Day 1: Mesa City Limitless

Mesa Arts Center

The Performing Arts Center in downtown Mesa is the southernmost venue in the Valley of the Sun. The UFO-shaped theatre is home to Mesa Symphony and Mesa Contemporary Stage Company. National touring companies are drawn to the venue, which has hosted Broadway hits, Pavarotti, and the Phantom of the Opera. The Center also houses a Planetarium and also features the Mesa Art Museum.

Air Museum

This museum is dedicated to promoting aviation and aerospace education while preserving the history of flight. The collection includes a variety of aircraft from different eras, along with exhibits on the history of space exploration. Visitors can learn about the technological advancements that have shaped aviation and explore the development of flight through interactive displays and hands-on activities. A flight simulator is also available for a more immersive experience.
