Walk up the staircase on the left side. As you enter the lobby, the front desk will be on your left.

If you are unable to use the stairs

Rather than entering the double doors from the side of the hotel, continue past the statue and follow the sidewalk to the right, which will bring you to the main entrance of the hotel. After you enter through the two sets of automatic doors into the lobby, the front desk will be on your right.

Entering through the inside

Walk south (toward the back of the bus) about 30 yards. Enter the building (Statler Hall) to your left. Once inside, stay to the left, walk up the ramp and turn left. You will see a long corridor. Walk all the way down the corridor past Mac’s Café and past the hotel housekeeping department. Toward the end, you will see a sign on the wall ahead of you pointing to the Statler Hotel elevators. Turn left; the elevators will be on your left. Enter the elevator and press “L” for Lobby. Upon exiting the elevator, turn right. The front desk will be located directly across the lobby.
