Polycarbonate Sheet

...Clearly the Best Choice for Glazing Durability

MAKROLON® 15
Polycarbonate Sheet

Sheffield Plastics Inc.
A Bayer MaterialScience Company
A New Superior Polycarbonate Sheet Glazing Solution that Offers:

♦ Long-Term Weatherability
♦ Vastly Improved Glazing Durability
♦ Optical Clarity
♦ Vandalism Protection
♦ Substantially Superior Impact Resistance
♦ Significant Weight Reduction
♦ Enhanced Insulating Properties

MAKROLON® 15 Polycarbonate Sheet offers long-term weatherability and is backed by a 15 year performance warranty. This significant performance enhancement is derived from MAKSHIELD™ innovative coating technology. MAKROLON 15 Polycarbonate Sheet achievement in performance offers significant longevity in the application life cycle costs.

MAKSHIELD hard-coat surface approaches the hardness of glass and addresses the issues previously associated with polycarbonate sheets*.

MAKSHIELD coating technology, combined with the impact strength of MAKROLON Polycarbonate Sheet, builds on Sheffield Plastics’ long history of “none tougher” polycarbonate products.

MAKROLON 15 Polycarbonate Sheet is clearly the right choice for glazing where there is potential for glass breakage. These applications include schools, public buildings, transportation centers, and in areas where high traffic and vandalism is prevalent.

*Note: Based on ASTM Taber Abrasion Test D1044-99, 100 cycles.

MAKROLON 15 Performance Warranty

Sheffield Plastics’ 15 Year Warranty Guarantees MAKROLON 15 Polycarbonate Sheet for:

♦ Breakage Due to Manufacturing Defects
♦ Coating Failure
♦ Yellowing and Reduced Light Transmission Due to Hazing

### Regulatory Code Compliance and Certifications

- **IBC 2606.4, Class CC1**: International Building Code, Chapter 26, Plastics (Light Transmitting Plastics Specifications)
- **CPSC 16 CFR 1201 Category I or Category II**: Safety Standard for Architectural Glazing Materials
- **UL 972**: Burglary Resistant Glazing Materials UL Listed Product

**Certain gauges of MAKROLON 15 comply with these standards.**
Clearly...

MAKROLON® 15 Sheet
is the Right Choice.
