each
Voting Member casting one (1) vote.

(c) **Guideline applicable only to a Neighborhood or Neighborhoods within West Park Village.** A Guideline which applies only to a Neighborhood or Neighborhoods within West Park Village may be approved or amended upon:

(i) the affirmative vote of fifty-one percent (51%) of the Owners within the Neighborhood in West Park Village identified in the Guideline or amended Guideline, or the affirmative vote of a majority of the directors of the Neighborhood Association, if any, of the Neighborhood in West Park Village identified in the Guideline or amended Guideline; and

(ii) the affirmative vote of two-thirds (2/3) of the West Park Village Voting Members with each Voting Member casting one (1) vote; and

(iii) the affirmative vote or written consent, or any combination thereof, of two-thirds (2/3) of Voting Members present in person or by an alternate, or through written consent, at a meeting of the Voting Members called for that purpose, with each Voting Member casting one (1) vote.

When new Guidelines or changes to existing Guidelines are to be considered by the Voting Members, consideration of Guideline amendments must occur over a minimum of two Voting Member meetings held in different months. Owners must be notified of both the intent and effect of the proposed Guideline amendments and the time and place of the meeting at which they will be presented for initial discussion. Notice of this initial meeting and the intent and effect of the proposed Guideline amendments must be made in the Association’s newsletter at least six days before the meeting.

Notice of the subsequent meeting at which Voting Members will vote upon the proposed Guideline amendments must be made in a later edition of the Association’s newsletter at least six days before that meeting. This notice should also include a description of the intent and effect of the proposed Guideline amendments.

Approval of a Guideline limited by its terms to less than all of the Neighborhoods or a Guideline applicable only to a Neighborhood or Neighborhoods within West Park Village shall require both the vote of the Owners and the votes of the Voting Members as specified hereinabove.

**Article XIII.**

**General Provisions**

Section 1. **Term.** The covenants and restrictions of this Declaration shall run with and bind the Properties and shall inure to the benefit of and shall be enforceable by the Association or the Owner of any property subject to this Declaration and the respective legal representatives, heirs, successors, and assigns thereof, for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for
successive periods of ten (10) years, unless an instrument in writing, signed by a majority of the then Owners, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein.

Section 2. Amendment. This Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Voting Members representing seventy-five percent (75%) of the votes of the Association. In addition, the approval requirements set forth in Article XIV hereof shall be met if applicable. Notwithstanding the foregoing, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment, to be effective, must be recorded in the public records of Hillsborough County, Florida.

If an Owner consents to any amendment to this Declaration or the Bylaws, it will be conclusively presumed that such Owner has the authority so to consent and that no contrary provision in any mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Prior to any vote on an amendment to this Declaration or the Bylaws that requires approval by the Voting Members on behalf of the Members, the Association shall cause to be delivered to all Members of the Association a referendum upon which they may indicate their vote on these matters, in accordance with Article III, Section 3 of this Declaration.

Section 3. Indemnification. The Association shall indemnify every officer, director, and committee member against any and all expenses, including counsel fees, reasonably incurred by or imposed on such officer, director, or committee member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director, or committee member or any former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 4. Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment, and for maintenance and use of any permitted encroachment,
between each Unit and such portions of the Common Area as are adjacent thereto and between adjacent Units or any Unit and any Westchase Country Club Property due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three (3) feet measured from any point on the common boundary between each Unit and the adjacent portion of the Common Area or between said adjacent Units, as the case may be, along a line perpendicular to such boundary at such point; however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of or with the knowledge and consent of an Owner, and occupant, or the Association.

Section 5. Easements for Utilities, Etc. There is hereby reserved unto the Association or its designees (which may include, without limitation, Hillsborough County, Florida; a community development district, or a utility) blanket easements upon, across, over, and under all of the Properties for ingress, egress, installation, replacing, repairing, and maintaining cable television systems, master television antenna systems, security and similar systems, roads, walkways, bicycle pathways, lakes, ponds, wetlands, drainage systems, street lights, signage, and all utilities, including but not limited to water, sewers, meter boxes, telephones, gas, and electricity; however, the exercise of this easement shall not unreasonably interfere with the use of any Unit, and except in an emergency, entry onto any Unit shall not include entry into a dwelling and shall be made only after reasonable notice to the Owner or occupant thereof. The foregoing shall not be construed to prohibit the Association from making reasonable entry during daylight hours onto any Unit when reasonably necessary or required to confirm compliance with this Declaration.

Without limiting the generality of the foregoing, there are hereby reserved for the local water supplier easements across all Units and the Common Areas for ingress, egress, installation, reading, replacing, repairing, and maintaining water meter boxes. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the Properties.

Should any entity furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, the Board of Directors shall have the right to grant such easement over the Properties without conflicting with the terms hereof. The easements provided for in this Article shall in no way adversely affect any other recorded easement on the Properties.

The Board, with the approval of Voting Members representing at least seventy-five percent (75%) of the votes of the Association, shall have the power to mortgage, pledge, or hypothecate all or any portion of the Common Area as security for money borrowed or debts incurred and to dedicate portions of the Common Area, including, but not limited to, park sites, lakes, ponds, wetlands, conservation areas, and preservation areas to the CDD, if any; any public utility; Hillsborough County, Florida; or any other local, state, or federal governmental or quasi-governmental entity, subject to such approval requirements as may be contained in this Declaration.

No construction or use of any Unit or other portions of the Properties by an Owner, occupant, or invitees shall be inconsistent with this easement. The Association shall in its sole discretion determine whether construction on or use of any portion of the Properties is inconsistent with this easement and whether any exercise of this easement unreasonably interferes with the use of any Unit.

Notwithstanding the foregoing, no construction, including staking, clearing, excavating or other site work, or installation of additional electric utility transmission facilities, including additional transmission lines and poles, shall be permitted without the written consent of the Board. Furthermore, the Board may impose additional restrictions and requirements on the construction and use of any portion of the Properties as the Board deems necessary to protect this easement as currently exercisable and as may be exercisable in the future, if additional transmission facilities serving the Properties are added.

Section 7. **Easements for Lake Maintenance and Floodwater.** Declarant has reserved for the Association for itself and its successors, assigns, and designees the nonexclusive right and easement, but not the obligation, to enter upon the lakes, ponds or streams, wetlands, preservation areas, and conservation areas located within the Area of Common Responsibility (a) to install, keep, maintain, and replace pumps thereon in order to provide water therefrom for the irrigation of any of the Area of Common Responsibility and the Westchase Country Club; (b) to construct, maintain, and repair any wall, dam, or other structure retaining water therein; and (c) to remove trash and other debris therefrom and fulfill its maintenance responsibility as provided in this Declaration.

The Association shall have an easement over and across any of the Properties abutting or containing any portion of any of the lakes, ponds, or streams for the purpose of allowing the Association to exercise its rights and responsibilities as herein and otherwise set forth, provided that the Association use reasonable care in the exercise of such easement and shall repair any damage caused in the exercise of such easement.

and to maintain and landscape the slopes and banks pertaining thereto; and (c) to enter upon and
across any portion of the Properties for the purpose of exercising its rights under this Section.

Section 8.  **Easement for Golf Balls.** All Units and the Common Area and the
common property of all Neighborhoods are encumbered with an easement permitting golf balls
unintentionally to come upon the Common Area, Units, or common property immediately
adjacent to the golf course and for golfers at reasonable times and in a reasonable manner to
come upon the Common Area, common property of a Neighborhood, or exterior portions of a
Unit to retrieve errant golf balls, provided, however, that if any Unit is fenced or walled, the
golfer will seek the Owner's permission before entry. The existence of this easement shall not
relieve golfers of liability for damage caused by errant golf balls. Under no circumstances shall
the Association be held liable for any damage or injury resulting from errant golf balls or the
exercise of this easement.

Section 9.  **Severability.** Invalidation of any one of these covenants or restrictions by
judgment or court order shall in no way affect any other provisions, which shall remain in full
force and effect.

Section 10.  **Right of Entry.** The Association shall have the right, but not the
obligation, to enter onto any Unit in an emergency, to perform its maintenance responsibilities
hereunder, and to inspect for the purpose of ensuring compliance with this Declaration, the
Bylaws, and the Association rules, which right may be exercised by the Association's Board of
Directors, officers, agents, employees, managers, and all policemen, firemen, ambulance
personnel, and similar emergency personnel in the performance of their respective duties.
Except in an emergency situation, entry shall only be during reasonable hours and after notice to
the Owner. The right of entry shall include the right of the Association to enter onto a Unit, but
not into a dwelling, to cure any condition that may increase the possibility of a fire or other
hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after
request by the Board.

Section 11.  **Perpetuities.** If any of the covenants, conditions, restrictions, or other
provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against
perpetuities, then such provisions shall continue only until twenty-one (21) years after the death
of the last survivor of the now living descendants of Elizabeth II, Queen of England.

Section 12.  **Litigation.** No judicial or administrative proceeding shall be commenced
or prosecuted by the Association unless approved by a vote of seventy-five percent (75%) of the
Voting Members. This Section shall not apply, however, to (a) actions brought by the
Association to enforce the provisions of this Declaration (including but not limited to the
foreclosure of liens), (b) the imposition and collection of assessments as provided in this
Declaration, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims
brought by the Association in proceedings instituted against it. This Section shall not be
amended unless such amendment is approved by the percentage of votes and pursuant to the
same procedures as are necessary to institute proceedings as provided above.
Section 13. **Cumulative Effect; Conflict.** The covenants, restrictions, and provisions of this Declaration shall, be cumulative with those of any Neighborhood, and the Association may, but shall not be required to, enforce the latter; provided, however, in the event of conflict between or among such covenants and restrictions and provisions of any Articles of Incorporation and Bylaws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, those of any Neighborhood shall be subject and subordinate to those of the Association. The foregoing priorities shall apply, but not be limited to, the liens for assessments created in favor of the Association.

Section 14. **Use of the Word "Westchase".** No person shall use the word "Westchase" or the Westchase logo, being that certain trademarked stylized "W" design, or any derivative of either, in any printed or promotional material without the prior written consent of the Association. However, Owners may use the term "Westchase" in printed or promotional matter where the term is used solely to specify that particular property is located within Westchase, and the Association and the Westchase Country Club shall be entitled to use the word "Westchase" in their names. "Westchase, FL 33626" may be used in the postal address for Properties and all Units located therein.

Section 15. **Compliance.** Every Owner and occupant of any Unit shall comply with all lawful provisions of this Declaration, the Bylaws, and the rules and regulations of the Association. Failure to comply shall be grounds for an action to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity maintainable by the Association or, in a proper case, by any aggrieved Unit Owner or Owners.

Section 16. **Security.** The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. **NEITHER THE ASSOCIATION NOR ANY SUCCESSOR SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE PROPERTIES, HOWEVER, AND NEITHER THE ASSOCIATION NOR ANY SUCCESSOR SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OR FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL OWNERS AND OCCUPANTS OF ANY UNIT, AS WELL AS THE TENANTS, GUESTS, AND INVITEES OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGE THAT NEITHER THE ASSOCIATION NOR ITS BOARD OF DIRECTORS OR ANY SUCCESSOR NOR THE MODIFICATIONS COMMITTEE REPRESENT OR WARRANTS THAT ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM, OR OTHER SECURITY SYSTEM DESIGNATED BY OR INSTALLED ACCORDING TO GUIDELINES ESTABLISHED IN COMPLIANCE WITH THIS DECLARATION CANNOT BE COMPROMISED OR CIRCUMVENTED; THAT ANY SUCH SYSTEM WILL PREVENT LOSS BY FIRE, SMOKE, BURGLARY, THEFT, HOLD-UP, OR IN ANY OTHER WAY; OR THAT ANY SUCH SYSTEM WILL PROVIDE THE DETECTION OR PROTECTION FOR WHICH IT WAS DESIGNED OR INTENDED. EACH OWNER AND OCCUPANT OF ANY UNIT, AND EACH TENANT, GUEST, AND INVITEE OF AN OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE **
ASSOCIATION, ITS BOARD OF DIRECTORS AND COMMITTEES, AND ANY SUCCESSORS ARE NOT INSURERS AND THAT EACH OWNER AND OCCUPANT OF ANY UNIT AND EACH TENANT, GUEST, AND INVITEE OF ANY OWNER ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO UNITS, AND TO THE CONTENTS OF UNITS AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS AND COMMITTEES, AND ANY SUCCESSORS HAVE MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS ANY OWNER, OCCUPANT, TENANT, GUEST, OR INVITEE RELIED ON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OR MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS RECOMMENDED OR INSTALLED OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTIES.

Section 17. Notice of Sale or Transfer of Title. In the event that any Owner desires to sell or otherwise transfer title to his or her Unit, such Owner shall give the Board of Directors at least seven (7) days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board of Directors may reasonably require. Until such written notice is received by the Board of Directors, the transferor shall continue to be jointly and severally responsible for all obligations of the Owner of the Unit hereunder, including payment of assessments, notwithstanding the transfer of title to the Unit.

Section 18. Cooperation with the Community Development District. The Association shall have the power, and is hereby authorized, to contract with and cooperate with the Community Development District to ensure that their respective responsibilities are discharged. The Association is further authorized to act on behalf of its Members to ensure that the level of services provided by any such CDD is consistent with the Communitywide Restrictions.

Article XIV.

Mortgagee Provisions

The following provisions are for the benefit of holders of first mortgages on Units in the Properties. The provisions of this Article apply to both this Declaration and to the Bylaws, notwithstanding any other provisions contained therein.

Section 1. Notices of Action. (b) any delinquency in the payment of assessments or charges owed by an Owner of a Unit subject to the mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; however, notwithstanding this provision, any holder of a first mortgage is entitled to written notice from the Association of any default in the performance by an Owner of a Unit of any obligation under this Declaration or the Bylaws of the Association that is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action that would require the consent of a specified percentage of eligible holders.

Section 2. Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. (b) change the method of determining the obligations, assessments, dues, or other charges that may be levied against an Owner of a Unit (a decision, including contracts, by the Board or provisions of any declaration subsequently recorded on any portion of the Properties regarding assessments for Neighborhoods or other similar areas shall not be subject to this provision where such decision or subsequent declaration is otherwise authorized by this Declaration.);

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Units and of the Common Area (the issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.);

First mortgagees may, jointly or singly, pay taxes or other charges that are in default and that may become or have become a charge against the Common Area and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

Section 3. Other Provisions for First Lien Holders. To the extent possible under Florida law:

(a) Any restoration or repair of the Properties after a partial condemnation or damage due to an insurable hazard shall be substantially in accordance with this Declaration and the original plans and specifications unless the approval is obtained of the eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by such eligible holders are allocated.

(b) Any election to terminate the Association after substantial destruction or a substantial taking in condemnation shall require the approval of the eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by such eligible holders are allocated.

Section 4. Amendments to Documents. The following provisions do not apply to amendments to the constituent documents or termination of the Association made as a result of destruction, damage, or condemnation pursuant to this Article or to the addition of land in accordance with this Declaration.

WESTCHASE COMMUNITY ASSOCIATION, INC.

Article I - Name, Principal Office, and Definitions

Section 1. **Name.** The name of the Association shall be Westchase Community Association, Inc. (hereinafter sometimes referred to as the "Association").

Section 2. **Principal Office.** The principal office of the Association shall be located in Hillsborough County, State of Florida.

Section 3. **Definitions.** The words used in these Bylaws shall have the same meaning as set forth in the Declaration of Covenants, Conditions, and Restrictions for Westchase (said Declaration, as amended, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), unless defined differently in a specific context.

Article II - Association: Membership, Meetings, Quorum, Voting Proxies

Section 1. **Membership.** Every Owner shall be deemed to be a Member of the Association.

Section 2. **Place of Meetings.** Meetings of the Association shall be held at a suitable place convenient to the Members as may be designated by the Board of Directors.

Section 3. **Annual Meetings.** Annual meetings shall be of the Voting Members, who may appear in person or by an alternate. Voting Members shall not be entitled to exercise their votes or take any action by written consent at Annual meetings. Annual meetings shall be set by the Board so as to occur at least ninety (90) but not more than one hundred twenty (120) days before the close of the Association's fiscal year on a date and at a time set by the Board of Directors.

Section 4. **Regular Meetings.** The President may call meetings of the Voting Members at his or her discretion.

Section 5. **Special Meetings.** The President of the Board of Directors may call special meetings of the Voting Members at his or her discretion. In addition, it shall be the duty of the President to call a special meeting of the Voting Members if so directed by a petition signed by at least three (3) members of the Board of Directors or in response to a petition signed by at least eight (8) Voting Members or by Voting Members representing at least twenty percent (20%) of the total votes of the Association. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.
Section 6. **Notice of Meetings.** Written or printed notice stating the place, day, and hour of any meeting of the Voting Members shall be delivered, either personally or by electronic mail (e-mail) to the extent permitted by law, to each Voting Member entitled to vote at such meeting, not less than ten (10) or more than fifty (50) days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting. Such notice is not required to be delivered to any Member of the Association who is not a Voting Member but shall be posted at Association notification sites at least forty-eight (48) hours prior to the meeting.

In the case of a special meeting or when required by statute or these Bylaws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Voting Member at his or her address as it appears in the records of the Association, with postage thereon prepaid.

Section 7. **Waiver of Notice.** Waiver of notice of a meeting of the Voting Members shall be deemed the equivalent of proper notice. Any Voting Member may, in writing, waive notice of any meeting of the Voting Members, either before or after such meeting. Attendance at a meeting by a Voting Member or alternate shall be deemed a waiver of notice by that Voting Member unless that Voting Member specifically raises an objection to the lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed a waiver of notice of all business transacted thereat unless objection to the calling or convening of the meeting, for which proper notice was not given, is raised before the business is put to a vote.

Section 8. **Adjournment of Meetings.** If any meeting of the Voting Members cannot be held because a quorum is not present, a majority of the Voting Members who are present at such meeting in person or represented by an alternate may adjourn the meeting to a time not less than seventy-two (72) hours or more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business that might have been transacted at the meeting originally called may be transacted. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Voting Members in the manner prescribed for regular meetings.

The Voting Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, provided that Voting Members or their alternates representing at least twenty-five percent (25%) of the total votes of the Association remain in attendance.

Section 9. **Voting.** The voting rights of the Members shall be as set forth in the Declaration, and those voting rights provisions are specifically incorporated herein.

Section 10. **Proxies.** Voting Members may not vote by proxy but only in person or through their designated alternates.
Section 11. **Majority.** As used in these Bylaws, the term "majority" shall mean a total exceeding fifty percent (50%).

Section 12. **Quorum.** Except as otherwise provided in these Bylaws or in the Declaration, the presence in person or by alternate of the Voting Members representing a majority of the total vote of the Association shall constitute a quorum at all meetings of the Association.

Section 13. **Conduct of Meetings.** The President shall preside over all meetings of the Association, and the Secretary shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting, as well as a record of all transactions occurring at the meeting.

**Article III - Board of Directors: Number, Powers, Meetings**

A. **Composition and Selection.**

Section 1. **Governing Body; Composition.** The affairs of the Association shall be governed by a Board of Directors, with each Director having one (1) vote. The Directors shall be Members or spouses of Members; however, no person and his or her spouse may serve on the Board at the same time. In the case of an Owner that is a corporation or partnership, the person designated in writing to the Secretary of the Association as the representative of that corporation or partnership shall be eligible to serve as a Director.

Section 2. **Number of Directors.** The number of Directors in the Association may be any odd number not less than seven (7) or more than eleven (11). The exact number of Directors at any time shall be set by resolution of the Board of Directors. Any vacancy created by an increase in the number of directors may be filled immediately by a vote of the Board of Directors. Any decrease in the number of Directors shall not have the effect of reducing the term of any Director and shall not become effective until the next annual meeting of the Voting Members.

Section 3. **Nomination of Directors.** A Nominating Committee shall make nominations to the Board of Directors. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors who is not then seeking reelection, and two (2) or more Members of the Association. The Nominating Committee members shall be appointed by the Board of Directors not less than sixty (60) days prior to each annual meeting of the Voting Members to serve a term of one (1) year or until their successors are appointed, and such appointment shall be announced at each annual meeting. Members of the Nominating Committee shall serve at the discretion of the Board and may be removed with or without cause by the Board of Directors. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of positions to be filled. All candidates shall have a reasonable opportunity to communicate their qualifications to the Voting Members and to solicit votes. The Nominating Committee shall have the authority to promulgate rules and procedures for the election of directors at the annual meeting of the Voting Members called for such purpose, which rules and
procedures shall be subject to approval by the Voting Members, with each Voting Member casting one (1) vote.

Section 4.  **Election and Term of Office.** Notwithstanding any other provision contained herein:

(a) Each Director shall serve for a term of two (2) years. The terms of the Directors shall be staggered so that approximately one-half (1/2) of the Directors shall be elected each year.

(b) New Directors shall be elected by Voting Members present at the annual meeting and take office at the end of the annual meeting. Each Voting Member shall be entitled to cast one (1) vote with respect to each vacancy to be filled. There shall be no cumulative voting. Directors shall be elected by a plurality of those Voting Members present at the annual meeting of the Association.

(c) Directors may be elected to serve any number of consecutive terms.

(d) The Directors shall hold office until their respective successors have taken office.

(e) In the event the Voting Members fail to elect a sufficient number of Directors to fill all vacancies on the Board of Directors at the annual meeting, the Board shall call a special meeting of the Voting Members, to be held not more than thirty (30) days after the annual meeting, for the purpose of electing Directors to fill any such vacancies. If any such vacancies remain following such a meeting, the Board may continue to call special meetings of the Voting Members for the purpose of electing Directors to fill any vacancies, with each such special meeting being held not more than thirty (30) days after the most recent such special meeting called for such purpose, until all vacancies are filled.

Section 5. **Removal of Directors and Filling of Vacancies.** Any Director who has three (3) consecutive absences from Board meetings or who is absent from four (4) meetings of the Board in any twelve (12)-month period shall be removed as a Director and shall be replaced by a Director selected by a vote of the Voting Members. Any Director may be removed, with or without cause, by a vote of the Voting Members holding a majority of the votes entitled to be cast for the election of that Director, one vote per Voting Member. Any Director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a Director, a successor shall then and there be elected by the Voting Members to fill the vacancy for the remainder of the term of that Director.

Any Director who is delinquent in the payment of any assessment or other charge due the Association for more than thirty (30) days may be removed by a majority of the Directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board to fill the vacancy for the remainder of the term. In the event of the death, disability, or resignation of a Director, a vacancy may be declared by the Board, and it may appoint a successor to fill the vacancy for the remainder of the term of that Director.
B. Meetings.

Section 6. Organizational Meeting. The first meeting of the Board of Directors following each annual meeting of the Voting Members shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

Section 7. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors, but at least four (4) such meetings shall be held during each fiscal year, at least one (1) per calendar quarter. Notice of the time and place of the meeting shall be communicated to all Directors not less than four (4) days prior to the meeting; however, notice of a meeting need not be given to any Director who has signed a waiver of notice or a written consent to holding of the meeting and need not be given to any Member who is not a Director.

Section 8. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President of the Association or by any three (3) Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by one of the following methods:

(a) by personal delivery;
(b) written notice by first-class mail, with postage prepaid;
(c) by telephone communication, either directly to the Director or to a person at the Director's office or home who would reasonably be expected to communicate such notice promptly to the Director; or
(d) by electronic mail to the extent permitted by law;

all such notices shall be delivered by any one of the following means: to the Director's telephone number, the Director's address as shown on the records of the Association or sent to the Director's electronic mail address as shown in the records of the Association to the extent permitted by law. Notices sent by first-class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery or telephone shall be delivered or telephoned at least seventy-two (72) hours before the time set for the meeting.

Section 9. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as those occurring at a meeting duly held after regular call and notice if (a) a quorum is present and (b) either before or after the meeting, each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting the lack of adequate notice before the meeting is called to order.
Section 10. Quorum and Votes of Board of Directors. Notwithstanding any other provision contained herein:

(a) A quorum for the transaction of business at all meetings of the Board of Directors shall require the attendance of a majority of the Directors.

(b) A decision of the Board of Directors at a meeting at which a quorum is present shall require the vote of a majority of the Directors who are present at the meeting.

Section 11. Compensation. No Director shall receive any compensation from the Association for acting as such unless approved by Voting Members representing a majority of the vote of the Association at a regular or special meeting of the Voting Members; however, a Director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other Directors.

Section 12. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings.

Section 13. Open Meetings. Subject to the provisions of Section 14 of this Article, all meetings of the Board shall be open to all Members, but Members other than Directors may not participate in any discussion or deliberation unless permission to speak is requested by such Member in accordance with any rules or regulations governing the frequency, duration, or manner of Member statements. The President may limit the time any Member may speak. Notwithstanding the foregoing, the President may adjourn any meeting of the Board of Directors and reconvene in executive session, excluding Members, to discuss matters of a sensitive nature, such as pending or threatened litigation or personnel matters.

Section 14. Action Without a Formal Meeting. Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 15. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do or cause to be done all acts and things as are not by the Declaration, the Articles of Incorporation, or these Bylaws directed to be done and exercised exclusively by the Voting Members or the membership generally.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the managing agent or manager, if any, that might arise between meetings of the Board of Directors.

In addition to the duties imposed by these Bylaws or by any resolution of the Association that may hereafter be adopted, the Board of Directors shall have the power to establish policies.
relating to, and shall be responsible for performing or causing to be performed, the following, in way of explanation, but not limitation:

(b) making assessments to defray the Common Expenses and Neighborhood Expenses and establishing the means and methods of collecting such assessments; assessments shall be paid annually, with payment due on January 1st.

(c) providing for the operation, care, upkeep, and maintenance of all of the Area of Common Responsibility;

(d) designing, hiring, and dismissing the personnel necessary for the operation of the Association and the maintenance, operation, repair, and replacement of its property and the Area of Common Responsibility and, where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties;

(e) collecting the assessments, depositing the proceeds thereof in a bank depository that it shall approve, and using the proceeds to operate the Association; provided, any reserve funds may, in the Directors' best business judgment, be deposited in depositories other than banks;

(f) making and amending rules and regulations;

(g) opening the bank accounts of the Association and designating the signatories required;

(h) making or contracting for the making of repairs, additions, and improvements to or alterations of the Common Area in accordance with the other provisions of the Declaration and these Bylaws after damage, fire, or other casualty;

(i) enforcing by legal means the provisions of the Declaration, these Bylaws, and the rules and regulations adopted by it and bringing any proceedings that may be instituted on behalf of or against the Owners concerning the Association;

(j) obtaining and carrying insurance against casualties and liabilities, as provided in the Declaration, and paying the costs of any premium thereof;

(k) paying the cost of all services rendered to the Association or its Members and not chargeable directly to specific Owners;

(l) keeping books with detailed accounts of the receipts and expenditures affecting the Association and its administration, specifying the maintenance and repair expenses and any other expenses incurred;
(m) maintaining a membership register reflecting the names, unit addresses and mailing addresses of all Members;

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the properties; and

(o) or any other matters affecting the Association or its properties that are not specifically assigned to other jurisdiction in the Declaration, the Articles of Incorporation, or these Bylaws.

Section 16. Management. The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board's supervision, all of the powers granted to the Board of Directors by these Bylaws, other than the powers set forth in subparagraphs (a), (b), (f), (g), and (i) of Section 15 of this Article.

Section 17. Accounts and Reports. The following management standards of performance will be followed unless the Board by resolution specifically determines otherwise:

(a) accrual accounting, as defined by generally accepted accounting principles, shall be employed;

(b) accounting and controls should conform to generally accepted accounting principles;

(c) cash accounts of the Association shall not be commingled with any other accounts;

(d) no remuneration shall be accepted by the managing agent from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise; any thing of value received shall benefit the Association;

(e) any financial or other interest that the managing agent may have in any firm providing goods or services to the Association shall be disclosed immediately to the Board of Directors;

(f) financial reports shall be prepared for the Association at least monthly and shall contain:

(i) an income statement reflecting all income and expense activity for the preceding period on an accrual basis;

(ii) a statement reflecting all cash receipts and disbursements for the preceding period;
(iii) a variance report reflecting the status of all accounts in an "actual" versus "approved" budget format;

(iv) a balance sheet as of the last day of the preceding period; and

(v) a delinquency report listing all Owners who are delinquent in paying any assessments at the time of the report and describing the status of any action to collect such assessments that remain delinquent; and

(g) an annual report consisting of at least the following shall be made available to all Members: (1) a balance sheet, (2) an operating (income) statement, and (3) a statement of changes in financial position for the fiscal year. This annual report shall be prepared on an audited or reviewed basis as determined by the Board or as required by law.

Section 18. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of maintenance, repair or restoration of the Area of Common Responsibility, or for any other purpose necessary for the administration of the Association's affairs. In the event the proposed borrowing equals or is less than or would equal or be less than five percent (5%) of the budgeted expenses of the Association for that fiscal year, the Board of Directors shall have the power to borrow such money without the approval of the Voting Members of the Association. In the event the proposed borrowing exceeds or would exceed five percent (5%) of the budgeted expenses of the Association for that fiscal year, the Board of Directors shall obtain Voting Member approval, which shall be obtained upon the affirmative vote or written consent, or any combination thereof, of Voting Members representing sixty-six percent (66%) of the total votes of the Association. Notwithstanding the foregoing, if the borrowing will lead to one or more special assessments, then the Board of Directors must obtain approval of the Voting Members pursuant to the procedures set forth in the Declaration for approval of special assessments.

Section 19. Rights of the Association. With respect to the Area of Common Responsibility and in accordance with the Articles of Incorporation and the Declaration, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or Neighborhood and other owners or residents associations, both within and without the Properties. Such agreements shall require the consent of two-thirds (2/3) of all Directors of the Association.

Section 20. Enforcement. The Board has the power to impose reasonable fines in an amount not greater than $100 per day per violation for a continuing violation, not to exceed $1,000 in any thirty (30) day period, against any Owner, tenant, occupant of a Unit, guest or invitee of an Owner or guest or invitee of a tenant, and to suspend any alleged violator’s right to use the Common Area for violation of any duty, covenant, or restriction imposed under the Declaration, these Bylaws, or any duly adopted rules and regulations; however, nothing herein shall authorize the Association or the Board of Directors to limit ingress to or egress from a Unit. In the event that any tenant, occupant of a Unit, guest, or invitee of an Owner or guest or invitee of a tenant violates the Declaration, Bylaws, or a rule or regulation and a fine is imposed, if the
fine is not paid by the tenant, occupant of a Unit, or guest or invitee of an Owner within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. If an Owner fails to pay a fine, the fine shall be treated as a special assessment against less than all Members as set forth in Article X, Section 4(b), of the Declaration, and such assessment may become a lien against the property in accordance with Article X. The failure of the Association to enforce any provision of the Declaration, Bylaws, or any rule or regulation shall not be deemed a waiver of the right of the Association to do so thereafter. The notice, hearing, and appeal rights set forth in this Section shall not apply to the imposition of a fine or sanction or the suspension of the rights of an Owner by the Association due to the Owner's failure to pay assessments or other charges due to the Association.

(a) **Notice.** Prior to the imposition of any fine or sanction hereunder, the Association or its delegate shall serve the alleged violator with written notice describing the nature of the alleged violation and requesting that the violation be remedied within a specific time period. If the alleged violation is not remedied within the time period specified in the first letter, the Association or its delegate shall serve the alleged violator with a second written notice, notifying the alleged violator of an opportunity to be heard at a meeting of the Covenants Committee prior to the imposition of the fine or sanction, in accordance with applicable law. The alleged violator may request an opportunity to be heard at a meeting of the Covenants Committee by submitting a written request to the Manager within ten (10) days of the date the second notice is sent. The meeting of the Covenants Committee at which the alleged violator may be heard shall not occur less than fourteen (14) days from the date the Association sends the second notice. If a prior or continuing violation is not corrected or if that violation is repeated, additional fines, sanctions, or other remedies may be imposed in an amount not greater than $100 per day per violation for a continuing violation, not to exceed $1,000 in any thirty (30) day period, subject to compliance with the same notice, hearing, and appeal rights set forth in this Section 20.

(b) **Hearing.** Presentation of a copy of each written notice, together with a statement of the date and manner of delivery of each, by the officer, Director, or agent who delivered the notice, and the entry of the same in the minutes of the meeting of the Covenants Committee, shall be deemed sufficient proof of notice of the hearing. The notice requirement shall be deemed satisfied if the alleged violator appears at the hearing. Moreover, the mailing of a notice via First Class mail postage paid to the Owner at the address reflected in the official records of the Association shall create a rebuttable presumption of receipt of such notice regardless of whether this address is correct. The minutes of the meeting shall include a statement of the results of the hearing and whether the Covenants Committee approved, disapproved, or modified the proposed fine, sanction, or other remedy, if any. If the proposed fine, sanction, or other remedy is not approved by a majority of the members of the Covenants Committee, the Board shall not impose it.

(c) **Appeal.** Following a hearing before the Covenants Committee and the imposition of the fine, sanction, or other remedy, the alleged violator shall have the right to appeal the decision to the Board of Directors. To perfect this right, a written notice of appeal must be received by the manager, President, or Secretary of the Association within thirty (30) days after the date of the hearing before the Covenants Committee. The failure of an alleged violator to timely appeal or challenge the decision of the Board shall be deemed a waiver of any and all basis for challenging the violation or any fine or sanction imposed, including but not limited to,
any claim that the violation has or had been cured, any claim that the violation did not exist, and any claim that enforcement actions taken by the Association are improper, unreasonable, or arbitrary.

(d) Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the Association, acting through the Board of Directors, may elect to enforce any provision of the Declaration, these Bylaws, or the rules and regulations of the Association by self-help or by suit at law or in equity to enjoin any violation or to recover monetary damages, or both, without the necessity of compliance with the procedure set forth in this Section. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred.

The Treasurer shall have primary responsibility for the preparation of the budget as provided for in the Declaration and may delegate all or part of the preparation and notification duties to a finance committee, management agent, or both.
Section 5. **Resignation.** Any officer may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 6. **Agreements, Contracts, Deeds, Leases, Checks, and Other Instruments.** All agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by at least two (2) officers or by such other person or persons as may be designated by resolution of the Board of Directors.

Each committee shall operate in accordance with the terms of the resolution of the Board of Directors designating the committee or with rules adopted by the Board of Directors. Except as otherwise provided herein or in the Declaration, committee members shall be appointed by the Board of Directors and serve for a term of two (2) years; provided, however, each committee member shall serve at the discretion of and may be removed with or without cause by the Board of Directors, except for the members of the Variance Committee, who shall serve at the discretion of and may be removed with or without cause by the Voting Members. The Board of Directors shall appoint two alternates to any committee if requested in writing by the chairperson of said committee. All permanent committees have the right to two alternate members upon written request to the nominating authority by the committee chairperson.

Section 2. **Covenants Committee.** In addition to any other committees that may be established by the Board pursuant to Section 1 of this Article, the Board of Directors shall appoint a Covenants Committee consisting of at least five (5) and no more than seven (7) members. vote of the Voting Members for the balance of that term.

The members of the Variance Committee shall be Members of the Association in good
standing (current in all financial obligations to the Association) with no prior finding by the
Covenants Committee of a violation of the deed restrictions or the guidelines.  Notwithstanding
the foregoing, the licensed architect need not be a Member of the Association.  No person who is
serving on the Covenants Committee or the Modifications Committee shall be allowed to serve
simultaneously on the Variance Committee.  Members of the Variance Committee may be
removed from the committee with or without cause by a vote of seventy-five percent (75%) of
the Voting Members, with each Voting Member casting one (1) vote.  The Variance Committee

In addition, the approval requirements set forth in Article XIV of the Declaration shall be met, if applicable. Notwithstanding the foregoing, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment to be effective must be recorded in the public records of Hillsborough County, Florida.

Prior to any vote on an amendment to the Declaration or these Bylaws that requires approval by the Voting Members on behalf of the Members, the Association shall cause to be delivered to all Members of the Association a referendum upon which they may indicate their vote on these matters, in accordance with Article III, Section 3 of the Declaration.
