Music Together

Music Together is an internationally known and loved music program for children and their families. The Music Together program hosted at Christ Church provides young children with all the ingredients for music learning. It offers them a rich repertoire to actively explore, along with the pleasure and support of being with loved ones in a music-making community. In a typical class you will see moms, nannies, dads, or grandparents singing, playing, and moving with music. Each semester brings new songs, new friends and lots of fun. Music Together utilizes a variety of music from various cultures and incorporates a wide range of tonalities and rhythms to be explored. The mixed age classes are designed specifically for Infants through 5 year olds and are held each Fall, Winter, and Spring Semester. The semesters are ten weeks long and tuition includes songbooks and CD. Participants may choose to come one semester or continue on for several semesters. For more information or to register, please contact Leila Quinlan at 285-7390, ext. 223 or email Leila@christepiscopalchurch.org.
