As Mayor, I want to restore Jacksonville to a City where ALL citizens THRIVE and PROSPER. I will create opportunities to experience the life you desire and deserve through an administration that believes “For the People and By the People” must be more than a cliché. I will improve OUR quality of life by creating sustaining-wage employment and wealth-building opportunities, improving VETERAN affairs, influencing the realization of a mass transit system that rivals other cities, supporting an educational system that is a haven for the BEST educators in the nation, an incubator for developing young minds, and producer of highly competitive graduates. I will support the Sheriff’s Office in improving community relationships that foster mutual respect and provide collaborative ways to reduce crime with a LASER FOCUS on HIGH CRIME neighborhoods. The safety of our YOUTH will be high priority. My Downtown Revitalization Plan starts with PROPER CARE for our HOMELESS and builds consensus for smart solutions. I will lead the way on economic development and make sure that City Hall doesn’t stand in the way. I’m a husband and father. Side-by-side with my wife Molly, we wake up every day with a desire to see Jacksonville be a place where our kids can enjoy the same wealth of opportunities that we have been fortunate to have. But wishing for it isn’t enough. I am wholly committed to building something that lasts for my kids and yours.

As our Mayor, Alvin Brown kept the promises he made in 2011. He promised to cut his own pay by 20%, and he did. He promised to oppose raising taxes, and he did. Mayor Brown cut waste and eliminated hundreds of government jobs. He brought together Republicans and Democrats to help create new jobs and make Jacksonville the #1 city in America to start a new business, according to a national publication. Jacksonville has 36,000 more jobs and the unemployment rate continues to since he was elected. Alvin Brown knows that our city’s future depends on great schools. He started the Learn2Earn initiative, helping children whose parents didn’t go to college get experience on a college campus and achieve their full potential. Now, we must make every neighborhood a safe place for our kids and families, we need a fiscally responsible public pension plan, and we have to continue to attract more good jobs to Jacksonville. Above all, Alvin Brown has put Jacksonville first as Mayor, ignoring national politics and bringing our community together. With four more years of Mayor Brown’s servant leadership, we can take Jacksonville to the next level.

I am a small business owner. While politicians have been worrying about their next taxpayer-funded job, I’ve been creating jobs. With my professional experience as a CPA, budgeting and fiscal management are my greatest strengths. I am a proven leader, a team builder, and an experienced manager. I will grow the tax base to provide more funding for public safety and education, without raising taxes. I will work with community leaders to make our neighborhoods safer and better suited to the needs of the residents living there. Remarkably during the past 33 years, Schoonover has worked in every JSO department. As commander of the homicide, cold case and missing persons unit, Schoonover astonishingly led that division to achieve the highest rate of solving murder cases that Jacksonville has ever experienced. As Sheriff, Schoonover will reinstate the beat patrol system to integrate officers in high-risk neighborhoods, entrusting them with high responsibility and accountability levels to build close relationships with residents. Imagine residents being able to call their own trusted beat officer directly with a crime tip before it happens, or with an important clue following a crime. Schoonover will also kickstart professional crime-fighting initiatives in high-risk neighborhoods and proactively steer at-risk youth toward positive futures. I am honored to be running for City Council and am asking for your vote. I am a native Floridian and the oldest of 6 children, born to parents committed to their family, community and small business. My career has been in the construction industry for more than 25 years and I am the Property Development Manager for a local non-profit. My leadership experience includes civic and trade organizations advocating for Florida’s businesses, entrepreneurs and citizens. Working directly with local and state legislators has made me uniquely qualified to serve. I live in Historic Springfield and participate in several community associations working towards solving our neighborhoods’ most pressing issues. I serve as Chair of Jacksonville’s Environmental Protection Board, recent Chair of JAX 2025 Bicycle/Pedestrian Task Force and am involved in programs that work directly with our youth. My passion is to create opportunity, build community, ensure public safety and provide a high quality of life for all of Jacksonville’s residents. I am a hands on leader and will provide an avenue for communication and cooperation for all of our citizens.
Mike Anania (REP)

My name is Mike Anania. I’m a 30-year resident of Arlington, a Navy veteran, small business owner and an active member of our community. I’m the President and a founding member of the Arlington Business Society and also serve as Chairman of the Greater Arlington-Beaches Citizen Planning Advisory Committee (CPAC) where I’ve led the fight for Arlington’s neighborhoods. In 2010 I served on the city’s Mobility Plan Task Force that produced Jacksonville’s first-ever “Mobility Plan”; a fee-assessment system that ensures that transportation infrastructure is funded by developers, not taxpayers. The residents of District 1 need a knowledgeable, experienced leader on Council who will ensure that Arlington receives the resources it needs, especially in the areas of public safety, crime prevention, road and right-of-way maintenance, parks and libraries. With these resources Arlington can create the kind of environment capable of supporting healthy neighborhoods and attracting the right mix of family-friendly businesses. I’m Mike Anania, I have the experience we need and I’m “Better for Arlington” because I know how to get things done!

Eddie Christian (REP)

As a second generation native of Jacksonville, I am passionate about our city and the communities in District 1. Raised on the Southside, I attended public high school and then graduated from FJC, UNF, and lastly JU with a degree in Educational Leadership. I have worked in the public sector most of my life and have managed multi-million dollar budgets. This, I believe, will allow me to be a mindful leader of our city and community. My personal concerns center on improved safety and reducing the crime and violence that plague our area. Beautification of District 1 and Jacksonville as a whole is also a priority. I will work to ensure District 1 gets the needed support and services from the City to fight the blight and abandonment of property. As your elected official, I plan to host meetings that bring the many communities together to address all the issues and shared ideas. My wife and I have lived in Jacksonville for 30 years and are proud to have raise our 5 children in this area. When elected, I promise to represent you and to serve with integrity and commitment. I ask for your vote on Election Day and your support of OUR community!

Joyce Morgan (DEM)

It is with great pleasure and honor that I announce I am running for City Council, District 1, in Arlington. I have lived in Jacksonville for 26 years and 16 years ago, my family and I chose to move into beautiful Arlington. I am humbled to have had many opportunities to serve our community. As a News Anchor and reporter, I was able to cover major issues in our community and interview many of you. As PTA President of Ft. Caroline Elementary, I saw the importance of parent involvement. As a Media and Image consultant, I’ve partnered with small and large companies to implement initiatives that impact our daily lives. While in office, I will focus on building partnerships that will target economic development, community safety, and education. I will gladly use my people skills, business experience, and communication background to work towards a vibrant and safe place we call home. VOTE JOYCE MORGAN, “A NEW VOICE FOR ARLINGTON.”

Melody Shacter (DEM)

I am running for City Council to use my successful business leadership experience in helping District 1 and the city make the most of opportunities to improve our quality of life and local business environment. I’m a longtime Arlington resident and active community volunteer. I have raised a family, earned a master’s degree in business administration, served in several civic leadership positions and built managed successful businesses in the healthcare and homebuilding industries. I represent my neighborhood on our area’s CPAC board, serve on several nonprofit boards and am president of our church’s foundation. I want to see District 1 and Jacksonville thrive as a place attractive to businesses and families. This means safe neighborhoods, good schools, increased employment opportunities, efficient mass transit systems, and a vibrant downtown. It means aggressive strategies for business recruitment as well as policies that foster existing local businesses. It requires fully appreciating the role our community’s quality of life and education systems play in economic development and growth.

Al Ferraro (REP)

I am a long time Jacksonville resident. I am interested in public service so I can help make a wonderful area even better. My life is deeply rooted in Jacksonville: a graduate of Sandalwood High School, I started my business 30 years ago in District 2. Married for 25 years, I have a daughter who is attending college. I know our district is a wonderful place to live, work, and raise a family, but I believe it can be even better. As a business owner and operator, I know from experience what is needed to start, maintain, and operate a successful business. I stand for economic growth so we can improve the lives of our hard working people. We also need efficient government so that we have the funds we need for public safety, and core government functions, and a reduction of government debt. I will strive to make sure we use our tax dollars as wisely and efficiently as possible. Lastly, I promise always to work hard and be answerable to you, the voter. If you allow me the privilege of representing you, I promise to be honest and accountable to the citizens of our community. I kindly ask for your support and vote.

Lisa King (DEM)

I’m a Jacksonville native, graduating from Wolfson High and Stetson University. I started my career and family here and am married with 3 children. My son, a naval officer, and his wife live in the district and recently had my first grandchild. I’ve led a small business for 23 years, and was awarded Woman of Influence 2014 by the Jacksonville Business Journal. I am a leader in my church and community, recently organizing an Emergency Response Team with my neighbors to help our firefighters. I helped save the ferry, securing $5 million in grants for operations and repairs. Jacksonville is at its best when we work together; I have a track record working across party lines on the Planning Commission. I currently serve as Vice Chair, and I have defended our citizen referendum on billboards and our parks from cell towers. I fought to widen Kernan Blvd and Alta Drive. District 2 is the fastest growing part of our city and I have made sure that we have found the balance to grow our economy while protecting our neighborhoods. I have a heart for servant leadership and the knowledge and experience to lead. I humbly ask for your vote.
March 24, 2015!

Children. Scott Wilson is the candidate with the experience and desire to serve District 4 and the City of Jacksonville on day one. Please vote for Scott Wilson on March 24th!

Scott Wilson's contribution was recognized by Governor Jeb Bush through the Peace at Home Award. Scott gives his time as a volunteer mentor with Take Stock in Jacksonvillle, helping low income students prepare for college. His work and successes included the creation of the Center for Prevention Against Domestic Violence, championed efforts for public safety, and increased funding for schools and libraries. Wilson began his career of government service working for the Clerk of the Courts. Scott understands the inner workings of Jacksonville’s consolidated government. In my current role as an Economic Developer, I thrive on selling Jacksonville to businesses looking to relocate or expand in Jacksonville so we can grow our economy and offer high quality jobs to our residents. My focus as your representative would be to help ensure our neighborhoods are safe, improve our quality of life, hold our City accountable to be fiscally responsible, and support new jobs that retain young people and draw new people to Jacksonville. I also believe it is crucial we continue to maintain a supportive environment for our military and their families. My wife and I have been married 30 years and have 1 son that we are thankful to be raising in this great City. District 3 is my home and I will focus on our community. We must keep our neighborhoods safe by providing our Law Enforcement Officers with the tools they need. I will strive to resolve this pension dispute. I will listen to our residents about the development needs of our community and protect property values and schools. I will advocate for improvements to San Pablo Road. Seeking to get our city’s financial house in order, I will encourage job growth through low taxes. Red tape and overbearing regulations stifle economic prosperity. Government overreach does not create jobs, businesses do. I want Jacksonville to be a better place to start a small business. I believe that government must not encroach upon our constitutional liberties and I will honor our veterans who fought to protect those freedoms we enjoy. I was born & raised in Jacksonville. After graduating high school I joined the Army & served our country during the Iraq War. While serving I earned a degree in Business & after returning home to Jacksonville worked in management for a few businesses. Later I decided to start my own business & have run it successfully for several years. At the same time I went back to school to earn a Bachelor’s Degree in Public Relations from UNF. I believe our city & especially our neighborhoods on the Southside need someone who has owned & run a business to bring those skills to city hall. I have balanced a budget & built a business. It takes strong leadership & the ability to get things done to be successful on city council. We have thriving neighborhoods along Atlantic & Beach Blvd., Southside Blvd. & the Towncenter. I want to keep them thriving by helping business grow & keeping our neighborhoods safe for our children’s future. Faith & family are very important to me. I am a business owner, a homeowner & a veteran. I believe I’m the right choice for our area. I am asking you to vote Fred Engness for City Council District 4.

I am a 4th generation native of Jacksonville. I grew up in this community playing sports and attending public schools in the area. I have a bachelor’s degree from the University of North Florida where I studied computer science. I have worked in the public sector where I was involved in planning, purchasing, and implementing systems to improve efficiency and productivity. I worked in an office that assisted the public on a daily basis and understand the challenges faced interacting with government agencies. As your city councilman I vow to focus on jobs and the core functionalities of government. The issues I care about most are: Public Safety, job creation, keeping our streets and sidewalks clean, transparent government, and educational growth within the community. My goal is to have town hall meetings to discuss issues and concerns within the community on a regular basis to increase the level of transparency within government. I would appreciate your vote on March 24th!

Scott Wilson’s priorities are family, ethics and service to the community. When you elect Scott Wilson to represent District 4, there will be no learning curve. He understands the inner workings of Jacksonville’s consolidated government. Wilson began his career of government service working for the Clerk of the Courts. Scott Wilson has served the residents of District 4 as its legislative aide for the last 8 years. Wilson knows the issues in District 4, where he has assisted many constituents. A pro-citizen leader, Scott’s work and successes included the creation of the Center for Prevention Against Domestic Violence, championed efforts for improved parks, increased beach and river access, safer streets and walkways and the construction of the new senior addition at the Windy Hill Community Center. Scott Wilson’s contribution was recognized by Governor Jeb Bush through the Peace at Home Award. Scott gives his time as a volunteer mentor with Take Stock in Children. Scott Wilson is the candidate with the experience and desire to serve District 4 and the City of Jacksonville on day one. Please vote for Scott Wilson on March 24, 2015!

CITY COUNCIL DISTRICT FIVE

Connie Benham (REP) 4765 Mara Dr. Jacksonville, FL 32258 Facebook: Connie Benham conniebenham@gmail.com www.connieforcouncilMANDARIN.com

I moved to Mandarin in 1990 after serving 5 years in the Navy and attending college studying Business Administration. Active in local politics for several years, I've attended countless meetings addressing city leadership on numerous issues that affect our city. My knowledge of our Charter, Municipal Code, and Florida Statutes along with my attention to detail has helped me be an effective government watchdog helping save taxpayers money. I believe the government's “business as usual” attitude and culture of spending has not changed. There hasn't been any “shared sacrifice”. Promises were broken and spending is still unsustainable. While an increase in property taxes added revenue, debt rose too and has never been higher. Engaged, proactive, and informed of the issues facing our community I am ready, willing and able to do more as a confident, organized, educated leader eager to work hard for you. I will battle wasteful spending and higher debt. I'll work to return responsible, predictable growth decisions to our community. I'll help restore the city's greatness and build Jacksonville into the “City of Tomorrow”.

Matt Schellenberg (REP) 5324 Heronview Drive Jacksonville, FL 32257 (904) 614-1234 matt@votematt2015.com www.votematt2015.com

I ran for City Council out of frustration with local government continually increasing our taxes and burdening us with fees, costly regulations, and out of control spending. I committed to fight for you, the taxpayer, and I have kept that commitment. Representing you, I have consistently voted “NO” to any increase in property taxes, opposed new fees, and worked hard to significantly cut spending. I spearheaded efforts which have saved the taxpayers over $8,000,000 per year. I have also improved our community by finding money already in the budget, and bringing it back to Mandarin. With your input, we have made many improvements to our parks, roads, and facilities, all of which have improved our quality of life. My top priority will continue to be the reform of our public employee pension system, with the goal of making it affordable and sustainable as it affects the future financial health of Jacksonville and its citizens. I am a fiscal and social conservative. It has been an honor to serve you these past years and I respectfully ask for your vote to continue to bring responsible leadership back to City Government.

I want to be your voice in City Hall. A council person whose door is open and all ears to listen to you. I have lived the last 16 years in Jacksonville, but grew up on a small farm in Ohio. I have been a home owner in the north side for the last 6 years. My background is in Restaurant Management. I have been employed at the Jacksonville Zoo for the last 14 years, but knew it was time to help Jacksonville. I want to move ONWARD with a Vision for Jacksonville which includes: Springfield & Downtown Revitalization to fuel economic growth, Fully Inclusive Human Rights Ordinance to give equality, Proactive Crime Prevention to make you safer, Increase Mass Transit to transport people cheaper, Promotion of Arts & Cultural Diversity to make Jacksonville the new Arts Capitol of the South, Streamline Government Process so you are more part of the process, and improved Open Spaces for Public Enjoyment. With your vote, I will work for you to make that vision a reality!

A native of Jacksonville and a graduate of FAMU, Reggie Gaffney founded Community Rehabilitation Center, Inc. with an initial staff of (3) which has now grown to over (100), providing much needed relief services to the citizens of Jacksonville. After 21 years as an effective community leader within District 7, he is known for his conviction in advocating for what his faith calls “the least”. Reggie has served as a member of the Florida Charter Schools for Excellence, Chairman of the Jacksonville Port Authority and was selected by Marco Rubio to the Academy Nominating Committee. Reggie understands the important role that the Jacksonville Sheriff's Office plays in resolving today's crime rate. Reggie has a demonstrated history of dedication and commitment to public service. Gaffney intends to utilize his extensive network of bi-partisan elected officials and community relationships that he has built throughout his decades of advocacy to now serve his constituents living within District 7 and the entire Jacksonville community. Gaffney actively serves in his church and has been performing good works throughout the faith based community.

Dr. Sirretta Williams has lived most of her life and attended public schools in Jacksonville. Her Doctorate degree in Christian Psychology has placed her in the role of professor, pastor, counselor, and mentor. She has spent her life’s work in the heart-felt service to those in need. As your District 7 City Council representative her unwavering service will continue. Dr. Williams’ primary goals for District 7 are to raise the bar on education, curtail crime by initiating camera installments, increase economic development, initiate horticulture for seniors, formulate business-to-business partnerships, and improve road conditions for allowance of emergency vehicles. Fulfilment of these initiatives will revitalize and strengthen the infrastructure of District 7 in its entirety. Dr. Williams understands the importance of safer neighborhoods and better schools, which in turn improves the quality of life for all of us. Her desire to represent District 7 is not for personal prestige, but to build a safer, thriving, more economically sound environment for families and businesses... and WITH TEAM WORK WE CAN DO ANYTHING!

My name is Katrina Brown and I am a native of Jacksonville, Florida. I am the best choice candidate for City Council District 8. I am running for Jacksonville City Council District 8 because we need approachable, creative, problem solving leaders like myself who will address and resolve issues in the best interests of the people they serve, and who will save our services and amenities. We need new leadership, new perspectives, and new solutions for district 8. I serve as the Vice President of Business Development for Basic Products LLC., a manufacturer and distributor of food products for national retailers. I am also managing partner of KJB Specialties, Inc. (Jerome Brown BBQ). I graduated from Clark Atlanta University with a Bachelor’s degree in Business Finance. I will focus on initiatives that will support job creation, economic development transformation, infrastructure, and outreach services for our seniors. As a council member, I will follow up and respond to all issues and concerns for the people I represent.

Friends, I am Terry L. Fields, a lifelong resident of Jacksonville, a graduate of Ribault High School, Florida A & M University, graduate work at Florida State University, and a proud University of Florida alumnus dad. During my time on the Jacksonville City Council and as a member of the Florida House of Representatives, I supported legislation to make Jacksonville a world-class city and Florida one of the best states in America. Additionally, I helped develop the vision for a new and vibrant downtown along with creating new jobs and supported legislation to bring our NFL Jacksonville Jaguars football team to town. As a house member, we had a $2.5 billion surplus, unprecedented growth and created new jobs throughout our city and state along with providing greater access to our senior citizens community. If elected to the city council, I will work for safer neighborhoods, a stronger economy, a thriving business community, more senior citizen incentive programs, affordable housing, and resources to secure our neighborhoods and clean and maintain our environment. I would really appreciate your vote and support.

I take the word “serve” very seriously. I want to introduce myself to you and let you know I will be your servant. Many of you already know me and are familiar with the work I have done. I have served on the City Council for eight years representing District 7. With redistricting, I now live in District 8 but I will serve with the same enthusiasm, dedication and responsibility. I was educated in the local schools of Duval County. I have worked in many capacities from banking in the private sector to contracting in the public sector. I am a widow and a single mother. I have assisted citizens from North to Mandarin but my concentration and my heart-filled help is to the constituents of District 8. I am a lifetime member of Fountain Chapel AME Church. Through my faith I believe that God has defined my mission as one to help people of all races. With your help by voting for me I can fulfill that mission. I’ve worked in business for more than 30 years. Most of that time in leadership for one of the largest employers in northeast Florida. I understand business. I also understand my community. I serve as the Director of Social Responsibility and Community Health for Baptist Health. I’ve served on non-profits boards, volunteered with many local charities and received several recognitions for my work. I’ve walked door-to-door in District 8 for almost a year. I know my district and they deserve someone who will work for them 24/7 and commit to listening, mobilizing and working along with them. I’m excited about working with city leaders to create more jobs in Jacksonville by deepening the channel at JAXPort. We must work to provide a road map to success instead of roadblocks for small businesses. A vibrant downtown helps all neighborhoods. I will work with JSO, churches and educational institutions to develop collaborative solutions to safety. I’m a Christian and married to Grady for 10 years. I want what everybody wants - for this to be a community with opportunities for great jobs for everyone. Vote for Lynn Sherman on March 24th!

My motivation in running for City Council four years ago was mostly about helping make District 14 - where I live and work - a better place. Now, in working to earn reelection, it’s more about my ability to help not just District 14, but our entire city. Our council is at a watershed moment. This spring’s elections will bring new faces to more than half the Council’s seats. Experienced leadership will be crucial, especially on complex issues such as pension reform, river dredging, crime reduction, business growth and downtown development. The thousands of hours I invested during my first term on these and other issues will be invaluable during the next four years. My background includes 26 years as a Naval officer and jet pilot, 31 years as a successful small business owner as well as the past president of the Chamber’s Downtown Council and chairman of the Waterways Commission. I have worked diligently with citizens and business owners to ensure a balanced approach to growth. As a result, I have earned numerous endorsements and awards that are listed on my website, ElectJimLove.com. I thank you for your support.

First and foremost, I believe that all citizens deserve fair and equal protection under the law, and it is my mission to make this happen. I also believe that a comprehensive public transit system will not only boost our economy by making all parts of the county more accessible, but it will also make our streets safer for bikers and pedestrians. I am committed to interconnecting our vast parks system to create more usable green spaces, and to improving not just the health of our river, but the ways we showcase and utilize it as well. I am dedicated to expanding recycling and alternative fuel initiatives to create a marketable identity for Jacksonville, and to reducing crime through improved outreach and education. I believe a coordinated effort to support small, local business growth is the key to the revitalization of downtown and to our future economic prosperity. Together we can make a difference. Together we can move Jacksonville beyond being a city with potential to become a city living up to its potential. I humbly ask for your vote.

Dear Duval County Voter:

It has been an honor to serve as your Supervisor of Elections since 2005. I have conducted 35 elections during this ten year period and want you to know how deeply I appreciate the voters of this great city.

The final Consolidated Government election cycle of my tenure is well underway. The City of Jacksonville conducts unitary elections, meaning that all voters may vote for the candidates of their choice, regardless of party affiliation. There are two referenda on the back of your ballot – don't forget to flip it over and vote YES or NO.

Ballots are city council district specific and the candidates are listed by last name in alphabetical order followed by their party affiliation. If one candidate in the race does not receive 50% + 1 of the vote in the First Election, the top two vote getters advance onto the General Election in May regardless of party.

As a service to voters, we have included within this sample ballot candidate statements and contact information for the candidates. Read this information, visit websites, Facebook pages and reach out to the candidates.

Please note: Your sample ballot is not a vote by mail ballot. Do not mail it back. We strongly suggest that you use it as a guide for filling out your actual ballot. Feel free to bring it with you to the polls.

If you have any questions about your ballot, polling location, voting by mail or any other concerns, give us a call at 630-1414 and we will be happy to assist you. Remember, this is your civic opportunity to make your voice heard. Please vote!

Sincerely,

Jerry Holland
Supervisor of Elections
