Southington Behavioral Health Resource Directory

Funded by the Bradley H. Barnes & Leila U. Barnes Memorial Trust at Main Street Community Foundation.
Dear Southington Resident,

This resource directory consolidates resource information for Southington residents who need assistance with mental health and addiction challenges. This directory is for consumers, families, and those who help them. It is intended to provide information about mental health programs supporting Southington residents.

Feelings of sadness, anxiety, worry, irritability, or sleep problems are common for most people. However, when these feelings get very intense, last for a long period of time, or begin to interfere with school, work, and/or relationships, they may be a sign of a mental health challenge. Just like people need to take medicine and get professional help for physical conditions, someone with a mental health challenge may need to take medicine and/or participate in therapy in order to get better.

Behavioral health services include outpatient and inpatient care for children, adolescents, and adults. Programs offer confidential assessments, short and long-term counseling, psychotherapy, family therapy, and mental health treatment.

Outpatient mental health services are provided to individuals who have acute or chronic psychiatric disorders but do not need 24-hour care. Outpatient mental health and substance use disorder services are provided in person in an ambulatory care setting such as a mental health center or substance use disorder clinic, hospital outpatient department, community health center, or practitioner’s office. Inpatient mental health services are 24-hour services delivered in a licensed hospital setting that provide clinical intervention for mental health and/or substance use diagnoses.

This directory is a collaboration between the Bradley H. Barnes & Leila U. Barnes Memorial Trust at Main Street Community Foundation and Wheeler Clinic.

This resource directory will not detail the symptoms of mental illnesses or delve into pharmaceuticals.

Literature is available at the Connecticut Clearinghouse, a statewide library and resource center for information on substance use and mental health disorders, prevention and health promotion, treatment and recovery, wellness and other related topics. You may visit their website for more information: www.ctclearinghouse.org. Materials from their specialized library and resource center are available to Connecticut families, teachers, students, professionals, communities and children. The library is located on 334 Farmington Ave, Plainville, CT 06062.

For assistance in locating and connecting with appropriate mental health services in the Southington area for you, a family member or friend, please feel free to contact:

Justine Micalizzi  
Wheeler Clinic  
Senior Community Health Outreach Coordinator  
(860) 414-1235  
jmicalizzi@wheelerclinic.org

Thank you.

Behavioral Health Glossary

Behavioral Health Professionals:

Advanced Practice Registered Nurse (APRN): A nurse with post-graduate education in nursing. APRNs are prepared with advanced informative and clinical education, knowledge, skills, and scope of practice in nursing.

Certified Alcohol and Drug Counselor (CADC) – A certified individual that provides alcohol and drug counseling.

Licensed Clinical Social Worker (LCSW) – An individual that holds a Master’s degree in social work (MSW) and specializes in clinical practice. They work with clients in order to help them deal with issues involving their mental and emotional health. This could be related to substance abuse, past trauma or mental illness. There are a wide variety of specializations the Licensed Clinical Social Worker can focus on. These include specialties such as: working with mental health issues, substance abuse, public health, school social work, medical social work, marriage counseling or children and family therapy.

Licensed Alcohol and Drug Counselor (LADC) – A licensed individual who helps people suffering from alcohol and substance abuse problems. Counselors help patients overcome addiction and adopt sober lifestyles, often in residential or outpatient rehabilitation programs.

Licensed Marriage and Family Therapist (LMFT) – An individual educated with a Master's or Doctoral degree, trained with a minimum of two (2) years of supervised clinical experience. LMFT’s are trained and licensed to independently diagnose and treat mental health and substance abuse problems.

Licensed Professional Counselor (LPC) – Licensed professional counselors (LPCs) are Master’s-degreed mental health service providers, trained to work with individuals, families, and groups in treating mental, behavioral, and emotional problems and disorders.

Paraprofessionals – Paraprofessionals work under a trained professional in clinical settings, i.e.: Licensed Social Work Associates (Bachelor level social workers).

Psychiatric Mental Health Nurse Practitioner (PMH-NP) – A registered nurse certified by the Connecticut State Board of Nursing, who is able to independently engage in the following activities:

- “Nurse Psychotherapist” – A registered nurse, who practices psychotherapy in a structured relationship with the client
- “Psychiatric Nurse Practitioner” – An experienced registered nurse who possesses advanced training and education in the area of diagnosing and treating illness. Nurse practitioners are able to prescribe medication. Psychiatric nurse practitioners specialize in providing psychiatric care to individuals.

Psychiatrist (MD/DO) – A medical doctor who possesses specialized training in the field of psychiatry. Psychiatrists must be licensed physicians in the state in which they practice and must also be certified by the American Board of Psychiatry.

Psychologist (PhD/PsyD) – An individual who possesses a Doctoral degree in psychology. One must be licensed by the Connecticut State Board of Examiners of Psychologists. A psychologist can be a clinical or a counseling psychologist.
Behavioral Health Glossary (cont.)

**Behavioral Health Terms:**

**Case Management** – A process which plans, coordinates and implements services required to meet an individual’s needs.

**Co-occurring Disorders** – A person with substance use issues and mental health diagnosis.

**Dual Diagnosis Treatment** – Treatment for an individual with substance abuse issues as well as a mental health diagnosis.

**Evidence Based Practice (EBP)** – Preferential use of mental and behavioral health interventions for which systematic empirical research has provided evidence of statistically significant effectiveness as treatments for specific problems.

**Family Psychoeducation** – Provides education to individuals living with mental illness and their families. The goal is to assist the individual and their family to better understand his/her present illness, avoid relapse and contribute to their own health and wellness on a long-term basis.

**In-home Services** – Counseling provided in the home by a behavioral health professional.

**Intake (Interview)** – Occurs when a client first seeks help from a clinician. It’s the first interaction that occurs between the client and the clinician.

**Intensive Outpatient Program (IOP)** – The highest level of outpatient treatment before inpatient care.

**Medication Evaluation/ Medical Management** – A psychiatrist or nurse practitioner monitors and evaluates a client’s medications to ensure that the client is on the proper medications. Medication evaluations can be done at various intervals.

**Open Access** – Walk-in availability during designated times without an appointment.

**Outpatient** – Treatment that is provided in the community and not in a hospitalized setting.

**Partial Hospitalization Program (PHP)** – A short-term day program that offers psychiatric services. PHP is less intrusive and traumatic than inpatient care. Clients are able to return to their homes at the end of the day, while still remaining under the care of mental health professionals on a daily basis.

**Peer Support** – Individuals or family members of those living with mental illness coming together to provide a self-directed, grassroots association that works to enhance the mental health of other local consumers. Peer support members meet as equals to give each other support on a reciprocal basis.

**Psychiatric Evaluation/Assessment** – An evaluation performed by a psychiatrist or nurse practitioner. A psychiatric evaluation includes the history of the present illness, current symptoms the individual is experiencing, past history of illness, family history, a review of medications, mental status examinations and a physical examination.
Behavioral Health Glossary (cont.)

**Psychiatric Rehabilitation Program (PRP)** – A program that provides support and rehabilitation to individuals who suffer from mental illness. PRP focuses on daily living skills through the use of the community environment.

**Psychological Testing** – Tests which are given to individuals to assess and evaluate information. Psychological tests are administered and interpreted by a psychologist.

**Residential Rehabilitation Program (RRP)** – Housing for individuals with a chronic mental health diagnosis, who are unable to live independently in the community.

**Respite** – Temporary shelter for a person in need of short term relief from a crisis they are experiencing or to provide relief to a caregiver.

**Sliding Scale** – Fees are set according to the client’s income (i.e., if the client has no income, the fee may be as low as $0).

**Uninsured** – An individual that does not have private insurance, Medicaid or Medicare.
Mental Health Services: Child and Adolescent

**Description:** Medication Assisted Treatment Program (MAT) offered at Rushford at Glastonbury for opioid recovery, intensive outpatient substance use and addiction treatment programs for adolescents and adults. The Rushford at Glastonbury MAT program focuses on treating adults with psychosocial and other core therapies, all provided with the utmost privacy and discretion. It includes a Working Professionals Program, where therapy sessions are offered early mornings or evenings.  
**Admission:** Call Assess Center at (877) 577-3233, staff will answer your questions about treatment programs, schedule an appointment for a confidential assessment and make referrals to other recovery services as needed.  
**Eligibility:** Age 18 and older in need of opioid substance use recovery.  
**Payment options:** Accepts most insurance.

**Waterbury Hospital:**  
**West Main Behavioral Health**  
88 Grandview Avenue, Waterbury, CT 06708  
**Contact:** (203) 573-7500  
**Website:** [www.waterburyhospital.org](http://www.waterburyhospital.org)  
**Description:** Medically supervised outpatient detoxification for alcohol and drugs, including opiates for adults with addictive and dual diagnosis disorders. Accepts pregnant women. West Main Behavioral Health is for people wishing to engage in active substance-abuse or dual-diagnosis treatment. The program offers a range of options for people who have problems with alcohol, opiates, cocaine, cannabis, sedatives and other substances.  
**Admission:** Intake appointments are scheduled Monday through Thursday. To learn more about the program and to speak with a nurse, call Monday-Friday, 7:30am to 3:30pm.  
**Eligibility:** Age 18 and older  
**Payment options:** Accepts most commercial insurances, as well as Medicare, Medicaid (Title XIX) and State Assistance (SAGA).
Eating Disorder Treatment Services

**Institute of Living**
200 Retreat Avenue, Braceland Building
Hartford, CT 06114
**Contact:** (860) 545-7200; Toll-Free (800) 673-2411
**Website:** [www.harthosp.org](http://www.harthosp.org)
**Description:** The Institute of Living believes that early identification and comprehensive treatment increase the possibility of recovery and health restoration, and minimize the suffering of those afflicted and their families. The Institute of Living offers a specialized program for the treatment of eating disorders in adolescents and adults. The Partial Hospital Service is our primary treatment modality; however, inpatient treatment is available on our general psychiatric unit. The initial assessment is provided by an eating disorder specialist. Treatment recommendations are geared toward the individual needs of the patient, to provide comprehensive treatment in the least restrictive environment possible.
**Eligibility:** Ages 13 and older
**Admission:** Call (860) 545-7200 Option 3 for an assessment.
**Payment options:** Accepts various health insurance providers.

**Walden Behavioral Health**
2400 Tamarack Ave, Suite 203
South Windsor, CT 06074
**Contact:** (860) 533-4672
**Website:** [www.waldenbehavioralcare.com](http://www.waldenbehavioralcare.com)
**Description:** The clinic offers partial hospitalization and intensive outpatient programs for adolescents and adults and a binge-eating program for adults. The clinic also offers outpatient treatment for adolescents and adults who suffer with eating disorders.
**Eligibility:** All ages
**Admission:** Call (860) 533-4672 for an assessment
**Payment options:** Accepts commercial insurance, and Husky.
**Other services:** Walden Behavioral Health has inpatient and residential treatment programs available in Waltham, MA.

**Wheeler Clinic**
91 Northwest Drive, Plainville, CT 06062
**Contact:** (888) 793-3500 – Navigation Center, Appointments and Information
**Website:** [www.wheelerclinic.org](http://www.wheelerclinic.org)
**Description:** The IBHS-ED program is an in-home program using the Maudsley Family Based Treatment (FBT) model. Typically, treatment lasts for 4-6 months for at risk youth and young adults and for 6-12 months for those with active anorexia nervosa. This evidenced-based model requires the participation of all family members (or support people for young adults) at each session. The model puts caretakers in the “driver’s seat” in determining the best food choices, meal and snack times and associated routines. During the initial phase of treatment, all food intake is monitored by the caretaker(s) or other adults such as school personnel.
**Eligibility:** Ages 10–24, Anthem-insured
**Admission:** Referrals and/questions can be made by calling Wheeler Clinic’s In-home Behavioral Services Eating Disorders Referral Line at (475) 222-6015.
**Payment options:** Serves Anthem Blue Cross Blue Shield of Connecticut-insured, ages 10–24.
Alcoholics Anonymous

Alcoholics Anonymous is an international fellowship of men and women who have had a drinking problem. It is nonprofessional, self-supporting, multiracial, apolitical, and available almost everywhere. There are no age or education requirements. Membership (free of charge) is open to anyone who wants to do something about his or her drinking problem.

Statewide toll-free number: (866) STEPS12 or (866) 783-7712
www.aa.org

Local Number- District 8: (860) 267-5857
www.ct-aa.org

Alcoholics Anonymous (AA) Meetings:

“Closed Meeting”: Only those with a alcohol problem, or those who think they may have an alcohol problem, and have a desire to stop drinking, may attend and participate.

“Open Meeting”: Spouses, family, and friends, of the alcoholic are welcome to attend and observe the meeting.

Al-Anon/Alateen

Al-Anon is a mutual support group of peers who share their experience in applying the Al-Anon principles to problems related to the effects of a problem drinker in their lives. It is not group therapy and is not led by a counselor or therapist; this support network complements and supports professional treatment.

Alateen is a peer support group for teens who are struggling with the effects of someone else’s problem drinking. Many Alateen groups meet at the same time and location as an Al-Anon group. Alateen meetings are open only to teenagers.

No advance notification or written referral is necessary to attend an Al-Anon or Alateen meeting. Anyone affected by someone else’s drinking is welcome to attend.

There are no dues or fees. Groups are self-supporting, and usually pass a basket around for a voluntary contribution to pay for rent or Al-Anon literature.

Narcotics Anonymous

Narcotics Anonymous is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. They are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. They suggest that you keep an open mind and give yourself a break. The program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work. They have learned from their group experience that those who keep coming to their meetings regularly stay clean.

Overeaters Anonymous

Overeaters Anonymous (OA) offers a program of recovery from compulsive overeating, binge eating and other eating disorders using the Twelve Steps and Twelve Traditions of OA. Worldwide meetings and other tools provide a fellowship of experience, strength and hope where members respect one another’s anonymity. OA charges no dues or fees; it is self-supporting through member contributions. OA is not just about weight loss, weight gain, maintenance, obesity or diets. It addresses physical, emotional and spiritual well-being. It is not a religious organization and does not promote any particular diet.

Y12SR – YOGA OF 12-STEP RECOVERY

Y12SR (Yoga of 12-Step Recovery) is a class in which we weave together the ancient wisdom of yoga and the practical tools of 12-Step programs. We recognize that the “issues live in our tissues” and through a group sharing circle followed by an intentional, themed yoga class incorporating asana, breath work and mindfulness we invoke the higher power of our understanding to help us release whatever is held. These classes are all inclusive for all levels, and anyone dealing with their own addictive behaviors of any kind, or affected by those behaviors in others. It will deepen any work that participants may currently be doing or jump start the journey of self-discovery. No one will be turned away for lack of funds. Donation based.

Transportation Services

Department of Mental Health and Addiction Services

The Department of Mental Health and Addiction Services may be able to transport you to and from detoxification and substance abuse treatment programs including recovery houses, shelters, sober houses, hospitals, VA/VET Centers, and in some cases alternative incarceration centers (AIC). If you are seeking treatment for a substance abuse and need transportation to a treatment facility or are leaving residential treatment and need transportation to community services contact:

In the Hartford area: Contact the Access line at (800) 563-4086, anytime. There is no eligibility associated with this transportation service.

In other areas of the State: Contact Road to Recovery at (203) 401-2087 or (203) 401-2088, Monday through Friday 8 AM to 4 PM. These rides are provided free of charge for persons on Medicaid Part D.

CT Transit – CT FASTRAK

CTfastrak system provides direct service to and from Waterbury, Cheshire, Southington, Bristol, Plainville, New Britain, Newington, West Hartford, Hartford and Manchester with routes that take advantage of the bus-only CTfastrak roadway. The CTfastrak system provides a one-seat, no-transfer ride to many major regional employment, shopping and healthcare destinations as well as connections to the New Haven Line-Waterbury branch rail in Waterbury and Amtrak service in Hartford. Most CTfastrak bus routes operate Weekdays from 5:00 AM to Midnight; Saturdays from 6:00 AM to Midnight and Sundays and major holidays from 8:00 AM to 8:00 PM. Visit www.cttransit.com or (860) 522-8101.

DIAL-A-RIDE

DIAL-A-RIDE bus provides transportation at no charge for Southington residents aged 55 & over and for people with disabilities. To provide efficient, reliable, safe transportation to all our riders, some specific guidelines are being put into place. Your cooperation is anticipated & appreciated. Our primary objective is to provide the service that you need in a timely and reasonable manner.

Medical Appointments: Dial-A-Ride requests seventy-two hours (72) notification be given for all medical appointments, especially for out-of-town appointments. You may schedule up to a month in advance. They cannot accommodate same day requests. Please schedule in-town medical appointments between 9:00am-11:00am and 12:30pm-2:30 pm.

Out-of-town medical transportation will be provided as follows, please plan accordingly:

Mondays & Wednesdays: Plainville, New Britain & Meriden (appointments between 9:30am-1:00pm).

Tuesdays & Thursdays: Plainville, Bristol & Farmington (appointments between 9:30am-1:00pm).

Fridays: Please call for out-of-town schedule.

Call (860) 621-3014 to make your appointments.
Acknowledgements

The Bradley H. Barnes & Leila U. Barnes Memorial Trust at Main Street Community Foundation awarded Wheeler Clinic, the Southington Health Outreach Project grant to enhance access to mental health and substance abuse recovery services. The purpose of the Project is to assist Southington residents and families in recognizing the signs and symptoms of mental health and substance use challenges, navigating available resources and reducing barriers. The ultimate goal is to create a healthier community and to reduce the stigma and discrimination that is associated with mental health.

The Southington Behavioral Health Resource Directory was developed as a collaboration among community stakeholders to help residents navigate available resources. Many thanks to following organizations with their help in creating the directory:

- Alzheimer’s Resource Center
- Calendar House Senior Center
- Catholic Charities
- Commission on Disabilities
- Community Mental Health Affiliates
- DePaolo Family Foundation
- Early Childhood Collaborative of Southington
- Main Street Community Foundation
- Plainville-Southington Regional Health District
- Southington Housing Authority
- Rushford
- Southington Community YMCA
- Southington Pediatrics Associates
- Southington Police Department
- Southington Public Library
- Southington Public Schools
- Southington Youth Services
- Southington’s Town-wide Effort to Promote Success, “S.T.E.P.S.”
- The Hospital of Central Connecticut
- United Way of Southington
- Wheeler Clinic
