GENERAL REQUIREMENTS

This program is available to children. To be eligible, the child must be a Kansas resident. He or she must also be a U.S. citizen or an eligible non-citizen. If the child is not an eligible non-citizen he or she may be eligible for a program called SOBRA. SOBRA may provide coverage of emergency services.

AGE

The child must be under the age of 19.

FAMILY SIZE

Your family size is usually determined by your income tax unit. The application should list each person who is living in the home. The agency will decide who has to be counted in the household. For most people the household is the same as your income tax unit.

ASSETS

We don’t count resources or assets for this program.

INCOME

The income of all individuals in the family size is counted. This includes wages from a job, self-employment, unemployment benefits, and Social Security (except SSI).

INCOME STANDARDS

The monthly countable income is compared to the appropriate standards listed in the chart below.

The income standards vary depending on the age of the child. There are two levels of coverage:

- KanCare under the Medicaid plan, which as lower income levels
- KanCare under the CHIP plan; if a child doesn't qualify for Medicaid, they are then screened for CHIP.
