Vice Chancellor’s Note

Dear Students,

Annamalai University is a distinguished university in Tamilnadu. With a host of different programs to offer, it has provided a platform for thousands of students, who subsequent to their education here have excelled in different facets of life. I am pleased to announce the introduction of another new course, B.Sc. in Digital Publishing Degree Program, in partnership with the renowned Digiscape Gallery.

Today, Digital Publishing is creating waves in the publishing industry around the world. India is fast emerging as the hub of major international publishers for books, newspapers, magazines, e-books, e-learning, web content, animation, CBTs, and WBTs. In the coming years, Digital Publishing is going to be a mammoth industry spawning exciting career opportunities. Keeping in mind the acute shortage of skilled manpower, Annamalai University and Digiscape Gallery have signed a memorandum offering B.Sc in Digital Publishing. The curriculum is recommended by the CII Task Force on Publishing.

I welcome you to this innovative program and encourage you to explore the endless opportunities available to you as a student.

Prof. Dr. M. Ramanathan - Vice Chancellor

About Annamalai University

The Annamalai University was founded in the year 1929, as a unitary and residential university by the munificence and single-minded devotion of the farsighted and noble hearted philanthropist and patron of letters, the Hon’ble Dr. Rajah Sir Annamalai Chettiar of Chettinad, Kt., LL.D., D.Litt. For the last eighty two years, Annamalai University has grown to become a premier institution for higher learning and research. Dr Rajah Sir M. A. Muthiah Chettiar of Chettinad, Kt., B A., D.Litt., the successive founder Pro-Chancellor from 1948 to 1984 assiduously nurtured the growth and development of the university.

Dr M.A.M. Ramaswamy, BA., D.Litt., D.Sc., the present founder Pro-Chancellor and the distinguished son of Dr. Rajah Sir Muthiah Chettiar, is a philanthropist and patron of sports, who has fulfilled the dreams of his illustrious father.

The Directorate of Distance Education established in 1979, offers more than five hundred different programmes of study. It is credited with the largest enrollment in India and is well equipped with computers and other infrastructural facilities, outstanding teacher faculty and administrative set-up in all its centres.

All the programmes of study offered by the Directorate of Distance Education have the approval of the Distance Education Council, New Delhi, India.

National Assessment and Accreditation Council has accredited Annamalai University.
The publishing sector is a rapidly growing industry, currently valued at $243 billion. Total offshoring stands at more than $780 million (2008) and of this total, India’s share is close to 85%. This expected to grow to $1.2 billion and employ 55,000 people by 2012.

Several global publishers are offshoring to India and have made India a publishing BPO services, the hub of the world. In India, Chennai and Puducherry have emerged as the most preferred hub for the digital publishing companies.

This has opened a new range of opportunities both for companies and aspiring students alike, creating new fledged demand for skilled man power in various specializations. Opportunities are open to graduates in any discipline, post graduates with focussed specializations, multimedia specialists, content developers and instructional designers.

The traditional epublishing continues to create opportunities in the areas of copy editing, proof reading, graphic management, data conversion and for domain specialists in sales and marketing.

These trends point to a new wave of opportunities - e-learning, character creation and animation, digital content development, video editing, web design and development, game developers and testers.

Founded over 115 years ago, it is India’s premier business association, with direct membership of over 8100 organisations from both the private as well as the public sectors, including SMEs and MNCs and an indirect membership of over 90,000 companies from around 400 national and regional sectoral associations.

With 64 offices in India, 9 overseas in Australia, Austria, China, France, Germany, Japan, Singapore, UK and USA and institutional partnerships with 223 counterpart organisations in 90 countries, CII serves as a reference point for Indian industry and the International business community.

The CII Task Force on Publishing, comprising Mrs. Anu Sriram of Integra Software Services, Mr Balasubramaniam of Scientific Publishing Services and Mr Elangovan of Digiscape Gallery have formulated a comprehensive syllabus for B.Sc in Digital Publishing, taking into account the current needs as well as the emerging needs of the industry.
I would like to take this opportunity to congratulate the students who have opted for B.Sc degree program in Digital Publishing - the first step into a great career. As you complete the course, you will be the most wanted resource in the rapidly growing publishing industry.

As pioneers of Digital publishing education for over two decades, Digiscape Gallery takes pride in being associated with Annamalai University in offering the most preferred and awaited courses in India - the B.Sc degree program in Digital Publishing.

The B.Sc. in Digital Publishing is the first of its kind in the country, where the curriculum is formulated by the industry and the virtual classroom learning modules are delivered by industry experts. Moreover the industry which is facing acute shortage of manpower is looking to provide promising career opportunities to the graduates on completion of the course. Students will also have the option to take up part-time assignments in the industry, while doing the course, thus gathering work experience.

We wish you all the very best.

A. Elangovan, President, Digiscape Gallery.

Publishers around the world are striving to embrace the digital age — to build distinctive brands, develop sustainable business strategies, and achieve greater profitability. They’re looking for innovative, cost-effective ways to design and deliver content to fragmented audiences on an ever-expanding array of smartphones, tablets, e-readers, and other devices.

Audiences today want to engage with content wherever they are, using their preferred devices. And they seek immersion in compelling, media-rich experiences that are optimally designed and delivered. Digital Publishing is rocking the publishing industry because the technology allows publishers to get information to readers quickly and efficiently. It uses new technology to deliver books and other content to readers – not only in physical form but in digital form where it can be accessed through digital and mobile devices anytime, anywhere!

India has been a big beneficiary of digitization in terms of outsourcing and is fast emerging as the hub of the Digital Publishing industry. Major international publishers of Books, Journals, Newspapers, Magazines, Children’s books, e-Books, e-Paper, Directories, e-Learning content, Web content, Animation content, CBTs and WBTs such as Oxford, Cambridge University Press, Prentice Hall, Macmillan, Elsevier, Springer, Wiley, Pearson, McGrawHill, Taylor and Francis have been outsourcing a lot of business to India in content transformation which has a price advantage of 40 percent.

Of the total titles produced in India, 45 percent are in English, making India the third largest producer of English books after US and Britain. With the fast emerging opportunities, we see that Digital Publishing is going to be a mammoth industry spawning exciting career opportunities anywhere!

Annamalai University and Digiscape Gallery have joined hands to offer the much sought after course by the industry, the B.Sc Degree program in Digital Publishing. The main objective of this course is to bridge the gap between the increasing manpower requirements of the industry and the employable knowledge skills that is lacking amongst the students. In short it matches what the students learn to what the industry wants.

The curriculum is designed to extensively cover all the major aspects of Digital Publishing. The course is well balanced not only in terms of a perfect mix of theory & practical classes but also in terms of coverage of topics from all the major digital publishing domains.

In today’s scenario the main areas to be focused on in terms of Digital Publishing are Magazine Publishing, Newspaper Publishing, Book Publishing & Retail catalog publishing all of which are not seen just as a printed piece but as an entity that can be experienced anywhere, be it surfing on the internet, browsing on the handheld, mobile and what not. Another booming area allied to Digital Publishing is the e-Learning domain, as more and more individuals, institutions, universities & organizations are moving towards Virtual Classroom Learning.

What makes the course special?

- Curriculum recommended by CII Task Force on Publishing BPO
- Training modules synchronized with Job Descriptions in Publishing Industry
- Course content developed by Adobe Certified Experts
- Virtual Classroom Learning Capsules delivered by industry experts
- Placement assistance by CII-Publishing industry members

Any form of publishing and any type of media appeals to the audience only when it is professionally designed and presented. Keeping this in mind, all concepts related to graphic design are covered in the first year, which is applicable throughout one's career. With more and more newspapers, magazines & printed media being introduced everyday into the market, Print Publishing has its demands staying on. The knowledge & skill available in this domain is limited, thereby increasing the demand for specialized training. We realize this need and thereby provide a complete curriculum starting from basics of publishing to advanced page layouts, digital illustrations & image manipulation, making this course the only one of its kind in the country.

E-publishing is one of the areas of outsourcing which is rapidly expanding, resulting in more and more companies either starting afresh or existing companies expanding their operations. This has resulted in a great demand for skilled manpower in various domains.

The very rapid rate of expansion of these companies due to the increasing demand for handling more volumes has created a shortfall of skilled manpower and technical know how. Hence there is a huge demand for skilled manpower, which we aim to generate through this degree program.

SECOND YEAR- 2 E-PUBLISHING
Animation, digital video editing, multimedia content, web design & development, etc., are buzzwords that are most talked about today. The website multimedia industry is growing by leaps & bounds and is providing a lot of employment opportunities for freshers and experienced people alike. Not only is this industry fast growing, but also has very rapid technological advancements and thus demands a sound knowledge and a regular knowledge update. Our courses are focused towards this aspect and provide the latest content in website multimedia most relevant to the current industry demand.

The digital revolution has led to a boom in the education segment, and more and more educational content today is coming out as Computer Based Tutorials & Web Based Tutorials. This has created a wide avenue for e-learning projects and it also forms a niche area in the outsourcing segment.

Mobile & PDA publishing are also getting more sophisticated and becoming more of a commercial segment rather than being an informal segment.

The working hours of the Study Centres are as follow:
- Weekdays: 9:30 a.m. to 1:00 p.m., 1:30 p.m. to 5:00 p.m.
- Sunday: 10:00 a.m. to 1:00 p.m.

The Second Monday of every month and all Tuesdays and Public Holidays are holidays for the Study Centres, except that at Annamalainagar.
20. Grievance Redressal Cell

Students who have grievances are advised to write to the Director, Grievance Redressal Cell, Directorate of Distance Education, giving their Name, Enrolment Number, Programme of Study etc. for speedy redressal.

21. Digital Voice Information System (DVIS)

A fully Automated Computerized Telephone Answering Service installed in the Directorate responds when you call any one of the following numbers. By calling the following numbers, you get information about the programmes offered by the institution, Students’ Results and Marks, Tuition fees arrears; Examination related enquiries, PCP dates, Venue and other details—that too in Tamil, English, Hindi and Telugu. Apart from the above, it has also got a Grievance Register facility, where students can record their Grievance for about a minute and will be answered by the Institution later and the service is available round the clock.

Telephone Numbers: STD - 04144-237356, 237357, 237358, 237359, 239796, 239797, 239798 and 239799

22. Message Alert Service (MAS)

The Message Alert Service introduced in the DDE is a boon to distance learners. To make use of this service, students have to register their cell phone numbers. Students will receive automated communications in the message format on their cell phones such as admission confirmation, reminders of last date for payment of fees, examination results etc.

23. Short Message Service (SMS)

A computerized Short Message Service (SMS) has also been introduced to reply students queries through cell phone messages. Students can get the information regarding admission, lesson despatch, payments details, personal contact program details, examination results etc., by just sending messages to the cell phone number 9442551111. A computer server maintained in the DDE will send the reply messages to the students’ cell phone immediately.

24. Wide Area Network (WAN)

Wide Area Network (WAN) connectivity has been established by the DDE at all major Study Centres. The centralized Data base will facilitate the collection of all the details pertaining to programmes offered, admissions, tuition fees, enrolment status, despatch of study materials, examination register number, venue, results and issue of certificates, besides information related to PCP etc and students grievance will get settled instantly.

25. Jurisdiction

With regard to any dispute arising in any matter including admission, returning of Original Certificates, sending of lessons, Personal Contact Programme, examinations, remittance of fees, etc., only the Courts and Tribunals having jurisdiction over Annamalainagar (Chidambaram), Cuddalore District, Tamilnadu and not over any other place, shall have jurisdiction for the purpose of filing a suit or preferring complaint under the Consumer Protection Act or any other law for the time being in force or taking any legal action against the Directorate of Distance Education or the Controller of Examinations of Annamalai University. The application for Admission also carries this conditional clause, and all applicants by virtue of their signature on the form, will be deemed to have accepted to be bound by it.

Admission cannot be claimed as a matter of right. The Director, D.D.E., or the Controller of Examinations is not responsible for the loss/delay in the delivery of postal articles sent by the D.D.E. or the Controller of Examinations.

26. Caution

Some private institutes / individuals posing as our agents are allegedly collecting fees, issuing application forms and promising admission and pass in examination to our programme. The directorate has authorised only Digiscape Gallery, No. 2, Wheatcroft Rd., Nungambakkam, Chennai-600034 and authorised associates of Digiscape Gallery, Chennai, to act as our coordinator for training the programmes offered through D.D.E of our university. Apart from Digiscape Gallery and their associates, the directorate has no such agents and takes no responsibility for their actions. Therefore, candidates are advised to contact or correspond directly only with the directorate or its study centres or Digiscape Gallery for Digital Publishing Programme.

The candidates are advised to apply directly to the Directorate or Digiscape Gallery individually for application form as well as for admission. Application for admission received through tutorials or any other agency will be summarily rejected.

Candidates are also warned not to become victims of cheating and exploitation by bogus claimants in this regard.

Digiscape Gallery and its associates have been authorised to conduct the programmes on behalf of Annamalai University. Application forms for admission can also be had from them.

Further if it becomes known at any time during the Programme of study that a student had applied for admission through tutorials or any other agency, his/her admission will be cancelled and the student will not be entitled for any relief whatsoever as against the Directorate of Distance Education, including refund of Tuition Fees.
27. University Examinations

The Annual University Examinations will be held in the month of May / June for all the programmes. Supplementary examinations will be conducted in the month of December.

Application forms for registration for the examinations will be sent in the month of February / March by The Controller of Examinations, Annamalai University to all the students who have paid their tuition fees in full before the stipulated time. Information regarding Centres of examination, time-table, fees payable and other regulations governing the examination will be sent to the students along with that Application Form.

Those students who do not receive the examination application form for any reason before the end of March are required to apply to the Controller of Examinations for sending them the examination application forms quoting the enrolment number, Programme of study etc. Non-receipt of examination application form is not an excuse for not registering for the Examination.

The Examination Application Form, Time-table, Fees details etc., can also be downloaded from the University website.

www.annamalaiuniversity.ac.in.

Even students failing to fulfill the Attendance requirements might receive forms to apply for Registration for the Examination and the receipt of such a form to apply for registration does not imply that the recipient is eligible to sit for the examination as the forms are being routinely issued to all students enrolled for the programs by the office of the Controller of Examinations.

If, in spite of this warning, a student failing to fulfill the attendance requirement gets himself/herself registered for the examination and writes the examination his/her results will be cancelled. Students failing to attend the PCPs are not eligible to sit for the examination held at the end of the year(s). Attendance at the PCPs are compulsory; students are required to attend at least 80% of the PCP days.

Hall Tickets / Admit Cards

Examination Hall Tickets/Admit Cards will be issued to the candidates at the examination centre by the Chief Superintendents three days prior to the commencement of the Examinations.

The intimation of venue of Examination with the Examination Register No. will be sent to the students by the Controller of Examinations one week prior to the commencement of examinations. Even if a student does not receive the same, he/she is required to see the Newspaper advertisement to be made by the Controller of Examinations regarding the centres and venue etc., in the leading newspapers during the month of May/December and he/she may also contact the Study Centres / Digiscape Gallery for the same.

Annamalai University can hold examinations at any city/location as per their discretion.

Further, even if a student who applied in time duly for Registration of Examinations, has not received any venue intimation he/she is required to contact the Chief Superintendent of his/her examination centre with the photostat copy of his /her Application Form, the Demand Draft for Examination Fees and acknowledgment etc., to enable the Chief Superintendent of the Centre to allow him/her to write the examinations provisionally subject to the confirmation by the Controller of Examinations.

Examination Results and Issue of Mark List

For all enquiries regarding the examinations, publication of results, issue of mark sheets, provisional certificates and degree certificates candidates will have to contact the Controller of Examinations, Annamalai University, AnnamalaiNagar - 608002. Phone Number 04144-238027 & 04144-238248, Extn. 232, Fax No: 04144-238145. Use 04144-237356, 237357, 237358, 237359, 238248, 239796, 239797, 239798 and 239799 for 24 Hour Helpline for the same.

### Annexure - II

**List of Annamalai University dpub Learning Centres**
In order to provide automated information to the students and the public, Annamalai University is using the technology of DIGITAL VOICE INFORMATION SYSTEM.

TELEPHONE NUMBERS: 04144-237356, 237357, 237358, 237359, 239796, 239797, 239798 and 239799

The digital voice information system has been installed in the DIRECTORATE OF DISTANCE EDUCATION and it is an automated information service. It responds when you call any of the above numbers in four different languages viz Tamil, English, Hindi and Telugu. It provides automated information about the programmes offered by the institution, Students, results and marks, Tuition fees arrears, Exam related enquiries and PCP date and venue. Apart from the above, it has also got a grievance register facility, where students can record their grievance for about a minute and the institution will answer it later. The service is available round the clock.
The Directorate of Distance Education, Annamalai University has introduced student support service of computerized SMS reply to students' enquiries through Cell Phone.

The Short Message Service is installed in the Directorate of Distance Education and it replies to various types of enquiries listed in the following table. A Cell Phone Number 9442551111 is provided at the SMS Information Centre at DDE and students are requested to send SMS to this number to avail this facility on working days during office hours (9.45 AM to 5.45 PM).
