Housing Opportunities for People with AIDS Program (HOPWA)
http://www.dca.state.ga.us/housing/specialneeds/programs/hopwa.asp

Administering Agency: Georgia Department of Community Affairs
60 Executive Park South, NE
Atlanta, Georgia 30329

Total Funding Level: For FY2011, $4.8 million was awarded.

Maximum per Applicant: For operations and service activities (other than development) funding is generally less than $225,000 per organization per year. For development activities that include acquisition, new construction and/or rehabilitation, assistance is generally limited to $200,000 per project or organization. Subject to need or availability of funds, limits may be waived at the discretion of the Commissioner of the Department of Community Affairs. Funds are distributed under a formula that is based on AIDS surveillance from the CDC, cumulative AIDS cases, and area incidences.

Criteria for Eligibility: To the extent determined by Housing Trust Fund Commission and DCA, private, nonprofit organizations and local government entities are eligible to apply for funds. Eligible activities are those named in current HUD regulations for the HOPWA program. Activities include, but are not limited to housing, housing or fair housing information, acquisition, rehabilitation, limited new construction, rental assistance (including shared housing), homelessness prevention, supportive services (health, mental health, assessment, drug and alcohol, day care, personal assistance, nutritional services, etc.), general case mgt., housing operating subsidies, and technical assistance. Sponsor administrative costs are limited to 7% of the grant amount. Each activity and its location must be approved by appropriate local government jurisdictions. All activities must be conducted in full compliance with program regulations published at 24 CFR & 574.

Criteria for Selection: Funding decisions and funding amounts will be based upon the following factors: relative need for activity, the availability of other HOPWA providers within the service area, relative quality of housing or services to be provided, amount of funds requested, value of applicant's contributions (cash and in-kind), number of persons to benefit from activity, standard costs for housing and services, and other Federal or State assistance available to applicant. Development (acquisition, new construction and rehabilitation) funding decisions and funding amounts will be based upon the following factors: relative need for activity, amount of funds requested, value of applicant's contributions (cash and in-kind), other Federal or State assistance available to applicant, numbers of persons to benefit from activity; and project strategy and feasibility.

How to Apply: Contact the Department of Community Affairs to receive more information regarding program guidelines and deadlines.

Job Tax Credit
http://www.dca.state.ga.us/economic/taxcredits/programs/taxcredit.asp

Administering Agency: Georgia Department of Community Affairs
Office of Grant Administration
60 Executive Park South, NE
Atlanta, Georgia 30329

Total Funding Level: Not applicable.

Maximum per Applicant: $750, $1,250, $2,500, or $3,500 tax credit per year for five years for each new full-time job. $3,500 credits are available in the bottom 71 less-developed counties (tier 1) and in less developed census tract areas. $2,500 credits are available in counties ranked 72-106 (tier 2), $1,250 credits are available in counties ranked 107-141 (tier 3), and $750 credits are available in counties ranked 142-159 (tier 4). Additional credits of $500 per job are available for locating in a joint development authority jurisdiction. Total tax credit is limited to 100% of a business's total tax liability for job creation in tier 1 and tier 2 counties and to 50% of a business's total tax liability for job creation in tier 3 and tier 4 counties each year, but unused credits are carried forward for ten years from the time the jobs are created. Credits may also be used against withholding in tier 1 and less-developed census tract areas.

Criteria for Eligibility: Generally, only businesses involved in manufacturing, warehousing and distribution, information processing, research and development, and tourism, or the headquarters of any such businesses, are eligible for the credit. In the bottom 40 counties, any type of business may qualify if job creation and other standards are met. A business must increase employment by an average of five (in tier 1 counties), ten (in tier 2 counties), fifteen (in tier 3 counties) or twenty-five (in tier 4 counties) new full-time jobs and maintain them for at least one year to qualify for the credit. Credits are available in years two through six after job creation depending on the number of jobs maintained. The Georgia Department of Community Affairs annually ranks Georgia counties and designates tier 1, tier 2, tier 3 and tier 4 counties. The Department also periodically ranks and designates less-developed census tract areas. For businesses creating jobs in less-developed census tract areas, 30% of new fulltime jobs must be held by residents of less-developed census tracts areas or tier 1 counties.

Criteria for Selection: Available to all businesses which meet the above criteria.

How to Apply: Contact the Department of Community Affairs for application information.

Type of Assistance: A tax credit on Georgia income taxes for eligible businesses that create new jobs in counties or “less-developed” census tract areas.

Type of Assistance: This program was formerly known as the Georgia Job Training Partnership Act. The Workforce Investment Act (WIA) was signed into law in August 1998 and went into effect July 1, 2000. The Workforce Investment Act will involve a new approach to delivering employment and training services throughout Georgia. The Workforce Investment Act Funds programs administered by designated local agencies to prepare economically disadvantaged youth and adults for unsubsidized jobs. Some funds are also available for workers dislocated from their jobs due to plant closures and mass layoffs.
