DEPARTMENT OF SCIENCE AND TECHNOLOGY

The Department of Science and Technology is an affirmative action employer and coloured people, white females and people with disabilities are encouraged to apply for these posts.

APPLICATIONS: The Chief Director: Human Resources, Private Bag X894, Pretoria, 0001, or hand-deliver them to the Department at Building 53, CSIR Campus, Meiring Naudé Road, Brummeria.

CLOSING DATE: 22 April 2016

NOTE: Applications must be accompanied by a signed Z83 form and up-to-date curriculum vitae (including three contactable referees) as well as recently certified copies of all qualifications and the applicant's identity document. Confirmation of permanent appointment will be subject to the applicant passing a security check and confirmation of the applicant's qualifications. It is the responsibility of applicants to have any foreign qualifications verified by the South African Qualifications Authority. The Department will respond only to shortlisted candidates, who will be interviewed on a date and at a time specified by the Department. The Department reserves the right not to appoint anyone to the above posts, and to withdraw them, re-advertise them or fill them by way of transfer or deployment if this is considered in the interests of service delivery.

OTHER POST

POST 14/21: ASSISTANT DIRECTOR: STRATEGIC PARTNERSHIPS
(Three-Year Contract)
This is a re-advertisement. Candidates who previously applied for the Assistant Director: Strategic Partnerships position need not re-apply. Please note that the successful candidate's continued employment will be subject to performance assessments annually.

SALARY: R427 144, 08 per annum (including 37% in-lieu-of-service benefits)

CENTRE: Pretoria

REQUIREMENTS: A national diploma/bachelors degree (minimum NQF level 6) in international relations, public administration and/or a science field. Two to three years' working experience in a science environment, public administration, international relations and international events management. Knowledge of government prescripts and applicable protocols. Knowledge of the National System of Innovation and public policy management. Excellent communication (written and verbal), interpersonal and administrative skills. Analytical, research and strategic thinking and strong negotiation skills. Be a team player, as well as an independent worker, and exercise science diplomacy.

DUTIES: Assist in promoting South African and African participation in EU competitive funding programmes. Identity and explore the value of South African participation and networking in new EU programmes. Address key DST strategic focus areas. Influence the EU programmes to benefit South Africa's strategic priorities.
