CELEBRATING
60 YEARS

St Giles International was founded by Paul and Diana Lindsay and remains family owned and managed today. In 1955, the first school was opened in a small back street in central London. Since then the company has grown into an international organisation with approximately 440 employees and 7 year-round centres, plus many Junior Summer Centres in the UK, USA and Canada.

QUEEN’S AWARD

In 2015, St Giles was awarded a Queen’s Award for Enterprise: International Trade.

The Queen’s Awards are announced annually by Her Majesty The Queen, on the advice of the Prime Minister, and are regarded as the most prestigious business awards in the UK. This award acknowledges outstanding continuous achievement over a 6-year period.

As a winner of a Queen’s Award for Enterprise, St Giles’ Managing Director, Mark Lindsay, was invited to attend a reception at Buckingham Palace in July 2015, where he met Queen Elizabeth II.

ACCREDITATIONS & MEMBERSHIPS

St Giles International is fully accredited and regularly assessed for the teaching of English by the British Council in the UK, CEA in the USA, and Languages Canada in Canada. These are major independent bodies that control quality standards in language centres in the UK, USA and Canada. Our US centres are also members of AAIEP. Our St Giles UK centres are also members of English UK and were all inspected by the Independent Schools Inspectorate (ISI) in 2015, and are listed by UKVI as sponsors with Tier 4 Sponsor status. St Giles International Eastbourne (inspected in April 2013) and St Giles International London Central (inspected in December 2014) have both achieved EAQUALS accreditation for meeting the high standards required. The teaching, the course programmes, as well as the course organisation, the learning resources, testing and evaluation were all judged to be of high quality. St Giles Vancouver has EQA designation and is recognised by British Columbia government as having met quality assurance standards.
QUALITY MANAGEMENT
PROJECT

St Giles International prides itself on maintaining high levels of satisfaction and a good service to our students and partners; we have been committed to continual improvement during our 60 years of success.

The St Giles Quality Management Project uses various methods of analysis to score our centres for their performance throughout the year and to identify areas for improvement. Methods include the analysis of feedback from students and partners, as well as other internal processes to assess the quality of service provided, such as ‘mystery shopper’ enquiries.

In 2014, our seven year-round schools scored very highly in the areas of friendliness, teaching, and admin staff, showing student expectations have been exceeded in these key areas.

CORPORATE SOCIAL RESPONSIBILITY AND CHARITY

St Giles International has an extensive programme of corporate social responsibility. Our efforts include generous donations to many charities, environmentally friendly practices in our schools and involvement with the wider community.

St Giles International takes sustainability seriously. All schools have designated CSR officers who arrange various events and activities throughout the year. Recent projects include fundraising for the Nepal Earthquake appeal, volunteering at local homeless shelters and setting up a vegetable patch on school grounds.

St Giles also has its own charity, The St Giles Educational Trust. The trust was established in 1970 and aims to promote excellence in English Language teaching through schemes and scholarships in the UK and overseas. Most recently, in 2014, teachers from St Giles London Central and St Giles London Highgate travelled to Ghana for 3 weeks to train a group of teachers in basic conditions, with no electrical power or running water and very limited resources. Find out more about the St Giles Educational Trust by visiting www.stgilesedtrust.org.
YOUR TEACHERS

Our teachers are our greatest strength. They are supportive, professional and focused on helping you achieve your personal goals.

Teaching Style
The St Giles approach to teaching and learning a language is ‘Learner Centred’. This means that we focus on the needs, interests and aims of our students, and plan the content of the course on the basis of this information. Our learners are encouraged to participate actively in the process of learning and acquiring the new language, and we aim to promote learner independence. All our teachers plan fast-paced interactive lessons so that students are motivated to learn and our courses are interesting, relevant and enjoyable.

Qualifications
All our teachers are qualified, native level English speakers, and many have years of experience. We also have a high ratio of Diploma and Masters qualified teachers at our schools.

Teacher Development Programme
All our centres have a teacher development programme helping our teachers to continually improve their skills. We also encourage them to take further qualifications and all teachers are regularly observed and appraised.

Observations
As part of our Teacher Development effort, we employ a group-wide scheme of graded teacher observations, whereby teachers can learn from the practice of others and receive dedicated feedback on their performance and progress. This process helps to maintain consistent teaching standards at all our centres and upholds St Giles’ reputation for high quality teaching.

Student Feedback
Student feedback is very important to St Giles and is vital to our success. Feedback is gathered from students at the end of their course, via an online questionnaire. In 2014, most students rated teaching at St Giles as exceeding their expectations. This rating has consistently increased over the past 3 years. St Giles also holds bi-annual focus groups at each school. These are formed of small groups of students from different countries, age ranges and language programmes. They discuss various topics including the quality of teaching, school facilities, and student services. In 2014, both the friendliness of teachers and quality of teaching were graded, on average, as between “very good” and “excellent”.

St Giles International
“ALL MY TEACHERS HAVE BEEN GREAT. THEY ARE ALL KNOWLEDGEABLE AND ABLE TO ANSWER ANY QUESTIONS. THEY TRY ALSO TO MAKE CLASSES MORE INTERESTING. ALL CLASSES WERE CHALLENGING BUT AT THE SAME TIME RELEVANT. MY TIME AT ST GILES COULDN’T HAVE BEEN BETTER!”

Baniapa, Gabon, St Giles Brighton 2015
We aim to help every single St Giles student to make progress during their stay – whether you stay for just 1 week or for 52 weeks! To help us do this we offer you:

Small, learner-centred classes
We offer a maximum class size of 12 at our year-round schools and 15 at our Junior Summer Centres. This means that you will enjoy personal attention from your teachers and this will help you make faster progress.

Regular individual feedback and testing
You will have a one-to-one feedback meeting with your teacher and an in-class progress test every two weeks. These will allow your teacher to carefully monitor your progress and give you feedback to help you to improve.

During your feedback meetings you will be able to discuss your progress and your objectives, as well as any welfare matters (for example your accommodation). We keep a record of these sessions, allowing us to follow your progress through the duration of your course.

Student Reports
At the end of your programme, provided you attend at least 80% of your classes, you will receive a Student Report to certify that you have attended a course with us. The report will also show your progress throughout your stay.

Modern Facilities
At St Giles we are committed to offering the latest learning facilities to help you enjoy your lessons and make the most of your progress. All our year-round centres have interactive whiteboards in most or all of the classrooms.

Our self-access study centres in each year-round school offer you the chance to undertake further study outside of the classroom, based on recommendations from your teachers. Free Wi-Fi is available at all schools.

Complimentary Services
To get the most out of your time with us, we offer additional free services outside of the classroom to enhance your progress. St Giles offers extra support from academic counsellors, exam coordinators, grammar doctors and learning support coordinators, available at most schools to provide you with help and guidance whenever you need it. Additionally, all students will receive 12 months' access to the e-Learning zone. This online resource offers a wide range of useful resources that can be accessed to help you improve your English, even before you have started studying with us!
97% OF STUDENTS IN 2014 FELT THAT THEY MADE PROGRESS DURING THEIR STUDIES

This chart shows how you can expect to make progress through the levels on a 20 lessons-per-week General English course at St Giles. Every two weeks you will have a progress check and your teacher will talk to you about your progress. Every eight weeks you will have a level assessment test.

MORE THAN LANGUAGE LEARNING

Support & Welfare
On your first day at a St Giles school you will have an orientation and welcome session. This will include an introduction to your fellow students, the support and welfare team, and will provide you with all the information you need during your stay with us.

Safeguarding & Child Protection
We take safeguarding very seriously at our centres. We have Child Protection Officers in every centre to support you from the moment you arrive to the day you return home, ensuring your safety and well-being throughout your stay. You will also receive a 24-hour telephone number for use outside school hours in case you ever need it.

Insurance
We recommend that all students arrange insurance cover before they come to study with us. We provide optional insurance which can be purchased when you book your course with us. You can find information about this option on our website.

Social Programme
Our social programmes are designed to help you have fun, make friends, practise your English, and explore the city and country you are living in. At each year-round school there is a Social Programme Organiser who arranges a variety of afternoon, evening and weekend activities for you to take part in. There will be at least five events each week.

You can choose from local weekday activities and sports in the afternoons and evenings as well as a choice of full-day or two-day weekend excursions.

Airport Transfers
To make your journey as comfortable as possible, we can arrange for a taxi to meet you at the airport and take you to your accommodation. You can also book one for your journey home.

It is a great choice if you want to practise your English naturally outside of the classroom, really experience life in the UK, USA or Canada, or be in a more supportive environment. It also offers excellent value for money.
- Choose from single or shared rooms
- Half-board, Bed & Breakfast and Self-catering options available
- Superior options also available

Residential
Residence Halls
Student residences offer you a more independent lifestyle during your stay and the chance to meet other international students. This course is ideal if you want to improve your English skills in a short amount of time and study from between 1 and 23 weeks. Your lessons will focus on improving your confidence and your speaking and listening skills.

After you take a General English course at St Giles, you should:

• have developed your listening, reading and writing skills
• have a greater understanding of the grammatical structure of English

General English Group

Group classes offer you the best value for money and the opportunity to benefit from interaction with other language learners from all over the world. Our maximum class size is 12, which ensures that you will have personal attention from your teacher.

You can choose to take either 28 lessons per week for an intensive programme to help you maximise your progress, or 20 lessons per week (in the mornings or afternoons) if you would like to have more free time during your stay. There is also a 22 lesson per week option in the USA for students on an F1 Student Visa.

You can also choose to increase your progress during your stay by taking 5 or more additional One-to-one lessons per week.

General English for Beginners

This English course of 2 - 4 weeks is carefully designed to deliver essential language skills in a supportive learning environment. It is suitable for students with little or no English Language knowledge and teaches basic grammar and vocabulary, as well as speaking and listening skills. Students will practise everyday English from the beginning of the course, which will improve their communication skills and boost their confidence.

After completing the General English for Beginners course, students can progress onto a longer General English or International Semester Course at A1 (Elementary) level.

You can also choose to increase your progress during your stay by taking 5 or more additional One-to-one lessons per week.

General English One-to-one

Choose One-to-one lessons if you want to develop your skills in a short amount of time and benefit from lessons designed for your needs. You can choose how many lessons you would like each week.

Our Examination Courses offer you preparation for a choice of internationally recognised English examinations. We offer preparation courses for Cambridge English (FCE, CAE, CPE), IELTS, TOEFL and TOEIC.

These courses can either be taken on their own, or as part of an International Semester Course. The programme will include test techniques and strategies for your chosen examination and will also help you improve your listening, speaking, reading and writing skills.

By the end of any examination preparation course at St Giles you should:
- have taken or be ready to take an internationally recognised exam
- have developed independent study and exam skills
- have improved your English level and confidence using the language

Cambridge English Examination Courses

Cambridge English examinations are taken by many thousands of learners each year, and accepted internationally by employers and educational institutions.

St Giles offers preparation for First (FCE) and Advanced (CAE) exams at all year-round centres and Proficiency (CPE) exams in Brighton, London Central, San Francisco and New York City.

Courses start 4 or 5 times each year (depending on the centre) and last for between 4 and 13 weeks (depending on the centre and time of year). The courses lead up to various examination dates throughout the year.

Our centres in Eastbourne, San Francisco and New York are Cambridge English test centres so you can take the exam at the school at the end of your course. It is also possible to take the exam at London Central as the London Exam Centre runs exam sessions in our school building for St Giles students.

St Giles International
Fast-Track University Pathway Programme (San Francisco)

Students aged 18 and older who take an International Semester Course (ISC) in San Francisco can take advantage of our Fast-Track University Pathway Programme to apply directly to one of our partner colleges. Some of our partners require an Upper-Intermediate level of English and some will require an Advanced level.

Students will be offered academic counselling throughout their ISC course and we can help them to apply for one of our partner colleges to take a two-year Associate Degree. The Associate Degree can then lead to a third year at an American University to gain a Bachelors Degree.

We recommend that students who want to take advantage of this Pathway take our English for Academic Purposes module during their ISC course. This module helps students to develop their academic study skills and prepare for University.

University Pathway Programme (Vancouver)

The University Pathway Programme (UPP) at St Giles Vancouver is designed to help students prepare for future study at a university in Canada.

To succeed at an English-speaking university or college in Canada, you will need to develop not only your English skills but also your academic skills. The 16-week UPP course covers English skills, academic skills and examination preparation. It also includes a community volunteer project. Each element of the course is carefully designed for successful integration into Canadian university life.

The University Pathway Programme is unique in that it includes community focus tasks during the Volunteer Projects which foster social skills development.

TEFL COURSES

An initial qualification in TEFL (Teaching English as a Foreign Language) will give you many opportunities to live and work in the UK, USA and abroad, and to meet people from many different backgrounds and cultures. St Giles offers you:

- Over 50 years’ experience in training English language teachers
- Programmes delivered by skilled trainers, who are also practising teachers
- Courses in busy and lively English language schools, with the latest ELT resources and facilities
- Learner-centred, small classes with lots of support from your trainers
- Advice and support in finding work and developing your TEFL career

St Giles was one of the first organisations to offer training for English language teachers in the UK. Today our organisation offers teacher training for native or near-native speakers of English who wish to become teachers or to develop their skills, as well as development courses for practising non-native teachers who want to improve their language skills and teaching methodologies.
COURSES FOR NATIVE AND NEAR-NATIVE SPEAKERS OF ENGLISH

Cambridge CELTA and Trinity CertTESOL

St Giles offers courses leading to both the Cambridge CELTA (Certificate in Teaching English to Speakers of Other Languages) and the Trinity CertTESOL (Certificate in Teaching English to Speakers of Other Languages). These are the two most widely recognised international teaching qualifications. The courses are designed for native or near-native speakers of English and most English teaching posts worldwide require one or the other of these. Both courses include teaching practice throughout the training.

St Giles offers both as 4-week intensive programmes. St Giles Brighton, London Highgate, New York and San Francisco offer the Cambridge CELTA course, whilst St Giles London Central and Eastbourne offer the Trinity CertTESOL course.

Cambridge Delta Modules One and Two

The Cambridge Delta is an advanced three-Module TEFL qualification for practising English Language teachers. It is designed for teachers who already have substantial experience in the ELT profession and want to develop their skills further.

St Giles Brighton offers Delta Module One and Module Two courses: both are part-time and both include a mix of input sessions as well as pre/post-session reading and tasks. Module Two also includes assessed written assignments and teaching observations. For more information on these programmes, see our Teacher Training brochure.

COURSES FOR OVERSEAS TEACHERS OF ENGLISH

St Giles TEC and Cambridge TKT

The St Giles Teachers of English Course (TEC) is a two-week teacher development course for non-native teachers of English who want to update their professional practice, as well as improve their English. Participants develop and explore aspects of teaching methodology and techniques, and learn how to evaluate and utilise a variety of teaching aids and resources. The course is offered at our centres in the UK and USA.

In addition, our St Giles Brighton school offers a focused Cambridge TKT (Teaching Knowledge Test) preparation course during the summer. Cambridge TKT is a qualification for practising English Language Teachers.

Cambridge ICELT

The ICELT (In-service Certificate in English Language Teaching) is a more advanced Cambridge award for experienced teachers of English, which aims to enhance and develop candidates’ knowledge, expertise and practical teaching skills.

The ICELT course consists of two modules: Module One (Language for Teachers), can be completed either in the UK, or in the participants’ home country. Module Two (Teaching and Methodology) can only be completed in the candidates’ home countries, as their own teaching context must be taken into account.

St Giles Brighton offers courses leading to both Modules of the ICELT to closed groups of teachers, (who should contact us as a ready-formed group to make arrangements). Individual teachers who wish to study for ICELT Module One can join our open enrolment course in Brighton.

The St Giles Educational Trust is a registered charity, established in 1970 to raise standards in the English Language Teaching (ELT) profession through its Teacher Training and language research programmes.

In addition to our Teacher Training programmes in the UK, the Trust oversees the running of the London Central ELT Library, a multi-media resource centre and library open to all members of the ELT profession, including our trainees.
