PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to the form 3-200-3 that must be completed as an application for a U.S. Fish and Wildlife Service permit. The General Permit Procedures in 50 CFR 13 address the permitting process.

GENERAL INSTRUCTIONS:

- Complete all blocks/lines/questions in Sections A through D.
- An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application in blue ink. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the appropriate address on the attached address list. The application is to be submitted to the issuing office address in the Region your company is located.
- Keep a copy of your completed application.
- Please plan ahead. Allow at least 60 days for your application to be processed. (50 CFR 13.11)
- Applications are processed in the order they are received.

COMPLETE SECTION A:

- Enter the complete name of the business who will be the Licensee if an Import/Export License is issued. If no company name exists, then use the Name (Last, First, Middle) of the owner of the business. Enter personal information that identifies the applicant.
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing power of attorney must be included with the application.
- Give a brief description of the type of business in which the applicant is engaged (Taxidermy, Jewelry, Apparel, etc.).
- Doing business as (dba): dba’s are not accepted. The name on the Import/Export License must match the invoice and other shipping documents that accompany the shipment to or from the United States.
- Principal Officer is the person in charge of the listed business. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. Primary Contact is the person at the business who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

COMPLETE SECTION B:

- Mailing address: This is the address where you will receive all official notices sent from the Service (ONLY if different than address listed in Block 1.a.).

COMPLETE SECTION C:

Application processing fee:

- An application processing fee is required at the time of application. The fee does not guarantee the issuance of a permit. Fees will not be refunded for applications that are approved, abandoned, or denied. We may return fees for withdrawn applications if no significant processing has occurred.

Federal Fish and Wildlife permits:

- List the number(s) of your most current Service permit or the number of the most recent permit if none are currently valid.

CERTIFICATION:

- The individual identified in Section A or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink. This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing the application.

COMPLETE SECTION D:

- Question 1. Foreign Applicant ONLY: Enter the complete U.S. address. This is the address where you will receive all official notices sent from the Service. 50 CFR 13.12 requires this information for issuance.
- Question 7. Foreign Applicant ONLY: Enter the complete name, physical address, telephone and fax numbers of your agent located in the United States where your records (as defined in 50 CFR 13.46) will be maintained for five (5) years from the date of expiration of the license. This can be a customshouse broker, relative, etc. It cannot be a retail postal or mail service center. 50 CFR 13.12 requires this information for issuance.

4. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. Response is not required unless a currently valid Office of Management and Budget (OMB) control number is displayed on the form.

6. The public reporting burden on the applicant for information collection varies depending on the activity for which a permit is requested. The relevant burden for an Import/Export license application is 1.25 hours. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, MS 2042-PDM, 4401 North Fairfax Drive, Arlington, VA 22203 (mail); or INFOCOL@fws.gov (email). Please include “1018-0092” in the subject line of your comments.

Freedom of Information Act – Notice
For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA.
